PROGRESS IN MEETING THE FIVE-YEAR PLAN MISSION AND GOALS

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

PHA Goal: Expand the supply of assisted housing

- Apply for additional rental vouchers (250 vouchers 2005-2009)
Applied for: HUD FY2006 FSS Program Coordinator renewal funding for two (2) positions (Approved)
No voucher funding opportunities during FY 2006

PHA Goal: Improved the quality of assisted housing

- Improve voucher management:
Obtained “high performer” rating. The PHA continues its ongoing training efforts to improve staff performance.
- Increase customer satisfaction:
An annual landlord workshop was conducted and a limited landlord survey was again conducted as part of the workshop; a tenant customer survey was not conducted due to other workload priorities. The format of the Landlord Workshop was expanded to allow for break-out sessions allowing landlords a choice of additional topics covering: Landlord/Tenant Code; Fair Housing; Housing Loans for Landlords renting to low-income tenants; and Landlord Support, following a Section 8 Program session for all landlords. The Landlord Specialist continued to focus on landlord outreach and assisting hard-to-house families with their rental search while the FSS staff continued to connect families to community resources for both FSS/HOP and Section 8 families in general. The FSS/HOP staff produced its first newsletter on FSS/HOP activities for distribution to program participants, at Section 8 Office for staff and other participants, and community partners.
- Concentrate on efforts to improve specific management functions:
Landlord payments: We are continuing to work with our Department of Budget and Finance and Department of Information Technology to prepare to utilize our Section 8 software's Payments Module as part of the City's new financial system to be implemented July 2007. The Section 8 software was upgraded in April 2006 but staff/City system are still encountering problems, which continue to be worked on.
Provide staff with ongoing training opportunities: PHA registered for a 3rd year of monthly “Lunch ‘n Learn” teleconference training which covered a wide variety of Section 8 Occupancy & Management topics including sessions on EIV, Common Rent Calculations, VAWA, and PIC. In addition, selected staff has also attended the following training during the past year: HUD/Neighborworks Section 8 Homeownership Program Training; Property Management The Right

Way; Financial Management; and Section 8 Executive Management. The PHA also coordinated a “Section 8 Quality Control & Audit Tools” seminar that was attended by key management staff from all Hawaii and Guam PHAs.

HA Goal: Increase assisted housing choices

- Provide voucher mobility counseling: Ongoing
- Conduct outreach efforts to potential voucher landlords: HUD, State, and City and County of Honolulu Section 8 Offices collaborated and conducted a revised-format Landlord workshop in May 2006; invited members of the Honolulu Chapter of the National Association of Residential Property Managers (NARPM) to the Annual landlord workshop as well as publicized in the daily newspaper. In addition to the Section 8 Program, the revised format provided for break-out sessions covering such topics as: Landlord/Tenant Code, Fair Housing, Home Repair Loans, and Landlord Support.
- Implement voucher homeownership program. Section 8 Homeownership Option Program (HOP) was implemented in 2004 and during FY2006, three families achieved their dream of homeownership (2 became fully self-sufficient). A total of eleven have become homeowners since 2004 (of the 11, 4 are receiving HOP subsidy). The HOP staff continue to actively review the financial readiness status for the eligible HOP applicants and have determined between 10-15 are financially ready. The City’s Loan Branch continues to fully support the Section 8 HOP with ADDI grants of up to \$3,000 and Down Payment loans of up to \$25,000 . Together, the HOP/Loan staff has found community supporters who are actively assisting to locate affordable homes for sale and rentals. HOP staff also continues to conduct HOP orientations to realtors. In December 2006, the City sponsored a Section 8 HOP Recognition Event for community partners and 18 Section 8 (City and State) families for achieving the American Dream in becoming a new homeowner.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

FSS participants have over \$600,000 in escrow savings and nearly \$100,000 was awarded this past fiscal year.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

- Undertake affirmative measures to ensure access for assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability:
