Animals that are an auxiliary for persons with a disability are excluded from this policy. The ownership of common household pets is subject to rules and limitations:

1. Common household pets shall be defined as "domesticated animals such as a dog, cat, bird, rodent, fish or turtle".
2. No more than one (1) dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of twenty (20) gallons shall be permitted. A Resident with a dog or cat may also have other categories of "common household pets" as defined above.
3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner's housing unit for the purpose of handling, but shall not generally be unrestrained.

The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, WHHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.
6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.
7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).

8. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: no additional security deposit shall be required of the Resident with whom the pet is visiting unless the visit is in excess of seventy-two (72) hours, and two (2) verified complaints shall be grounds for excluding the pet from further visits.
9. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community.
10. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the WHHA from all claims, causes of action damages or expenses, including attorney's fees, resulting from the action or the activities of his or her pet. Attachment A: Deconcentration Policy

Adopted by Board of Commissioners, June 8, 1999

Effective: June 8, 1999

Deconcentration Policy

It is the policy of the Housing Authority of West Haven (HAWH) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the HAWH is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the HAWH will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the HAWH does not concentrate families with higher income levels, it is the goal of the HAWH not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The HAWH will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the HAWH.

To accomplish the deconcentration goals the HAWH will take the following actions:

- A. At the beginning of each fiscal year, the HAWH will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the HAWH's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Summary of Policy and Program Changes

The WHHA has not made nor intends to make any major policy or program changes in 2007. Local preferences were established and will not change, rent policies remain the same, community service policy parameters were included in our lease, ACOP, and our pet policy has been implemented.

However, the WHHA has entered into a Capital Funds Bond issue program which obtained \$2,500,000 for the replacement of heating systems in Surfside and Spring Heights that will be repaid from a portion of Capital Fund allocation each year per a Debt Service schedule.

Required Attachment H: Progress in meeting the 5-Year Plan Mission and Goals

The PHA has been able to maintain its mission to seek diversified, safe, decent and affordable housing, for low and moderate income families through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS and SEMAP scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our properties and our FY 2007 application will continue that effort.

PHA has implemented local preferences to improve the living environment by deconcentration, promoting income mixing, and improving security throughout our developments.

The PHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2007.

Attachment I: Implementation of Public Housing Resident Community Service Requirement

The West Haven Housing Authority's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer its program; to identify PHA and/or third party certification opportunities available to eligible adult family members; and to assure resident compliance with identified work activities with fair and equitable actions.

A. PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the guidelines of 24CFR, Part 960.6.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(2) Work Activity Opportunities

The West Haven Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

Attachment I: Implementation of Public Housing Resident Community Service Requirement

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

Briefly, describe the noncompliance (inadequate number of hours).

State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

f. The West Haven Housing Authority has developed the following list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

The Authority has identified the following PHA certifiable activities, which are available to meet the requirements:

Neighborhood Watch	Daily Phone Monitor for elderly
Daily Phone Monitor for disabled	Welcome Wagon Attendant
Playground Monitor	Or other certifiable activities

Third party entities that have entered into an agreement with the Authority to provide activities available to satisfy the Community Service activities will be listed by Entity, work activity and contact person. If an adult individual elected to utilize a third party entity, they must notify the WHHA.
