EXECUTIVE SUMMARY

We are pleased to present our FY 2007 Agency Plan. The Jacksonville Housing Authority (JHA) has prepared this Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. This plan was also developed under the consultation of the Resident Advisory Board and Local Legal Aide Representative. In arriving at this plan, we have held three meetings with our Resident Advisory Board, and a Public Hearing.

The mission of the Jacksonville Housing Authority is to serve low-income, very low-income, extremely low, and moderated-income families in the Jacksonville area by:

- 1) Providing safe, clean, and affordable housing
- 2) Providing effective social services.
- 3) Forming effective partnerships to maximize social and economic opportunities
- 4) Improve the quality of life for residents
- 5) Encourage employment and self-sufficiency
- 6) Help residents move out of assisted housing
- 7) Providing home ownership opportunities

We have also adopted the following goals and objectives for the next five years.

1. Implement Asset Management by establishing Project-Based management, accounting and budgeting as the infrastructure.

2. Improve efficiency and effectiveness in JHA operations by developing a private industry styled management approach.
3. Maximize and diversify income sources and product offerings in order to reduce the impact of federal budget cuts and to enable the agency to serve a larger number of its targeted population.
4. Improve the JHA's "Up and Out" (self-sufficiency) Program and achieve coordination of resident services between the Public Housing and Section 8 programs.
5. Improve the viability and desirability of current properties through the addition of amenities such as air conditioning and to improve landscaping.
6. Improve communication with our residents through customer service training, frequent community meeting and involving residents more in the planning process.
7. Diversify property locations by seeking or developing properties in non-minority neighborhoods and provide properties for persons of varying incomes.
8. Revise and enhance governance (board) operations in order to make maximum use of talents and abilities of board members while limiting the time demand on them, and to provide for an effective means of board recruitment and turnover.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- Implementation of asset management
- Homeownership Program
- Crime and Safety Program
- Hope VI Program

In summary, we are on course to improve the condition of affordable housing in Jacksonville.

Income Mix and De-concentration Provisions

Description: The JHA serves families whose income is at or below 80% of the areas median income. This policy is designed to ensure that very low and low-income households are not concentrated in certain developments or in buildings within a development. The JHA will make 40 percent of its public housing units available to families earning at or below, 30 percent of area median income (AMI). This requirement applies to new admissions on an annual basis.

1. **Incentives-** The JHA may offer incentives to encourage eligible higher income families to occupy dwelling units in developments predominantly occupied by very low-income (30% or less than AMI) families and vice versa. The Director of Operations must approve the implementation of these incentives, as necessary.
2. **Mix-income/Site based waiting list** – The JHA will purchase existing apartment complexes to develop mix-income communities. These communities will have a mix income stratification that will ensure dispersion of very low-income families. Very low-income families will make up no more than 25% of the residents living in these communities.
3. **Working Family Preference** – JHA will give a 2 to 1 selection preference to working families on the waiting list, unless the selection of new families earning more than 30% of AMI has exceeded 60% for the current year.

Agency Plan Public Hearing Comments and Input of Resident Advisory Board

On May 16, 2007, the Jacksonville Housing Authority (JHA) held a public hearing on its FY 2007 Agency Plans, pursuant to 24 CFR parts 903.5 and 903.7. Board members Jay Plokin and Juanita Powell presided over the proceedings.

Prior to the hearing, we held three (3) meetings with the Resident Advisory Board to revise the plan. The major revisions made to this year's plan are listed below and the Resident Advisory Board comments are also attached.

- Live-in aide addendum,
- Major changes in the domestic violence addendum,
- Length of occupancy requirement for transfer
- Collection fee for debts owed to JHA for former tenants

During the hearing, there were some major objections to the live-in aide addendum, excluding a spouse being considered as the aide and the collection fee assessment. While everyone was given a chance to be heard, no changes were made to these items.

SECTION 8 HOMEOWNERSHIP PROGRAM Addendum to Administrative Plan

The Jacksonville Housing Authority Housing Assistance Division (JHA HAD) has adopted the Homeownership option of the Section 8 voucher assistance program. The Homeownership Program permits eligible participants in the Section 8 housing choice Voucher program, the option of purchasing a home with their Section 8 assistance rather than renting.

Initial Contact

JHA has elected to offer the Section 8 Homeownership option first to participants who have a minimum of one year in the JHA Family Self-Sufficiency (FSS) program. Those participants must completed the credit repair process, homeownership counseling and education before a voucher will be issued.

Family Eligibility

- An applicant for the Homeownership Program must have completed at least one full year (365 consecutive days) under the Section 8 rental assistance program and in the Family Self-Sufficiency program. If the family has been a public housing resident for over a year and is selected for, or issued a Housing Choice Voucher, JHA will count the assisted time in Public Housing as eligible time with assistance.
 - To clarify: a) A family must have been in Section 8 or Public Housing (or a combination of the two) for at least a year; AND b) have been participating in FSS or have paid the specified high portion of rent for at least a year until the high rent amount is no longer a criterion.
 - If the family is a current Public Housing resident, they must be a participant in the Public Housing Family Self-Sufficiency Program.
- The applicant must have no debt to JHA or any housing agency and must be paid current with the owner of the rental property.
- The family must be a "first-time homebuyer" in accordance with 24CFR 982.4.
- If any member of the family has defaulted on a mortgage under the homeownership assistance option, the family is not eligible to again participate.
- The head of household or spouse must be employed full time (not less than an average of 30 hours per week) and have been continuously so employed during the year before date of the letter of contact for participation in the Homeowner Program. (Elderly/disabled households do not have this employment requirement, but total income must meet minimums.) The minimum income requirement cannot be met by welfare assistance. A break in employment of over two (2) weeks, even if unemployment compensation were received, will not meet the requirement of being continuously employed.

It will not be considered a break in employment when the Duval County School Board verifies that employment is likely to continue when the client is not working during the summer break. Income will be annualized.

An exception may be considered on a case-by-case basis; for example, if the employer went out of business and the participant can document that she made an effort to find immediate employment in the same field. Maternity leave is not considered a break in employment as long as the mother returns to fulltime employment.

- Before a voucher for the Homeownership Program is issued, the family must have satisfactorily completed a credit and homeownership counseling program with an agency approved by JHA.

Eligible Units

- The unit was under construction must have the foundation completed at the time the family enters into a contract of sale. The criteria will include eligible units defined by HUD, not specifically excluded below.
- The unit is a one-unit property (no duplex or multi-family). It may include a condominium, cooperative or manufactured housing. A participant must be able to pay the mandatory association fee without the assistance of the homeownership voucher.
- The unit complies with the Housing Quality Standards under the Section 8 Housing Choice Voucher Program and the Jacksonville City Code as inspected by JHA staff. This inspection can take place prior to the signing of the sales contract.
- The seller must comply with regulations which govern the disclosure of lead base paint status.
- The unit must be inspected by an independent inspector designated and paid for by the family. The inspector must have passed the National Home Inspectors Exam and be approved by JHA. The inspector must also be currently certified by The American Society of Home Inspectors and/or The Florida Association of Building Inspectors. A copy of the inspection report must be given to and approved by JHA. The buyer will bear no costs for repairs relating to the inspection reports.

In the case of clients who use HeadStart to Homeownership funds, JHA will accept the independent inspection authorized and approved by the Housing Commission (formerly Housing Services Division) for that program.

- Before loan closing, the property must have a clear wood destroying organism report.

Eligible Lender and Financing

- Any lender selected by the family must be approved by JHA. The mortgage lender must be a federally-regulated financial institution. If required by the lender, the loan must be insured or guaranteed by the state or federal government.
- Rate and terms of the mortgage are subject to review and approval by JHA.
- All loans must include escrow to pay taxes and insurance.
- There must not be a penalty for prepayment of any portion of the loan after three (3) years from the effective date of the loan.
- Owner financing will not be approved.

- JHA will not approve a balloon mortgage
- The downpayment must be at least three (3) percent of the purchase price with at least one (1) percent of that coming from the family's personal resources.
- Personal resources cannot include funds from any other source, including lump sum gifts from family members over the past six (6) months. FSS escrow funds are considered personal funds.
- A lease-purchase agreement will not be approved.
- JHA may disapprove proposed financing or other debt if it is believed to be unaffordable. Determination will be based on JHA review of information submitted on the Monthly Income and Expense Disclosure form.
- JHA must approve any home equity loan or other loan that puts a lien on the assisted property.
- All refinancing agreement must be approved by the staff of the Jacksonville Housing Authority.

Statement of Homeowner Obligations

The family must agree, by signature of all those who are eighteen (18) years and older, to the "Statement of Homeowner Obligations" in the written form provided by JHA. This

will include continued satisfactory participation in the FSS program (if applicable) until completion of the contract and Individual Service and Training Plan

Issuance of Homeownership Voucher

Once a rental assistance participant has been determined eligible for homeownership assistance AND they have satisfactorily completed the required credit and homeownership counseling programs, the family will be issued a voucher which will be good for 120 days. During this time, the family will:

1. Find a lender (approved by JHA) willing to process their mortgage; get pre-approval for financing
2. Find a suitable unit for purchase
3. Present an unsigned sales contract to the JHA for approval
 - a. Upon receipt of the contract, time on the voucher can be tolled
4. Request an HQS inspection
5. Sign the sales contract when HQS has passed
6. Request an independent inspection of the house
 - a. Tolling will be considered with the request
7. Obtain approved financing
8. Close on the purchase

The family must complete numbers one(1) through seven (7) above before the end of 120 days. If the family has not contracted for a suitable housing unit for purchase, they may be issued a Housing Choice Rental Voucher, good for 60 days and continue with rental assistance. If closing has not taken place before the end of 120 days, the JHA may extend the voucher for 60 days; and if needed for completion of building, for an additional 60 days (making a total of 240 days from the date of issuance.) Any extraordinary circumstances which may require longer time must be approved by the Vice President, Administration, of Housing Assistance.

If the homeownership voucher expires while the client is still cleaning credit issues or other criteria required by a lender, the client may continue to receive rental assistance. Six (6) months must pass from the last expiration date until the client is again offered the opportunity for homeownership. It will be necessary to attend a briefing and classes as a newly eligible client would do.

Homeownership Counseling

All family members age eighteen (18) and over who will reside in the household must complete an educational series on homeownership conducted by an agency approved

by JHA. These can be, but are not limited to Housing Partnership of Jacksonville, Jacksonville Urban League, and Family Counseling Service.

Topics during the counseling may include:

- Budgeting and money management
- Credit counseling
- Home maintenance (including care of the grounds)
- Negotiation of purchase price
- Obtaining homeowner financing
- How to search for a home, including considering poverty in the area
- Fair housing practices and enforcement agencies

The homeownership counseling course will be good for 6 months from the date of completion. It will have to be repeated if more than six months have passed before the closing of the purchase.

At the time of each annual recertification, each family member eighteen (18) years and older will be required to meet with a counselor to review the obligations of homeownership and discuss any credit problems the family may have encountered.

The family will be required at recertification, to provide to JHA a payment history from the lender showing dates payments have been made, or other documentation which will verify on-time payments made.

Housing Assistance Payments

Upon issuance of the homeownership voucher, a preliminary Housing Assistance Payment (HAP) will be determined in accordance with regulations.

The HAP payment will be sent directly to the homeowner. . The homeowner will be responsible for making the entire mortgage payment. On a case-by-case basis, if the lender prefers,, JHA will send the HAP to the lender in the lender's name. The client will be advised of the importance of sending the full amount to the mortgage servicer. Within thirty days of the anniversary of the date of closing, and annually thereafter, JHA will re-evaluate the income and family composition and make changes to the HAP as necessary. Within 10 days of the occurrence, the family will be required to notify JHA in writing of any change in family size or income. Any decrease will cause the JHA to establish a new HAP effective the following month of timely reporting. An increase will be handled in accordance with Administrative Plan policy for the rental assistance program.

Homeownership Expense

The monthly JHA allowance for maintenance, major repairs and replacements is one (1) percent of the purchase price divided by twelve (12).

Portability

The JHA will accept a portable homeownership family. However, if a family that decides to port to another city they must be absorbed by another PHA program that has a Homeownership Voucher Program. All the necessary documentation must be approved in advance.

Buying Another Home

A family receiving homeownership assistance may purchase another home while receiving assistance, upon sale of the first, only after a period of residency of five (5) years. The time that assistance is given is cumulative to any purchase and cannot exceed fifteen (15) years if the loan term is twenty (20) years or longer.

Under no circumstance may a family member have a present ownership interest in a second residence while receiving homeownership assistance.

Elderly and Disabled

In all cases, there can be exceptions as allowed in the regulations for households of elderly and disabled persons. A person that is elderly and disabled can receive assistance throughout the term of the mortgage. However, the family must be classified as elderly/disabled at the initial point when the mortgage contract is signed. A family that is not elderly/disabled at the initial point the mortgage contract is signed will only be eligible for the 15 year if the loan term is twenty (20) years or longer.

1. The 1998 Act requires all non-exempt adult public housing residents to contribute eight hours per month in community service or to participate in a self-sufficiency program. The community work is to be verifiable, non-paid, volunteer service to the community. A list of suggested activities may be obtained from the community staff or the Resident Services. The JHA requires that the non-exempt family members complete and submit a monthly report of their community service to the rental office no later than the 5th working day of each month.

2. Exempted from the community work requirements are all adults:

- a. who are age 62 or older
- b. who are blind or disabled or primary caretaker of such individual if requested by the adult resident with a disability as a reasonable accommodation for their disability
- c. who are employed or who are engaged in work activities as defined by the WAGES program or who are exempt from being engaged in work activity as defined by the WAGES program
 - (1) one parent of a newborn infant (under 90 days of age)
 - (2) SSI recipient or applicant going through the process of approval for SSI or SS disability benefits
 - (3) Adult responsible for the care of a parent or child with a disability who needs 24 hour care CFR 24 Sub. Paragraph 960.601
 - (4) Resident who has moved in after June 30, 2002 shall be required to live in JHA Public Housing for at least two years before a transfer is made to any other JHA Assisted Housing Program.
- d. is engaged in "work activity" such as:

 - (4) community service programs." If a resident is currently (and before this requirement was imposed by congress on public housing residents) participating in a community service program, they are exempt from monthly reporting, but not from fulfilling the community service requirement and documenting that they have fulfilled the requirement. It is recommended that the community service be verified now and again at annual re-exam time to verify that the resident is continuing to perform the community service required.
 - (5) vocational education training (not to exceed twelve months with respect to an individual: education directly related to employment, in the case of recipient who has not received a high school diploma or a certificate of high school equivalence or in a course of study leading to a certificate of general equivalence.

3. The community work requirement will be incorporated into the lease. As part of the annual re-certification process, thirty days prior to the renewal of the lease, the Jacksonville Housing Authority must determine if the resident has complied with the community work requirement. Renewal of the lease may be denied if a resident has not complied with the community work requirement. Due process under the standard grievance procedure is provided.

4. Administration of the Community Work program:
 - a. The Agency will identify the residents required to participate in the Community Work program
 - b. The Agency is responsible for giving the approved form to the resident at the time it is determined that a resident must complete the community service hours.
 - c. It will be the resident's responsibility to submit to Agency staff in writing a report of their community service performed using the required form.
 - d. It will be the Agency's responsibility to review the resident file for residents entering the annual re-certification process to determine that the resident has complied with the community work requirement. If the resident has not complied with the requirement, the Agency must offer the tenant an opportunity to make up the hours over the following 12 months. If the tenant accepts the offer, it must be placed in a written agreement and the family will not be evicted. If the family member does not agree to make up the hours, or fails to do so by the end of the make up year, the Agency may then refuse to renew the resident's lease.
 - e. If the Agency concluded that an individual has not complied with the community service requirement, either at the end of the initial year or the make up year, the Agency must notify the resident and offer the resident a right to file a grievance under the JHA grievance procedure.
