E. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provided by statement/bill from the veterinarian or staff of the humane society and must be provided before the execution of this agreement.

F. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a leash and kept off other Tenant's lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked-up immediately and transported to the Humane Society or other appropriate facility.

G. All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under control of an adult. Pets which are unleashed, or leashed and unattended, on HA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff has to take a pet to the Humane Society the Tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.

H. Pet(s) may not be left unattended for more than twenty-four consecutive hours. In the case of an emergency, the HA will work with the resident to allow more than 24 hours for the resident to make accommodations for the pet.

I. Pet(s), as applicable, must be weighed by a veterinarian or staff of the humane society. A statement containing the weight of the pet must be provided to the HA prior to the execution of this agreement and upon request by the HA.

Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant and unsanitary odor from being in the unit.

3. Prohibited Animals: Animals or breeds of animals that are considered by the HA to be vicious and/or intimidating will not be allowed. Some examples that have a reputation of a vicious nature are: reptiles, rottweiler, doberman pinschers, pit bulldog, and/or any animal that displays vicious behavior. This determination will be made by a HA representative prior to the execution of this lease addendum.

4. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching, and other like activities. The Housing Manager will terminate this authorization if a pet disturbs other tenants under this section of the lease addendum. The Tenant will be given one week to make arrangements for the care of the pet or the dwelling lease will be terminated.

5. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the tenant, in writing, that the animal must be removed from the Public Housing Development, within 10 days of the date of the notice from the HA. The tenant may request a hearing, which will be

handled according to the HA's established grievance procedure. The pet may remain with the tenant during the hearing process unless the HA determines that the pet may be a danger or threat to the safety and security of other persons. If this determination is made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.

6. The tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible waste by the pet it must be disposed of in a plastic bag, securely tied and placed in a garbage receptacle for their unit. If the HA staff is required to clean any waste left by a pet, the tenant will be charged \$25 for the removal of the waste.

If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers or by the HA staff and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff takes a pet to the Humane Society the Tenant will be charged an additional \$50 to cover the expense of taking the pet(s) to the Humane Society. The housing authority shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.
