- Transition to project-based accounting provisions by October 1, 2007
- Develop an Asset Management Plan and be compliant with Asset Management provisions by October 1, 2009
- Complete the final phase of the off-site HOPE-VI development project, RiverWest South:
 - o Project Description
A ribbon cutting ceremony was held in June 2006 for RiverWest South, which will be comprised of 33 new construction units with a mix of single family homes, duplexes and a quad building all located across the street from the original RiverWest development. Phase I consisted of seven public housing units. Phase II consisted of 26 units. All 26 units were approved for a low income tax credit assignment from the Illinois Housing development Authority (IHDA). Seven of the units (4 two-bedroom units and 3 three-bedroom units) will be public housing units receiving ACC Subsidy.

An additional six units (4 two-bedroom and 2 three-bedroom units) will receive project based Section 8 assistance from the project sponsor, the Peoria Housing Authority. HUD approval was received in September 2005. Then non-assisted tax credit units will be comprised of 4 three-bedroom units and 9 two-bedroom units. The PHA assembled 21 parcels of land on which to construct the project. Construction began in October 2005 and is scheduled to be completed in October 2006. This project has increased the availability of affordable housing.

RiverWest South is located across the street from the highly successful RiverWest development and intermingled with the newly constructed seven single-family public housing units constructed in the first phase of the off-site development. The 153 new construction mixed-financed units at RiverWest have been successfully occupied for several years.

- The Peoria housing Authority is committed to providing quality affordable housing to residents of Peoria and plans to develop units at Harrison Homes, Taft Homes and on vacant land located in the West side of Peoria where the housing authority already has a mixture of single-family homes, duplexes and multi-family homes.
- The PHA will explore the possibility of developing Taft Homes as a mixed-income/mixed use development utilizing a public/private partnership as a funding source.
- The Peoria Housing Authority plans to work aggressively to prepare a proposal for the Capital Fund Financing Program package to develop housing by leveraging capital funds. The Capital Fund Financing Program allows a public housing authority to borrow private funds for capital and management activities relating to modernization and development of public housing. This program would allow the PHA to pledge a portion of the current and future years capital fund allocation (up to 33%) as collateral for borrowing.

- The Housing Authority has been receiving replacement housing funds for the past six years. The initial replacement housing plan was approved by HUD on June 9, 2003. The Plan was amended due to a reduction in funds, restructuring of debt on the RiverWest homeownership houses and re-positioning in phases. Separate plans for the first and second 5-year increments were approved by HUD on February 15, 2006. The plan calls for the building of 239 new affordable housing rental units.

The plan will be amended based on additional replacement housing funds received as a result of the demolition of Harrison Homes, Project # IL003, 002A and 002.

- The Housing Authority is in the process of negotiating a land trade with the local public school district, which would be a catalyst for the Peoria Housing Authority development at Harrison and the Southern Gateway. Contingent upon the proposed Southern Gateway development by the City of Peoria and the Department of Economic Development, the Peoria Housing Authority plans to do phased mixed-income development utilizing mixed financing sources.

Deleted: The housing authority has been receiving replacement housing funds for the past five years. A replacement housing plan was approved by HUD on June 9, 2003. The plan calls for the building of 239 new affordable housing rental units. The developments would be a mixture of 103 public housing units and 136 mixed finance units throughout the Peoria community and built in four phases. Replacement housing funds will be used in connection with tax credits, Home Funds, AHP, some remaining HOPE VI Funds and Capital fund dollars. The plan is currently being revised due to reduction in funds, restructuring of debt on the RiverWest homeownership houses, and re-positioning of phases.

The PHA plans to dispose of approximately 22 acres of land located at Harrison Homes development #IL003-002A and 003. The PHA is interested in the disposition of the vacant land for the purpose of School District #150 building a new Harrison Community school. The PHA has been working in a collaborative effort with the District and plans to present an intergovernmental agreement to the PHA Board. The PHA expects to submit a disposition application to the US Department of Housing and Urban Development's (HUD) Special Application Center (SAC) this fall.

- Plans are underway for mixed financing and phased redevelopment of Harrison Homes. The PHA will solicit input from the residents and community to build approximately eight homes at Harrison. The initial development of homes at Harrison is contingent upon the School District proceeding with building a new community school. The PHA may consider building these homes in another area of the City. The PHA plans to explore utilizing Section 8 operating reserve to purchase properties and utilize project-based vouchers outside of the minority concentrated areas.
- PHA plans to create a development area that will continue the process of becoming a more active developer in the planning and construction of affordable housing and utilize a mixture of funding sources to develop new housing. In addition to this development area, PHA plans to create a 501(c)3 organization that utilizes a construction crew to bid on PHA work as well as other work in the private sector.
- PHA received HUD approval to convert 30 homeownership houses not sold at RiverWest (HOPE VI) to rental ACC units. PHA will begin the lease-up process in the late summer of 2006.
- The PHA plans to utilize Section 8 project-based vouchers for the following:
 - a. Approximately thirty (30) Single Room Occupancy (SRO) vouchers will be pledged as they become available for a 79 one-bedroom unit project with Peoria Opportunities Foundation and the South Side Office of Concern; Program would offer supportive services for the homeless.
 - b. Approximately six (6) vouchers for the final off-site HOPE VI RiverWest South project; and
 - c. Plans to utilize vouchers for the development of vacant land at the Molleck site in 2007-2008. (See Replacement Housing Plan)
- The PHA plans to obtain a feasibility study to determine whether a market exists in Peoria for an assisted living facility.
- PHA plans to improve community perception by utilizing a survey to determine community perception, holding community forum meetings, publishing newsletters at least quarterly and submitting positive stories/press releases to the media.

- PHA plans to explore the possibility of making application to the rental housing support program through the Illinois Housing Development Authority. This program will award funds to local administering agencies. The local administering agency will contract with local landlords to make rental units affordable to households who earn less than 30% of the area median income.

- The PHA plans to explore the possibility of utilizing the website for the acceptance of applications.

- 51 to 100 participants

b. PHA-established eligibility criteria

Yes No: Will the PHA's program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria?

If yes, list criteria below:

Chapter 21 of Section 8 Administrative Plan Homeownership Policy, Section C:
Participant Eligibility (*Approved by the PHA Board of Commissioners Resolution #AR072604-01*)

C. Participant Eligibility

Any Section 8 program participant or applicant who has been issued a Housing Choice Voucher may utilize the subsidy to purchase rather than rent a home, subject to the following requirements, however priority will be given to families participating in the PHA's Family Self-Sufficiency (FSS) Program.

1. The family must be in good standing, In other words, no debt is owed to the PHA or landlord, and family has not violated any of the obligations of the Family as stated on the Section 8 Rental Voucher. If the family is presently in a lease, the landlord must release the family from the lease in order to participate in the homeownership program. The family may leave no outstanding debt to the owner.

The one-move per year requirement for the Regular Section 8 Rental Voucher Program is waived, if the family has permission from his or her landlord to break the lease, in order to participate in the homeownership program. However, once the family purchases the home, this requirement will be set back into place. In other words, the family participating in the homeownership program will be allowed one-move per year provided that the family meets all requirements for Section 8(y).

2. Priority will be given to families participating in the Family Self-Sufficiency Program (FSS) and accumulated at least \$2,000 in their FSS escrow accounts and they must have successfully completed the FSS Program. Other Section 8 families will be considered as the capacity of the program permits.
3. The family must meet the Federal income requirement of \$10,500 or the family must have a gross annual income equal to the Federal minimum wage rate, multiplied by 2,000 hours, based on the adult family members who will own the home. This income requirement will only be applied to determine initial qualifications to purchase a particular home.

Income to be counted towards meeting minimum income requirements must come from sources other than welfare assistance. The PHA may count welfare assistance towards minimum income requirement for an adult elderly or disabled family member who will own the home. (In order for welfare assistance to be counted towards meeting minimum income requirement the Head of the Household or Spouse must meet the statutory definition of an Elderly or Disable Family as defined by HUD and can be found in the Section 8 Administrative Plan.)

The rule clarifies that the requirement to disregard welfare assistance income only applies in determining whether a family has the minimum income to qualify for homeownership assistance. Welfare assistance income is counted for other program purposes such as calculating the amount of the family's total payment (gross family contribution) and in calculating the amount of the monthly homeownership payment for a family.

The minimum income requirement only applies upon initial qualification to purchase a home and not as a continuing requirement. In other words, once the family is receiving homeownership assistance, the family is not required to meet the minimum income. However, should the family desire to purchase another home while receiving homeownership assistance, the family would be required to meet the minimum income requirement.

4. The family must be a current Section 8 participant who is employed full-time and must be paying 50% of their contract rent amount plus utilities and are in good standing with their current landlord and with the PHA.
5. The family must be First-Time Homeowner. The assisted family may not include any person who owned a “present ownership interest” in a residence of any family member during three (3) years before the commencement of homeownership assistance for the family. “First-time homeowner” includes a single parent or displaced homemaker who, while married, owned a home with his or her spouse, or resided in a home owned by his or her spouse.
6. The family must satisfy employment requirements. The head of household or spouse must be employed full-time and have been continuously employed for twelve (12) months prior to the award of a homeownership voucher:
 - a. Full-time employment is defined as not less than an average of thirty (30) hours per week.
 - b. Continuous employment will be determined even if the family member had a break in employment as long as the break does not exceed thirty (30) calendar days and has been the only break in employment for the twelve (12) month period.

In addition, the PHA will consider self-employment as meeting the employment requirements providing there are no breaks in service for more than one month.

- c. The minimum income standard for disabled families will be equal to the monthly Federal Supplemental Security Income (SSI) benefit for an individual living alone (or paying his or her share of food and housing costs) multiplied by twelve. PHAs will have the flexibility to establish a higher income standard for either or both types of families (disabled and non-disabled). A family that meets the applicable HUD minimum income requirement, and shall be considered to satisfy the minimum income requirement if the family is able to demonstrate that it has been pre-qualified or pre-approved for financing. The pre-qualified or pre-approved financing must meet any PHA established requirements for financing the purchase of the home (including qualifications of lenders and terms of financing). The pre-qualified or pre-approved financing amount must be sufficient to purchase housing that meets

housing quality standards in the PHA's jurisdiction. Furthermore, if a family, other than an elderly family or disabled family, includes a person with disabilities, the PHA must grant an exemption from the employment requirement if it is determined that an exemption is needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. This determination will be done on a case-by-case bases taking all factors into consideration. The requirement to count welfare assistance does not apply in the case of a family that includes a disabled person other than the Head of Household or spouse and where the household head or spouse are not elderly or disabled.

7. The family must meet the general requirements for continued participation in the PHA Section 8 tenant based voucher program.
8. A head of household or spouse that has previously defaulted on a mortgage obtained through the Section 8 Homeownership program is **NOT** eligible to reapply for the homeownership option.
9. PHA may provide assistance to a first-time homeowner and a family that owns or is acquiring shares in a cooperative. A family that owns or is acquiring shares in a cooperative. Section 8(y) authorizes homeownership assistance for a family that "owns or is acquiring shares in a cooperative." The law allows assistance for a family that already owns cooperative shares before the start of Section 8 homeownership assistance, not just for a family that acquires cooperative shares for the first time with the support of such assistance. In this respect, the law treats ownership of cooperative membership different from ownership of title to the home.

However, because a family must already be on the Section 8 rental program before they are allowed to participate in Section 8(y) and because the Section 8 Administrative Plan only allows cooperatives (special housing types) as a reasonable accommodation for persons with disabilities for the Section 8 Rental program, in order for a Section 8 participant already to have shares in a cooperative, the participant must be a person with disabilities or have in their household a person with disabilities. However, a current Section 8 rental participant who wishes to purchase a cooperative may do so with the homeownership assistance.

A family containing a family member with disabilities who requires homeownership assistance as a reasonable accommodation is eligible for the homeownership option regardless of whether the family is a cooperative member or a first-time homeowner.

10. Families eligible for the homeownership program must enroll and satisfactorily complete homebuyers education and housing counseling requirements prior to receiving a homeownership voucher, at a minimum, the counseling will cover the following topics:
 - a. Budgeting & Money Management
 - b. Credit Counseling

- c. How to Find a Home to Purchase
- d. Negotiating a Purchase Price
- e. How to Obtain Homeownership Financing and Loan Pre-approval
- f. Fair Housing Lending & Enforcement Agencies
- g. Information Relative to the Real Estate Settlement Procedures Act and any other Federal & State Truth in Lending Laws
- h. Basic Home Maintenance & Repair (including care of the grounds)
- i. Types of Mortgages and Terms
- j. Role/Importance of Mortgage Insurance
- k. Advantages of Purchasing a Home in an Area that Does Not Have a High Concentration of Low Income Families.

The Consumer Credit Counseling Service of Central Illinois will provide the credit counseling. This is a HUD-Approval Agency for counseling and is a free service.

11. The family's gross monthly income must be at least two (2) times the payment standard for the family's unit size. Public assistance income **MAY NOT** be used for meeting this requirement, except in a household whose head or spouse is elderly or disabled. (Public Assistance includes federal housing assistance or the housing component of a welfare grant; TANF assistance; SSI that is subject to an income eligibility test; food stamps; general assistance or other assistance provided under a Federal, state or local program that provides assistance available to meet family living or housing expenses.
12. Families that are determined eligible for homeownership assistance may exercise the homeownership option outside of Peoria County if the receiving Housing Authority administers a Section 8 homeownership program **AND** is accepting new families into said program.

16.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

The Community Services and Self-Sufficiency program is intended to assist residents in improving their own and their neighbors’ economic and social well being and give residents a greater stake in their communities. The PHA believes that this requirement will allow residents the opportunity to “give something back” to their community thereby facilitating upward mobility.

16.1 GENERAL

In order to be eligible for continued occupancy, each adult family member, unless they are exempt from this requirement, must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program.

16.3 NOTIFICATION OF THE REQUIREMENT

The PHA will provide all public housing residents with notification that will advise families that their community services obligation will begin upon the effective date of their next annual re-examination. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the end of their annual lease term.

16.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit, either related or not related to the PHA, that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence the adult members of the household, or a management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The PHA will coordinate with social service agencies, District 150 and other local school systems, Peoria Park District, Peoria City and County Governments and the Human Resource Office in identifying lists of volunteer service positions.

Together with the resident advisory councils, the PHA may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

The PHA will not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by PHA employees, nor should a resident performing community service replace a job at any location where residents perform activities to satisfy the service requirement.

16.5 THE PROCESS

At the next annual re-examination, prior to the expiration of the annual lease term, and each annual re-examination thereafter, the PHA will do the following:

- A. Advise residents that all non-exempt adult family members must complete the PHA's community service requirements.

- B. Advise the family of the process for how the PHA determines whether family members are subject to or exempt from the service requirement and the process for determining any changes to exempt or non-exempt status.
- C. Advise of the PHA's determination of which family members are subject to the service requirement and which family members are exempt. Pursuant to HUD regulations, all PHA adult members must be provided a notice of community service compliance even if the notice states that the residents have been determined to be exempt.
- D. Provide a list of volunteer opportunities to the family members.
- E. Provide information about obtaining suitable volunteer positions.
- F. Provide a volunteer time sheet to the family member. Instructions for the time sheet shall require that the individual must complete the form and have a supervisor date and sign for each period of work and provide the up to date and completed form to the PHA on a regular schedule as established by the PHA or upon request by the PHA.
- G. Assign family members to a Resident Services Staff member or a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The Resident Services Staff member or volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.

16.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT AND OPPORTUNITY FOR CURE

At least thirty (30) days before the family's next lease anniversary date, during each lease year in which a family or a family member is required to perform community service or participate in an economic self-sufficiency program, the Resident Services Staff member or volunteer coordinator will advise the PHA whether each applicable adult family member is in compliance with the community service requirement and the PHA, will then review and determine whether each family member has been in compliance with the community service or economic self-sufficiency requirement. The PHA will notify at least thirty (30) days before the family's next lease anniversary date in writing any family found to be in noncompliance of the following.

- A. That the family member(s) has/have been determined to be in noncompliance including a description of the non-compliance;
- B. That the PHA's determination of non-compliance is subject to the PHA's grievance procedure and the family may grieve the PHA's determination of non-compliance and also that the resident may exercise any available

judicial remedy to seek timely redress for the PHA's non-renewal of the lease because of the PHA's determination of non-compliance; and

- C. That the lease will not be renewed at the end of the lease term, unless the resident and any non-compliant family members(s) enters into an Compliance Agreement, before the expiration of the current lease term. The Compliance Agreement will include the following:
1. A statement that the resident agrees to cure any non-compliance no later than the end of the next lease term.
 2. Set forth the additional number of hours of services or activities needed to make up the total number of hours required over the 12 month lease term of the new lease and/or describe what other actions or documentation that will be necessary to demonstrate compliance, and
 3. Include an assurance that all members of the family who are subject to the service requirement are currently complying with the service requirement, or
 4. Provide a written assurance satisfactory to the PHA that the resident or other non-compliant resident no longer resides in the unit.

If the family is determined to be in non-compliance, the PHA will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall maintain the current year's commitment.

The volunteer coordinator will assist the family member to identify volunteer opportunities and will track the resident's progress in fulfilling the terms of the Compliance Agreement on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement such will be grounds for non-renewal of the lease at the end of the 12-month lease terms, but not for termination of tenancy during the course of the 12 month lease term.

16.7 NOTICE TO BE PLACED IN THE LEASE CONCERNING COMMUNITY SERVICE

The PHA's lease shall contain a statement that violation of the service requirement is grounds for non-renewal of the lease at the end of the twelve-month lease term, but not for termination of the tenancy during the course of the twelve-month lease term.

PEORIA HOUSING AUTHORITY
Community Service
Implementation Plan

The Property Specialist will make the determination as to the applicability of the Community Service requirement on members of a household in tenancy at the time of the annual recertification of housing eligibility. The applicability is explained in 24 CFR 24 parts 960.600 to part 960.607, which is attached and further detailed by the attached HUD Notice. The housing authority will follow the guidelines established by the Illinois Department of Human Services in determining exempt – nonexempt status.

All households will be notified of the reinstatement of the Community Service Requirement by July 31, 2003. Determination of exempt –nonexempt status will be made at the time of the annual recertification, beginning with the recertifications for October 2003. The Property Specialist will notify Resident Services of all individuals who have nonexempt status.

Resident Services will maintain a list of agencies and organizations that are willing to accept community service workers. This list will be provided to each nonexempt household member through the Property Specialist. The nonexempt individual may also secure their Community Service work site. Housing Management must approve any site not on the list. It is up to the family member to make arrangements to perform the community service. Affected residents will have not more than 30 days to complete the arrangement and 45 days to complete the first 8 hours of community service.

Once the resident has made the arrangements, they will be asked to sign the necessary Release of Information giving the employer and the housing authority permission to exchange information on attendance and job performance. The employer will be provided with forms to fax to the Resident Services department who will log the hours and maintain the database.

Resident Services will notify the Property Specialist of those residents who did or did not perform the required Community Service hours. Documentation will be maintained on a monthly basis. Notification to the Property Specialist will be made at least a month before the household is scheduled for their next recertification.

Those residents who do not comply with the requirement will be in violation of their lease and be given an opportunity to make up the hours during the next lease year. Households are subject to non-renewal of their lease at the time of their re-certification if they are not in compliance.

PEORIA HOUSING AUTHORITY
Community Service and Self Sufficiency Policy

GENERAL REQUIREMENTS:

As part of the Quality Housing and Work Responsibility Act of 1998, Congress imposed a requirement that all adult residents of federally funded public housing, unless exempted, must perform community service activities or participate in an economic self-sufficiency program to remain eligible for public housing assistance. Therefore, the federal public housing law now requires that all non-exempt residents must:

- Contribute 8 hours per month of community service (not including political activity); or
- Participate in an economic self-sufficiency program for 8 hours per month; or
- Perform 8 hours each month of combined community service and self-sufficiency activities.

DEFINITIONS:

Community Service: For the purpose of this policy, community service is the performance of voluntary work or duties for the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident in the community. Community service is not limited to a single type of activity or a single location. Acceptable community service include, but are not limited to improving the physical environment of the resident's development; volunteer work in a local school, hospital, or child care center; working with youth organizations, human services agencies, resident associations, or other non profit organizations; or helping neighborhood groups on special projects. By statute, political activity is not an eligible form of community service. Political activity is activity on behalf of candidates for elected public office or on behalf of a political party.

Economic Self-Sufficiency Program: For the purpose of this policy, an economic self-sufficiency is any program designed to encourage, assist, train, or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include, but are not limited to programs for job training, employment counseling, work placement, basic skills training, education, English language proficiency, work-fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work such as substance abuse or mental health treatment.

NOTIFICATION OF RESIDENTS:

The Peoria Housing Authority will notify all residents of the community service requirement before the implementation of the policy. The notification will include an explanation of the program and will list the categories of individuals who are exempt from performing community service activities. The notification will describe the verification that will be required to establish an exemption. Definitions and examples of community service and economic self-sufficiency will be part of the notice.

The notification will also advise families when the community service obligation will begin. Non-exempt residents will be required to begin performing community service at their annual recertification date following the adoption of this policy.

This general notification and all other notices sent to residents regarding this Policy shall include a statement that the resident has the right to request a hearing under the grievance procedure,

EXEMPTIONS:

Resident household members who are under 18 years of age are exempt. The following residents over the age of 18 are also exempt from this requirement:

- Resident household members who are 62 years of age or older.
- Resident household members who are blind or disabled as defined in the Social Security Act (Section 216 (i) (1), Section 1614 of the Social Security Act (42 USC 416 (i) (1); 1382c or exempt under the guidelines established by the Illinois Department of Human Services.
- Resident household members who are the primary car giver of a blind or disabled individual as defined by the Social Security Act referenced above.
- Resident household members who are engaged in work activity as approved by the Illinois Department of Human Services.
 - Unsubsidized employment; subsidized private sector employment;
 - Subsidized public sector employment;
 - On-the-job training;
 - Job search and job readiness assistance;
 - Community service programs;
 - Vocational education training not to exceed two years;
 - Job skills training directly related to employment;
 - Education directly related to employment for a resident who has received a high school diploma or a certificate of high school equivalency (GED); or
 - Satisfactory attendance at a secondary school or in a course of study leading to a certificate of general equivalence for a resident who has not completed high school or received such a certificate.
- Resident household members who meet the requirements for being exempted from work activity under Part A of Title IV of the Social Security Act (42 USC Section 601 et seq.)
- Resident household member of a family receiving TANF (Temporary Assistance to Needy Families) assistance from the Illinois Department of Human Services or assistance, benefits

or services funded under part A of Title IV of the Social Security Act (42 USC Section 601 et seq.) who has not been found in non-compliance with the program.

In accordance with HUD guidelines, persons eligible for a disability deduction in rent are not automatically exempt from the community service requirement. A resident is exempt only to the extent the disability makes the person “unable to comply” with the community service requirement.

INITIAL DETERMINATION OF EXEMPTION:

For the first year after the implementation of this policy, a comprehensive information sheet describing the community service requirement will accompany the letter sent to each head of household asking them to come into the development management office to begin the Tenant Status Review– TSR (recertification process). The notice will describe the exemptions and outline the verification required to establish each exemption. The head of household will be asked to provide the required verification to the Property Specialist during the ninety-day status review period.

All applicants will be provided with an informational sheet describing the community service/self-sufficiency requirement at the time they make their final application. At the time the lease is signed, the Property Specialist will again provide the head of household with the community service information sheet. The head of household will be asked to declare which household members are exempt from community service and provide the appropriate verifications.

In order to establish exemption the following verification must be provided:

- If receiving disability payments, a receipt by a household member of Social Security Disability Insurance (*SSDI), Supplemental Security Income (SSI) or Temporary Aid to Needy Families (TANF),
- If not receiving disability payments, a statement from their treating physician providing the PHA with facts that will assist the PHA in determining whether the resident is disabled within the definition applicable under this policy. If the resident does not meet this definition but still believes that he or she is unable to perform community service, the resident may apply for a reasonable accommodation. Residents who are determined to be exempt because of blindness or disability under SSDI or SSI shall also sign a statement certifying that they are unable to comply with the community service requirement because of the blindness or disability.
- If primary care giver for a disabled or blind person, a statement from the person being cared for or his/her guardian affirming that the resident seeking exemption acts as the primary caregiver and the period during which he or she is expected to continue in that role shall be adequate verification.
- Engaged in work activity, the verification of a minimum of 30 hours employment income provided to PHA for rent determination shall be adequate for this purpose. The providing organization or school must submit verification of participation in job training or other qualifying program. Illinois Department of Human Services guidelines will be followed.

- If exempt from work activity under the Illinois Department of Human Services, verification of the exemption should be obtained from the local DHS or General Assistance office. Other non-recipients should provide appropriate third-party documentation of exempt status. These third-party verifications will be considered on a case-by-case basis.

The Property Specialist, with the approval of the Director of Housing Management, will make a determination of exempt status and notify the resident. If the resident disagrees with the determination, he or she may file a grievance under the PHA grievance procedure. The exemption status for each household member will be entered on the client worksheet.

NOTIFICATION OF ELIGIBLE ACTIVITIES:

Prior to the effective date of this policy, and at least once annually thereafter, the PHA shall contact a reasonable number of eligible community service host agencies for the purpose of developing a list of community service placements.

The PHA shall provide families with non-exempt members with a list of approved community service containing a brief description of the opportunities and the name, address and telephone number of the contact person.

The PHA shall not impose any sanction on a family with non-exempt members unless it first provides the family with an appropriate placement; with due regard to the non-exempt member's linguistic capabilities, disabilities and transportation needs.

If a non-exempt household member elects to perform community service at an organization not identified on the PHA prepared list, the member may seek approval from the PHA.

CONTINUING DETERMINATION OF EXEMPTION AND COMPLIANCE:

At the time of the status review, the Property Specialist will reconfirm the exemption status of each household member. The head of household may provide the Property Specialist with the required documentation for any change in status claimed by an adult family member. The Property Specialist will reconfirm the following exemption categories annually:

- Blindness or disability
- Primary caregiver
- Engaged in work activity
- Exempt from work activity under the Illinois Department of Human Services or Peoria County General Assistance and not in non-compliance with that program

If a household member becomes exempt from the community service requirement during a lease term and informs the Property Specialist so that the exemption can be verified, he or she shall be exempt from performing community service for the entire year. As an example, unemployed residents may request an exemption if they find work or start a job-training program. If the resident is determined by PHA to become exempt during the year, he or she will be excused from the requirement for the balance of the lease year. There is no obligation for a resident to report a change in status from exempt to non-exempt between regular status reviews. If a resident

previously determined to be exempt becomes non-exempt during a lease term, he or she is not required to report the change in status to the Property Specialist until the next status review.

If the household is found to be in compliance with the community service/self-sufficiency requirement, the lease will automatically renew. An annual lease signing process is not necessary.

NON-COMPLIANCE:

If the PHA determines that a non-exempt resident has not complied with the community service/self-sufficiency requirement, the Property Specialist must notify the head of household of the noncompliance in writing. This notification must inform the resident that:

- A non-exempt member of their household has been found in non-compliance with a statement of the specific facts and sources of those facts supporting such determination;
- The determination of noncompliance is subject to the PHA's grievance procedure and
- The non-compliant resident can enter into an agreement to cure to obtain compliance over the next 12 months.

To take advantage of the statutory opportunity to cure, the noncompliant adult and the head of household must sign an agreement stating that the noncompliant adult will complete, over the next 12-month term of the lease, the additional hours of community service or economic self-sufficiency activity needed to reach the required total of 96 hours for the prior year. These additional hours must be performed in addition to the 96-hour requirement for the current lease year. If a non-compliant adult becomes employed during the 12 months of the second lease year, the prior year commitment must still be met.

As is required by law, continued non-compliance after the opportunity to cure will result in the commencement of eviction proceedings against the entire household, unless the noncompliant family member is no longer part of the household.

DOCUMENTATION:

The Property Specialist must retain documentation of community service or economic self-sufficiency participation and/or exemption in the resident's file.

At lease signing for new residents or at the Tenant Status Review for current residents, the Property Specialist must ensure a Certification of Exemption Status Form is completed for each adult household member claiming an exemption from the community service/self-sufficiency requirement. Supporting documentation will be requested of the resident to verify exempt status and copies of the verification will be retained in the file.

The Resident Services Department will maintain monthly documentation of qualifying activity and report such to the Property Specialist.

GRIEVANCE PROCEDURE:

Upon filing a written request, as provided in the Peoria Housing Authority's grievance procedure, any resident who disagrees with any PHA action or failure to act in accordance with the Community Service Policy shall be entitled to a grievance hearing.

PROHIBITION AGAINST THE REPLACEMENT OF EMPLOYEES:

In implementing the community service requirement, the Peoria Housing Authority will not substitute community service for work ordinarily performed by public housing employees or replace a job at any location where community work requirements are performed.

MONITORING:

The Peoria Housing Authority intends to exercise its option to administer the community service/self-sufficiency requirement through one or more of the following alternatives:

- Directly administer some qualifying community service and economic self-sufficiency activities and
- Make such activities available through partnerships with qualified organizations, including resident organizations and community agencies or institutions.

Resident Services will maintain a list of agencies and organizations that are willing to accept community service workers. This list will be provided with a copy of the list and may also secure their Community Service work site. Housing Management must approve this site. It is up to the family member to make arrangements to perform the community service. Affected residents will have not more than 30 days to complete the arrangement and 45 days to complete the first 8 hours of community service.

Once the resident has made the arrangements, they will be asked to sign the necessary Release of Information giving the employer and the housing authority permission to exchange information on attendance and job performance. The employer will be provided with forms to fax to the Resident Services department who will log the hours and maintain the database.

Resident Services will notify the Property Specialist of those residents who did or did not perform the required Community Service hours. The notification will be completed no more than the 5th working day of the succeeding month (i.e., notification for the month of May would be completed no later than June 6th in 2003). Notification will begin in January 2004 and will cover through December 2003.

Those residents who do not comply with the requirement will be in violation of their lease and subject to non-renewal of their lease at the time of their re-certification.

14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

PEORIA HOUSING AUTHORITY Pet Policy

22.0 PET POLICY AND POLICY ON ASSISTIVE ANIMALS FOR PERSONS WITH DISABILITIES

22.1 INTRODUCTION

This Pet and Assistive Animal Policy is divided into three (3) parts. Pet Policy - Family, Pet Policy – Elderly and Assistive Animals for the Disabled.

The Quality Housing and Work Responsibility Act of 1998 (QWHRA) added a new Section 31 to the United States Housing Act of 1937. Section 31 established Pet ownership requirements for occupants of public housing other than for residents who are elderly or assistive animals for the disabled. Section 31 was implemented by HUD by new subpart G to 24 CFR 960.

Section 227 of the Housing Rural Recovery Act of 1983 (12 USC 1701r-1) covers ownership requirements for elderly and use of assistive animals for persons with disabilities.

This policy will also apply to the Peoria Housing Ownership Program

22.3 PET POLICY - FAMILY

This section establishes the policy governing the keeping of common household pets by non-elderly residents of all developments owned and operated by the PHA. This section includes pets of persons with disabilities when the pets are not assistive animals as defined below.

22.4 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities.

22.5 PETS IN PUBLIC HOUSING

The PHA allows for pet ownership in its developments with the prior written approval of the PHA. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, the resident assumes full responsibility and liability for the pet and agrees to hold the PHA harmless from any claims caused by an action or inaction of the pet.

22.6 APPROVAL

Residents must have the prior written approval of the PHA before moving a pet into their unit. Residents must request approval on the PHA's pet registration Form(s). All adult members of the household must sign the PHA's pet lease amendment that must be fully completed before the PHA will approve the request. Every dog and cat must be registered with the PHA upon admission and thereafter annually on the residents lease expiration and re-certification date. Property Specialists may photograph each pet at the time of admittance and the photo will remain on file.

22.7 TYPES AND NUMBER OF PETS

Common household pets shall be defined as follows:

The PHA will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles. Only one pet per unit will be allowed. This definition also does not include animals that are used to assist persons with disabilities.

If the pet is a dog or cat, it must be neutered/spayed by the age of six (6) months, and cats must be de-clawed by the age of three (3) months. The evidence can be provided by a statement/bill from a veterinarian and/or staff of the humane society. The evidence must be provided prior to the execution of the pet lease amendment and/or within 10 days of the pet becoming of the age to be neutered/spayed or de-clawed. The Resident must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Resident shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. In addition, the weight of a cat cannot exceed 10 pounds (fully grown) and a dog may not exceed 20 pounds in weight (fully grown). All other four-legged animals are limited to 10 pounds (fully grown).

If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.

If the pet is a fish, the aquarium must be twenty gallons or less, and the container must be placed in a safe location in the unit. The Resident is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and non-hazardous manner.

All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside, it must be taken outside on a leash no longer than six feet in length and kept off other Resident's lawns. (No outdoor cages may be constructed.) In addition, all pets must wear collars with identification at all times. Pets without a collar will be picked-up immediately and transported to the Humane Society or other appropriate facility.

All authorized pets must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult. All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets that are unleashed, or leashed and unattended, on PHA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the Resident to reclaim the pet at the expense of the Resident. Also, if a member of the PHA staff has to take a pet to the Humane Society the Resident will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.

Any pet that exceeds the weight limit at any time will not be an eligible pet and must be removed from the PHA property.

Prohibited Animals: Animals or breeds of animals that are considered by the PHA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, Rottweiler, Doberman Pinscher, Pit Bull dog, and/or any animal that displays vicious behavior. This determination will be made by a PHA representative prior to the execution of this lease amendment.

Pets shall not disturb, interfere with or diminish the peaceful enjoyment of other residents. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. This includes any pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The Property Specialist will terminate the pet authorization if a pet disturbs other residents under this section of the lease amendment. The resident will be given one week to make other arrangements for the care of the pet or the dwelling lease will be terminated.

If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Property Specialist will notify the resident, in writing, that the animal must be removed from the Public Housing Development, within 10 days of the date of the notice from the HA. The resident may request a hearing, which will be handled according to the HA's established grievance procedure. The pet may remain with the resident during the hearing process unless the HA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.

The entire administrative fee and deposit (subject to the exception listed below) must be paid prior to the execution of the lease amendment. No pet shall be allowed in the unit prior to the completion of the terms of this pet policy. It shall be a serious violation of the lease for any resident to have a pet without proper approval and without having complied with the terms of this policy. Any violation of this policy could result in the removal of the animal from the property.

22.8 INOCULATIONS

Residents must provide at the time of registration proof of dog or cat license and proof that the pet has been inoculated against rabies, distemper, heartworm, parvo, and other conditions prescribed by state and/or local ordinances. The Resident must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. All pets must be registered with the Peoria County Welfare Rabies Registration Office at 2600 NE Perry, Peoria, Illinois or at any participating veterinarian office where the shots would be administered. The applicant shall acknowledge and agree that PHA has the right to refer cases of pet abuse or abandonment to the appropriate Humane Society or other agency and the PHA and its representatives will remain harmless for such referral. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the PHA to attest to the inoculations.

22.9 PET SECURITY DEPOSIT AND ADMINISTRATIVE FEE

A Pet Security Deposit is required at the time of registering a pet. It must be paid prior to the execution of the pet lease amendment.

The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. (See Security Deposit and Fee schedule below) The deposit shall be maintained in a separate account as provided for by state law and HUD regulations for the maintenance of security deposits. The amount of pet deposits is established to reflect the potential cost of replacing carpet and other furnishings as a result of pet odors, stains and damage. This also reflects the average pet deposit required by apartment complexes in the market area that permit per ownership.

An administrative fee per pet will be assessed on an annual basis. (See Security Deposit and Fee schedule below)

unit will be the financial responsibility of the pet owner and the PHA reserves the right to treat for the infestation and charge the resident.

The pet owner shall be strictly liable for the entire amount of any injury to the person or property of other residents, staff or visitors of the development caused by their pet. Pet owners must sign the PHA's Hold Harmless Agreement prior to the pet entering the apartment. Pet owners are encouraged to obtain liability insurance. Pet liability insurance can be obtained through most insurance agents or companies. It can also be included in renter's insurance policy.

22.12 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas. No houses for pets are to be built on out-side property or grounds.

Repeated substantiated complaints by neighbors or PHA personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or risk lease termination.

22.13 DESIGNATION OF PET AREAS

Pets will be allowed only in the designated pet exercise areas on the grounds of the property if the PHA designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals, no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)).

22.14 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over 12 hours. If the pet is left unattended and no arrangements have been made for its care, PHA will have the right to enter the premises, remove the pet, and transfer the pet to the Human Society. Any expense to remove or reclaim the pet from any facility will be at the responsibility of the resident. In case of an emergency the PHA will work with the resident to make accommodations for the pet.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate action to protect their pets from fleas and ticks. Pet owners may be required to provide written proof that a flea control program acceptable to management will be maintained for a fur-bearing pet. Thereafter, the owner of the fur-bearing pet shall file at intervals, determined by management, proof that the pet and/or the apartment are being sprayed for fleas.

Pets cannot be kept, bred or used for any commercial purpose.

The resident is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. All animal waste shall be picked up immediately by the pet owner, disposed of in a plastic bag and placed in the trash bin. Any unit occupied by a pet will be fumigated at the time the unit is vacated at the resident's expense. The pet owner shall take adequate precautions to eliminate any pet odors within or around the unit and to maintain the unit in a sanitary condition at all times. If the PHA is required to clean any waste left by a pet, the resident will be assessed the PHA's actual costs for the removal of the waste.

The resident shall have pets restrained so that maintenance can be performed in the unit. The resident shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Resident shall be charged a fee of \$25. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers or by HA staff and taken to the local Humane Society. It shall be the responsibility of the Resident to reclaim the pet at the expense of the resident.

The PHA shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the PHA's property within 24 hours of written notice from the PHA. The pet owner may also be subject to termination of his/her dwelling lease.

The PHA may, after reasonable notice to the resident, during reasonable hours, enter and inspect the premises to ensure compliance or investigate complaints of violations of the PHA's pet policy in addition to the other permitted PHA inspections.

Pet owners must recognize that other residents may have chemical sensitivities or allergies related to pets or may be easily frightened or disoriented by animals. Pet owners must agree to exercise courtesy with respect to other residents.

The pet owner will be required to designate one (1) responsible party for the care of the pet should the health or safety of the pet be threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

A pet owner who violated any other conditions of this policy may be required to remove his/her pet from the development within 10 days of written notice from the PHA. The pet owner may also be subject to termination of his/her dwelling lease.

It shall be a serious violation of the lease for any resident to have a pet without proper approval and without having complied with the terms of this policy. Such violation shall be considered to be a violation of the dwelling lease (a serious violation) and the HA will issue a termination notice.

23.0 PET POLICY - ELDERLY

23.1 PET POLICY

The objective of this subsection is to set forth the PHA's policy governing the keeping of common household pets by elderly Residents of all developments owned and operated by the PHA as required by Section 227 of the Housing and Urban-Rural Recovery Act of 1983 (42 USC 1701r-1) and the regulations at 24 CFR 5.300-380.

23.2 SCOPE

This policy is applicable to all elderly households in all developments of the PHA. This policy does not apply to Assistive Animals for persons with disabilities. The PHA allows for pet ownership in its developments for elderly residents with the prior written approval of the PHA. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, the resident assumes full responsibility and liability for the pet and agrees to hold the PHA harmless from any claims caused by an action or inaction of the pet.

It is the policy of the PHA that Pet Rules be developed which ensure that the PHA can (a) continue to provide decent, safe, sanitary housing and maintain its physical plant in good

condition, and (b) protect the PHA's legitimate interests without imposing onerous burdens, financial or otherwise in eligible elderly pet owners.

23.3 NOTICE TO ELDERLY RESIDENTS

The PHA shall provide to each elderly applicant for residency when the resident is offered a dwelling unit that:

1. Elderly Residents are permitted to own and keep common household pets in their dwelling units in accordance with the PHA pet rules and policies,
2. Animals that are used to assist persons with disabilities are excluded from compliance with the PHA's elderly pet policy, and
3. Residents may at any time request a copy of the current pet policy and rules.

Minimum rent for public housing residents could change from \$25 to \$50 depending on the operating budget.

Services and Program

In the past the PHA listed 48 services and programs, use to have long list of programs available to the Residents. We are down to Family Self-Sufficiency Program, which isn't being funded by the US Department of Housing and Urban Development. We will apply for a grant to cover this position when it becomes available.

Ms. Fults asked if HUD still requires residents to complete community service.

Michael Bean inform Ms. Fults that staff is in the process of rewriting the Admissions and Continued Occupancy Policy (ACOP) to comply with recent changes to the regulations by HUD that she was involved in. The ACOP will have to go out for a 30-day comment period and a copy will be sent to RAB for their review.

Mr. Bean indicated that there were no changes to the PHA Pet Policy

Mr. Bean explained the concept of having a 501(c)3 organization, stating that a 501(c)3 organization can accept money from fund raisings, it would depend on what type of 501c3 is chartered and where the source of money is coming from.

He stated under the ACOP, once we transition to the asset management phase of operation, we will likely restructure Public Housing positions. This restructuring will be coming in the near future through an organizational restructure.

Concerns brought to the table by Ms. Fults

- Call councilman regarding flat bed truck.
- Grocery carts at Sterling being taken by resident from the local grocery store.

Management will send out letter to the residents about the carts.

Statement of Financial Resources

Robert Cobler, Finance Director briefly went over the financial resources that are anticipated to be available to the Peoria Housing Authority for the support of Federal public housing and tenant-based Section 8 assistance programs for the Plan year 2007 estimating a total of \$24,615,000.

There being no business the meeting adjourned at 5:30

**PEORIA HOUSING AUTHORITY
EXCERPT FROM THE
ADMISSIONS AND CONTINUED OCCUPANCY POLICY
DECONCENTRATION POLICY**

12.3 DECONCENTRATION AND INCOME MIXING POLICY

It is PHA's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, it may be necessary to skip families on the waiting list to reach other families with a lower or higher income. If necessary, the PHA will accomplish this procedure in a uniform and non-discriminating manner.

The Quality Housing and Work Responsibility Act of 1998 includes deconcentration goals, which are embodied in HUD's Final Rule on local housing authority plans (published December 22, 2000). The legislation establishes mechanisms to deconcentrate poverty and promote income mixing in public housing in order to avoid a concentration of low or high-income households within certain developments or within certain buildings within a development. The Act further allows for the use of incentives to correct disparities. Housing authorities must simultaneously meet income targeting and income-mixing goals while affirmatively furthering fair housing.

A. Requirements for local housing authorities:

HUD's final rule requires local housing authorities to determine which developments may be exempt from the requirement to deconcentrate poverty. Public housing developments that are exempt from the requirement to deconcentrate poverty and mix incomes are the following:

1. Public housing developments operated by a Public Housing Agency with fewer than 100 public housing units;
2. Public housing developments operated by a Public Housing Agency which house only elderly persons or persons with disabilities, or both;

3. Public housing developments operated by a Public Housing Agency that operates only one general occupancy, family public housing development;
4. Public housing developments approved for demolition or for conversion to resident-based assistance; and
5. Public housing developments which include public housing units operated in accordance with a HUD-approved mixed-finance plan using HOPE VI or public housing funds awarded before the effective date of this rule, provided that the Public Housing Agency certifies (and includes reasons for the certification) as part of its Public Housing Agency's Plan (which may be accomplished either in the annual Plan submission or as a significant amendment to its Public Housing Agency's Plan) that exemption from the regulation is necessary to honor an existing contractual agreement or be consistent with a mixed finance plan, including provisions regarding the incomes of public housing residents to be admitted to that development, which has been developed in consultation with residents with rights to live at the affected development and other interested persons.

For those developments that are determined to be subject to the requirement to deconcentrate poverty, a Public Housing Agency must meet the statutory requirement to develop an admissions policy designed to provide for deconcentration of poverty and income mixing in covered developments identified to have a concentration of poverty. The Public Housing Agency must undertake the following steps:

- a. Determine the average income of all families residing in all covered developments;
- b. Determine the average income of families in each covered development;
- c. Determine which developments are outside the established income range;
- d. Provide reasons to justify those developments that are outside of the established income range; and
- e. Create a policy for deconcentrating poverty and income mixing in developments where the income profile is not sufficiently explained or justified in the Public Housing Agency's Annual Plan submission.

The following table represents the Peoria Housing Authority's (PHA) analysis as required by the final rule for deconcentration, taking into consideration guidance provided in the Office of Public and Indian Housing Notice PIH 2001-4.

REPLACEMENT HOUSING FUND PLAN

The Peoria Housing Authority will utilize the Replacement Housing Funds we are receiving to build new public housing units in three new affordable housing developments. The developments are proposed to be built in 4 phases. Phase I will consist of building 33 units as part of the offsite development of the RiverWest Hope VI project. Phase II will be built on the IL06P003003 site of Harrison Homes that was approved by HUD for demolition on July 2, 2002 and is scheduled for demolition July 2003. Phase III will consist of purchasing 3.8 acres of land on the west side of Peoria in the vicinity of some of our other scattered sites and building 30 multifamily town homes. Phase IV will be built on the IL06P003002A site of Harrison Homes that is also planned for demolition.

The City of Peoria's 2002 Affordable Housing Plan noted that there is a shortage of 2000 affordable rental units. 31% of Peoria households fall in the low-income percentile. This is exemplified at RiverWest, where both the tax credit affordable rental units and the public housing units have a two-year waiting list.

The Peoria Housing Authority is committed to providing quality affordable housing to the low-income residents of Peoria. We firmly believe that by demolishing the old, dilapidated, barrack style housing and replacing it with new housing with larger room sizes and modern amenities we can better serve the community. While Harrison Home apartments sit vacant, 20 blocks away the new RiverWest development has a 2-year waiting list.

PHASE I

Description

The Peoria Housing Authority is going to develop the offsite phase of the RiverWest Hope VI development by putting together a mixed finance project combining affordable rental units and public housing units.

The final phase of the RiverWest Hope VI project consists of building 33 units on property adjacent to the newly developed RiverWest site. It became increasingly clear over the course of development of the former Warner Homes site that the dilapidated conditions across the street (MacArthur Highway) in the South Side neighborhood were growing worse and posing a

significant threat to the marketing and well being of the new RiverWest homeownership program.

In response to these facts, the Authority began work with the City of Peoria to develop an offsite plan that focuses the Authority's limited resources on the most troubled area immediately across the street from the Hope VI investment. A new site and building plan, environmental analysis, appraisals, and a development budget have been prepared. Now that the on-site work is complete, the amount of Hope VI funds remaining is known and the negative impact of the existing conditions across the street is being appreciated more fully than ever.

The offsite phase consists of 8 acres bordered by MacArthur Avenue to the east, New St. to the south, Linden St. to the west and Butler St. to the north. The neighborhood is located on the south end of Peoria, approximately 5 blocks from the downtown district and 2 blocks from the new AAA baseball stadium.

Currently it is an older residential neighborhood with some commercial properties. The residential area is blighted with old houses in need of repair, many of which are vacant and boarded up, and several vacant lots.

The 33 rental units will consist of a combination of single dwellings and multifamily units. The multifamily units will be a mixture of 2 and 3 bedroom size units. There will be 7 public housing units and 26 low rent, mixed finance units. There will be 3 wheelchair accessible units; 1 single-family dwelling in the public housing units and 2 accessible units from the mixed finance units.

The buildings will be new construction, wood frame on slab with porches, driveways and provision for future garages if funds allow. The homes will have vinyl siding with some brick fronts for neighborhood variety. The design will be the same as the adjacent RiverWest site with minor modifications, and larger lots.

Phase I is divided into 2 sub phases. Phase IA consists of the 7 public housing units. This phase was scheduled to comply with the obligation and expenditure dates of Replacement Housing Fund grant IL06R003501-00. Those funds had to be obligated by September 30, 2002.

Phase IB consists of the 26 mixed finance affordable rental units.

Amount & Sources of Funding

See Attachment B.

PHASE II

Description

Phase II consists of building 88 rental units on the property known as IL06P003003, Harrison Homes 3-3. Harrison 3-3 is scheduled for demolition July 2003. This 9-acre site is planned for 88 new constructions, wood frame on slab, single family homes, duplexes and residential townhouses. There will be a combination of 41 public housing units and 47 affordable mix financed units.

Ten percent of the units will be wheelchair accessible. The units will be a mix of bedroom sizes ranging from 1 bedroom to a few 5 bedroom units, offering a mix that will appeal to different market segments and meet the diverse needs of public-housing residents, including larger units. The site will be designed to blend with the surrounding neighborhood street patterns and housing architecture.

This site is across the street from an award winning elementary school. Harrison School sits in the middle of Harrison Homes housing development and implements many programs designed to benefit the children and adults in the area such as Project head start and adult education classes. Public School District 150 and the Peoria Housing Authority have a long history of partnering to benefit the public housing residents.

Schedule

See Attachment C.

Amount and Sources of Funding

See Attachment D.

Phase III

Description

Phase III is motivated by the successful occupancy rate of our scattered site developments. The property planned for acquisition is in the west side of Peoria where the housing authority already has a mixture of single family homes, duplexes and multifamily town homes. The 3.8 acres are currently zoned for multi-family dwellings.

After acquisition of the land the Peoria Housing Authority plans construction of 30 new multi-family townhouses. We will utilize the original architectural design and plans of our units in the neighborhood to save cost. The designs will be modified to incorporate 3 wheelchair accessible units. The units will be wood frame on slab, with a combination of 2 and 3 bedroom size homes. There will be a combination of 14 public housing units mixed with 16 affordable mix financed units.

Schedule

See Attachment E.

Amount and Sources of Funding

See Attachment F.

Phase IV

Phase IV consists of building 88 rental units on the property currently known as IL06P003002A. The Peoria Housing Authority is in the process of submitting a demolition application for this site. The site is plagued with a high vacancy rate due to the undesirable World War II barrack design of the buildings.

This 13.3-acre site will be a continuation of the design started in Phase II with the redevelopment of Harrison 3-3. The new construction will be wood frame on slab, single family homes, duplexes and residential townhouses. There will be a mixture of 41 public housing units and 47 affordable mix financed units. Ten percent of the units will be wheelchair accessible and there will be a mixture of bedroom sizes ranging from 1 bedroom to 4 bedrooms. Again, the site will be designed to blend with the neighborhood street patterns and housing architecture. The new design will create parks and visibility that is currently lacking at the site.

Located in the center of this site is a very successful branch of the Peoria Public Library. Several years ago the Peoria Housing Authority partnered with the Peoria Public Library to deprogram one of our buildings at this site to be utilized by the library. They have recently installed an elevator to utilize the second floor and spent over a million dollars for renovations and equipment. The library focuses on after school programs to compliment the elementary school located across the street in the midst of Harrison Homes.

Schedule

See Attachment G.

Amount and Sources of Funding

See Attachment H.

Plan and Obligation/Expenditure Status

HUD approved the Peoria Housing Authority's 5-Year PHA Plan and Annual Plan on 03/07/03. (Attachment I) The 5-year plan addresses building new public housing units and reducing vacancy. The Peoria Housing Authority is currently in the process of updating our 5 year action plan and will address the exact numbers of new public housing units and affordable housing units built through mixed financing in our new 5 year Agency Plan that will be submitted later this year.

The Peoria Housing Authority historically has had favorable Army Corp. of Engineer reviews with no findings. The agency has always met its obligation and expenditure deadlines. For FFY 2002 our housing authority received a Capital Fund Program bonus for timely obligation and expenditure of all Capital Fund Programs.

**PHA Plan Attachment
Section 8 Project Based Vouchers
Resolution #AR032805-01**

The Peoria Housing Authority has amended the Annual Plan to provide for the use of section 8 project-based vouchers for the off-site development at RiverWest South and the Peoria Opportunities Foundation (POF) SRO development.

The estimated number of project based Section 8 vouchers for RiverWest South, to be located on MacArthur, Millman, Butler, Linden, and Howett Streets, is six (6). The development consists of thirty-three units and is the final phase of the successful RiverWest HOPE VI development across MacArthur Highway. Utilizing section 8 project-based vouchers as a component of RiverWest South will assist in achieving PHA's goals to revitalize the neighborhood and deconcentrate poverty through the expansion of housing and economic opportunities for Section 8 families seeking affordable new construction housing that is high quality and energy efficient. As such, project basing versus tenant basing of the vouchers is an appropriate option for our Section 8 families.

The estimated number of project based Section 8 vouchers for the POF SRO development expected to be located on Peoria's south side is nineteen (19). The program will provide much needed supportive services for the homeless population and is consistent with the Peoria Housing Authority's goal to provide decent, safe, and sanitary housing.

Plan Amendment
Resolution #AR092506-02**

Disposition of Approximately 22 Acres of Harrison Homes Land

The Peoria Housing Authority (PHA) is amending its Agency Plan for the FY 2006 to include the disposition of approximately 22 acres of land located at Harrison Homes development #IL003-002A and 003. The PHA is interested in the disposition of the vacant land for the purpose of School District #150 building a new Harrison Community school. The PHA has been working in a collaborative effort with the District and plans to present an intergovernmental agreement to the PHA Board. The PHA expects to submit a disposition application to the US Department of Housing and Urban Development's (HUD) Special Application Center (SAC) this fall.

Pledging of Eleven Additional Section 8 Single Room Occupancy (SRO) Vouchers to Peoria Opportunities

In addition, on March 28, 2006 the PHA Board of Commissioners approved the pledging of nineteen (19) Section 8 Single Room Occupancy (SRO) vouchers as they become available to Peoria Opportunities Foundation (POF) a 501(c)3 organization. This project is in collaboration with POF and the South Side Office of Concern to develop 79 one-bedroom units with supportive services for the homeless. This project would assist Peoria in helping to eliminate chronic homelessness in our community. The PHA is amending the Plan to provide an additional eleven (11) site-based vouchers, bringing the total number of pledged vouchers to thirty (30).

Public Participation 45-Day Comment Period

To insure public participation the amended Plan was advertised in the local newspaper, the PHA newsletter and made available for review at the Administrative Offices 100 S. Richard Pryor Place during a 45-day comment period from August 1 through September 16, 2006. There were no written comments received by the Executive Offices.

Public Hearing and Board Approval – September 25, 2006

A Public Hearing was held to discuss the amended Plan on September 25, 2006. No comments were received. The Board of Commissioners approved to amend and resubmit the 2006 5-Year and Annual Agency Plan by approval of Resolution #AR092506-02 at their regular monthly meeting of the Board of Commissioners held directly after the Public Hearing.

IMPORTANT NOTICE TO THE PUBLIC**

The Peoria Housing Authority (PHA) is amending its Agency Plan for the FY 2007 to include the demolition of one (1) building that consist of four (4) units located at Taft Homes development IL003004. The PHA is interested in performing the demolition due to structural problems with the building and its close proximity to a busy intersection.

In addition, it is necessary to amend the Agency plan to add the Violence Against Women Act Policy as approved by the Board at the March 26, 2007 board meeting. This policy is in accordance with the law enacted by President Bush with the purpose of prohibiting the eviction of and the removal of assistance of certain persons living in Public or Section 8 assisted housing if the asserted grounds for such action are in an instance of violence, which involves domestic, dating and stalking against women/men.

It is also necessary to amend the Agency plan to add the Carbon Monoxide Alarm Detector Act as defined in Public Act 94-0741. This law requires that a Carbon Monoxide Alarm detector be installed in every dwelling unit by January 1, 2007 and located within 15 feet of every sleeping room.

This notice will be on display at the PHA's Administrative Office, Taft Homes, Harrison Homes and Sterling Towers developments and the downtown main branch of the Peoria Public Library from May 22 – July 9, 2007 for a 45 day comment period. Comments may be made in writing and sent to Brenda Coates, Executive Director, Peoria Housing Authority, 100 S. Richard Pryor Place, Peoria, Illinois. A public hearing will be held at 4:30 p.m. Monday, July 23, 2007 at the Administrative Office's Multi Purpose Room, followed by the Regular Monthly Meeting of the Board of Commissioners. A. *Non-Denial of Assistance*. The PHA will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

VI. Appropriate Basis for Denial of Admissions, Assistance or Tenancy

A. *VAWA Protections*. Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by PHA:

- 1. The PHA shall not deny participation or admission to a program on the basis of a person's victim status, if the person otherwise qualifies for admission of assistance.

2. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and shall not be good cause for denying to a victim to a program, terminating the tenancy or occupancy rights of or assistance to the victim of that violence.
 3. In addition to the foregoing, tenancy or assistance will not be terminated by the PHA as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant's control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:
 - (a) Nothing contained in this paragraph shall limit any otherwise available authority of the PHA or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, neither the PHA nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence, dating violence or stalking than that applied to other residents.
 - (b) Nothing contained in this paragraph shall be construed to limit the authority of PHA or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or PHA, as the case may be, can demonstrate an actual and imminent threat to other residents or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.
- B. *Removal of Perpetrator.* Further, notwithstanding anything in paragraph VI.A.2 or 3. or Federal, State or local law to the contrary, the PHA or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by the PHA. Leases used for all public housing operated by PHA and, at the option of Section 8 owners or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by PHA, shall contain provisions setting forth the substance of this paragraph.

VII. Verification of Domestic Violence, Dating Violence or Stalking

- A. *Requirement for Verification.* Subject only to waiver as provided in paragraph VII. C, PHA shall require verification, in writing, in all cases where an individual claims protection against an action involving such individual proposed to be taken by PHA.

Section 8 owners or managers receiving rental assistance administered by PHA may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. *HUD-approved certification* - by providing to PHA or to the requesting Section 8 owner or manager a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form 50066, and the completed certification must include the name of the perpetrator.
 2. *Other documentation* - by providing to PHA or to the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
 3. *Police or court record* - by providing to PHA or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.
- B. *Time allowed to provide verification/ failure to provide.* An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by PHA, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (*i.e.*, 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.
- C. *Waiver of verification requirement.* The Executive Director of PHA, or a Section 8 owner or manager, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director, owner or manager. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

Failure to Provide Certification HUD Approved or Other Certification

The person shall provide complete and accurate certifications to the PHA, owner or manager within 14 business days after the PHA requests in writing that the person completes the certification. If the person does not provide a complete and accurate certification within the 14 business days, the resident will not be considered a "Victim" under this policy and the PHA, the owner or manager may take action to deny or terminate participation or tenancy.

VIII. Confidentiality

- A. *Right of confidentiality.* All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to PHA or to a Section 8 owner or manager in connection with a verification required under Section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving PHA in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:
1. requested or consented to by the individual in writing, or
 2. required for use in a public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted in VAWA, or
 3. otherwise required by applicable law.
- B. *Notification of rights.* All residents of public housing and residents participating in the Section 8 rental assistance program administered by PHA shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.
- C. *Compliance Not Sufficient to Constitute Evidence of Unreasonable Act* – The PHA, owner or manager compliance with Sections VII; A.1 HUD Approved Certification and A.2 Other Certification, and D. Failure to Provide Certification, shall alone not be sufficient to show evidence of an unreasonable act or omission by them.

IX. Transfer to New Residence

- A. *Application for transfer.* In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, a resident may request a transfer to another PHA unit. The PHA may approve a request for transfer if an approved unit size is available at a location that may reduce the risk of harm. A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.
- B. *Action on applications.* The PHA will respond to such an application promptly.
- C. *No right to transfer.* The PHA will attempt to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action. However, except with respect to portability of Section 8 assistance as

provided in paragraph IX. E. below the decision to grant or refuse to grant a transfer shall lie within the sole discretion of the PHA, and this policy does not create any right on the part of any applicant to be granted a transfer.

- D. *Portability.* Notwithstanding the foregoing, a Section 8-assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect the health or safety of an individual member of the household who is or has been the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member is imminently threatened with harm from domestic violence if the individual remains in the present dwelling unit.

X. Court Orders/Family Break-up

- A. Court orders. It is the PHA's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by PHA and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.
- B. Family break-up. The PHA policies regarding family break-up are contained in the PHA's Public Housing Admissions and Continuing Occupancy Plan (ACOP) and its Section 8 Administrative Plan.

XI. Relationships with Service Providers

It is the policy of the PHA to cooperate with organizations and entities, both private and governmental, that provide shelter and/or services to victims of domestic violence. If PHA staff become aware that an individual assisted by the PHA is a victim of domestic violence, dating violence or stalking, the PHA will refer the victim to such providers of shelter or services as appropriate. Notwithstanding the foregoing, this Policy does not create any legal obligation requiring the PHA either to maintain a relationship with any particular provider of shelter or services to victims or domestic violence or to make a referral in any particular case. The PHA's annual public housing agency plan shall describe providers of shelter or services to victims of domestic violence with which PHA has referral or other cooperative relationships.

XII. Notification

PHA shall provide written notification to applicants, residents, and Section 8 owners and managers, of their rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

XIII. Relationship with Other Applicable Laws

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

Dear Honorable Mayor Ardis:

Attached you will find copies of the Peoria Housing Authority's 2005-2009 5-Year and 2007 Annual Agency Plan, which includes major amendments to the 2007 Plan. The Board of Commissioners, at their regular meeting held on July 23, 2007, approved the amendments. The amendments consisted of the following changes to the 2005-2009 5-Year and 2007 Annual Agency Plan:

2. The Violence Against Women Act Policy as approved by the Board of Commissioners on March 25, 2007 as mandated by the U. S. Department of Housing and Urban Development (HUD) in a Notice dated January 1, 2006. This Policy is in accordance with the law enacted by President Bush with the purpose of prohibiting the eviction and the removal of assistance of certain persons living in Public or Section 8 assisted housing if the asserted grounds for such action are an instance of violence, which involves domestic, dating and stalking against women/men.

As required by the PHA Plan guidelines, a copy of the Plan amendments were issued to all residents of the Peoria Housing Authority and placed on display for a 45-day comment period from May 22 – July 9, 2007. A Public Hearing was held on July 23, 2007, which resulted in the PHA receiving no comments during the comment period nor the Public Hearing. The Board of Commissioner's approved Resolution #AR072307-01 to accept the Plan amendments and submit them to the US Department of Housing and Urban Development as a second submission for its 2005-2009 5-Year Plan and 2007 Annual Plan for approval to proceed with the amendments for the demolition of the Taft Homes (IL003004) building.

FEB 05 2007

Dear Ms. Coates:

SUBJECT: Your Housing Authority 2007 PHA Plan Approval

Your Housing Authority's 5-Year and Annual Plan (both together called the "Plan") for the fiscal year beginning January 1, 2007 was approved on January 26, 2007. This approval does not constitute an endorsement of the strategies and policies outlined in the Plan. The Authority must comply with the rules, standards and policies established in its Plan, as provided in the Code of Federal Regulations, 24 CFR Part 903, and other applicable regulations. Your Plan as approved, together with all the required attachments and documents, must be made available for examination at the Authority's principal office during business hours.

Your Plan included a Capital Fund Program Annual Statement for Federal Fiscal Year (FY) 2007. Some specifics of your Plan are based on estimated funding by HUD. Actual amounts to be made available for FY 2007 will be determined by a HUD formula. You will be notified of these amounts and the procedures necessary to obtain the funds. The funds will not be available for drawdown until the obligation process is complete. HUD Notice 99-51 (HA), issued December 14, 1999, reminds PHAs that they must submit additional certifications to receive Federal funds.

If you have any questions regarding your Plan, or this letter, please contact Judith Hartfield at (312) 353-1915 extension 2659, or Sue Kimbrough at extension 2062.

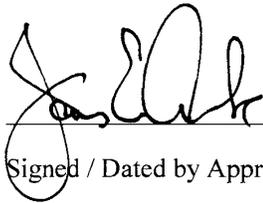

Sincerely,

A handwritten signature in black ink, appearing to read "S E Meiss".

 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
