Deconcentration Policy for Covered Developments Analysis

The Housing Authority of the City of Newnan, Georgia performed a review of all of its Family developments to determine if there are any that would be covered by the Deconcentration Rule. The Deconcentration Rule provides that the average income for all covered developments should fall between 85% and 115% of the Authority-wide average income (“Established Income Range” or “EIR”). The average income for all of HAN’s covered communities was \$10,530 per household. The table below shows that two (3) communities were above the 115% upper limit for the Established Income Range, no community were below the lower limit for the Established Income Range. The Pritchett Homes I & II Communities are single family homes purchased by the Authority. Even so, each of these communities expect 1 (95-10) had average resident incomes that are below 30 percent of the area median income.

Development Number	Development Name	Average Income	Family Communities Average Income	Percentage Relative to EIR
95-5B	Georgia Callaway Homes (MLK J. Dr.)	\$17,398	\$10,530	168%
95-10	Pritchett Homes I	\$25,623	\$10,530	247%
95-11	Pritchett Homes II	\$15,454	\$10,530	149%

HAN responds to the following deconcentration questions as follows:

- b. Yes No Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete

If yes, list these developments as follows:

5-YEAR PLAN POLICY STATEMENT Violence against Women Mission

A. Mission for Violence against Women

The mission of the Housing Authority of Newnan is to provide a safe environment for women and their children free from domestic violence. To promote emergency and short term transitional housing, economic opportunity and a suitable living environment free from discrimination.

The Housing Authority of Newnan's Policy Statement is as follows:

The Housing Authority of Newnan, Georgia, recognizes that violence against woman is a crime. Our mission is to protect and enhance the quality of life by re-instating personal value, self respect and justice. Violence against women does not discriminate against Race, Age, Social Economic Status, Religion, Culture or Community. Our mission is to be an integral part in ending violence against woman by building a reputation for providing a safe haven and assisting family in becoming self sufficient independent of the abuser.

The objectives will be accomplished by establishing a partnership with local Community Agencies that provide Medical, Social Work, Counseling, Budgeting, Food, Clothing, Furniture, Life Skills, Interview skills, Job Search and Coping skills.

B. Goals

HAN Strategic Goal: To provide Emergency and Short term Transitional Housing.

HAN Goal: Provide immediate emergency housing not to exceed 24 hours.

Objectives:

To provide shelter for 24 hours or less until a family member or friend can be reached and provide safety for the family.

Immediate emergency shelter will be accomplished by partnering with local hotels.

HAN Goal: Provide short term transitional housing program not to exceed 90 days.

Objectives:

To provide short term transitional housing for 90 days or less and provide family with the resources to become self sufficient.

Short term transitional housing program will be accomplished by:

- (1) Making a request to HUD to take a 5 bedroom unit off-line for transitional housing. The large bedroom unit will be adequate to house more than one family in a shared living environment.
- (2) Partnering with local community agencies to provide self-assessments, counseling and wellness screening (Temperature, blood pressure, HIV/AIDS, diabetes screening and complete physicals for children)
- (3) Partner with local churches and stores to provide food and clothing.
- (4) Provide temporary school resources for children
- (5) Resident Services to assist with job search
- (6) Weekly house meetings to set goals, share experiences, open forum and other topics. HAN will partner with Social Workers to accomplish this objective.
- (7) Monthly assessments to be conducted
- (8) Provide an exit interview – The purpose of this interview is to get input on the program and use the data provided to continue improving the program for future participants. A written survey will be provided with a comment section and how the participant will give back to the community.

HAN Goal: Provide permanent housing and assist family in becoming self-sufficient

Objectives:

To provide permanent housing and assist the family with self-sufficiency, independent of abuser.

Permanent housing will be accomplished by:

- (1) Family will apply for housing under the involuntarily displacement domestic violence preference.
- (2) Family will participate in job search and job skill programs
- (3) Family will participate in housing programs leading toward homeownership
- (4) Family will continue to participate in the available social programs.

SECTION 14 EIV POLICY

14.1 Enterprise Income Verification (EIV) System

The purpose of HUD's EIV System is to make integrated income data available from one source, via the Internet, for PHA's to use to improve income verification.

14.2 Benefits of the EIV System

- 1) Increases the efficiency and accuracy of income and rent determinations
- 2) Reduces incidents of underreported and unreported housing income
- 3) Removes the barriers to verifying tenant-reported income
- 4) Addresses material weaknesses in a PHA's reexamination process and program operations
- 5) Assures that more eligible families are able to participate in the program

14.2.1 EIV System Uses and Capabilities

- 1) Provides wage, unemployment, and Social Security Administration (SSA) benefit information through a data matching process for households covered by a HUD-Form 50058 and maintained in the Public Housing Information Center (PIC) database
- 2) Allows PHAs to view quarterly wages, employer information, unemployment benefit payments, monthly Social Security and Supplemental Security Income benefits, and Medicare deductions and/or buy-ins for tenants within the PHA's jurisdiction
- 3) Provides income discrepancy reports to identify families who may have substantially underreported household income

14.3 Income Discrepancy Resolution

(a) The Exceeds Threshold Report (ETR) contained in the EIV system identifies families that may have substantially under reported wages, social security benefits and/or unemployment compensation. If verification data is greater than tenant-reported income by \$ 2400 or greater annually, PHAs are expected to resolve these income discrepancies. PHAs are required to obtain written third party verification of disputed verification data. Below are the steps HAN will take to resolve income discrepancies that have been reported on the ETR, or when other information received of underreported household income:

- 1) Request written third party verification of any income source allowed using the HUD Release Form 9886
- 2) Confirm effective dates of unreported income source
- 3) Notify the tenant in writing of the discrepancy
- 4) Request current documents from the tenant, i.e. original, current and consecutive pay stubs, original SSA benefit verification letter, etc.
- 5) In cases where HAN obtains additional income information via EIV system (and verifies the verification data with the tenant and/or 3rd party source) that would result in a more accurate income determination, HAN will

adjust the rent accordingly to reduce the occurrence of improper subsidy payments

- 6) In cases where HAN confirms that the tenant failed to report income source(s), HAN will determine retroactive rent due to HAN and execute a repayment agreement with the tenant or terminate housing assistance

(b) The Supervisor of Rental Assistance will review the ETR on a quarterly basis. PHAs are required to select a “threshold” percentage which is the percentage of households included on the report when the percentage of EIV/PIC discrepancy exceeds the threshold. HAN will not use a threshold lower than 80%.

(c) HAN will communicate our policy with the other local PHAs who administer our vouchers. The PHA will be responsible for reviewing the ETR discrepancy, determining if the report is valid or invalid, and taking appropriate action with those tenants in accordance with our administrative procedures.

14.4 EIV Security Policy

(a) HAN will use the HUD EIV System Security Procedures for Upfront Income Verification data as guidance in its security procedures.

(b) The data provided via the EIV system will be protected to ensure that it is only used for official purposes and not disclosed in any way that would violate the privacy of the individuals represented in the system data. The Vice President of Operations will have the responsibility of ensuring compliance with the security policies and procedures. These responsibilities include:

- 1) Maintaining and enforcing the security procedures;
- 2) Keeping records and monitoring security issues;
- 3) Communicating security information and requirements to appropriate staff, including coordinating and conducting security awareness training sessions;
- 4) Conducting a quarterly review of all User Ids issued to determine if the users still have a valid need to access the EIV data and taking the necessary steps to ensure that access rights are revoked or modified as appropriate; and
- 5) Reporting and evidence of unauthorized access or known security breaches to the PHA President/CEO in immediate action to address the impact of the breach including but not limited to prompt notification to appropriate authorities including the HUD Field Office’s Public Housing Director

(b) Access to EIV data is restricted only to persons whose duties include or responsibilities require access. HAN maintains a copy of the EIV Access Authorization Form for each user who has approved access. All users have signed the EIV Rules of Behavior and User Agreement form. Each user has received a copy of the HUD Security Procedures and is trained in the EIV policies.

(c) All files, reports or documents containing EIV information will be kept in locked drawers, maintained by the Asset Manager(s). The ETR reports will be stored in a public folder that is secure and password protected. Once a file has been resolved, the documentation will be kept in the EIV master file cabinet which will remain locked at all times.

THE HOUSING AUTHORITY OF THE COUNTY OF NEWNAN, GEORGIA
FAMILY SELF-SUFFICIENCY PROGRAM
March 2007

The Housing Authority of Newnan Family Self-Sufficiency Program has been in operation since June, 1997.

In 2005 and 2006, we moved 2 FSS participants to single family homes with the intent to become a homeowner. Ms. Betty Snelling and Ms. Venus, both a public housing participants now reside in offsite housing purchased by the Housing Authority of Newnan.

As of 2/28/2007, FSS program has a total of 33 participants. New participants from public housing total 7 and new participants from Housing Choice Voucher total 4. 8 participants contracts will end in 2007. An assessment of each of these participants is high priority. Upon completion of assessments, a determination as to whether to extend contract or terminate contract will be decided.

2007 goal is to fully implement the Homeownership Program to FSS participants. This program will include HCV Homeownership Vouchers, Habitat for Humanity Homeownership, USDA Rural Development Homeownership, and private programs. Seminars and Workshops for homeownership will be conducted on-site and off-site for participants. Quarterly meetings will be conducted along with monthly individual reporting.

The following activities will continue to be components of the FSS Program.

1. Outreach
2. Assessment
3. Orientation
4. Budgetary/Money Management
5. Reading Skills
6. Education/GED assistance
7. Child Care
8. Transportation
9. Job Readiness
10. Job Search
11. Job Placement
12. Homeownership
13. Personal Counseling
14. Stress Management
15. Career Counseling
16. Alcohol and Drug Counseling
17. Parenting skills

2. DESCRIPTION OF THE EFFECTIVENESS OF THE PROGRAM IN ASSISTING FAMILIES TO ACHIEVE ECONOMIC INDEPENDENCE AND SELF-SUFFICIENCY.

The Housing Authority of Newnan Family Self-Sufficiency Program currently has 33 active participants and 15 participants with escrow amounts. The program is providing an incentive to self sufficiency. Upon conversing with participants, the desire for upward mobility is a constant. Barriers and disappointments have caused some to feel that they cannot attain their goals of homeownership, educational success, or freedom from public assistance. By breaking down barriers, this program revitalizes dreams that are often times lost. Sharing with others during meetings has led participants to form support networks.

3. DESCRIPTION OF THE EFFECTIVENESS OF THE PROGRAM IN COORDINATING RESOURCES OF COMMUNITIES TO ASSIST FAMILIES TO ACHIEVE ECONOMIC INDEPENDENCE AND SELF-SUFFICIENCY

FSS Participants were continually informed about workshops and seminars in the community by flyers, posters or verbally that were thought to be of benefit to the participants. Community partnerships are essential to the effectiveness of the program. Due to program cuts, partnerships provide resources that are much needed at no costs or little costs.

4. RECOMMENDATIONS BY THE PHA OR THE PROGRAM COORDINATING COMMITTEE FOR LEGISLATIVE OR ADMINISTRATIVE ACTION THAT WOULD IMPROVE THE FSS PROGRAM AND ENSURE THE EFFECTIVENESS OF THE PROGRAM.

Funding should be made available to the FSS Programs to cover specific needed services that can no longer be provided by other sources, i.e., emergency financial assistance for high utility bills, school books and supplies not covered by grants, public transportation tokens and child care.

Funding should also be made available for proper staffing. In order to achieve maximum effectiveness, enhance, and expand this program, extensive case management is a key component. In 2007, emphasis will be placed on obtaining additional funding or partnering with other entities to ensure that the FSS program has all the key components for program success.

ADMINISTRATIVE PLAN

SECTION XXII. HOUSING CHOICE VOUCHER/SECTION 8 HOME OWNERSHIP PROGRAM

1. GENERAL PROVISIONS

The Section 8 Home Ownership Program of the Housing Authority of Newnan (HAN) permits eligible participants in the Section 8 Housing Choice Voucher Program, including participants with portable vouchers, the option of purchasing a home with their Section 8 assistance rather than renting. The Homeownership Program may be offered to all eligible participants on the HAN Program.

Eligible participants for the Section 8 Homeownership Program must have completed an initial Section 8 lease term, may not owe HAN or any other Housing Authority an outstanding debt, and must meet the eligibility criteria set forth herein.

Section 8 homeownership assistance may be used to purchase the following type of homes: new or existing single-family, condominium, townhome, planned use developments, cooperatives, lofts, live/work units, or manufactured homes. HAN also will permit portability of Section 8 homeownership assistance to another jurisdiction, provided the receiving jurisdiction operates a Section 8 Homeownership Program for which the Section 8 homeownership applicant qualifies or authorizes HAN to administer the homeownership assistance in their jurisdiction.

2. FAMILY ELIGIBILITY REQUIREMENTS.

Participation in the Section 8 Homeownership Program is voluntary. Each Section 8 Homeownership participant must meet the general requirements for admission to the Section 8 Housing Choice Voucher Program as set forth in HAN's Administrative Plan. Such Section 8 family also must be "eligible" to participate in the Homeownership program. The additional eligibility requirements for participation in HAN's Section 8 Homeownership Program include that the family must: (A) be a first-time homeowner or have a member who is a person with disabilities; (b) with the exception of elderly and disabled households, meet minimum income requirement without counting income from "welfare assistance" sources; (C) with the exception of elderly and disabled households, meet the requisite employment criteria; **(D) have completed an initial lease term in the Section 8 Housing Choice Voucher Program;** (E) **have fully repaid any outstanding debt owed to HAN or any other Housing Authority;** (F) not defaulted on a mortgage securing debt to purchase a home under the homeownership option; and (G) not have any member who has a

present ownership interest in a residence at the commencement of homeownership assistance.

A. First-Time Homeownership.

Each Section 8 family, except families with a disabled member, must be a first-time homeowner. A “First-time homeowner” means that no member of the household has had an ownership interest in any residence during the three years preceding commencement of homeownership assistance. However, a single parent or displaced homemaker who, while married, owned a home with a spouse (or resided in a home owned by a spouse) is considered a “first-time homeowner” for purposes of the Section 8 homeownership option; and the right to purchase title to a residence under a lease-purchase agreement is not considered an “ownership interest.” *A member of a cooperative (as defined in §982.4) also qualifies as a “first-time homeowner”.*

B. Minimum Income Requirement.

(1) Amount of Income.

At the time the family begins receiving homeownership assistance, the head of household, spouse, and/or other adult members who will own the home, must have a gross annual income of at least \$ 20, 000.

(2) Exclusion of Welfare Assistance Income

With the exception of elderly and disabled families, HAN will disregard any “welfare assistance” income in determining whether the family meets the minimum income requirement. Welfare assistance includes assistance from Temporary Assistance for Needy Families (“TANF”); Supplemental Security Income (“SSI”) that is subject to an income eligibility test; food stamps; general assistance; or other welfare assistance specified by HUD. The disregard of welfare assistance income under this section affects the determination of minimum monthly income in determining initial qualification for the home-ownership program. It does not affect the determination of income-eligibility for admission to the Section 8 Housing Choice Voucher Program, calculation of the family’s total tenant payment, or calculation of the amount of homeownership assistance payments.

C. Employment History.

With the exception of disabled and elderly households, each family must demonstrate that one or more adult members of the family who will own the home at commencement of homeownership assistance is employed full-time (an average of 30 hours per week) and has been so continuously employed for one year prior to the execution of the sales agreement. In order to reasonably accommodate a family's participation in the program, HAN will exempt families that include a person with disabilities from this requirement. **HAN President/CEO and/or Vice President of Operations may also consider whether and to what extent an employment interruption is considered permissible in satisfying the employment requirement. The HAN President/CEO and/or Vice President of Operations may also consider successive employment during the one-year period and self-employment in a business.**

D. Completion of Initial Lease Term.

Applicants for and new participants in the Section 8 Housing Choice Voucher Program shall be ineligible for participation in the Section 8 Homeownership Program until completion of an initial Section 8 lease term and the participant's first annual recertification in the Section 8 Housing Choice Voucher Program. Nothing in this provision will preclude Section 8 participants that have completed an initial lease term in another jurisdiction from participating in the Section 8 Homeownership Program.

E. Repayment of Any Housing Authority Debt

Participation in the Section 8 Housing Choice Voucher Program shall be ineligible for participation in the Section 8 Homeownership Program in the event any debt or portion of a debt remains owed to HAN or any other Housing Authority. Nothing in this provision will preclude Section 8 participants that have fully repaid such debt(s) from participating in the Section 8 Homeownership Program.

F. Additional Eligibility Factors.

(1) Elderly and Disabled Households.

Elderly and disabled families are exempt from the employment requirements set forth in Section 2. C. above. In the case of an elderly or disabled family, HAN will consider income sources, including welfare assistance in evaluating whether the

household meets the minimum income required to purchase a home through the Section 8 Homeownership Program.

(2) **FSS Program.**

The HAN's currently operates a Family Self Sufficiency ("FSS") program; therefore, applicants for the Homeownership Program are not required to participate in FSS in order to participate in the Homeownership Program.

(3) **Prior Mortgage Defaults.**

If a head of household, spouse or other adult household member who will execute the contract of sale, mortgage and loan documents has previously defaulted on a mortgage obtained through the Section 8 Homeownership Program, the family will be ineligible to participate in the homeownership program.

3. **FAMILY PARTICIPATION REQUIREMENTS.**

Once a family is determined to be eligible to participate in the program, it must comply with the following additional requirements: (A) complete a homeownership counseling program approved by HAN prior to commencement of homeownership assistance; (B) within a specified time, locate the home it proposes to purchase; (C) submit a sales agreement containing specific components to HAN for approval; (D) allow HAN to inspect the proposed homeownership dwelling to assure that the dwelling meets appropriate housing standards; (E) obtain an independent inspection covering major building systems; **(F) obtain HAN approval of the proposed mortgage (which must comply with generally accepted mortgage underwriting requirements), (G) maintain an active bank account to cover the initial cost of loan application, earnest money, independent inspector fees, possible down payment and any other fees deemed necessary to complete the homeownership transaction; and (H) enter into a written agreement with HAN to comply with all of its family obligations under the Section 8 program and any other provisions deemed necessary.**

A. **Homeownership Counseling Program.**

A family's participation in the homeownership program is conditioned on the family attending and successfully completing a homeownership and housing counseling program provided by HAN prior to commencement of homeownership assistance. **The home ownership**

and counseling program will cover home maintenance; budgeting and money management; credit counseling; negotiating purchase price; securing mortgage financing; finding a home; and the advantages of purchasing and locating homes in areas that do not have a high concentration of low-income families.

[Note: § 982.620(b) provides “suggested topics” for the PHA required pre-assistance counseling program – which are, for the most part, included here. HAN omitted suggested topics regarding fair housing, RESPA obligations and predatory lending issues. These topics should also be included in the homeownership counseling program.]

The counseling agency providing the counseling program shall either be approved by HUD or the program shall be consistent with the homeownership counseling provided under HUD’s Housing Counseling Program. **HAN may require families to participate in an HAN approved homeownership counseling program on a continuing basis.**

B. Locating and Purchasing a Home.

(1) Locating a Home.

Upon approval for the Section 8 Homeownership Program, a family shall have one hundred eighty (180) days to locate a home to purchase. A home shall be considered located if the family submits a proposed sales agreement with the requisite components to HAN. For good cause, HAN may extend a Section 8 family’s time to locate the home for additional thirty (30) day increments. During a Section 8 participant’s search for a home to purchase, their Section 8 rental assistance shall continue pursuant to the Administrative Plan. If a Section 8 participant family is unable to locate a home within the time approved by HAN, their Section 8 rental assistance through the Section 8 Housing Choice Voucher Program shall continue.

(2) Type of Home.

A family approved for Section 8 homeownership assistance may purchase the following type of homes: a new or existing home, a single-family home, a condominium, a home in a planned use development, a cooperative, a loft **or** live/work unit, or a manufactured home to be situated on a privately owned lot or on

a leased lot in a mobile home park. The home must be already existing **or** under construction at the time HAN determines the family eligible for homeownership assistance *[to purchase the unit (§982.628(a) (2).J.J.]*. The home may not be over 10 years old. Only in situations where the approved funding amount may be lower than \$115,000 (one hundred fifteen thousand dollars) will the HAN give consideration to a home in excess of ten years of age.

The family also may purchase a home in a jurisdiction other than the City of Newnan, provided the Housing Authority in the receiving jurisdiction operates a Section 8 Homeownership Program for which the Section 8 homeownership applicant qualifies **or authorizes HAN to administer the homeownership assistance in their jurisdiction**. In the former case, a family's participation in the Section 8 Homeownership Program will be subject to the Section 8 Homeownership Program and policies of the receiving jurisdiction.

(3) Purchasing a Home.

Once a home is located and a sales agreement approved by the HAN and Counseling agency is signed by the family, the family shall have up to three (3) months, or such other time as is approved by HAN's President/CEO and/or Vice President of Operations or set forth in the HAN-approved sales agreement, to purchase the home.

(4) Family to Complete Purchase.

If a Section 8 participant is unable to purchase the home within the maximum time permitted by HAN, HAN shall continue the family's participation in the Section 8 Housing Choice Voucher Program. The family may not re-apply for the Section 8 Homeownership Program until they have completed an additional year of participation in the Section 8 Housing Choice Voucher Program following the initial determination of their eligibility for the homeownership option.

(5) Lease Purchase

The HAN at its discretion may implement a lease purchase Program.

C. Sales Agreement.

Prior to execution of the offer to purchase or sales agreement, the financing terms must be provided by the family to HAN for **approval**. The sales agreement must provide for inspection by HAN and the independent inspection referred to in Section 3(E) and **must state that the purchaser is not obligated to purchase unless such inspections are satisfactory to HAN**. The contract also must provide that the purchaser is not obligated to pay for any necessary repairs **without approval by HAN**. **The sales agreement must provide that the purchaser is not obligated to purchase if the mortgage financing terms are not approved by HAN pursuant to Section 3(F)**. The sales agreement must also contain a seller certification that the seller is not debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

D. Independent Initial Inspection Conducted.

To assure the home complies with the housing quality standards of the Section 8 program, homeownership assistance payments may not commence until HAN first inspects the home. An independent inspection of existing homes covering major building systems also must be completed by a licensed professional independent inspector selected by the family **and must provide the HAN with a copy of license, insurance and association affiliation**. HAN will not pay for the independent inspection. The independent inspection report must be provided to HAN. **HAN may disapprove the unit due to information contained in the report or for failure to meet federal housing quality standards**.

E. Financing Requirement.

The proposed financing terms must be submitted to and approved by HAN prior to close of escrow. HAN shall determine the affordability of the family's proposed financing. In making such

determination, HAH may take into account other family expenses, including but not limited to child care, unreimbursed medical expenses, education and training expenses and the like. Certain types of financing, including but not limited to, balloon payment mortgages, are prohibited. Seller-financing mortgages shall be considered by HAN on a case by case basis. If a mortgage is not FHA insured, HAN will require the lender to comply with generally accepted mortgage underwriting standards consistent with those HUD/FHA, Ginnie Mae, Fannie Mae, Freddie Mac, USDA Rural Housing Services, the Federal Home Loan Bank, or other private lending institutions.

F. Compliance with Family Obligations.

A family must agree, in writing, to comply with all family obligations under the Section 8 program and HACCP's homeownership policies. These obligations include (1) **attending ongoing home ownership counseling as required by HAN**; (2) complying with the mortgage terms; (3) not selling or transferring the home to anyone other than a member of the assisted family who resides in the home while receiving homeownership assistance; (4) not refinancing or adding debt secured by the home without prior approval by HAN; (5) not obtaining a present ownership interest in another residence while receiving homeownership assistance; and (6) supplying all required information to HAN, including but not limited to annual verification of household income, notice of change in homeownership expenses, notice of move-out, and notice of mortgage default. HAN's Homeownership Family Obligation policies are set forth in Appendix A hereto.

G. Compliance Lien.

Upon purchase of a home, the family must execute documentation as required by HUD and HAN, consistent with State and Local law, securing HAN's right to recapture the homeownership assistance in accordance with Section 5. C. Below. The lien securing the recapture of homeownership subsidy may be subordinated to a refinanced mortgage.

[Note: Moving to another home in the same PHA jurisdiction, as well as buying another home in another PHA jurisdiction, is permitted with continued use of homeownership assistance. See §§ 982.636 & 637.]

4. AMOUNT OF ASSISTANCE.

The amount of the monthly assistance payment will be based on three factors: the voucher payment standard for which the family is eligible; the monthly homeownership expense; and the family's household income. HAN will pay the lower of either the payment standard minus the total family contribution ("TFC") or the family's monthly homeownership expenses minus the TFC. The Section 8 family will pay the difference.

A. Determining the Payment Standard.

The voucher payment standard is the fixed amount the HAN annually establishes as the "fair market" rent for a unit of a particular size located within the HAN jurisdiction. In the homeownership program, the initial payment standard will be the lower of either (1) the payment standard for which the family is eligible based on family size; or (2) the payment standard which is applicable to the size of the home the family decides to purchase. The payment standard for subsequent years will be based on the higher of: (1) the payment standard in effect at commencement of the homeownership assistance; or (2) the payment standard in effect at the most recent regular reexamination of the family's income and size. The initial payment standard, for purposes of this comparison shall not be adjusted even if there is a subsequent decrease in family size. HAN will request HUD approval of a higher payment standard, up to 110% of the published Fair Market Rent limit, where warranted as a reasonable accommodation for a family that includes a person with disabilities.

B. Determining the Monthly Homeownership Expense.

Monthly home ownership expense includes all of the following: principal and interest on the initial mortgage and any mortgage insurance premium (MIP) incurred to finance the purchase and any refinancing of such debt; real estate taxes and public assessments; homeowner's insurance; maintenance expenses per HAN allowance; costs of major repairs and replacements per HAN allowance (replacement reserves); utility allowance per HAN's schedule of utility allowances; principal and interest on mortgage debt incurred to finance major repairs, replacements or improvements for the home including changes needed to make the home accessible; and homeowner association dues, fees or regular charges assessed, if any. Home ownership expenses for a cooperative member may only include HAN approved amounts for the cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home; principal and interest on initial debt

incurred to finance purchase of cooperative membership shares and any refinancing of such debt; home insurance; the allowances for maintenance expenses, major repairs and replacements and utilities; and principal and interest on debt incurred to finance major repairs, replacements, or improvements, including changes needed to make the home accessible.

C. Determining the Total Family Contribution.

The TFC is that portion of the home ownership expense that the family must pay. It is generally 30% percent of the family's adjusted income, plus any gap between the payment standard and the actual housing cost. All family income (including public assistance), will be counted to determine the family's adjusted monthly income for purposes of determining the amount of assistance.

D. Payment to Family or Lender.

HAN will provide the Lender with notice of the amount of the housing assistance payment prior to close of escrow and will pay HAN's contribution towards the family's homeowner expense directly to the lender. In the event that the lender requires total mortgage payment directly from one source the family will then be required to make their portion of payment directly to the HAN. The family will be responsible to submit mortgage payment to the lender unless the lender requires direct payment of HAN's contribution.

5. TERMINATION OF SECTION 8 HOMEOWNERSHIP ASSISTANCE.

A. Grounds for Termination of Homeownership Assistance

(1) Failure to Comply with Family Obligations Under Section 8 Program or HAN's Homeownership Policies.

A family's homeownership assistance may be terminated if the family fails to comply with its obligations under the Section 8 program, HAN homeownership policies, or if the family defaults on the mortgage. **As required, the family must attend and complete ongoing homeownership and housing counseling classes.** The family must comply with the terms of any mortgage incurred to purchase and/or refinance the home. The family must provide HAN with written notice of any sale or

transfer of any interest in the home; any plan to move out of the home prior to the move; the family's household income and homeownership expenses on an annual basis; any notice of mortgage default received by the family; and any other notices which may be required pursuant to HAN's homeownership policies. Except as otherwise provided in this Section, the family may not convey or transfer the home to any entity or person other than a member of the assisted family while receiving homeownership assistance.

(2) Occupancy of Home.

Home ownership assistance will only be provided while the family resides in the home. If the family moves out of the home, HAN will not continue homeownership assistance commencing with the month after the family moves out. **Neither the family nor the lender is obligated to reimburse HAN for homeownership assistance paid for the month the family moves out.**

(3) Changes in Income Eligibility.

A family's homeownership assistance may be changed in the month following annual recertification of the household income, but **participation in the Section 8 Homeownership program shall continue until such time as the assistance payment amounts to \$0 for a period of six (6) consecutive months.**

(4) Maximum Term of Homeownership Assistance.

Notwithstanding the provisions of Section 5(A), subparagraphs 1 through 3, except for disabled and elderly families, a family may receive Section 8 homeownership assistance for not longer than ten (10) years from the date of close of escrow unless the initial mortgage incurred to finance purchase of the home has a term that is 20 years or longer, in which case the maximum term is 15 years. Families that qualify as elderly at commencement of homeownership assistance are not subject to a maximum term limitation. Families that qualify as disabled families at the commencement of homeownership assistance or at any time during the provision of homeownership assistance are not subject to a maximum term limitation. If a disabled family or elderly family ceases to qualify as disabled or elderly (due to changing circumstance) the appropriate maximum term becomes applicable from the date homeownership assistance commenced; provided, however, that such family shall be eligible for at least

six additional months of homeownership assistance after the maximum term becomes applicable. The time limit applies to any member of the household who has an ownership interest in the unit during any time that homeownership payments are made, or is a spouse of any member of the household who has an ownership interest.

B. Procedure for Termination of Homeownership Assistance.

A participant in the Section 8 Homeownership program shall be entitled to the same termination notice and informal hearing procedures as set forth in the Administrative Plan of the HAN for the Section 8 Housing Choice Voucher Program.

C. Recapture of Homeownership Assistance.

The HAN will not exercise a recapture provision as a viable component of this plan.

6. CONTINUED PARTICIPATION IN SECTION 8 HOUSING CHOICE VOUCHER PROGRAM.

A. Default on FHA-Insured and Conformity Conventional Mortgage.

If the family defaults on an FHA-insured mortgage, HAN may permit the family to move with continued Section 8 housing choice rental assistance if the family demonstrates that it has (a) conveyed title to the home to HUD or its designee, as required by HUD; and (b) moved from the home within the period established or approved by HUD.

B. **Default on non-FHA-Insured Mortgage.**

If the family defaults on a mortgage that is not FHA-insured, HAN may permit the family to move with continued Section 8 housing choice voucher rental assistance if the family demonstrates that it has (a) conveyed title to the home to the lender, to HAN or to its designee, as may be permitted or required by the lender; and (b) moved from the home within the period established or approved by the lender and/or HAN.

7. HAN ADMINISTRATIVE FEE.

For each month that homeownership assistance is paid by HAN, the HAN shall be paid the ongoing administrative fee described in 24 C.F.R. §982.152(b).

8. WAIVER OR MODIFICATION OF HOMEOWNERSHIP POLICIES.

The President/CEO and/or Vice President of Operations of HAN shall have the discretion to waive or modify any provision of the Section 8 Homeownership Program or policies not governed by statute or regulation for good cause or to comply with changes in HUD regulations or directives.

APPENDIX A: SECTION 8 HOMEOWNERSHIP OBLIGATIONS

This form is to be signed by the home buyer(s) in the presence of the Housing Authority of Newnan (HAN) Homeownership Program Coordinator. The Coordinator will explain any and all clauses which you, the homebuyer(s), may not understand.

The following paragraphs describe your responsibilities under the Section 8 Homeownership Program. If you or members of your household do not meet these responsibilities, through your actions or your failure to act, you may be terminated from the Section 8 Homeownership Program.

- 1. Family Obligations:** You must comply with all Family Obligations of the Section 8 Housing Choice Voucher Program, excepting only the prohibition against owning or having an interest in the unit. *Family Obligations §§ 982.551(c), (d), (e), (f), (g) and (j) do not apply to the Section 8 Homeownership Program.*
- 2. Housing Counseling:** All participating family members (i.e. those signing the purchase offer and loan documents) must satisfactorily complete a HAN provided or approved counseling program prior to commencement of homeownership assistance. **HAN may require any or all participating family members to attend additional housing counseling classes as a condition of continued assistance.**
- 3. Purchase Contract:** You must include contract conditions in any Offer to Purchase that give HAN a reasonable time (a) to inspect the home for compliance with HUD's Housing Quality Standards; (b) to review **and approve** a professional home inspection report obtained by you from a HAN approved inspector; and (c) **approve the terms of your proposed financing. Advise all necessary parties as applicable.**
- 4. Mortgage Obligations:** You must comply with the terms of any mortgage incurred in the purchase of the property and must notify HAN's Homeownership Program Counselor **within five (5) days of receipt** of any late payment or default notice.
- 5. Occupancy:** You must occupy the unit as your principal residence. You may not transfer, sell, or assign any interest in the property without HAN's prior written consent. You may not rent or lease any part of the premises without HAN's prior written consent. You must notify HAN in writing **at least 30 days prior to moving out of the house for a period of 30 days or longer or** prior to any sale, transfer, assignment, lease or other form of alienation of the assisted property.

- 6. Maintenance:** You must maintain the property in a decent, safe and sanitary manner. **You must allow HAN to inspect the property within one-week of a demand by HAN to conduct an inspection. You must correct any notice of deficiency issued by HAN within the time limit specified in the notice. If you fail to adequately maintain the property, HAN may divert the maintenance and replacement reserves portions of the Homeownership Assistance Payment to an escrow account to be used to pay for reasonable and necessary maintenance expenses.**

- 7. Annual Re-examination:** You must annually provide HAN with current information regarding family income and composition in a format required by HAN.

- 8. Refinancing:** You must notify HAN in writing of any proposal to refinance the original purchase mortgage or of any proposal to encumber the property with secondary financing and obtain HAN's written approval of such financing prior to executing any loan documents

- 9. Default:** **In the event of a default on your mortgage obligation, you must cooperate with HAN and the lender to minimize any loss to the lender in order to maintain your eligibility to continue as a participant in the Section 8 Housing Choice Voucher Program.**

- 10. Recapture:** The HAN will not exercise a recapture provision as a viable component of this plan.

By signing below, I attest that I have read and understood my obligations as a participant in the Section 8 Homeownership Program and I agree to abide by these responsibilities. I understand that HAN may terminate my homeownership assistance if I violate any of these obligations, but that I may request an informal review of any proposed notice of termination prior to it becoming effective.
