ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

The Quality Housing and Work Responsibility Act (QHWRA) passed on October 21, 1998, is the single most significant piece of housing legislation since the U.S. Housing Act of 1937. The statute and its resulting regulations promulgated by the U.S. Department of Housing and Urban Development (USHUD) require each housing authority (HA) to submit an Annual Plan and a five (5) year management plan. The regulations, however, allowed the HA great latitude in the management styles they could choose to implement their plans.

Miami-Dade Housing Agency (MDHA) views the Annual Plan as an opportunity to show that the housing agency's dedicated and enthusiastic staff, together with the support of the parties involved, can and will achieve the goals and objectives that have been set during this planning process.

This year's Annual Plan covers the period October 1, 2007 through September 30, 2008. The planning process incorporates the input of MDHA divisional staff, Resident Advisory Board, public and assisted housing program participants, and business partners.

The highlights of our plan include the following:

- ◆ Consistent output of quality services through the competitive management styles of contract management companies and MDHA staff in the Employee Demonstration of Growth and Efficiency (EDGE) program and the Section 8 reorganization.

- ◆ Expansion of housing choices to applicants and program participants through:
 - Promoting full occupancy of Helen Sawyer and Ward Towers Assisted Living Facilities (ALF);
 - The HOPE VI redevelopment of Scott Homes and Carver Homes sites;
 - The expansion of homeownership units that will be made available through the Scott/Carver HOPE VI redevelopment;
 - Develop additional housing units on available public housing land.
- ◆ Addressing fair housing issues through the continued maintenance of the Adker Consent Decree and monitoring of the Section 504, ADA, Fair Housing Act, and other applicable accessibility requirements in public housing new construction, existing public housing developments, and other MDHA assisted housing programs.
- ◆ Improvement in the economic and social opportunities available to public and assisted program participants by means of new partnerships developed between MDHA and public/private entities, and continued assistance under the Welfare-to-Work Housing Voucher and Family Unification programs..
- ◆ Administering programs, including the Section 8 Moderate Rehabilitation Single Room Occupancy, Shelter Plus Care, Veterans Assisted Supporting Housing, Mainstream, and Rental Assistance in Support of Designated Housing Plans, Access 2000. These programs are targeted for populations with special needs, such as disabled homeless individuals with mental illness, substance abuse and/or HIV/AIDS, homeless veterans with severe psychiatric or substance abuse disorders, and disabled and non-elderly disabled persons.
- ◆ Continue to develop and implement the Section 8 Homeownership program.
- ◆ USHUD approved MDHA's Designated Housing Plan on November 21, 2006, to designate 2,598 mixed occupancy public housing units for occupancy by elderly families only.
- ◆ Implement Section 504, ADA, Fair Housing Act and applicable accessibility modifications for persons with disabilities to MDHA's existing housing units, administrative offices, non-housing programs and revised Admissions and Continued Occupancy Policy, in accordance with the milestones and objectives established in the Voluntary Compliance Agreement (VCA) between MDHA and USHUD.
- ◆ Provide training to MDHA staff on Section 504/ADA requirements and Reasonable Accommodation Policies, as they are implemented.
- ◆ MDHA may make discretionary policy revisions allowed by regulations to its Section 8 program to cover any shortfall in federal funding , including but not limited to, limiting moves, increasing minimum rent, reducing payment standards, implementing revised occupancy standards, limiting rent increases to landlords and termination of assistance only where necessary.
- ◆ Continue implementation of USHUD's Enterprise Income Verification (EIV) system in Public Housing and Section 8 programs. The EIV is a computer matching program used to verify the accuracy of income reported by residents and tenants and to determine fraud.
- ◆ Continue implementation of the Voluntary Compliance Agreement (VCA) with USHUD. The VCA requires that MDHA make accessibility modifications to its

Public Housing stock and non-housing programs to accommodate persons with disabilities.

- ◆ Continue screening new applicants on the 2005 waiting list for eligibility. The Tenant-based and Project-based waiting lists were opened during a two-week application period held April 18-29, 2005. MDHA received approximately 44,000 applications of which 41,500 were accepted and 3,500 rejected for incomplete information.
- ◆ Participate in Miami-Dade County’s General Obligation Bond (GOB) program as described in MDHA’s Five-Year Plan to preserve and/or expand affordable housing in Miami-Dade County.
- ◆ Continue to implement the provision of the revised Section 8 Administrative Plan approved by the Board of County Commissioners on July 2006.
- ◆ Implement provisions for protection of victims of domestic violence under the Violence Against Women Act (VAWA).

- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)
 - ◆ Participate in the Continuum of Care process in the development of permanent housing for homeless individuals and families.

10. Conversion of Public Housing to Tenant-Based Assistance

[24 CFR Part 903.7 9 (j)]

Exemptions from Component 10; Section 8 only PHAs are not required to complete this section.

A. Assessments of Reasonable Revitalization Pursuant to section 202 of the HUD FY 1996 HUD Appropriations Act

1. Yes No: Have any of the PHA's developments or portions of developments been identified by HUD or the PHA as covered under section 202 of the HUD FY 1996 HUD Appropriations Act? (If "No", skip to component 11; if "yes", complete one activity description for each identified development, unless eligible to complete a streamlined submission. PHAs completing streamlined submissions may skip to component 11.)

Under the Mandatory Conversion rule effective April 20, 2006, USHUD identified the following four (4) "candidate" clusters (contiguous sites with over 250 units) for MDHA:

FL005C001 – Liberty Square developments,

FL005C003 – Robert King High/Haley Sofge/Martin Fine,

FL005D001 – Edison Court, and

FL005D004 – Three Round Towers.

Clusters FL005C003 and FL005D004 are not to be considered "candidates" for the Mandatory Conversion, and do not require the Cost Comparison Analysis, because Robert King High, Haley Sofge and Three Round Towers are included in MDHA's Designation Plan (approved by USHUD on November 21, 2006) for occupancy by elderly families only. Martin Fine Villas (50 units / mixed occupancy) is not included in the Designation Plan, but by itself does not meet the requirement for Mandatory Conversion of having 250 continuous units or more.

MDHA performed the Cost Comparison Analysis for Cluster FL005C001 – Liberty Square 002, 003 & 005, and Cluster FL005D001 – Edison Court, and the final result of the analyses on both clusters showed that maintaining those developments as Public Housing cost less than the Voucher cost. The Cost Comparison Analysis will be sent to USHUD for approval.

Criteria for “Substantial Deviation” and “Significant Amendment or Modification”:

A Substantial Deviation from the Five-Year Plan is an overall change in the direction of the Miami-Dade Housing Agency (MDHA) pertaining to its goals and objectives. The MDHA will consider the following actions as a Substantial Deviation from the Five-Year Plan:

- The undertaking of new program activities that do not otherwise further the MDHA's stated mission or further the goals as set forth in the current Five-Year Plan.
- Insufficient budget authority from HUD necessitating the need to either alter, reduce, or terminate any specific program activity.
- New program activities required or adopted to reflect changes in HUD regulations, or as a result of a declared national or local emergency are exempted actions. In such cases, the administrative/programmatic changes will not be considered as a Substantial Deviation from the Five-Year Plan.

A Significant Amendment or Modification to the Annual Plan is a change in policy pertaining to the operation of the MDHA. The MDHA will consider the following actions as a Significant Amendment or Modification to the Five-Year Plan and Annual Plan:

- Significant changes to rent or admission policies, or organization of the waiting list.
- Addition of new work items (excludes emergency work) not included in the Capital Fund Program (CFP) 5-Year Action Plan or Annual Statement(s) exceeding a cumulative amount of \$1.426 million (average of 10% of the CFP 716 grant) under the current Fiscal Year, or changes in use of the replacement reserve under the CFP.

MIAMI-DADE HOUSING AGENCY

Statement of Revised Policy on Deconcentration of Poverty and Promoting Mixed Income

Miami-Dade Housing Agency's (MDHA) Deconcentration Policy incorporates the provisions in the final rule on the *Deconcentration of Poverty and Promoting Mixed Incomes* in public housing. The deconcentration policy applies only to applicants for public housing and to residents seeking voluntary transfers within "covered" public housing developments (general occupancy family public housing developments). The deconcentration requirements apply only to developments with average incomes above or below the Established Income Range (EIR), which is 85 to 115 percent of the average family income for all covered developments, or 30 percent of the Area Median Income, whichever is greater. Developments exempt from the deconcentration rule are developments that house only elderly persons, persons with disabilities or both, developments with HUD-approved mixed-finance plans using HOPE VI or public housing funds, public housing developments approved for demolition or for conversion to tenant-based assistance.

The policy for deconcentration of income requires an annual analysis of the concentration of income in covered public housing developments, which is to be included as a supporting documentation of the PHA Plan. At each analysis, the average income of each covered development is calculated. Any covered development having an average income outside (above or below) the EIR requires an explanation or justification of that income profile that is consistent with: a) the deconcentration of poverty and income mixing, and b) the local goals and strategies contained in the PHA Plan.

MDHA's concentration of income analysis, performed according to the Public Housing Division Income per Family Developments' report printed on May 23, 2007, indicates that out of a total of 60 covered developments, 43 (72%) are within the EIR, and therefore do not require any action in regard to the deconcentration rule. The income profile of the 17 developments outside the EIR are explained and justified according to the deconcentration rule for the following reasons: Adker Consent Decree, self sufficiency strategies and programs, homeownership and scattered sites.

Although the income profile of the covered developments falling outside the EIR for the income analysis can be justified, MDHA's deconcentration policy includes, but is not limited to: 1) capital improvements toward developments with an average income below the EIR to encourage applicant families whose income is above the EIR to accept units in those developments; 2) providing incentives which encourages families with incomes below the EIR to accept units in developments with incomes above the EIR; and 3) providing any other strategies allowed by statutes and determined by MDHA in consultation with residents and community via the PHA planning process.

The Section 8 Resident Advisory Board has contacted our office regarding the submission of comments to MDHA for the 5 year PHA Plan and the annual PHA Plan. The following suggestions are submitted on behalf of the Section 8 Resident Advisory Board.

FIVE YEAR PLAN

MDHA states that it will continue to improve voucher management through a reorganization of the Private Rental Housing Division. (Page 2) The RAB suggests the following ways MDHA could reorganize Private Rental Housing to assist Section 8 participants:

1. Two employees at the Section 8 office, fully trained in the Section 8 program, to assist participants with emergency situations. This would result in reduced wait time for tenants with regularly scheduled appointments. Emergency situations would include but not be limited to:
 - Contacting and/or negotiating with landlords when tenants come to the Section 8 office with disputes involving the landlord
 - Giving change of dwelling paperwork and mutual lease terminations.
 - Helping those participants being terminated request hearings and assist them to view and copy their tenant file.
 - Providing an automatic extension of the voucher term.

2. MDHA should create self-help desk, staffed by MDHA employees, where participants can obtain information and brochures regarding frequent issues, including but not limited to:
 - reasonable accommodation requests
 - change of dwelling information
 - information to request a hearing
 - the inspection process
 - continuing eligibility requirements
 - paperwork and information to bring to a re-certification appointment
 - rules regarding the continuing duty to report changes such as income and family composition
 - information on rent and payment standards
 - information regarding security deposits and using the Small Claims Court to recover security deposits from landlords
 - community agencies providing services to low income clients
 - lists of available rental housing and area maps.

MDHA states that it will increase customer satisfaction by providing improved communication with management and referral services to residents. (Page 2) The RAB suggests that MDHA take the following steps to increase communication with Section 8 tenants:

1. Place a complaint box in the Section 8 waiting room so Section 8 participants can submit comments and complaints. Comments would be collected by the RAB monthly, summarized, and presented to MDHA.
2. MDHA must have fully-staffed telephone operators who can answer tenant questions and are trained to direct calls accurately. Currently, it is difficult to reach an operator, the phone continuously rings without answer, and voice mailboxes are full. The RAB suggests that MDHA create a phone number set up specifically for participants to use.
3. A monthly newsletter, created in collaboration with MDHA and the RAB, translated into three languages, and sent to Section 8 participants. The newsletter could discuss the status of Section 8 programs, new programs, assistance available to Section 8 tenants, and other relevant news.
4. Important Section 8 information should be published in community newspapers written in English, Spanish, and Haitian Creole.
5. MDHA must coordinate monthly meetings between MDHA and the RAB. These meetings should be announced to all Section 8 participants so there will be increased attendance and involvement.

ANNUAL PLAN

The annual plan addresses MDHA's policy of providing extensions on voucher expiration time. (Page 23) The RAB suggests that MDHA take the following action:

1. MDHA must extend the housing choice voucher to be valid for 6 months. Due to the Miami housing market and increased costs for property insurance and taxes, it is difficult for tenants to find landlords willing to rent homes within MDHA's payment standard. An increased search time will make the search easier.
2. Inspections and surveys must be completed promptly. Many landlords decided to give units to private tenants, because of the time it takes to complete inspections and rent surveys.

The annual plan addresses MDHA's participation in the Section Homeownership program. (Page 49) The RAB believes MDHA must take the following action to improve the program

1. MDHA must work with community agencies and the Housing Finance Authority to assist tenants interested in the Section 8 Homeownership Program. They also need to provide assistance for help homeownership participants with property taxes and insurance payments.

PHA PLAN NARRATIVE

(Attachment fl005r01)

Section 2.4.2.1– Section 8 Tenant Based Program Minimum Rent

MDHA current policy states that when a participant receives the minimum rent financial hardship exemption for a short term financial hardship (less than 90 days), the tenant is required to pay back the rent due when the hardship has ceased. The RAB disagrees with this requirement. A tenant requests the financial hardship because he or she does not have income and is unable to pay their debts. If the tenant is required to pay back the rent, this may cause additional financial hardship. This could lead to termination or eviction.

Section 2.16.2 –Resident Advisory Board Recommendations

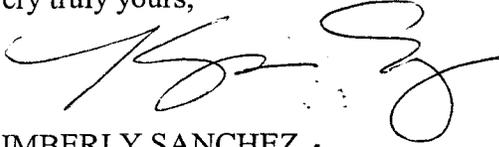

The PHA Plan Narrative states that MDHA has received recommendations from the RAB and has determined that no changes were needed. Prior to the comments expressed in this document, the RAB has not submitted recommendations for the 2007 Plan. This Section must be amended to address the RAB's comments.

MIAMI-DADE HOUSING AGENCY Community Service and Self-Sufficiency Policy

BACKGROUND

The Quality Housing and Work Responsibility Act of 1998 requires that all **Non-Exempt** (see definitions) public housing residents 18 years of age or older contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities (described below) that help an individual toward self sufficiency and economic independence (United States Department of Urban Development regulation 24 CFR 960.600-609). **Exempt** (see definitions) public housing residents 18 years of age or older verified by Miami-Dade Housing Agency (MDHA) are not subject to the community service and/or self-sufficiency requirement.

The community service and self-sufficiency requirement is incorporated in the Public Housing Lease under Article IX, *Resident's Obligations*.

DEFINITIONS

Community Service: volunteer work that is of a public benefit and that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community. Community service can take place at non-profit organizations or public institutions. Community Service does not include political activities.

The types of volunteer work activities for this purpose include, but are not limited to:

- ✓ Working through a resident organization to help other residents with problems, serving as an officer on the Overall Tenant Advisory Council, and/or an incorporated public housing resident council organization;
- ✓ Working at a local school, before or after-school care program, or child care program;
- ✓ Working with a local non-profit educational, recreational, or food or clothing distribution program that serves youth, adult, elderly or other special needs population; or with a local non-profit social service, or health care or nursing home facility;
- ✓ Working at the Miami-Dade Housing Agency to help improve physical conditions, upon availability;
- ✓ Helping neighborhood groups with special projects.

Self-Sufficiency Activities: activities designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants.

These activities may include, but are not limited to:

- ✓ Miami-Dade Housing Agency's (MDHA) Family Self-Sufficiency (FSS) Program (contact Mark Brown, FSS Coordinator at (305) 644-5287 for more information); or
- ✓ Other self-sufficiency programs, including but not limited to: job training and job readiness programs, full-time student status at any school, college or vocational school, General Equivalency Diploma (GED) classes, apprenticeships, substance abuse or mental health counseling, English proficiency or literacy (reading) classes, English as a second language classes, budgeting and credit counseling class or any kind of class or program that helps a person toward economic independence, and carrying out any welfare reform activity required by the Department of Children and Families.

Exempt Adult: An adult member (18 or older) of the family who:

- Is 62 years of age or older;
- Has a disability that prevents him/her from being gainfully employed;
- Is the caretaker of a disabled person;
- Is employed for at least 20 hours per week;
- Is participating, and is in compliance with a State of Florida welfare program, such as the Temporary Assistance for Needy Families (TANF), including a welfare to work program;
- Meets the requirements from being exempted from work or work activities under a State of Florida welfare program;
- Is engaged in work-related activities for a minimum 20 hours per week. Work-related activities include: vocational educational training (not to exceed 12 months with respect to any individual), on-the-job training, job-skills training directly related to employment, job-search and job-readiness assistance, community service programs, satisfactory attendance at a secondary school or GED classes, education directly related to employment, and provision of childcare services to an individual who is participating in a community service program.

Non-Exempt Adult: An adult member (18 or older) who:

- Does not meet one of the above exemptions requiring contribution of at least eight (8) hours per month of community service and/or participation in self-sufficiency activities.

Requirements of the Community Service and/or Self-Sufficiency Activities for Non-Exempt Residents:

1. The eight (8) hours per month may be either volunteer work or self sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. MDHA will make the determination of whether to allow or disallow a deviation from the schedule.
3. Activities must be performed within the community and not outside the jurisdictional area of Miami-Dade County.

Family Obligations for all Adult Residents (Exempt and Non-Exempt):

- At lease execution or reexamination, all adult members (18 or older) of a public housing resident family must:
 - a) provide documentation that they are exempt from Community Service requirement, if they qualify for an exemption, and
 - b) sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service and/or Self-Sufficiency requirement will result in nonrenewal of their lease.
- Every month, non-exempt family members must present a completed Third Party Verification form to the site manager, documenting the activities performed during that month. This form will include the signature of supervisors, instructors or counselors verifying the number of hours contributed.

- If a family member is found to be noncompliant at re-examination, he/she and the Head of Household will sign an agreement with MDHA to make up the deficient hours over the next twelve (12) month period.

Requirements for change in family status:

- If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/her responsibility to report this to the MDHA site manager within ten (10) days and provide documentation of such.
- If, during the twelve (12) month period, an exempt person becomes non-exempt, it is her/his responsibility to report this to the MDHA site manager within ten (10) days. The site manager will provide the person with the Certification and Third Party Verification forms and a list of agencies in the community that may provide volunteer and/or training opportunities.

MDHA Obligations

1. To the greatest extent possible and practicable, MDHA will:
 - Provide names and contacts of agencies that may provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (*According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service Requirement*).
 - Provide in-house opportunities for volunteer work or self sufficiency programs, such as MDHA's Family Self-sufficiency Program, helping neighborhood groups with special projects, etc.
2. MDHA will provide the family with the necessary documentation, such as the certification form, Third Party Verification form, and a copy of this policy at initial application and at lease execution.
3. MDHA will make the final determination as to whether or not a family member is exempt from the Community Service and/or Self-sufficiency requirement. MDHA may verify with the welfare agency resident's participation and compliance with the welfare program.
4. Residents may use MDHA's Grievance Procedure if they disagree with MDHA's determination.
5. Noncompliance of family member:
 - At the time of the reexamination interview, or at least thirty (30) days prior to annual reexamination and/or lease expiration, MDHA will begin reviewing the exempt or non-exempt status and compliance of family members. MDHA will notify the family of such non compliance.
 - If MDHA finds a family member to be noncompliant, MDHA will enter into an agreement with the non compliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period;
 - If, at the next annual reexamination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;

- The family may use MDHA's Grievance Procedure and any available judicial remedy to seek timely redress to protest the lease termination.

If you have any questions about this policy, please contact your MDHA site manager.

MIAMI-DADE HOUSING AGENCY

PET OWNERSHIP AND ASSISTIVE ANIMAL POLICIES

THE PET OWNERSHIP AND ASSISTIVE ANIMAL POLICIES FOR THIS COMMUNITY ARE AS FOLLOWS:

PET OWNERSHIP POLICY

- A. **PET OWNERSHIP IS PERMITTED** to residents of public housing subject to compliance under this Policy. A pet may be disallowed to a pet owner for failure to comply with the Pet Policy.
- B. **A RESIDENT OR PROSPECTIVE RESIDENT MUST OBTAIN WRITTEN PERMISSION** from the site manager before keeping any pet on or about the premises. The prospective pet owner may only obtain written permission for a pet by meeting all the applicable Lease Agreement and Pet Policy requirements and by participating in the mandatory pet registration. The pet owner must register his or her pet according to all requirements of the Policy before bringing the pet onto the project premises. Pet owners must comply with all terms of the Lease Agreement and the Policy.
- C. **THE ONLY ANIMALS ALLOWED AS PETS** are common household pets. MDHA will not register an animal that is not a common household pet. The definition of a common household pet is "A domesticated animal, such as a dog, cat, bird, rodent (including a rabbit), fish, or turtle, that is traditionally kept in the home for pleasure rather than for commercial purposes." This definition does not include any reptiles other than turtles. The list of animals not allowed as pets also includes (but is not limited to) raccoons, snakes, monkeys and pigeons. Any animals that are determined to constitute a nuisance or a threat to the health or safety of other residents, visitors, Department employees and/or any other persons on or about the premises are prohibited.
- D. All owners of a dog or cat shall pay an additional \$100 pet deposit to cover possible damages that the pet might cause in the development. The resident shall receive a refund of the unused portion of the pet deposit when the resident no longer owns a pet, or when he/she vacates the unit. MDHA may offer residents a payment plan for the pet deposit of \$50.00 up front and \$50 payable the following month.
- E. Pet ownership may be revoked at any time subject to the MDHA grievance procedure, if the animal becomes destructive, a nuisance or safety hazard to other residents, or if the resident/owner fails to comply with the following rules:
 - 1. The number of four legged, warm-blooded pets are limited to one such pet in each dwelling unit.
 - 2. The weight of any pet is not to exceed twenty (20) pounds at the age of maturity.
 - 3. The designated area for walking pets and waste elimination will be determined at each site individually.
 - 4. Every resident owning a pet must abide by Miami-Dade County Animal Control ordinances pertaining to inoculations, licenses, and leash laws. Proof of such

compliance must be shown when the pet is first registered and at annual re-examinations.

5. All cats and dogs must be spayed or neutered. Certification of the applicable operation must be submitted during initial registration.
6. Animals that are exotic, unusual or different from normal household pets, such as monkeys, raccoons, snakes, pigeons, etc., or which are determined to constitute a nuisance to the health or safety of other residents and/or Department employees, are prohibited.
7. No pet may be kept in violation of state humane or health laws, or local ordinances. (Pit bulls are not permitted as pets unless in compliance with Miami-Dade County ordinance).
8. Dogs and cats shall remain inside the resident's unit unless they are on a leash and directly controlled by the owner. Birds, rabbits, and/or guinea pigs, etc. must be confined to a cage at all times.
9. Residents are responsible for cleaning up after their pets. All animals must be fed on the resident's property or in the apartment.
10. Residents shall take adequate precautions to eliminate any pet odors within or around their unit and maintain the unit in a sanitary condition at all times. Residents are to provide for proper pet maintenance and disposal of waste.
11. The resident shall not permit any disturbance by his/her pet which would interfere with the peaceful enjoyment of other residents, whether by loud barking, howling, biting, scratching, chirping, or any other such activities.
12. Dogs and cats shall not interfere with the delivery of management, maintenance, postal, utility or resident services.
13. If pets are left unattended for twenty-four (24) hours or more, MDHA may enter to remove the pet and transfer it to the proper authorities. MDHA accepts no responsibility for the pet under such circumstances. Residents are to identify an alternative custodian for their pet in the event of illness or other absence from the unit.
14. Residents are responsible for all damages, including costs of fumigation, caused by their pets. Owners are also responsible for any personal injuries attributable to the pet. Owners of dogs and cats will be assessed a maintenance charge for each occasion that the maintenance staff needs to clean up after the pet.

F. All residents who own pets will abide by the above stipulated guidelines and will sign a copy of the provision governing ownership and care of pets. Residents who violate these rules are subject to:

1. Being required to get rid of the pet within seven (7) days notice by MDHA, unless the pet creates an immediate threat to health and safety of the general public, in which case the pet must be immediately removed by the resident or proper local authorities.
2. Eviction.

ASSISTIVE ANIMAL POLICY

A. **ASSISTIVE ANIMALS ARE NOT CONSIDERED PETS.** They are to be used to give assistance to persons with disabilities (a physical or mental impairment that substantially limits one or more major life activities, a record of such impairment, or being regarded as

having such impairment) and are necessary as a reasonable accommodation. Assistive animals are also referred to as service animals, support animals or therapeutic animals. An assistive animal may be disallowed to an assistive animal owner for failure to comply with the assistive animal policy.

- B. A RESIDENT, OR PROSPECTIVE RESIDENT, MUST OBTAIN WRITTEN PERMISSION** from the site manager before keeping any assistive animal on or about the premises. Written permission shall not be unreasonably denied. The assistive animal owner must register his or her assistive animal according to all requirements of the Policy before bringing the assistive animal onto the project premises. Assistive animal owners must comply with all terms of the Lease Agreement and the Policy.
- C. Owners of assistive animals are not required to pay a pet deposit described herein. Notwithstanding this exception from having to pay a deposit does not exclude the assistive animal owner from liability for any damages caused to the premises by such assistive animal.
- D. Any assistive animals that are determined to constitute a nuisance or a threat to the health or safety of other persons on or about the premises are prohibited.
- E. MDHA will only allow a resident's or prospective resident's assistive animal to reside in the resident's unit if:
- a) A qualified health professional certifies in writing that the resident or a member of his or her family is a person with a disability;
 - b) a qualified, health care professional certifies in writing that the animal is needed to assist with the disability;
 - c) the requested animal actually assists the person with a disability;
 - d) the resident or prospective resident delivers true and accurate copies of the certifications referred to in Sections E(a) and E(b) to the site manager; and
 - e) the site manager provides written approval to the resident or prospective resident indicating that the requested animal is acceptable as an assistive animal according to the rules set forth in this section.
- F. Assistive animal ownership may be revoked at any time subject to the MDHA grievance procedure, if the assistive animal becomes destructive, a nuisance or safety hazard to other residents, or if the resident/owner fails to comply with the following rules:
1. The assistive animal owner must use the designated area for walking assistive animals and waste elimination that is determined at each site individually.
 2. Every resident owning an assistive animal must abide by Miami-Dade County Animal Control ordinances pertaining to inoculations, licenses and leash laws. Proof of such compliance must be shown when the animal is first registered and at annual re-examinations.
 3. No assistive animal may be kept in violation of state humane or health laws, or local ordinances. Pit bulls are not permitted as assistive animals unless in compliance with Miami-Dade County Ordinance.
 4. Dogs and cats that are assistive animals shall remain inside the resident's unit unless they are on a leash and directly controlled by the animal's owner. Birds, rabbits, and/or guinea pigs, etc. must be confined to a cage at all times.

5. Residents are responsible for cleaning up after their assistive animals. All assistive animals must be fed on the resident's property or in the apartment.
 6. Owners of assistive animals must care for their animals in such a way as to ensure that their premises are maintained in a clean and sanitary condition.
 7. MIAMI-DADE HOUSING AGENCY

Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals

Goal: Increase the availability of decent, safe, and affordable housing:

- MDHA reduced its goal of achieving and maintaining its occupancy level from 97% to 95% due to the impact of the Adker Consent Decree which limited the Agency's ability to meet the targeted 20 days turnaround period for leasing vacant units. In addition, some units were reserved to house James C. Scott and Carver Homes residents displaced because of HOPE VI redevelopment.
- The Tenant-based and Project-based waiting lists were opened during a two-week application period held April 18-29, 2005. MDHA received approximately 44,000 applications of which 41,500 were accepted and 3,500 rejected for incomplete information.

Goal: Improve community quality of life and economic vitality.

- MDHA designed a prototype "Wellness Center" as a component of its Aging in Place initiative for the prevention of premature institutionalization of elderly and disabled residents.
- MDHA finalized the construction of the Ward Towers Assisted Living Facility.
- USHUD approved MDHA's Designated Housing Plan, designating 2,598 for occupancy by elderly families only.
- ALC assisted a total of 89 families that were affected by Hurricane Wilma to find assisted housing.
- Continue partnership with Team Metro to provide Government on the Go Bus at all public housing developments.
- MDHA has entered into a collaborative partnership with Miami Dade Weed & Seed Program funded by the US Department of Justice, for a technology learning center at Liberty Square.
- MDHA will continue developing partnerships with the City of Miami, The Trust for Public Lands and other community organizations and faith based programs.

Goal: Ensure equal opportunity in housing and affirmatively further fair housing.

- Since June 1999, when Housing Choice vouchers were made available to class members of the Adker Consent Decree, the success rate by class members in making desegregated moves has been about 53 percent. As of January 31, 2007, approximately 1,374 class members, who received mobility counseling from the Dewey W. Knight/Ann-Marie Adker Fair Housing Center, have been able to lease a unit in the private market. Of these moves, 728 were desegregative, that is, the leased unit was located in a census tract where the race of the class member did not predominate.
- As a result of implementing the Adker Consent Decree, families on the public housing waiting list were encouraged to make desegregative moves. From August 1999 to January 31, 2007, approximately 316, or 24%, of 1,310 applicants, who received housing counseling from the Dewey W. Knight/Ann-Marie Adker Fair Housing Center, made desegregative moves.
- Conducted Reasonable Accommodation Policy and Procedure training to MDHA staff from May through July 2005.
- Developed a more comprehensive section serving the special needs population on the April 2005 Housing Application form.

MIAMI-DADE HOUSING AGENCY

Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals

 3. Since 2005 commenced distribution of the Reasonable Accommodation Policy and Procedures to applicants at lease signing, and to residents at the annual reexamination.
 4. Trained site managers to maintain logs indicating the date/time reasonable accommodation requests are received and the date/time the requests are sent to the ADA Coordinator.
 5. Selected a contractor to conduct an assessment and prepare UFAS-accessible unit plan on MDHA units and non-housing programs. The kick-off meeting is scheduled for February 22, 2007.
 6. On January 23, 2007, USHUD approved the Educational Program for current and new employees regarding MDHA's duties, responsibilities and procedures under the VCA.
 7. Hired a VCA Administrator.
 8. Submitted a draft Section 504 Needs Assessment to USHUD for approval.
 9. In 2006, distributed notices regarding Section 504, ADA and/or Fair Housing Act requirements to MDHA employees, and on January 2007, began the distribution to residents .
 10. Reviewed emergency procedures to ensure that the needs of persons with disabilities are addressed.

Goal: Improve the quality of assisted housing.

- MDHA began implementation of the recommendations from Florida International University's (FIU) assessment for the improvement of effectiveness and efficiency of all Section 8 programs. Since initial implementation, reporting scores in USHUD Multifamily Tenant Characteristics Systems have dramatically improved, as well as scores under the Section Eight Management Assessment System (SEMAP).
- Ongoing Quality Assurance Review (QAR) program of residents' files to reduce rent and income calculation errors to achieve standardization, consistency and enhance operations as USHUD requirements become more precise.
- Revised the Section 8 New Construction dwelling lease for the eight (8) publicly owned Section 8 New Construction developments managed by the Public Housing Division, effective October 1, 2005, trained staff, distributed it to the Resident Council Presidents and translated it into Spanish and Creole.
- Revised the Admission and Continued Occupancy Policy (ACOP), effective March 11, 2005, trained staff and distributed it to the Resident Council Presidents.

Scott/Carver HOPE VI updates:

MIAMI-DADE HOUSING AGENCY

Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals

- Relocation Program: The relocation of families out of the Scott/Carver site was completed on July 3, 2005. Tracking of the families is ongoing through newsletters and requests for residents to report changes of address.
- Demolition: Demolition of Sector I was completed in August 2004, demolition of Sector IV and Carver Homes were completed in April 2005, and demolition of Sectors II and III was completed on December 2006. Four of the 850 units still remain. Demolition or rehabilitation of these units may occur within the next year, as MDHA is assessing the best utilization of these units.
- Community and Supportive Services: The Department of Human Services provides these services on behalf of the agency. These services include the meals and supportive services at two elderly/disabled sites; self-sufficiency case management; and vacancy reduction assistance for new housing clients.

Goal: Expand the supply of assisted housing.

- MDHA received funding for 450 Housing Choice Vouchers to assist with relocation of the Scott Homes and Carver Homes families as part of the HOPE VI revitalization plan. MDHA used approximately 261 of its own vouchers for a total of 711 Section 8 vouchers to relocate Scott/Carver residents.
- MDHA received \$2 million in new funding and \$4 million in renewal funding to provide housing for homeless individuals and families with disabilities.
- MDHA has entered into a contract to assist 50 units under the Project-Based Voucher program.
- MDHA entered into a Housing Assistant Payment (HAP) contract for two (2) Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) projects for the homeless.

Goal: Promote self-sufficiency and asset development for assisted households

- Public Housing Residents purchased 4 homes and Section 8 residents purchased 17 homes throughout MDHA Homeownership programs during Fiscal Year 2005-2006.
- MDHA will continue to identify an entity to establish a Public Housing Resident Orientation program.
- MDHA will continue providing Section 3 business applications on-line, promoting its Section 3 training employment and contracting opportunities and increasing the number of Section 3 employed persons.

Goal: Promote full occupancy of MDHA's Assisted Living Facilities.

- There are 101 units at the Helen Sawyer Assisted Living Facility (ALF), 81 zero bedrooms and 20 one bedrooms. Currently Helen Sawyer ALF is 91% occupied.
- As of April 2006, ALC has screened and determined eligibility for over 97 elderly persons and transferred three (3) existing residents to the Ward Towers ALF. The development is presently 100% occupied.

Goal: Maintain the Family Self-Sufficiency (FSS) program.

MIAMI-DADE HOUSING AGENCY**Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals**

- Public Housing FSS Program size had a decrease from 140 to 134 program participants. A total of 99 qualified Public Housing residents accepted Section 8 Vouchers and were transferred to the Section 8 program under the Adker Consent Decree. Thirty (30) residents exited the FSS program for completion of the Contract of Participation or non-compliance.
- Section 8 FSS Program size decreased from 343 to 290 program participants.
- As of October 2006, there were approximately 62 Public Housing and 150 Section 8 program participants with an escrow balance.
- To improve distribution of the information about the FSS program in an effort to encourage and increase program participation. by increasing outreach activities such as: Job Fair, Education Fair and Assistance with resume and interview techniques.
- MDHA requires FSS program's participants to communicate with FSS Coordinator's office every quarter.

MIAMI-DADE HOUSING AGENCY

Capacity Statement - Section 8 Homeownership Program

Miami-Dade Housing Agency (MDHA) possesses the capacity, experience and expertise to successfully formulate and implement a Section 8 Homeownership Program to enable Section 8 participants to purchase a home. MDHA's Section 8 Homeownership Program was approved by the Miami-Dade Board of County Commissioners (BCC) in December 2001 and is currently being administered jointly by the Private Rental Housing and Development and Loan Administration. Currently, 201 families have been referred to the U.S. Department of Housing and Urban Development (USHUD), required counseling, 158 families have completed counseling and are considered "mortgage ready" and 30 families have sales contracts pending loan approvals. Twenty six (26) families have closed on their purchase of a home in fiscal year 2006 and 82 families have purchased homes since the inception of the program.

MDHA has operated Section 8 housing for Miami-Dade County since 1975, administering one of the largest Section 8 programs in the nation. The Section 8 program is comprised of more than 14,000 Housing Choice Vouchers, 2,500 Moderate Rehabilitation project based units, and nearly 1,300 Section 8 Substantial Rehabilitation and New Construction units. Additionally, MDHA administers programs targeted for populations with special needs. The agency administers over 900 units under the Single Room Occupancy (SRO) Section 8 Moderate Rehabilitation Program and Stewart B. McKinney Act Shelter Plus Care Program, targeting assistance to disabled homeless individuals with mental illness, substance abuse, and/or HIV/AIDS.

Since 1984, MDHA has developed and administered new homebuyer and homeownership programs. MDHA has provided over \$290 million for the purchase of affordable housing units in Miami-Dade County. MDHA in partnership with the Housing Finance Authority (HFA) is providing funding through locally funded source, a Documentary Surtax on sales of non-residential properties in Miami-Dade County; through the State Housing Initiatives Partnership Program (SHIP); and with federally funding HOME Investments Partnership (HOME). Services afforded to Miami-Dade County residents include homeownership loan assistance, which provides a below market interest rate second mortgage; down payment assistance, including partial down payment and closing costs to qualified families and individuals; homebuyer counseling, consisting of technical services, such as credit counseling or legal services to assist in the purchase of and financing of a single family home; single family rehabilitation loans and window/shutter loans, assisting homeowners improving their properties. Construction loans for housing development are available for community development corporations (CDC) to provide low cost financing for projects that would otherwise be difficult to finance at market rates.

MIAMI-DADE HOUSING AGENCY**Capacity Statement - Section 8 Project-Based Voucher Program**

During 2002 Miami-Dade Housing Agency (MDHA) accepted proposals for existing developments to participate in the Section 8 Project-Based Program. For family projects, no more than 25% of the development's units will be Project-Based. These units must meet federal housing quality standards (HQS). MDHA estimates that it will make available no more than 20% of its Section 8 allocation for Project-Based assistance. During fiscal year 2004, MDHA entered into a 10-year housing assistance payment (HAP) contract to provide project-based assistance to 50 units. Additional units may be placed under HAP contract as vouchers become available.

MIAMI-DADE HOUSING AGENCY**Statement of Exemption – Resident Membership of the PHA Governing Board**

Miami-Dade Housing Agency is not a public agency with a board of directors or similar governing body as contemplated by the federal regulations. See 24 C.F.R. 964.410(b). It is a department of Miami-Dade County, a unit of general government operating under a home rule charter and governed by a Board of County Commissioners.

Miami-Dade Housing Agency (MDHA) is an agency without an appointed governing board and, therefore, qualifies for exemption from the *Required Resident Membership on Board of Directors or Similar Governing Body* Final Regulation, as explained in Assistant County Attorney, Karon M. Coleman's memorandum dated September 27, 1999:

Component 10 (B): Voluntary Conversion Initial Assessments

- a. How many of the PHA's developments are subject to the Required Initial Assessments? 64
- b. How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? 41
- c. How many Assessments were conducted for the PHA's covered developments? One.
- d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments: None

In 2004 MDHA completed a review of each covered development's operations as public housing, and considered the implications of converting the public housing to tenant-based assistance. The initial review indicated that the Voluntary Conversion of public housing to tenant-based assistance is inappropriate, for the following reasons:

- 1. Conversion would be more expensive than continuing to operate the developments as public housing;
 - 2. Removal of developments would not principally benefit resident of public housing developments; and
 - 3. It would adversely affect the availability of affordable housing in the community
- e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments:
