- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.
- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement.
- The PHA may establish a higher income standard for disabled families and/or for non-disabled families. However, a family that meets the federal minimum income requirement (but not the PHA's requirement) will be considered to meet the minimum income requirement if it can demonstrate that it has been pre-qualified or pre-approved for financing.

The family must meet the Federal minimum employment requirement:

At least one adult family member who will own the home must be currently employed full time and must have been continuously employed for one year prior to homeownership assistance.

HUD regulations define "full time employment" as not less than an average of 30 hours per week.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 – 2004.)

The Pico Rivera Housing Assistance Agency (Agency) continues its mission of assisting low-income families to obtain suitable affordable housing, exercise location choice and become economically self-sufficient. The Agency provides individuals and families with rental assistance subsidies through the Section 8 Housing Choice Voucher Program. Successful program design and implementation has resulted in efficient use of resources and effective collaborations among social service agencies and local units of government.

In order to expand on the availability of affordable housing, the Agency has implemented a number of strategies that include exercising its authority to cap exception payment standards to 100% of the FMR for the Section 8 program, developing targeted marketing programs to increase landlord participation and contracting with a Fair Housing Organization to provide landlord/tenant counseling. The Agency strives to manage its program in a manner that enables the maximum number of families to be served.

The Agency continues to take steps to maintain and improve the quality of assisted housing by creating a supportive environment for staff, program participants and landlords to discuss and resolve issues of mutual concern.

In order to provide opportunities for an improved living environment to its Section 8

program participants, the Agency encourages deconcentration of low-income housing throughout the region. Program briefing materials include maps that indicate areas of concentration and information on the Agency jurisdiction.

Self-sufficiency of its program participants is encouraged through the Family Self-Sufficiency (FSS) Program administered by the Agency. The FSS Program is available to all Section 8 participants and includes the opportunity to establish a bearing savings account that escrows the increased earnings from employment of families as they become more economically self sufficient.

The City currently contracts with the Southern California Housing Rights Center for the administration of a Fair Housing Counseling Program. The purpose of the Housing Rights Center is to actively support and promote freedom of residence through education, advocacy, and litigation, to the end that all person have opportunity to secure the housing they desire and can afford, without regard to their race, color, religion, gender, sexual orientation, national origin, familial status, marital status, disability, ancestry, age, source of income or other characteristics protected by law.

The Housing Rights Center provides a wide array of programs and services to its clients free of charge. The Housing Rights Center is able to assist clients in eight different languages: Spanish, Mandarin, Armenian, Russian, Portuguese, Cantonese, Korean and English.

The Agency's SEMAP score has continued to maintain over the last few years. In FY 2003-04, the Agency received a "High Performer" rating of 135. In FY 2004-05, the Agency again received a "High Performer" rating of 135. In FY 2005-06, the Agency received a "Standard" rating of 72.

24 CFR Part 903.7(r)

a. Substantial Deviation from the 5-Year Plan

b. Significant Amendment or Modification to the Annual Plan

A "Significant Amendment or Modification" to the Annual Plan shall be defined as discretionary changes in the plans or policies of the Agency that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

An exception to this definition of "Substantial Deviation" and "Significant Amendment or Modification" to the Agency's Plan will be made for any of the above adopted policies to reflect changes in HUD regulatory requirements.

Any "Substantial Deviation" and "Significant Amendment or Modification" to the Agency's Plan will meet the full public process requirements prior to a revised PHA Annual Plan being submitted to the U.S. Department of Housing and Urban Development for approval.

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the Standard Annual, Standard 5-Year/Annual, and
Streamlined 5-Year/Annual PHA Plans**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the standard Annual, standard 5-Year/Annual or X streamlined 5-Year/Annual PHA Plan for the PHA fiscal year beginning 7/12007, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
5. The PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
6. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
7. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's MTCIS in an accurate, complete and timely manner (as specified in PHH Notice 99-2);
 - The system of site-based waiting lists provides for full disclosure to each applicant of the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
8. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
9. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
10. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low- or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
11. The PHA has submitted with the Plan a certification with regard to a drug free workplace required by 24 CFR Part 24, Subpart F.
12. The PHA has submitted with the Plan a certification with regard to compliance with restrictions on lobbying required by 24 CFR Part 87, together with disclosure forms if required by this Part, and with restrictions on payments to influence Federal Transactions, in accordance with the Byrd Amendment and implementing regulations at 49 CFR Part 24.
