This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Attachment A Violence Against Women Act Information

The Housing Authority is striving to fully comply with all requirements of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA) which pertain to public housing agencies. First, the Housing Authority will not deny admission to an applicant based solely on the fact that they have been a victim of domestic violence, dating violence or stalking. The applicant must comply with all other admission requirements.

Also, the Housing Authority will not terminate the assistance to a victim of domestic violence, dating violence or stalking based solely on an incident or threat of such activity. The Authority still retains the right to terminate assistance for other criminal activity or good cause.

All information provided by an applicant or tenant regarding VAWA will be held in confidence and will not be shared with any other parties, unless required by law.

At this time, the Housing Authority does not intend to put a victim of domestic violence admissions preference in place. The Executive Director will periodically review the need for such preference and may add an admissions preference for victims of domestic violence if a need is determined.

The Housing Authority notifies all applicants of the information pertaining to public housing agencies included in the VAWA during the application process.
