ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Agency Plan is a comprehensive guide to the Cordele Housing Authority's policies, programs, operations and strategies for meeting local housing needs and goals. There are two parts to the Plan: the Five-Year Plan, which the Authority submits to the Department of Housing and Urban Development (HUD) once every fifth fiscal year, and the Annual Plan, which is submitted to HUD every year. This document represents the Authority's FY2007 Agency Plan Annual Update.

Since the Agency Plan serves as the annual application for the Capital Fund Program (CFP), the Authority has submitted an Annual Statement and Five-Year Plan for the FY2007 CFP based on the FY2006 funding allocation. The Annual Statement and Five-Year Plan can be found in this binder under Tab 2 (ga063a01).

The Authority scored an 82 on the most recent Public Housing Assessment System (PHAS) which results in a Standard Performer designation. The table below presents the scores for each of the four sections of PHAS.

PHAS Indicator	PHA Score	Maximum Score
Physical	24	30
Financial	20	30
Management	29	30
Resident	9	10
Total	82	100

The Authority is also continuing with the redevelopment of Sunset Homes. The Demolition Application has been approved and work is moving forward to tear down the selected buildings. The Authority will also be submitting another Demolition Application to remove a few more buildings at Sunset Homes. More information about demolition is included in Section 8 of this document. The Authority will be using the Capital Fund Financing Program to rebuild units at Sunset Homes.

On an on-going basis, the Authority is working to be in compliance with Project-Based Management initiative launched by HUD. The Authority has selected four (4) property groupings, Sunset Homes (AMP-01), Morningside Homes (AMP-02), Scott/Shearer Homes (AMP-03), and Westside Homes (AMP-04). The Authority is currently in the process of developing budgets for these properties and the Central Office Cost Center. Revenues and expenses will be tracked by property to determine what, if any, actions need to be taken to make sure each property continues as a viable housing option.

Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals

Goal – Expand the Supply of Assisted Housing

The Capital Fund Program has been leveraged through the Capital Fund Financing Program to help fund the redevelopment of Sunset Homes.

Goal – Improve the Quality of Assisted Housing

As mentioned earlier, the PHAS score for FY2006 was an 82, which makes the Authority a Standard Performer. The score of the Financial Section brought the overall score down. The Authority will focus on this area in FY2007 with the hopes of raising the score and achieving High Performer status.

Resident satisfaction has improved to the point where only the Neighborhood Appearance section is below 75%. The scores received from the most recent survey are included in Attachment F.

The Authority continues to work toward renovating and modernizing the housing stock. This effort is funded through the Capital Fund Program. The budget for the FY2007 Capital Fund Program is included as an Attachment to the Agency Plan.

The Demolition Application for thirty-six (36) units at Sunset Homes has been approved and the Authority will be submitting another Demolition Application for forty-two (42) more units. The Authority will be providing replacement housing at this site.

Goal – Promote Self-Sufficiency and Asset Development of Families and Individuals

Resident Services continues to work toward resident awareness of opportunities to assist residents in becoming self-sufficient and improve resident satisfaction.

Through the Resident Opportunity and Self-sufficiency (ROSS) program, the Authority has targeted over 138 residents that are unemployed as well as needing to meet the community service requirements. We are working with residents to acquire their GEDs, development of employment skills, job training and other measures to improve their opportunity to become self-sufficient.

The Authority continues to provide financial fitness training, credit counseling and homeownership education to the residents. Teaching financial fitness, providing credit counseling educates our residents about the responsibilities homeownership. Our residents will be prepared as homeownership programs are development in our community.

Goal – Ensure Equal Opportunity in Housing for All Americans
