The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP) HOUSING AUTHORITY OF THE CITY OF MENLO

This Admissions and Continued Occupancy Policy defines the Housing Authority of the City of Menlo's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Housing Authority of the City of Menlo to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Housing Authority of the City of Menlo shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Housing Authority of the City of Menlo's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Housing Authority of the City of Menlo will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Housing Authority of the City of Menlo's office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Housing Authority of the City of Menlo will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Housing Authority of the City of Menlo will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Housing Authority of the City of Menlo's housing programs

and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Housing Authority of the City of Menlo will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Housing Authority of the City of Menlo will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Housing Authority of the City of Menlo will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Housing Authority of the City of Menlo will obtain documentation that the requested accommodation is needed due to the

disability. The Housing Authority of the City of Menlo will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Housing Authority of the City of Menlo's business is housing. If the request would alter the fundamental business that the Housing Authority of the City of Menlo conducts, that would not be reasonable. For instance, the Housing Authority of the City of Menlo would deny a request to have the Housing Authority of the City of Menlo do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Housing Authority of the City of Menlo may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the Housing Authority of the City of Menlo retains the right to be shown how the requested accommodation enables the individual to access or use the Housing Authority of the City of Menlo's programs or services.

If more than one accommodation is equally effective in providing access to the Housing Authority of the City of Menlo's programs and services, the Housing Authority of the City of Menlo retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Housing Authority of the City of Menlo if there is no one else willing to pay for the modifications. If another party pays for the modification, the Housing Authority of the City of Menlo will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Housing Authority of the City of Menlo will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign language or Braille). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The Housing Authority of the City of Menlo will endeavor to have bilingual staff or access to people who speak languages other than English.

4.0 FAMILY OUTREACH

The Housing Authority of the City of Menlo will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Housing Authority of the City of Menlo will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Housing Authority of the City of Menlo will also try to utilize public service announcements.

The Housing Authority of the City of Menlo will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Housing Authority of the City of Menlo will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current Housing Authority of the City of Menlo Notices

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

**Housing Authority of the City of Menlo
77 Ralph Chamblee Drive
Menlo, GA 30731**

Applications are taken to compile a waiting list. Due to the demand for housing in the Housing Authority of the City of Menlo's jurisdiction, the Housing Authority of the City of Menlo may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Housing Authority of the City of Menlo will verify the information.

Applications may be made in person on Monday through Friday between the hours of 8:00AM and 5:00PM. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Housing Authority of the City of Menlo.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Housing Authority of the City of Menlo to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is

Upon receipt of the family's application, the Housing Authority of the City of Menlo will make a preliminary determination of eligibility and establish any preferences to which the family may be entitled. The Housing Authority of the City of Menlo will notify the family in writing of the date and time of placement on the waiting list and the approximate wait before housing may be offered. If the Housing Authority of the City of Menlo determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Housing Authority of the City of Menlo will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

When the family nears the top of the waiting list, The Housing Authority of the City of Menlo will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program. The family will be notified when a suitable vacant unit is available.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant

criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Housing Authority of the City of Menlo's screening criteria in order to be admitted to public housing.

8.2 **ELIGIBILITY CRITERIA**

A. Family Status

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
2. An **elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or

6. A **remaining member of a tenant family**.
7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area.
2. Income limits apply only at admission and are not applicable for continued occupancy.
3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Housing Authority of the City of Menlo.
4. If the Housing Authority of the City of Menlo acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.

5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
6. The Housing Authority of the City of Menlo may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.
7. If there are no eligible families on the waiting list and the Housing Authority of the City of Menlo has published a 30 calendar day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the non-citizen rule).
 - c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Housing Authority of the City of Menlo to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Housing Authority of the City of Menlo to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement allowing the Housing Authority of the City of Menlo permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
 - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Housing Authority of the City of Menlo will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Housing Authority of the City of Menlo employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

- B. The Housing Authority of the City of Menlo will consider objective and reasonable aspects of the family's background, including the following:
1. History of meeting financial obligations, especially rent and any utility payments;
 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 4. History of disturbing neighbors or destruction of property;
 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Housing Authority of the City of Menlo will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Housing Authority of the City of Menlo will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse, co-head, and any other adult family members;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Housing Authority of the City of Menlo may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background

check will proceed after each adult household member has signed a consent form designed by the Housing Authority of the City of Menlo

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Housing Authority of the City of Menlo who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Housing Authority of the City of Menlo's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Housing Authority of the City of Menlo will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

8.4 GROUND FOR DENIAL

The Housing Authority of the City of Menlo is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;

- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any member of the applicant family has been arrested at least **three (3)** within the prior **five (5)** year period for this purpose, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Were evicted from federally assisted housing within the past **five (5)** years because of drug-related criminal activity. The five year limit is based on the date of such eviction, not the date the crime was committed.

However, the Housing Authority of the City of Menlo may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Housing Authority of the City of Menlo; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current;
 - L. The Housing Authority of the City of Menlo determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of

a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

- M. The Housing Authority of the City of Menlo determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, Housing Authority of the City of Menlo may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any Housing Authority of the City of Menlo staff member or resident;
- O. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Housing Authority of the City of Menlo may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program;
or
3. Has otherwise been successfully rehabilitated.

For this purpose, Housing Authority of the City of Menlo will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the Housing Authority of the City of Menlo denies admission to the Housing Authority of the City of Menlo's public housing program on the basis of a criminal record, the Housing Authority of the City of Menlo must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have **two (2)** business days to dispute the accuracy and relevance of the record in writing. If the Housing Authority of the City of Menlo does not receive the dispute within the allotted time, the applicant will be denied.

8.5 *INFORMAL REVIEW*

- A. If the Housing Authority of the City of Menlo determines that an applicant does not meet the criteria for receiving public housing assistance, the Housing Authority of the City of Menlo will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The Housing Authority of the City of Menlo will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Housing Authority of the City of Menlo, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Housing Authority of the City of Menlo's decision. The Housing Authority of the City of Menlo must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the Housing Authority of the City of Menlo provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 *MANAGING THE WAITING LIST*

9.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the Housing Authority of the City of Menlo and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Housing Authority of the City of Menlo must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The Housing Authority of the City of Menlo will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families

for whom the Housing Authority of the City of Menlo has current information, i.e., applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Housing Authority of the City of Menlo will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Housing Authority of the City of Menlo will be sent a notice of termination of the process for eligibility.

The Housing Authority of the City of Menlo will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Housing Authority of the City of Menlo will work closely with the family to find a more suitable time.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Housing Authority of the City of Menlo, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Housing Authority of the City of Menlo system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Housing Authority of the City of Menlo will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable

accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Housing Authority of the City of Menlo will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A. Elderly AND lived in locality at least 1 year;**
- B. Working Head of Household AND lived in locality at least 1 year;**
- C. All other applicants.**

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

The residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled (Mixed Population Developments): Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family

requiring an accessible feature applies or requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30 calendar day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Housing Authority of the City of Menlo will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex **will** share a bedroom.
- B. Children of the opposite sex, both under the age **six (6)**, will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The Housing Authority of the City of Menlo will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for **1 year** or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The Housing Authority of the City of Menlo will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

10.3 SELECTION FROM THE WAITING LIST

The Housing Authority of the City of Menlo shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

The Housing Authority of the City of Menlo is **not** subject to the deconcentration requirements according to 24 CFR 903. Nevertheless, the Housing Authority of the City of Menlo will affirmatively market its housing to all eligible income groups.

10.5 OFFER OF A UNIT

When the Housing Authority of the City of Menlo discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit.

The Housing Authority of the City of Menlo will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given **three (3)** business days from the date the family was contacted by telephone or from the date the letter was mailed to contact the Housing Authority of the City of Menlo regarding the offer.

The family will be offered the opportunity to view the unit. The family will have **two (2)** business days to view and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Housing Authority of the City of Menlo will send the family a letter documenting the offer and the rejection.

10.6 REJECTION OF UNIT

If the Housing Authority of the City of Menlo did not skip over other families on the waiting list to reach this family, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.7 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease and a Resident Handbook which includes the grievance procedure, utility allowances, utility charges, and the current schedule of routine maintenance charges. A request for reasonable accommodation form is available upon request. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Housing Authority of the City of Menlo will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. **The security deposit will be \$200.**

In exceptional situations, the Housing Authority of the City of Menlo reserves the right to allow a new resident to pay their security deposit in up to **three (3)** payments. One half shall be paid in advance along with their initial rent payment; one fourth with their second rent payment; and one fourth with their third rent payment. This shall be at the sole discretion of the Housing Authority of the City of Menlo.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Housing Authority of the City of Menlo adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Housing Authority of the City of Menlo subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Housing Authority of the City of Menlo believes that past income is the best available indicator of expected future income, the Housing Authority of the City of Menlo may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.

- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1,000 that were disposed of for less than fair market value within the past two years will be counted as income.

- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

- F. Welfare assistance
 - 1. Welfare assistance payments
 - a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
 - b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

- i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
- ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

- a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Housing Authority of the City of Menlo by the welfare agency) plus the total amount of other annual income.
- b. At the request of the Housing Authority of the City of Menlo, the welfare agency will inform the Housing Authority of the City of Menlo in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Housing Authority of the City of Menlo of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Housing Authority of the City of Menlo will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the Housing Authority of the City of Menlo by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

- e. The Housing Authority of the City of Menlo will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Housing Authority of the City of Menlo has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Housing Authority of the City of Menlo denies the family's request to modify such amount, then the Housing Authority of the City of Menlo shall give the resident written notice of such denial, with a brief explanation of the basis for the Housing Authority of the City of Menlo's determination of the amount of imputed welfare income. The Housing Authority of the City of Menlo's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The Housing Authority of the City of Menlo will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Housing Authority of the City of Menlo written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- b. The Housing Authority of the City of Menlo is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the Housing Authority of the City of Menlo is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

- c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Housing Authority of the City of Menlo shall rely on the welfare agency notice to the Housing Authority of the City of Menlo of the welfare agency's determination of a specified welfare benefits reduction.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;

2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, childcare, etc.) and that are made solely to allow participation in a specific program;
4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the Housing Authority of the City of Menlo governing board. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:

- a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
- b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
- c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

- 11. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
- 12. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
- 13. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

- A. The law enforcement agency shall notify the Housing Authority of the City of Menlo that the fugitive felon and/or parole or probation violator (i) is fleeing to avoid prosecution, custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor; or (ii) is violating a condition of probation or parole imposed under Federal or State law; or (iii) has information that is necessary for the officer to conduct his/her official duties;

12.0 VERIFICATION

The Housing Authority of the City of Menlo will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, documentation such as listed below will be required. Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **Tenant Assessment Subsystem (TASS)** – HUD's online system for Social Security (SS) and Supplemental Security Income (SSI) information.
- b. **State Wage Information Collection Agencies (SWICAs)**

- c. **State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. **Credit Bureau Information (CBA) credit reports**
- e. **Internal Revenue Service (IRS) Letter 1722**
- f. **Private sector databases (e.g. The Work Number)**

The Housing Authority of the City of Menlo will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the Housing Authority of the City of Menlo has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Housing Authority of the City of Menlo requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Housing Authority of the City of Menlo derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by

another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained from HUD's on-line system (Tenant Assessment Subsystem –TASS). If TASS is not available or not current, then verification shall be obtained directly from the SSA. If either of these forms is not obtainable, then the file shall be documented as to why third party verification was not used.

The Housing Authority of the City of Menlo will allow fourteen (14) calendar days for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Housing Authority of the City of Menlo will allow five (5) business days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within fourteen (14) calendar days and five (5) business days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within fourteen (14) calendar days and five (5) business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot

be obtained, the Housing Authority of the City of Menlo will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Housing Authority of the City of Menlo will document the reason for the choice of the verification methodology in the applicant/resident's file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Housing Authority of the City of Menlo will make a copy of the individual's INS documentation and place the copy in the file. The Housing Authority of the City of Menlo will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Housing Authority of the City of Menlo will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Housing Authority of the City of Menlo determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Housing Authority of the City of Menlo will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Housing Authority of the City of Menlo will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) calendar days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will only verify and update those elements reported to have changed.

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.

- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the SE GA Consolidated will provide them with the following information whenever they have to make rent decisions:
 - 1. The Housing Authority of the City of Menlo's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Housing Authority of the City of Menlo will provide the amount of income-based rent for the subsequent year only the year the Housing Authority of the City of Menlo conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of **\$50.00**.

13.3 *MINIMUM RENT*

The Housing Authority of the City of Menlo has set the minimum rent at **\$50.00**. If the family requests a hardship exemption, however, the Housing Authority of the City of Menlo will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Housing Authority of the City of Menlo has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Housing Authority of the City of Menlo determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Housing Authority of the City of Menlo will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Housing Authority of the City of Menlo has already factored who pays for the utilities into the flat rent calculation.

13.5 CEILING RENT

The Housing Authority of the City of Menlo has set a ceiling rent for each public housing unit prior to October 1, 1999. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Housing Authority of the City of Menlo will post the ceiling rents at each of the developments and at the central office. Ceiling rents are incorporated in this policy upon approval by the Board of Commissioners.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other

than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Housing Authority of the City of Menlo. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The Housing Authority of the City of Menlo shall establish a utility allowance for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Housing Authority of the City of Menlo will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Housing Authority of the City of Menlo. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant. The SE Georgia Consolidated Housing Authority reserves the right to pay the utility allowance directly to the utility companies. The family will be notified of the amount paid to the utility supplier.

For Housing Authority of the City of Menlo paid utilities, the Housing Authority of the City of Menlo will monitor the utility consumption of each household. Any consumption

in excess of the allowance established by the Housing Authority of the City of Menlo will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Housing Authority of the City of Menlo for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Housing Authority of the City of Menlo purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Housing Authority of the City of Menlo on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at:

**Housing Authority of the City of Menlo
77 Ralph Chamblee Drive
Menlo, GA 30731**

Reasonable accommodations for this requirement will be made for persons with disabilities. Rent may be paid in cash, by check or money order.

If the rent is not paid by the sixth calendar day of the month, a Delinquent Notice will be issued to the tenant. In addition, a \$25 late charge will be assessed to the tenant. If the rent is not paid by the 20th calendar day of the month, a Dispossession Notice will be filed with the Magistrate's Court. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$25 for processing costs.

14.0 COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

14.3 NOTIFICATION OF THE REQUIREMENT

The Housing Authority of the City of Menlo shall identify all adult family members who are apparently not exempt from the community service requirement.

The Housing Authority of the City of Menlo shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority of the City of Menlo shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after **October 1, 2003**. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Housing Authority of the City of Menlo will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Housing Authority of the City of Menlo may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission or at the first annual reexamination on or after **October 1, 2003**, and each annual reexamination thereafter, the Housing Authority of the City of Menlo will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. At least thirty (30) calendar days before the family's next lease anniversary date, the volunteer coordinator will advise the Housing Authority of the City of Menlo whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Housing Authority of the City of Menlo will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The Housing Authority of the City of Menlo will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Housing Authority of the City of Menlo shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Housing Authority of the City of Menlo may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the Housing Authority of the City of Menlo will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Housing Authority of the City of Menlo will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Housing Authority of the City of Menlo will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Housing Authority of the City of Menlo taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.

- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Housing Authority of the City of Menlo expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Housing Authority of the City of Menlo will send a reexamination letter to the family offering the choice between a flat rent or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Housing Authority of the City of Menlo may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Housing Authority of the City of Menlo representative, they may make the selection on the form and return the form to the Housing Authority of the City of Menlo. In such case, the Housing Authority of the City of Menlo will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Housing Authority of the City of Menlo will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report any increase in income or decrease in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Housing Authority of the City of Menlo between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Housing Authority of the City of Menlo will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Housing Authority of the City of Menlo will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Housing Authority of the City of Menlo will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Housing Authority of the City of Menlo may schedule special reexaminations every **thirty (30)** calendar days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Housing Authority of the City of Menlo makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twenty four (24) months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.

- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Housing Authority of the City of Menlo occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Housing Authority of the City of Menlo when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Housing Authority of the City of Menlo and the family rejects two offers without good cause, the Housing Authority of the City of Menlo will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Housing Authority of the City of Menlo's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.5 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);
or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Housing Authority of the City of Menlo in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the Housing Authority of the City of Menlo has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.6 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Housing Authority of the City of Menlo. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.7 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Housing Authority of the City of Menlo may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Housing Authority of the City of Menlo will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Housing Authority of the City of Menlo will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.8 RIGHT OF THE HOUSING AUTHORITY OF THE CITY OF MENLO IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Housing Authority of the City of Menlo and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Housing Authority of the City of Menlo file and a copy given to the family member. An authorized Housing Authority of the City of Menlo representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Housing Authority of the City of Menlo and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Housing Authority of the City of Menlo will inspect each public housing unit annually to ensure that each unit meets the Housing Authority of the City of Menlo's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Housing Authority of the City of Menlo.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Housing Authority of the City of Menlo will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Housing Authority of the City of Menlo will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Housing Authority of the City of Menlo has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Housing Authority of the City of Menlo will offer to schedule a pre-move-out inspection with the family. The inspection allows the Housing Authority of the City of Menlo to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Housing Authority of the City of Menlo to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The Housing Authority of the City of Menlo conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

The Pet Policy, as adopted by the Board of Commissioners, is incorporated herein by reference.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Housing Authority of the City of Menlo back charges and is unable to pay the balance by the due date, the resident may request that the Housing Authority of the City of Menlo allow them to enter into a Repayment Agreement. The

Housing Authority of the City of Menlo has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the resident to eviction procedures.

The Housing Authority of the City of Menlo will allow for repayment agreements for those tenants whose rental amount is the minimum rent and who have had their rent abated for a temporary period.

20.0 TERMINATION

20.1 *TERMINATION BY TENANT*

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 *TERMINATION BY THE HOUSING AUTHORITY*

Twelve months after the Housing Authority of the City of Menlo has implemented the mandated Community Service Requirement, it will not renew the lease of any non-exempt family that is not in compliance with the Community Service Requirement or approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Housing Authority of the City of Menlo will terminate the lease for serious or repeated violations of material lease terms. Such violations include, but are not limited to, the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;

- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Housing Authority of the City of Menlo or on the premises of any other federally assisted housing;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the Housing Authority of the City of Menlo determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted therefrom;
- P. The Housing Authority of the City of Menlo will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;
- Q. Determination that a household member is illegally using a drug or when the Housing Authority of the City of Menlo determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- R. Criminal activity as shown by a criminal record. In such cases the Housing Authority of the City of Menlo will notify the household of the proposed action to be based on the information and will provide the subject of the record and the

tenant with a copy of the criminal record before the Housing Authority of the City of Menlo grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial; and

S. Other good cause.

If an individual or family's lease is terminated for criminal activity, the Housing Authority of the City of Menlo will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Housing Authority of the City of Menlo will consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity, and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Housing Authority of the City of Menlo will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination.

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Housing Authority of the City of Menlo may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program; or
3. Has otherwise been successfully rehabilitated.

For this purpose, Housing Authority of the City of Menlo may require the leaseholder to submit evidence of one of the above 3 statements.

20.3 TERMINATIONS FOR CRIMINAL ACTIVITY

- A. The term "due process determination" means a determination by HUD that law covering the Housing Authority of the City of Menlo's jurisdiction requires that

residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.

- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The Housing Authority of the City of Menlo has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Housing Authority of the City of Menlo's public housing premises by other residents or employees of the Housing Authority;
 2. Any violent or drug-related criminal activity on or off such premises; or
 3. Any activity resulting in a felony conviction.

20.4 ABANDONMENT

The Housing Authority of the City of Menlo will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

In the event Tenant removes or attempts to remove any goods or property from the dwelling unit other than in ordinary and usual course of continuing occupancy, the dwelling unit may, at the option of Landlord, be considered abandoned. In such event, Landlord shall have the right, provided five (5) days written notice is mailed to Tenant's last known address, to terminate Tenant's lease and to dispose of any property left on or about the dwelling unit by Tenant following or pursuant to such abandonment. Any property remaining or left on or about the dwelling unit by Tenant after the termination of the lease for any reason shall be considered and deemed to be abandoned. Landlord shall also be entitled to dispose of any such property. At its option, Landlord shall also have the right to pursue any judicial procedure provided by the laws of the State of Georgia.

20.5 RETURN OF SECURITY DEPOSIT

After a family moves out, the Housing Authority of the City of Menlo will return the security deposit **within thirty (30) calendar days** or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

The Housing Authority of the City of Menlo will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within **thirty (30)calendar** days.

21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Housing Authority of the City of Menlo is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Housing Authority of the City of Menlo wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Housing Authority of the City of Menlo will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

22.0 ANTI-FRAUD POLICY

The Housing Authority of the City of Menlo is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Housing Authority of the City of Menlo. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Housing Authority of the City of Menlo shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Housing Authority of the City of Menlo shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Housing Authority of the City of Menlo deems appropriate.
