This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY GRUNDY COUNTY HOUSING AUTHORITY

This Admissions and Continued Occupancy Policy defines the Grundy County Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Grundy County Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Grundy County Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Grundy County Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Grundy County Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Grundy County Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Grundy County Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Grundy County Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Grundy County Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special

treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Grundy County Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Grundy County Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Grundy County Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Grundy County Housing Authority will obtain documentation that the requested accommodation is needed due to the

disability. The Grundy County Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Grundy County Housing Authority's business is housing. If the request would alter the fundamental business that the Grundy County Housing Authority conducts, that would not be reasonable. For instance, the Grundy County Housing Authority would deny a request to have the Grundy County Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Grundy County Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the Grundy County Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Grundy County Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Grundy County Housing Authority's programs and services, the Grundy County Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Grundy County Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Grundy County Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Grundy County Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR LIMITED ENGLISH PROFICIENCY SPEAKING APPLICANTS AND RESIDENTS

The Grundy County Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The Grundy County Housing Authority shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program;
- C. The nature and importance of the program, activity, or service provided by the program; and
- D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the Grundy County Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the Grundy County Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the Grundy County Housing Authority shall utilize multilingual “I speak” cards to the maximum degree possible.”

4.0 FAMILY OUTREACH

The Grundy County Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Grundy County Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Grundy County Housing Authority will also try to utilize public service announcements.

The Grundy County Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing

eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Grundy County Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease

- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current Grundy County Housing Authority Notices

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

**Grundy County Housing Authority
Saratoga Tower
1700 Newton Place
Morris, Illinois 60450**

Applications are taken to compile a waiting list. Due to the demand for housing in the Grundy County Housing Authority jurisdiction, the Grundy County Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Grundy County Housing Authority will verify the information.

Applications may be made in person on **Monday through Friday between the hours of 9:00AM and 2:00PM**. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Grundy County Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Grundy County Housing Authority to make special arrangements.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's pre-application, the Grundy County Housing Authority will make a preliminary determination of eligibility. The Grundy County Housing Authority will notify an apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Grundy County Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Grundy County Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Grundy County Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Grundy County Housing Authority screening criteria in order to be admitted to public housing.

8.2 ELIGIBILITY CRITERIA

- A. Family Status - All families must have a Head of Household or Co-Heads of Household
1. **A family with or without children.** Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining

bedroom size but are not considered family members for determining income limit.

2. An **elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides.
3. A **near-elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
 - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
4. A **disabled family**, which is:
 - a. A family whose head, spouse, or sole member is a person with disabilities;
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
 - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.

6. **A remaining member of a tenant family.**
7. **A single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.
2. Income limits apply only at admission and are not applicable for continued occupancy.
3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Grundy County Housing Authority.
4. If the Grundy County Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
6. The Grundy County Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.
7. If there are no eligible families on the waiting list and the Grundy County Housing Authority has published a 30 calendar day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the non-citizen rule).
 - c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Grundy County Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;

- b. A provision authorizing HUD or the Grundy County Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
- d. A statement allowing the Grundy County Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
- e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Grundy County Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Grundy County Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Grundy County Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause

damage to the property;

4. History of disturbing neighbors or destruction of property;
5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Grundy County Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Grundy County Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Grundy County Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Grundy County Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Grundy County Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Grundy County Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to

demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and

5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Grundy County Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

8.4 GROUND FOR DENIAL

The Grundy County Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any member of the applicant family has been arrested at least **two** times within the prior **five (5)** year period for this purpose, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Were evicted from federally assisted housing within the past five years because of drug-related criminal activity. The three year limit is based on the date of such eviction, not the date the crime was committed.

However, the Grundy County Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Grundy County Housing Authority; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current);
 - L. The Grundy County Housing Authority determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - M. The Grundy County Housing Authority determines that it has reasonable cause to believe that a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, Grundy County Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any Grundy County Housing Authority staff member or resident;
- O. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

The Grundy County Housing Authority reserves the right to evict entire public housing households whenever any member of the household, or any household guest, engages in drug-related or certain other criminal activity.

The Grundy County Housing Authority will consider a wide range of factors in deciding whether, and whom, to evict as a consequence of such a lease violation. The Grundy County Housing Authority will consider, among many other things, the seriousness of the violation, the effect that eviction of the entire household would have on household members not involved in the criminal activity, and the willingness of the head of household to remove the wrongdoing household member from the lease as a condition for continued occupancy.

(This authority is based on the March 26, 2002 decision of the Supreme Court in *HUD v. Rucker*. The Court unanimously affirmed the right of public housing authorities, under a statutorily-required lease clause, to evict entire public housing households whenever any member of the household, or any household guest engages in drug-related or certain other criminal activity.)

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Grundy County Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program;
or
3. Has otherwise been successfully rehabilitated.

For this purpose, Grundy County Housing Authority will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the Grundy County Housing Authority denies admission to the Grundy County Housing Authority's public housing program on the basis of a criminal record, the Grundy County Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have fourteen (14) calendar days to dispute the accuracy and relevance of the record in writing. If the Grundy County Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

8.5 *INFORMAL REVIEW*

- A. If the Grundy County Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Grundy County Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The Grundy County Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Grundy County Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Grundy County Housing Authority's decision. The Grundy County Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the Grundy County Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the Grundy County Housing Authority and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Grundy County Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The Grundy County Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Grundy County Housing Authority has current information, i.e., applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Grundy County Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;
- C. The applicant does not meet either the eligibility or suitability criteria for the program;
- D. The applicant declines a unit offer either in writing or orally; or
- E. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Grundy County Housing Authority will be sent a notice of termination of the process for eligibility.

The Grundy County Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Grundy County Housing Authority will work closely with the family to find a more suitable time.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Grundy County Housing Authority, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Grundy County Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Grundy County Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Grundy County Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

A. Applicants who live in the jurisdiction of the Grundy County Housing Authority (Grundy County).

B. All other applicants

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Near elderly families (a family whose head or spouse (or sole member) is at least 50 years of age, but below the age of 62 years) shall have preference for admission over other single persons.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B.

Buildings Designed for the Elderly and Disabled (Mixed Population Developments): Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who

qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority’s expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

10.1.1 FEDERALLY DECLARED DISASTERS

In the case of a federally declared disaster, the Grundy County Housing Authority reserves the right for its Executive Director to suspend its preference system whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
1	1	2
2	2	4

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons.

In determining bedroom size, the Grundy County Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex **will** share a bedroom.
- B. Children of the opposite sex, both under the age of six (6), will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The Grundy County Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for three (3) years) or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The Grundy County Housing Authority will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

- E. In no event will a single person who is not an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

10.3 SELECTION FROM THE WAITING LIST

The Grundy County Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

The Grundy County Housing Authority is not subject to the deconcentration requirements according to 24 CFR 903. Nevertheless, the Grundy County Housing Authority will affirmatively market its housing to all eligible income groups.

10.5 OFFER OF A UNIT

When the Grundy County Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the income targeting goal.

The Grundy County Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail.

The family will be offered the opportunity to view the unit. If the family rejects the offer of the unit, the Grundy County Housing Authority will send the family a letter documenting the offer and the rejection. The Grundy County Housing Authority will strive to turn over all apartments in twenty (20) calendar days or less.

10.6 REJECTION OF UNIT

If in making the offer to the family the Grundy County Housing Authority skipped over other families on the waiting list in order to meet their income targeting goal and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Grundy County Housing Authority did not skip over other families on the waiting list to reach this family, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and child care (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.7 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, utility allowances, the current schedule of routine maintenance charges, a Tenant Handbook and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Grundy County Housing Authority will retain the original executed lease in the tenant's file.

The family will pay a security deposit at the time of lease signing. The security deposit will be **\$150.00. For smokers, there shall be an additional non refundable fee of \$150**

to cover the additional expense to the Grundy County Housing Authority of cleaning and preparing the unit for reoccupancy. In order to avoid controversy over the return of the security deposit, the Grundy County Housing Authority shall videotape the head of household inspecting the unit prior to move-in for the purpose of determining pre-existing damage to the unit.

In exceptional situations, the Grundy County Housing Authority reserves the right to allow a new resident to pay their security deposit in payments with the approval of the Executive Director. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Grundy County Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Grundy County Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Grundy County Housing Authority believes that past income is the best available indicator of expected future income, the Grundy County Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to, the amounts specified in the federal

regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance
 - 1. Welfare assistance payments

- a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
- b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

- a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Grundy County Housing Authority by the welfare agency) plus the total amount of other annual income.
- b. At the request of the Grundy County Housing Authority, the welfare agency will inform the Grundy County Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Grundy County Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Grundy County Housing Authority will use this information to determine the amount of imputed

welfare income for a family.

- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the Grundy County Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The Grundy County Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Grundy County Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Grundy County Housing Authority denies the family's request to modify such amount, then the Grundy County Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Grundy County Housing Authority's determination of the amount of imputed welfare income. The Grundy County Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The Grundy County Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Grundy County Housing Authority written notice of such reduction, the

family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- b. The Grundy County Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the Grundy County Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
 - c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Grundy County Housing Authority shall rely on the welfare agency notice to the Grundy County Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
 - H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. No resident may receive more than one such stipend during the same period of time;

This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
 - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
 - c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

12. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

- D. Reasonable childcare expenses for children 12 and younger necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

11.4 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME

- A. If a public housing resident receives a letter or notice from HUD concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within thirty (30) calendar days of receipt by the resident.
- B. The Housing Manager shall reconcile any difference between the amount reported by the resident and the amount listed in the HUD communication. This shall be done as promptly as possible.

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the Grundy County Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The Grundy County Housing Authority will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. The Grundy County Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

- A. 12.0 VERIFICATION

The Grundy County Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, documentation such

as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. Enterprise Income Verification (EIV) – HUD’s online wage and benefit system that allows PHAs to verify tenant-reported income from an independent source in computerized form.**
- b. State Wage Information Collection Agencies (SWICAs)**
- c. State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

It is important to note that UIV data will only be used to verify a resident’s eligibility for participation in a rental assistance program and to determine the level of assistance the resident is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Grundy County Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Grundy County Housing Authority requiring the immediate payment of any over-subsidy, the entering into a

repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Grundy County Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

The Grundy County Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Grundy County Housing Authority will allow two (2) weeks for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Grundy County Housing Authority will allow five (5) business days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the two (2) week and five (5) business days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the two (2) week and five (5) business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Grundy County Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident’s file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Grundy County Housing Authority will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Grundy County Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Grundy County

Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Grundy County Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Grundy County Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Grundy County Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be

required to sign a statement to this effect. The Grundy County Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) calendar days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Grundy County will provide them with the following information whenever they have to make rent decisions:
 - 1. The Grundy County Housing Authority's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Grundy County Housing Authority will provide the amount of income-based rent for the subsequent year only the year the Grundy County Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;

- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of **\$50.00**.

13.3 MINIMUM RENT

The Grundy County Housing Authority has set the minimum rent at **\$50.00**. If the family requests a hardship exemption, however, the Grundy County Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will

be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Grundy County Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Grundy County Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Grundy County Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Grundy County Housing Authority has already factored who pays for the utilities into the flat rent calculation..

13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and

- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Grundy County Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.6 UTILITY ALLOWANCE

The Grundy County Housing Authority shall establish a utility allowance for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Grundy County Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc.). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Grundy County Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant. **The Grundy County Housing Authority reserves the right to pay the utility allowance directly to the utility companies. The family will be advised of the amount paid to the utility supplier.**

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place.

Requests for relief from surcharges for excess consumption of Grundy County Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Grundy County Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.7 PAYING RENT

Dwelling rent and associated charges are due and payable in advance on the first (1st) day of each month. Rent and associated charges are accepted at the Housing Authority office from 8:00AM to 4:30PM Monday through Friday. Rental payments are not accepted nor will they be credited to a resident's account on Saturday, Sunday or any regularly scheduled holidays.

Rent payments will only be accepted in the form of a personal check or money order. **NO CASH** will be accepted for rent or any other charges due the Housing Authority.

Rental payments, whether hand delivered or mailed, should be at the Housing Authority office by 2:00PM the fifth (5th) calendar day of the month. If rent and other charges are not received by 8:00AM on the tenth day of the month, \$1.00 per calendar day late charge will be assessed and retroactive back to the first (1st) day of the month. An additional \$1.00 per calendar day late charge will be assessed for each additional calendar day rent and associated charges are not received. A check returned for non-sufficient funds shall be considered non-payment of rent. In the event rent is paid by personal check and such check is returned for non-sufficient funds or any other reason the following shall apply:

- a. The non-sufficient check shall be considered non-payment of rent and applicable late fees shall accrue.
- b. The Resident shall be liable for any bank charges attendant to the returned check.
- c. The Resident shall be liable for an administrative \$10 returned check fee plus the actual charge levied by the bank.

Tenants who have not paid rent and associated charges by the sixth (6th) calendar day of the month will be advised at the close of business on that day. If rent and associated charges are not received by 8:00AM on the tenth calendar day of the month, a second notice will be sent requesting immediate payment and advising them of the late charges

being assessed. If rent and associated charges are not paid by the fifteenth (15th) calendar day of the month, a **NOTICE OF TERMINATION** and **NOTICE TO VACATE** will be sent, via certified mail, return receipt requested, or by personal service to the tenant. The notice shall comply with Federal and State Law.

Tenants may request a time extension for payment of rent and associated charges from the Executive Director. All extensions in rental payments must be in writing and signed by the Executive Director. Rent is based on the tenant's ability to pay. In signing the lease, the tenant agrees to pay rent and associated charges on the first (1st) day of the month. The Executive Director is required to be fair but also firm in rental collections. Laxity in the collection of rental payments leads to laxity in the payment of rental charges. It is necessary for all tenants to pay their rent and associated charges promptly to enable the Grundy County Housing Authority to continue to provide low-income housing assistance to qualified tenants.

In addition to a resident's normal rent, the resident may be subject to additional charges as set forth in the Grundy County Housing Authority's Schedule of Charges. Items covered in the Schedule of Charges include excess utilities, resident damage to their unit or some other aspect of the property, returned check fees, failure to control a pet properly, littering the property, etc. All payments on a resident's account will be applied to charges other than rent first, and then applied toward rent owed.

14.0 COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.

- D. Family members engaged in work activity as defined in section 407(d) of the Social Security Act, specified below. **For community service, work is defined as working ten (10) hours or more per week.**
1. Unsubsidized employment;
 2. Subsidized private-sector employment;
 3. Subsidized public-sector employment;
 4. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
 5. On-the-job-training;
 6. Job-search and job-readiness assistance;
 7. Community service programs;
 8. Vocational educational training (not to exceed 12 months with respect to any individual);
 9. Job-skills training directly related to employment;
 10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
 11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
 12. The provision of childcare services to an individual who is participating in a community service program.
- E. Family members who are or would be exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State

welfare program, including welfare-to-work and who are in compliance with that program.

14.3 NOTIFICATION OF THE REQUIREMENT

The Grundy County Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Grundy County Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Grundy County Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after **OCTOBER 1, 2003**. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Grundy County Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Grundy County Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission or at the first annual reexamination on or after **OCTOBER 1, 2003**, and each annual reexamination thereafter, the Grundy County Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. At least thirty (30) calendar days before the family's next lease anniversary date, the volunteer coordinator will advise the Grundy County Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Grundy County Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The Grundy County Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with

the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Grundy County Housing Authority shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Grundy County Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the Grundy County Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Grundy County Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Grundy County Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the

family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Grundy County Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Grundy County Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Grundy County Housing Authority will send a reexamination letter to the family offering the choice between a flat rent or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Grundy County Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Grundy County Housing Authority representative, they may make the selection on the form and return the form to the Grundy County Housing Authority. In such case, the Grundy County Housing Authority will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Grundy County Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will be required to report any increase in income or decrease in allowable expenses between annual reexaminations.

Increases in the tenant rent will not be processed until the next regularly scheduled annual reexamination of income with the exception of zero (-0-) income tenants.

Families are required to report the following changes to the Grundy County Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Grundy County Housing Authority will determine the eligibility of the

individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Grundy County Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Grundy County Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Grundy County Housing Authority may schedule special reexaminations every thirty (30) days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Grundy County Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twenty four (24) months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who

reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Grundy County Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Grundy County Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide Grundy County Housing Authority approved third party verification of the need for the transfer.

16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Grundy County Housing Authority and the family rejects two offers without good cause, the Grundy County Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Grundy

County Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.

If there are no families on the waiting list for a larger size unit, smaller families may be allowed to remain in a larger size unit if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move. Permission to remain in a larger size unit is at the sole discretion of the Executive Director.

- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller; or
- C. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Grundy County Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the Grundy County Housing Authority has caused the unit to be unsafe or inhabitable; or
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved.

The responsibility for moving costs in other circumstances will be determined on a case

by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Grundy County Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Grundy County Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Grundy County Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Grundy County Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE GRUNDY COUNTY HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Grundy County Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Grundy County Housing Authority file and a copy given to the family member. An authorized Grundy County Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security

deposit can be used to offset against any Grundy County Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Grundy County Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Grundy County Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Grundy County Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

Every dwelling unit shall be equipped with at least one approved carbon monoxide alarm in an operating condition within 15 feet of every room used for sleeping purposes. The carbon monoxide alarm may be combined with smoke detecting devices provided that the combined unit complies with the respective provisions of the administrative code, reference standards, and departmental rules relating to both smoke detecting devices and carbon monoxide alarms and provided that the combined unit emits an alarm in a manner that clearly differentiates the hazard.

Every structure that contains more than one dwelling unit shall contain at least one approved carbon monoxide alarm in operating condition within 15 feet of every room used for sleeping purposes.

It is the responsibility of the owner of a structure to supply and install all required alarms. It is the responsibility of a tenant to test and to provide general maintenance for the alarms within the tenant's dwelling unit or rooming unit, and to notify the owner or the authorized agent of the owner in writing of any deficiencies that the tenant cannot correct. The owner is responsible for providing one tenant per dwelling unit with written information regarding alarm testing and maintenance.

The tenant is responsible for replacement of any required batteries in the carbon monoxide alarms in the tenant's dwelling unit, except that the owner shall ensure that the batteries are in operating condition at the time the tenant takes possession of the dwelling unit. The tenant shall provide the owner or the authorized agent of the owner with access to the dwelling unit to correct any deficiencies in the carbon monoxide alarm that have been reported in writing to the owner or the authorized agent of the owner.

The carbon monoxide alarms may be either battery powered, plug-in with battery back-up, or wired into the structure's AC power line with secondary battery back-up.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Grundy County Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Grundy County Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Grundy County Housing Authority will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Grundy County Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Grundy County Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Grundy County Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Grundy County Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The Grundy County Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN PUBLIC HOUSING

The Grundy County Housing Authority allows for pet ownership in its development with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Grundy County Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

18.4 TYPES AND NUMBER OF PETS

The Grundy County Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. No more than two animals with the exception of fish. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered. A licensed veterinarian must verify this fact.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed the following weight limitations:

Dog:	25 lbs.
Cat:	15 lbs.
Bird:	small sized (for example: canaries or parakeets)
Rodent:	15 lbs. (including rabbits)
Fish or Turtle:	Does not apply

18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Grundy County Housing Authority to attest to the inoculations.

18.6 PET DEPOSIT

A pet deposit of **\$150** is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate deposit is required for each pet.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Grundy County Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Grundy County Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal

waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed in the building common areas so long as they are on a leash and controlled in a manner that does not threaten the health, safety or quiet enjoyment of people in the building and only in designated areas on the grounds of the property if the Grundy County Housing Authority designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, craft room, library, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over 12 hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violated any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

18.11 VISITING PETS

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without Grundy County Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

18.12 REMOVAL OF PETS

The Grundy County Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Grundy County Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Grundy County Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the Grundy County Housing Authority allow them to enter into a Repayment Agreement. The Grundy County Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the resident to eviction procedures.

The Grundy County Housing Authority has a minimum rent of \$50.00 and allows for repayment agreements for those tenants whose rental amount is the minimum rent and who have had their rent abated for a temporary period.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 15-day written notice. If the tenant vacates prior to the end of the fifteen (15) days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

Twelve months after the Grundy County Housing Authority has implemented the mandated Community Service Requirement, it will not renew the lease of any non-exempt family that is not in compliance with the Community Service Requirement or approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Grundy County Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include, but are not limited to, the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;

- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Grundy County Housing Authority or on the premises of any other federally assisted housing;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the Grundy County Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted therefrom;
- P. The Grundy County Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;

- Q. Determination that a household member is illegally using a drug or when the Grundy County Housing Authority determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- R. Criminal activity as shown by a criminal record. In such cases the Grundy County Housing Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the Grundy County Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial; and
- S. Other good cause.

If an individual or family's lease is terminated for criminal activity, the Grundy County Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Grundy County Housing Authority will consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity, and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Grundy County Housing Authority will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination.

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Grundy County Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program; or

3. Has otherwise been successfully rehabilitated.

For this purpose, Grundy County Housing Authority may require the leaseholder to submit evidence of one of the above 3 statements.

20.3 TERMINATIONS FOR CRIMINAL ACTIVITY

- A. The term “due process determination” means a determination by HUD that law covering the Grundy County Housing Authority’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- A. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The Grundy County Housing Authority has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Grundy County Housing Authority’s public housing premises by other residents or employees of the Housing Authority;
 2. Any violent or drug-related criminal activity on or off such premises; or
 3. Any activity resulting in a felony conviction.

20.4 ABANDONMENT

The Grundy County Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, a Grundy County Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If the Grundy County Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

The Grundy County Housing Authority will mail a notice of the sale or disposition to the resident and then wait thirty (30) days.

Any money raised by the sale of the property goes to cover money owed by the family to the Grundy County Housing Authority such as back rent and the cost of storing and selling the goods. If there is any money left over and the family’s forwarding address is

known the Grundy County Housing Authority will mail it to the family. If the family's address is not known, the Grundy County Housing Authority will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Grundy County Housing Authority.

Within thirty (30) days of learning of an abandonment, the Grundy County Housing Authority will either return the deposit or provide a statement of why the deposit is being kept.

20.5 RETURN OF SECURITY DEPOSIT

After a family moves out, the Grundy County Housing Authority will return the security deposit within thirty (30) days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

The Grundy County Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within **thirty (30)** days.

21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Grundy County Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Grundy County Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.

- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Grundy County Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

22.0 ANTI-FRAUD POLICY

The Grundy County Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Grundy County Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Grundy County Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Grundy County Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Grundy County Housing Authority deems appropriate.

(Check one)

Families may change rent calculation methods at any recertification. Families who have chosen the flat rent option may request a reexamination and change to the income-based method at any time if the family's income has decreased, their on-going expenses for such purposes as child care and medical care have changed or any other circumstances that create a hardship for the family that would be alleviated by a change.

Dwelling rent and associated charges are due and payable in advance on the first (1st) day of each month at the Grundy Housing Authority office and shall remain in effect until adjusted in accordance with the provisions of this lease. Rent and associated charges are accepted at the Housing Authority office from 8:00AM to 4:30PM Monday through Friday. Rental payments are not accepted nor will they be credited to a resident's account on Saturday, Sunday or any regularly scheduled holidays. If a reasonable accommodation on where to pay rent is needed, other arrangements can be made.

Rent payments will only be accepted in the form of a personal check or money order. **NO CASH** will be accepted for rent or any other charges due the Housing Authority.

Rental payments, whether hand delivered or mailed, should be at the Housing Authority office by 2:00PM the fifth (5th) calendar day of the month. If rent and other charges are not received by 8:00AM on the tenth day of the month, \$1.00 per calendar day late charge will be assessed and retroactive back to the first (1st) day of the month. An additional \$1.00 per calendar day late charge will be assessed for each additional calendar day rent and associated charges are not received. A check returned for non-sufficient funds shall be considered non-payment of rent. In the event rent is paid by personal check and such check is returned for non-sufficient funds or any other reason the following shall apply:

- a. The non-sufficient check shall be considered non-payment of rent and applicable late fees shall accrue.
- b. The Resident shall be liable for any bank charges attendant to the returned check.
- c. The Resident shall be liable for an administrative \$10 returned check fee plus the actual charge levied by the bank.

Residents who have not paid rent and associated charges by the sixth (6th) calendar day of the month will be advised at the close of business on that day. If rent and associated charges are not received by 8:00AM on the tenth calendar day of the month, a second notice will be sent requesting immediate payment and advising them of the late charges being assessed. If rent and associated charges are not paid by the fifteenth (15th) calendar day of the month, a **NOTICE OF TERMINATION** and **NOTICE TO VACATE** will be sent, via first class mail and certified mail to the resident. The notice shall comply with Federal and State Law.

Residents may request a time extension for payment of rent and associated charges from the Executive Director. All extensions in rental payments must be in writing and signed by the Executive Director.

If a family is paying the minimum rent and its circumstances change creating an inability to pay the rent, the family may request suspension of the minimum rent because of a recognized hardship.

In the event legal proceedings are required to recover possession of the premises, the Resident will be charged with the actual cost of such proceedings, including the cost of reasonable attorney's fees awarded as part of a judgment against the Resident.

All payments on a resident's account will be applied to charges other than rent first, and then applied toward rent owed.

4. **SECURITY DEPOSIT:** The Resident has paid the amount of \$_____ to the Landlord as a Security Deposit.

In exceptional situations, the Grundy County Housing Authority reserves the right to allow a new resident to pay their security deposit in payments with the approval of the Executive Director. This shall be at the sole discretion of the Housing Authority.

The Landlord will hold this security deposit for the period the Resident occupies the dwelling unit. The Landlord shall not use the Security Deposit for rent or other charges while the Resident is living in the dwelling unit.

Within 30 days after the Resident has permanently moved out of the dwelling unit, the Landlord shall return the Security Deposit with interest at the rate provided by State law after deducting whatever amount is needed to pay the cost of:

- a. unpaid rent;
- b. repair of damages that exceed normal wear and tear as listed on the Move-Out Inspection Report; and
- c. other charges due under the Lease.

The Landlord shall provide the Resident with a written list of any charges made against the Security Deposit. If the Resident disagrees with the amounts deducted, the Landlord will meet with the Resident to discuss the charges.

The Resident is a smoker and has paid a nonrefundable fee of \$_____ to the Landlord to cover the additional cost of cleaning the dwelling unit after the Resident vacates.

5. **OCCUPANCY:** The Resident shall use the premises as a private dwelling for himself or herself and the persons named in this Lease, with the exception of minor children born into the household during this tenancy, and shall not permit its use for any other purpose without the written permission of the Landlord.

- g. be absent from the unit for more than two hundred and twenty (220) consecutive days without receiving the agreement of the Grundy County Housing Authority.

With the written permission of the Landlord, the Resident can incidentally use the premises for legally permissible income producing purposes so long as the business does not infringe on the rights of other Residents. All such business-related uses of the premises must meet all zoning requirements and the Resident must have the proper business licenses.

The Resident has the right to exclusive use and occupancy of the dwelling unit, which includes reasonable accommodation of the Resident's guests, visitors and, with the consent of the Landlord, foster children and/or adults and the live-in care giver of the Resident's family.

6. **CONDITION OF DWELLING:** By signing this Lease and the Unit Inspection Report, the Resident acknowledges that the dwelling unit is safe, clean and in good condition, and that all appliances and equipment in the dwelling unit are in good working order as described on the Move-in Unit Inspection Report. This report, signed by both the Resident and Landlord, is attached to this Lease.

At the time of move out, the Landlord shall complete another inspection of the dwelling unit. When the Resident notifies the Landlord of his or her intent to vacate, the Landlord shall advise the Resident of their opportunity to participate in the move-out inspection.

7. **UTILITIES:** The Grundy County Housing Authority shall provide the following utilities as a part of this lease agreement but shall not be liable for the failure to provide service if beyond its control:

8. **RENT RECERTIFICATIONS:** Each year, by the date specified by the Landlord, Residents who are paying rent based on their income shall provide updated information regarding income, assets, expenses, and family composition. The Landlord shall verify the information supplied by the Resident and use the verified information to establish the amount of the Resident's rent for the next year. At the time of the annual review, the landlord shall advise the Resident of any income that will be excluded from consideration. Increased earnings due to employment shall be excluded during the twelve month period following hire for families whose income has increased because of the employment of a family member who was previously unemployed for one or more years, because of participation in a self-sufficiency program or was assisted by a State TANF program within the last six months.

Income reviews will be held every third year for Residents choosing the flat rent option. Residents who have chosen this option will be notified at the appropriate time for their recertification.

At the time of the review appointment the Resident may elect to change his or her rent choice option.

In cases where annual income cannot be projected for a twelve-month period or the Resident is reporting no income and Resident has chosen the percentage of income rent option, the Landlord will schedule special rent reviews every thirty (30) days. In addition, the Resident may request a change in the rent choice option before the date of the review if the family experiences a decrease in income; their circumstances have changed increasing their expenses for child care, medical, etc.; or other circumstances create a hardship on the family such that the income method would be more financially feasible for the family.

Residents paying rent based on income may meet with the Landlord to discuss any change in rent resulting from the recertification process; and, if the Resident does not

agree with the determination of Resident rent, the Resident may request a hearing in accordance with the landlord's grievance procedures.

9. **INTERIM RENT ADJUSTMENTS:** Residents must promptly report to the Landlord any of the following changes in household circumstances when they occur between Annual Rent Recertifications within ten (10) days of their occurrence:
- a. A member has been added to the family through birth, adoption, or court-awarded custody.

- c. Handicapped assistance expenses, which enable a family member to work;
- d. Medical expenses of elderly, disabled, or handicapped headed households that are not covered by insurance; or
- e. Other family changes that impact their adjusted income.

Notwithstanding the provisions listed above, a Resident's rent shall not be reduced if the decrease in the family's annual income is caused by a reduction in the welfare or public assistance benefits received by the family that is a result of the Resident's failure to comply with the conditions of the assistance program requiring participation in an economic self-sufficiency program or other work activities. In addition, if the decrease in the family's annual income is caused by a reduction in welfare or public assistance benefits received by the family that is the result of an act of fraud, such decrease in income shall not result in a rent reduction. In such cases, the amount of income to be attributed to the family shall include what the family would have received had they complied with the welfare requirements or had not committed an act of fraud.

For purposes of rent adjustments, the reduction of welfare or public assistance benefits to a family that occurs as a result of the expiration of a time limit for the receipt of assistance will not be considered a failure to comply with program requirements. Accordingly, a Resident's rent will be reduced as a result of such a decrease.

The Landlord shall verify the information provided by the Resident to determine if a decrease in the rent is warranted.

If the Resident receives a letter or notice from HUD concerning the amount or verification of family income the communication shall be brought to the **Housing Manager** within 30 calendar days.

10. **EFFECTIVE DATE OF RENT CHANGE:** The Landlord shall give the Resident written notice of any change in the Resident's rent. The notice shall be signed by the Landlord, state the new amount the Resident is required to pay, and the effective date of the new rental amount.
- a. Rent Decreases: The Landlord shall process rent decreases so that the lowered rent amount becomes effective on the first day of the month after the Resident reports the change in household circumstances. This rent change may be made retroactive to the appropriate date if less than five (5) working days have been given to the Landlord to process this change.
 - b. Rent Increases: The Landlord shall process rent increases so that the Resident is given no less than 30 days advance written notice of the amount due.

Once the rental rate is established, it shall remain in effect until the effective date of the next annual review, unless another interim review and change is warranted or the Resident elects to change from the flat rent calculation method.

11. **RESIDENT OBLIGATION TO REPAY:** Residents who pay rent based on income shall reimburse the Landlord for the difference between the rent that was paid and the rent that should have been charged if proper notice of income change had been given and if the following circumstances occur:
- a. Resident does not submit rent review information by the date specified in the Landlord's request; or
 - b. Resident submits false information at Admission or at annual, special, or interim review.

Resident is not required to reimburse the Landlord for undercharges caused solely by the Landlord's failure to follow U.S. Department of Housing and Urban Development's procedures for computing rent.

12. **MAINTENANCE:**

The Resident Agrees To:

Maintenance of any vehicle owned or used by the tenant shall be conducted off of the premises or with the express permission of the Landlord. For purposes of this paragraph, "maintenance of any vehicle" shall be defined as any action taken by the vehicle owner, or on behalf of the vehicle owner, required to keep the vehicle in good working order, and which requires more than fifteen (15) minutes for a reasonable person to complete;

The Damage and Service Charge Schedule is posted in the Landlord's office. If the item is not listed on the Schedule, the Resident shall be charged the actual cost the Landlord incurred.

The Landlord Agrees To:

- a. maintain the premises and the property in decent and safe condition;
- b. comply with requirements of applicable building codes, housing codes materially affecting health and safety, and U.S. Department of Housing and Urban Development regulations;
- c. make necessary repairs to the premises;

- g. supply running water and reasonable amounts of hot water and heat at appropriate times of the year (according to local customs and usage) except where heat or hot

water is generated by an installation within the exclusive control of the Resident and supplied by a direct utility connection.

If the dwelling unit is rendered uninhabitable, regardless of cause:

- a. The Resident shall immediately notify the Landlord;
- b. The Landlord shall be responsible for repair of the unit within a reasonable time. If the Resident, household members or guests caused the damage, the reasonable cost of the repairs shall be charged to the Resident.
- c. The Landlord shall offer standard alternative accommodations, if available, when necessary repairs cannot be made within a reasonable time.
- d. The Landlord shall make a provision for rent abatement in proportion to the seriousness of the damage and loss in value if repairs are not made within a reasonable time. No abatement of rent shall occur if the Resident rejects the alternative accommodations or if the Resident, Resident's household, or guests caused the damage. The Resident agrees duration and amount of such abatement shall be at the sole discretion of the Landlord.

13. **RESTRICTION ON ALTERATIONS:** The Resident shall not do any of the following without first obtaining the Landlord's written permission:

- a. dismantle, change or remove any part of the appliances, fixtures or equipment in the dwelling unit;
- b. paint or install wallpaper or contact paper in the dwelling unit;

14. **ACCESS BY LANDLORD:** The Landlord shall provide forty eight (48) hours written advance notice to the Resident of his or her intent to enter the dwelling unit for the purpose of performing routine inspections and preventive maintenance, extermination or to show the dwelling unit for re-renting. The notice shall specify the date, time, and purpose for the entry. The Resident shall permit the Landlord, his or her agents, or other persons, when accompanied by the Landlord, to enter the dwelling unit for these purposes. In the event that the Resident and all adult members of the household are

absent from the dwelling unit at the time of entry, the Landlord shall leave a card stating the date, time and name of the person entering the dwelling unit and the purpose of the visit.

The Landlord may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe an emergency exists.

15. **SIZE OF DWELLING:** The Resident understands that the Landlord assigns dwelling units according to the Occupancy Standards published in its Admissions and Continued Occupancy Policy (ACOP). The Standards consider the type (such as dwelling units designed for the elderly or handicapped) and size of the dwelling unit required by the number of household members. If the Resident is or becomes eligible for a different type or size dwelling unit and an appropriate dwelling unit under this program and the Landlord's transfer policy becomes available, the Resident shall be given a reasonable period of time to move. This time shall not exceed sixty (60) days unless an unusual hardship condition exists. If the Resident fails to move to the designated dwelling unit within the notice period specified by the Landlord, the Landlord may terminate this lease.

If the Landlord determines that a Resident must transfer to another unit based on family composition, the Landlord shall notify the Resident. The Resident may ask for an explanation stating the specific grounds of the determination, and if the Resident does not agree with the determination, the Resident may request a hearing in accordance with the Landlord's grievance procedures.

16. **LEASE TERMINATION BY LANDLORD:** Any termination of this Lease shall be carried out in accordance with U.S. Department of Housing and Urban Development regulations, State and local law, and the terms of this Lease.

The Landlord shall not terminate or refuse to renew the Lease other than for serious or repeated violation of material terms of the Lease, such as, but not limited to, the following:

- a. nonpayment of rent or other charges due under the Lease (i.e. utilities), or repeated chronic late payment of rent (four times in a twelve month period);
- b. failure to provide timely and accurate statements of income, assets, expenses and family composition at Admission, Interim, Special or Annual Rent Recertifications, to attend scheduled reexamination interviews or to cooperate in the verification process if the Resident has chosen to pay rent based on a percentage of income;
- c. furnishing false or misleading information during the application or review process;
- d. assignment or subleasing of the premises or providing accommodation for boarders or lodgers;
- e. use of the premises for purposes other than solely as a dwelling unit for the Resident and Resident's household as identified in this Lease, or permitting its use for any other purpose without the written permission of the Landlord;

- f. failure to abide by necessary and reasonable rules made by the Landlord for the benefit and well being of the housing development and the Residents;
- g. failure to abide by applicable building and housing codes materially affecting health or safety;
- h. failure to dispose of garbage, waste and rubbish in a safe and sanitary manner;
- i. failure to use electrical, plumbing, sanitary, heating, ventilating, air conditioning and other equipment, including elevators, in a safe manner;
- j. acts of destruction, defacement or removal of any part of the premises, or failure to cause guests to refrain from such acts;
- k. failure to pay reasonable charges for the repair of damages to the premises, property buildings, facilities or common areas;
- l. any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other Residents, employees of the Authority, or other persons living in the immediate vicinity of the premises by the Resident or a guest of the Resident;
- m. failure to abide by the provisions of the pet policy;
- n. any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control;
- o. alcohol abuse that the Landlord determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- p. failure to perform required community service or be exempted therefrom;
- q. failure to allow inspection of the dwelling unit;
- r. determination that a family member has knowingly permitted an ineligible non-citizen not listed on the lease to permanently reside in their public housing unit;
- s. determination or discovery that a resident is a registered sex offender;
- t. determination that any member of the household has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing;
- u. determination that a household member is illegally using a drug or when the XYZ Housing Authority determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- v. if a Resident is fleeing to avoid prosecution, or custody or confinement after conviction of a crime that is a felony; or
- w. any other good cause.

17. **NOTICE OF LEASE TERMINATION:** If the Landlord proposes to terminate this Lease, the Resident shall be given written notice of the proposed termination, as listed below:

- a. for failure to pay rent, at least fourteen (14) days;
- b. for creation or maintenance of a threat to health or safety of other Residents or Landlord's employees, a reasonable time based on the urgency of the situation; or
- c. for all other cases, thirty (30) days, unless State law permits a shorter period.

The Notice to Vacate required by State or local law may be combined with or run concurrently with a Notice of Lease termination required by this lease.

The Notice of Lease Termination from the Landlord shall be either personally delivered to the Resident or to an adult member of the Resident's family residing in the dwelling unit, or sent to the Resident by First Class Mail, properly addressed, postage pre-paid. The notice shall:

- a. specify the date the Lease shall be terminated;
- b. state the grounds for termination with enough detail for the Resident to prepare a defense. The Landlord shall rely solely on the grounds stated in the Notice of Lease Termination in the event eviction action is initiated;
- c. advise the Resident of the right to reply as he or she may wish, to examine the Landlord's documents directly relevant to the termination or eviction, to use the Grievance Policy to contest the termination, and/or to defend the action in court.

18. **LEASE TERMINATION BY RESIDENT:** The Resident shall give the Landlord 15 days written notice before moving from the dwelling unit. If the Resident does not give the full notice, the Resident shall be liable for rent to the end of the notice period or to the date the dwelling unit is re-rented, whichever date comes first.

19. **TERMINATION OF LEASE UPON DEATH OR INCAPACITY OF RESIDENT:** Upon the death of the Resident, or if there is more than one Resident, upon the death of all Residents, either the Landlord or the personal representative of the Resident's estate may terminate this Lease upon 15 days written notice, to be effective on the last day of a calendar month. If full notice is not given, the Resident's estate shall be liable for rent to the end of the notice period or to the date the unit is re-rented, whichever date comes first. The termination of a Lease under this section shall not relieve the Resident's estate from liability either for payment of rent or other amounts owed prior to or during the notice period, or for the payment of amounts necessary to restore the premises to their condition at the beginning of the Resident's occupancy, normal wear and tear excepted.

If during the term of this Lease the Resident, by reason of physical or mental impairment, is no longer able to comply with the material provisions of this Lease and the Landlord cannot make a reasonable accommodation to enable the Resident to comply with the Lease; then action shall be taken. The Landlord will assist the Resident or designated member(s) of the Resident's family to move the Resident to more suitable housing. If there are no family members, the Landlord will work with appropriate agencies to secure suitable housing. This Lease will terminate upon the Resident moving from the unit.

20. **PROPERTY ABANDONMENT:** The Grundy County Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, a Grundy County Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If the Grundy County Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

The Grundy County Housing Authority will mail a notice of the sale or disposition to the resident and then wait thirty (30) days.

Any money raised by the sale of the property goes to cover money owed by the family to the Grundy County Housing Authority such as back rent and the cost of storing and selling the goods. If there is any money left over and the family's forwarding address is known the Grundy County Housing Authority will mail it to the family. If the family's address is not known, the Grundy County Housing Authority will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Grundy County Housing Authority.

Within thirty (30) days of learning of an abandonment, the Grundy County Housing Authority will either return the deposit or provide a statement of why the deposit is being kept.

21. **DELIVERY OF NOTICES:**

Notice by Landlord: Any notice from the Landlord shall be in writing and either personally delivered to the Resident or to an adult member of the Resident's family residing in the dwelling unit, or sent to the Resident by First Class Mail, properly addressed, postage pre-paid.

Notice by Resident: Any notice to the Landlord shall be in writing, and either personally delivered to the Landlord at the Landlord's Office, or sent to Landlord by First Class Mail, postage pre-paid and addressed to: The Grundy County Housing Authority.

If the Resident is visually impaired, notices shall be in accessible format.

22. **GRIEVANCES:** All individual grievances or appeals, with the exception of those cases concerning eviction or termination of tenancy which are based upon a Resident's creation or maintenance of a threat to health or safety of other Residents or Landlord employees, shall be processed under the Grievance Policy. This policy is posted in the Landlord's Office where copies are available upon request.

Before the Landlord shall schedule a Grievance Hearing for any grievance concerning the amount of rent the Landlord claims is due, the Resident must first bring his or her rent account current by paying to the Landlord an amount equal to the amount of rent due and

payable as of the first of the month preceding the month in which the act or failure to act took place. After the hearing is scheduled, the Resident shall continue to deposit this same monthly rent amount into the Landlord's escrow account until the complaint is resolved by the decision of the hearing officer or panel.

When the Housing Authority is required to afford the Resident the opportunity for a hearing in accordance with the authority's grievance procedure for a grievance concerning the Lease termination, the tenancy shall not terminate (even if any notice to vacate under State or local law has expired) until the time for the Resident to request a grievance hearing has expired, and (if a hearing was timely requested by the Resident) the grievance process has been completed.

- 23. **HOUSE RULES:** The Resident agrees to obey any House Rules, which are reasonably related to the safety, care and cleanliness of the building and the safety, comfort and convenience of the Residents. Such rules may be modified by the Landlord from time to time provided that the Resident receives written notice of the proposed change, reasons for the change and an opportunity to submit written comments during a 30 day comment period at least 30 days before the proposed effective date of the change in the Rule. Existing House Rules, if any, are posted in the property and are attached to this Lease.
- 24. **DISCRIMINATION PROHIBITED:** The Landlord shall not discriminate based upon race, color, creed, religion, national origin, sex, marital status, age, handicap or disability, familial status, or recipients of public assistance and shall comply with all nondiscrimination requirements of Federal, State and local law.
- 25. **GOVERNANCE:** This lease shall be governed by the laws of the State of Illinois.
- 26. **SEVERABILITY:** In the event any provision of this lease should be held unlawful it shall be severed from the document. All remaining provisions shall remain in full force and effect.
- 27. **ATTACHMENTS TO THE LEASE:** The Resident certifies that he/she has received a copy of this Lease and the following Attachments to this Lease, and understands that these Attachments are part of this Lease.

Attachments: New applicants will be provided a copy of the lease, utility allowances, the current Schedule of Charges, a Tenant Handbook and a request for reasonable accommodation form. Residents renewing their lease will be provided any of these attachments upon request.

APPENDIX 1. PROCUREMENT POLICY GRUNDY COUNTY HOUSING AUTHORITY

This Procurement Policy complies with the Annual Contributions Contract (ACC) between Grundy County Housing Authority (GCHA) and the HUD, Federal Regulations at **24 CFR 85.36**, the procurement standards of the Procurement Handbook for PHAs, HUD Handbook 7460.8, Rev 2, and applicable State and Local laws.

GENERAL PROVISIONS

General

The GCHA shall: provide for a procurement system of quality and integrity; provide for the fair and equitable treatment of all persons or firms involved in purchasing by the GCHA; ensure that supplies and services (including construction) are procured efficiently, effectively, and at the most favorable prices available to the GCHA; promote competition in contracting; and assure that GCHA purchasing actions are in full compliance with applicable Federal standards, HUD regulations, State, and local laws.

Application

This Procurement Policy applies to all procurement actions of the Authority, regardless of the source of funds, except as noted under “exclusions,” below. However, nothing in this Policy shall prevent the GCHA from complying with the terms and conditions of any grant, contract, gift or bequest that is otherwise consistent with the law. When both HUD and non-Federal grant funds are used for a project, the work to be accomplished with the funds should be separately identified prior to procurement so that appropriate requirements can be applied, if necessary. If it is not possible to separate the funds, HUD procurement regulations shall be applied to the total project. If funds and work can be separated and work can be completed by a new contract, then regulations applicable to the source of funding may be followed.

Definition

The term “procurement,” as used in this Policy, includes the procuring, purchasing, leasing, or renting of: (1) goods, supplies, equipment, and materials, (2) construction and maintenance; consultant services, (3) Architectural and Engineering (A/E) services, (4) Social Services, and (5) other services.

The term “contracting officer,” as used in this Policy shall refer to the C.E.O. or his or her designee.

Exclusions

This policy does not govern administrative fees earned under the Section 8 voucher program, the award of vouchers under the Section 8 program, the execution of landlord Housing Assistance Payments contracts under that program, or non-program income, e.g., fee-for-service revenue under 24 CFR Part 990. These excluded areas are subject to applicable State and local requirements.

Changes in Laws and Regulations

In the event an applicable law or regulation is modified or eliminated, or a new law or regulation is adopted, the revised law or regulation shall, to the extent inconsistent with these Policies, automatically supersede these Policies.

Public Access to Procurement Information

Most procurement information that is not proprietary is a matter of public record and shall be available to the public to the extent provided in the Illinois Freedom of Information Act.

ETHICS IN PUBLIC CONTRACTING

General

The GCHA hereby establishes this code of conduct regarding procurement issues and actions and shall implement a system of sanctions for violations. This code of conduct, etc., is consistent with applicable Federal, State, or local law.

Conflicts of Interest

No employee, officer, Board member, or agent of the GCHA shall participate directly or indirectly in the selection, award, or administration of any contract if a conflict of interest, either real or apparent, would be involved. This type of conflict would be when one of the persons listed below has a financial or any other type of interest in a firm competing for the award:

- A. An employee, officer, Board member, or agent involved in making the award;
- B. His/her relative (including father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, or half sister);
- C. His/her partner; or
- D. An organization which employs or is negotiating to employ, or has an arrangement concerning prospective employment of any of the above.

Gratuities, Kickbacks, and Use of Confidential Information

No officer, employee, Board member, or agent shall ask for or accept gratuities, favors, or items of more than \$25 in value from any contractor, potential contractor, or party to any subcontract, and shall not knowingly use confidential information for actual or anticipated personal gain.

Prohibition Against Contingent Fees

Contractors wanting to do business with the GCHA must not hire a person to solicit or secure a contract for a commission, percentage, brokerage, or contingent fee, except for bona fide established commercial selling agencies.

PROCUREMENT PLANNING

Planning is essential to managing the procurement function properly. Hence, the GCHA will periodically review its record of prior purchases, as well as future needs, to: find patterns of procurement actions that could be performed more efficiently or economically; maximize competition and competitive pricing among contracts and decrease the GCHA's procurement costs; reduce GCHA administrative costs; ensure that supplies and services are obtained without any need for re-procurement, e.g., resolving bid protests; and minimize errors that occur when there is inadequate lead time. Consideration should be given to storage, security, and handling requirements when planning the most appropriate purchasing actions.

PURCHASING METHODS

Petty Cash Purchases

Purchases under \$100.00 may be handled through the use of a petty cash account. Petty Cash Accounts may be established in an amount sufficient to cover small purchases made during a reasonable period, e.g., one month. For all Petty Cash Accounts, the GCHA shall ensure that security is maintained and only authorized individuals have access to the account. These accounts shall be reconciled and replenished periodically.

Small Purchase Procedures

For any amounts above the Petty Cash ceiling, but not exceeding \$25,000, the GCHA may use small purchase procedures. Under small purchase procedures, the GCHA shall obtain a reasonable number of quotes (preferably three); however, for purchases of less than \$2,000, also known as Micro Purchases, only one quote is required provided the quote is considered reasonable. To the greatest extent feasible, and to promote competition, small purchases should be distributed among qualified sources. Quotes may be obtained orally (either in person or by phone), by fax, in writing, or through e-procurement. Award shall be made to the qualified vendor that provides the best value to the GCHA. If award is to be made for reasons other than lowest price, documentation shall be provided in the contract file. The GCHA shall not break down requirements aggregating more than the small purchase threshold (or the Micro Purchase threshold) into several purchases that are less than the applicable threshold merely to: (1) permit use of the small purchase procedures or (2) avoid any requirements that applies to purchases that exceed the Micro Purchase threshold.

Sealed Bids

Sealed bidding shall be used for all contracts that exceed the small purchase threshold and that are not competitive proposals or non-competitive proposals, as these terms are defined in this document. Under sealed bids, the PHA publicly solicits bids and awards a firm fixed-price contract (lump sum or unit price) to the responsible bidder whose bid, conforming with all the material terms and conditions of the IFB, is the lowest in price. Sealed bidding is the preferred method for procuring construction, supply, and non-complex service contracts that are expected to exceed \$25,000.00.

- A. **Conditions for Using Sealed Bids.** GCHA shall use the sealed bid method if the following conditions are present: a complete, adequate, and realistic statement of work, specification, or purchase description is available; two or more responsible bidders are willing and able to compete effectively for the work; the contract can be awarded based on a firm fixed price; and the selection of the successful bidder can be made principally on the lowest price.
- B. **Solicitation and Receipt of Bids.** An IFB is issued which includes the specifications and all contractual terms and conditions applicable to the procurement, and a statement that award will be made to the lowest responsible and responsive bidder whose bid meets the requirements of the solicitation. The IFB must state the time and place for both receiving the bids and the public bid opening. All bids received will be date and time-stamped and stored **unopened** in a secure place until the public bid opening. A bidder may withdraw the bid at any time prior to the bid opening.
- C. **Bid Opening and Award.** Bids shall be opened publicly. All bids received shall be recorded on an abstract (tabulation) of bids, and then made available for public inspection. If equal low bids are received from responsible bidders, selection shall be made by drawing lots or other similar random method. The method for doing this shall be stated in the IFB. If only one responsive bid is received from a responsible bidder, award shall **not** be made unless the price can be determined to be reasonable, based on a cost or price analysis.
- D. **Mistakes in Bids.** Correction or withdrawal of bids may be permitted, where appropriate, before bid opening by written or telegraphic notice received in the office designated in the IFB prior to the time set for bid opening. After bid opening, corrections in bids may be permitted only if the bidder can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the mistake, and the bid price actually intended. A low bidder alleging a nonjudgmental mistake may be permitted to withdraw its bid if the mistake is clearly evident on the face of the bid document but the intended bid is unclear or the bidder submits convincing evidence that a mistake was made. All decisions to allow correction or withdrawal of a bid shall be supported by a written determination signed by the Contracting Officer. After bid opening, changes in bid prices or other provisions of bids prejudicial to the interest of the GCHA or fair competition shall not be permitted.

Competitive Proposals

Unlike sealed bidding, the competitive proposal method permits: consideration of technical factors other than price; discussion with offerors concerning offers submitted; negotiation of contract price or estimated cost and other contract terms and conditions; revision of proposals before the final contractor selection; and the withdrawal of an offer at any time up until the point of award. Award is normally made on the basis of the proposal that represents the best overall value to the PHA, considering price and other factors, e.g., technical expertise, past experience, quality of proposed staffing, etc., set forth in the solicitation and not solely the lowest price.

- A. **Conditions for Use.** Where conditions are not appropriate for the use of sealed bidding, competitive proposals may be used. Competitive proposals are the preferred method for procuring professional services that will exceed the small purchase threshold.
- B. **Form of Solicitation.** Other than A/E services or for the solicitation of development partners, competitive proposals shall be solicited through the issuance of a RFP. The RFP shall clearly identify the importance and relative value of each of the evaluation factors as well as any subfactors and price. A mechanism for fairly and thoroughly evaluating the technical and price proposals shall be established **before** the solicitation is issued. Proposals shall be handled so as to prevent disclosure of the number of offerors, identity of the offerors, and the contents of their proposals until after award. The GCHA may assign price a specific weight in the evaluation criteria or the GCHA may consider price in conjunction with technical factors; in either case, the method for evaluating price shall be established in the RFP.
- C. **Evaluation.** The proposals shall be evaluated only on the criteria stated in the RFP. Where not apparent from the evaluation criteria, the GCHA shall establish an Evaluation Plan for each RFP. Generally, all RFPs shall be evaluated by an appropriately appointed Evaluation Committee. The Evaluation Committee shall be required to disclose any potential conflicts of interest and to sign a Non-Disclosure statement. An Evaluation Report, summarizing the results of the evaluation, shall be prepared prior to award of a contract.

- D. **Negotiations.** Negotiations shall be conducted with all offerors who submit a proposal determined to have a reasonable chance of being selected for award, unless it is determined that negotiations are not needed with any of the offerors. This determination is based on the relative score of the proposals as they are evaluated and rated in accordance with the technical and price factors specified in the RFP. These offerors shall be treated fairly and equally with respect to any opportunity for negotiation and revision of their proposals. No offeror shall be given any information about any other offeror's proposal, and no offeror shall be assisted in bringing its proposal up to the level of any other proposal. A common deadline shall be established for receipt of proposal revisions based on negotiations. Negotiations are exchanges (in either competitive or sole source environment) between the PHA and offerors that are undertaken with the intent of allowing the offeror to revise its proposal. These negotiations may include bargaining. Bargaining includes persuasion, alteration of assumptions and positions, give-and-take, and may apply to price, schedule, technical requirements, type of contract or other terms of a proposed contract. When negotiations are conducted in a competitive acquisition, they take place after establishment of the competitive range and are called discussions. Discussions are tailored to each offeror's proposal, and shall be conducted by the contracting officer with each offeror within the competitive range. The primary object of discussions is to maximize the GCHA's ability to obtain best value, based on the requirements and the evaluation factors set forth in the solicitation. The contracting officer shall indicate to, or discuss with, each offeror still being considered for award, significant weaknesses, deficiencies, and other aspects of its proposal (such as cost, price, technical approach, past performance, and terms and conditions) that could, in the opinion of the contracting officer, be altered or explained to enhance materially the proposer's potential for award. The scope and extent of discussions are a matter of the contracting officer's judgment. The contracting officer may inform an offeror that its price is considered by the PHA to be too high, or too low, and reveal the results of the analysis supporting that conclusion. It is also permissible to indicate to all offerors the cost or price that the government's price analysis, market research, and other reviews have identified as reasonable. "Auctioning" (revealing one offeror's price in an attempt to get another offeror to lower their price) is prohibited.
- E. **Award.** After evaluation of the revised proposals, if any, the contract shall be awarded to the responsible firm whose technical approach to the project, qualifications, price and/or any other factors considered, are most advantageous to the GCHA provided that the price is within the maximum total project budgeted amount established for the specific property or activity.
- F. **A/E and Development Partner Services.** The GCHA must contract for A/E services using QBS procedures, utilizing a RFQ and may do the same for soliciting a development partner. Sealed bidding shall not be used for A/E solicitations or development partner solicitation. Under QBS procedures, competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. Price is not used as a selection factor under this method. QBS procedures **shall not** be used to purchase other types of services.

Noncompetitive Proposals

- A. **Conditions for Use.** Procurement by noncompetitive proposals (sole-source) may be used **only** when the award of a contract is not feasible using small purchase procedures, sealed bids, cooperative purchasing, or competitive proposals, **and** if one of the following applies:
1. The item is available only from a single source, based on a good faith review of available sources;
 2. An emergency exists that seriously threatens the public health, welfare, or safety, or endangers property, or would otherwise cause serious injury to the GCHA, as may arise by reason of a flood, earthquake, epidemic, riot, equipment failure, or similar event. In such cases, there must be an immediate and serious need for supplies, services, or construction such that the need cannot be met through any of the other procurement methods, and the emergency procurement shall be limited to those supplies, services, or construction necessary simply to meet the emergency;
 3. HUD authorizes the use of noncompetitive proposals; or
 4. After solicitation of a number of sources, competition is determined inadequate.
- B. **Justification.** Each procurement based on noncompetitive proposals shall be supported by a written justification for the selection of this method. The justification shall be approved in writing by the responsible Contracting Officer. Poor planning or lack of planning is not justification for emergency or sole-source procurements. The justification, to be included in the procurement file, should include the following information:
1. Description of the requirement;
 2. History of prior purchases and their nature (competitive vs. noncompetitive);
 3. The specific exception in **24 CFR 85.36(d)(4)(i)(A)** through **(D)** which applies;
 4. Statement as to the unique circumstances that require award by noncompetitive proposals;
 5. Description of the efforts made to find competitive sources (advertisement in trade journals or local publications, phone calls to local suppliers, issuance of a written solicitation, etc.);
 6. Statement as to efforts that will be taken in the future to promote competition for the requirement;
 7. Signature by the Contracting Officer's supervisor (or someone above the level of the Contracting Officer); and
 8. Price Reasonableness. The reasonableness of the price for all procurements based on noncompetitive proposals shall be determined by performing an analysis, as described in this Policy.

Cooperative Purchasing/Intergovernmental Agreements

The GCHA may enter into State and/or local cooperative or intergovernmental agreements to purchase or use common supplies, equipment, or services. The decision to use an interagency agreement instead of conducting a direct procurement shall be based on economy and efficiency. If used, the interagency agreement shall stipulate who is authorized to purchase on behalf of the participating parties and shall specify inspection, acceptance, termination, payment, and other relevant terms and conditions. The GCHA may use Federal or State excess and surplus property instead of purchasing new equipment and property if feasible and if it will result in a reduction of project costs. The goods and services obtained under a cooperative purchasing agreement must have been procured in accordance with **24 CFR 85.36**.

INDEPENDENT COST ESTIMATE (ICE)

For all purchases above the Micro Purchase threshold, the GCHA shall prepare an ICE prior to solicitation. The level of detail shall be commensurate with the cost and complexity of the item to be purchased.

COST AND PRICE ANALYSIS

The GCHA shall require assurance that, before entering into a contract, the price is reasonable, in accordance with the following instructions.

Petty Cash and Micro Purchases

No formal cost or price analysis is required. Rather, the execution of a contract by the Contracting Officer (through a Purchase Order or other means) shall serve as the Contracting Officer's determination that the price obtained is reasonable, which may be based on the Contracting Officer's prior experience or other factors.

Small Purchases

A comparison with other offers shall generally be sufficient determination of the reasonableness of price and no further analysis is required. If a reasonable number of quotes is not obtained to establish reasonableness through price competition, the Contracting Officer shall document price reasonableness through other means, such as prior purchases of this nature, catalog prices, the Contracting Officer's personal knowledge at the time of purchase, comparison to the ICE, or any other reasonable basis.

Sealed Bids

The presence of adequate competition should generally be sufficient to establish price reasonableness. Where sufficient bids are not received, and when the bid received is substantially more than the ICE, and where the GCHA cannot reasonably determine price reasonableness, the GCHA must conduct a cost analysis, consistent with federal guidelines, to ensure that the price paid is reasonable.

Competitive Proposals

The presence of adequate competition should generally be sufficient to establish price reasonableness. Where sufficient bids are not received, the GCHA must compare the price with the ICE. For competitive proposals where prices cannot be easily compared among offerors, where there is not adequate competition, or where the price is substantially greater than the ICE, the GCHA must conduct a cost analysis, consistent with Federal guidelines, to ensure that the price paid is reasonable.

Contract Modifications

A cost analysis, consistent with federal guidelines, shall be conducted for all contract modifications for projects that were procured through Sealed Bids, Competitive Proposals, or Non-Competitive Proposals, or for projects originally procured through Small Purchase procedures and the amount of the contract modification will result in a total contract price in excess of \$25,000,000.

SOLICITATION AND ADVERTISING

Method of Solicitation

- A. **Petty Cash and Micro Purchases.** The GCHA may contact only one source if the price is considered reasonable.
- B. **Small Purchases.** Quotes may be solicited orally, through fax, via email, or by any other reasonable method.
- C. **Sealed Bids and Competitive Proposals.** Solicitation must be done publicly. The GCHA must use one or more following solicitation methods, provided that the method employed provides for meaningful competition.
 1. Advertising in newspapers or other print mediums of local or general circulations.
 2. Advertising in various trade journals or publications (for construction).
 3. E-Procurement. The GCHA may conduct its public procurements through the Internet using e-procurement systems. However, all e-procurements must otherwise be in compliance with **24 CFR 85.36**, State and local requirements, and the Authority's procurement policy.

Time Frame

For purchases of more than \$25,000, the public notice should run not less than once each week for two consecutive weeks.

Form

Notices/advertisements should state, at a minimum, the place, date, and time that the bids or proposals are due, the solicitation number, a contact who can provide a copy of, and information about, the solicitation, and a brief description of the needed items(s).

Time Period for Submission of Bids

A minimum of 30 days shall generally be provided for preparation and submission of sealed bids and 15 days for competitive proposals. However, the C.E.O. may allow for a shorter period under extraordinary circumstances.

Cancellation of Solicitations

- A. An IFB, RFP, or other solicitation may be cancelled before bids/offers are due if:
1. The supplies, services or construction is no longer required;
 2. The funds are no longer available;
 3. Proposed amendments to the solicitation are of such magnitude that a new solicitation would be best; or
 4. Other similar reasons.
- B. A solicitation may be cancelled and all bids or proposals that have already been received may be rejected if:
1. The supplies or services (including construction) are no longer required;
 2. Ambiguous or otherwise inadequate specifications were part of the solicitation;
 3. All factors of significance to the GCHA were not considered;
 4. Prices exceed available funds and it would not be appropriate to adjust quantities to come within available funds;
 5. There is reason to believe that bids or proposals may not have been independently determined in open competition, may have been collusive, or may have been submitted in bad faith; or
 6. For good cause of a similar nature when it is in the best interest of the GCHA.
- C. The reasons for cancellation shall be documented in the procurement file and the reasons for cancellation and/or rejection shall be provided upon request.
- D. A notice of cancellation shall be sent to all bidders/offerors solicited and, if appropriate, shall explain that they will be given an opportunity to compete on any resolicitation or future procurement of similar items.
- E. If all otherwise acceptable bids received in response to an IFB are at unreasonable prices an analysis should be conducted to see if there is a problem in either the specifications or the GCHA's cost estimate. If both are determined adequate and if only one bid is received and the price is unreasonable, the Contracting Officer may cancel the solicitation and either
1. Re-solicit using an RFP; or
 2. Complete the procurement by using the competitive proposal method. The Contracting Officer must determine, in writing, that such action is appropriate, must inform all bidders of the GCHA's intent to negotiate, and must give each bidder a reasonable opportunity to negotiate.
- F. If problems are found with the specifications, GCHA should cancel the solicitation, revise the specifications and resolicit using an IFB.

Credit (or Purchasing) Cards

Credit card usage should follow the rules for all other small purchases. For example, the Contracting Officer may use a credit card for Micro Purchases without obtaining additional quotes provided the price is considered reasonable. However, for amounts above the Micro Purchase level, the Contracting Officer would generally need to have obtained a reasonable number of quotes before purchasing via a credit card.

No individual purchase shall be made on a GCHA credit card that exceeds \$1000 without the prior written approval of the C.E.O.. All purchases shall fit within the existing budget for that item. Adequate documentation shall be maintained by the user of the credit card so that when the bill is received for payment, each charge can be documented as to the reason for the charge.

GCHA BONDING REQUIREMENTS

The standards under this section apply to construction contracts that exceed \$100,000. There are no bonding requirements for small purchases or for competitive proposals. The GCHA may require bonds in these latter circumstances when deemed appropriate; however, non-construction contracts should generally not require bid bonds.

- A. Bid Bonds. For construction contracts exceeding \$100,000, offerors shall be required to submit a bid guarantee from each bidder equivalent to 5% of the bid price.
- B. Payment Bonds. For construction contracts exceeding \$100,000, the successful bidder shall furnish an assurance of completion. This assurance may be any one of the following four:
 - 1. A performance and payment bond in a penal sum of 100% of the contract price; or
 - 2. Separate performance and payment bonds, each for 50 % or more of the contract price; or
 - 3. A 20 % cash escrow; or
 - 4. A 25 % irrevocable letter of credit.
- C. These bonds must be obtained from guarantee or surety companies acceptable to the U. S. Government and authorized to do business in the State where the work is to be performed. Individual sureties shall not be considered. U. S. Treasury Circular Number 570 lists companies approved to act as sureties on bonds securing Government contracts, the maximum underwriting limits on each contract bonded, and the States in which the company is licensed to do business. Use of companies on this circular is mandatory.

CONTRACTOR QUALIFICATIONS AND DUTIES

Contractor Responsibility

PHAs shall not award any contract until the prospective contractor, i.e., low responsive bidder, or successful offeror, has been determined to be responsible. A responsible bidder/offeror must:

- A. Have adequate financial resources to perform the contract, or the ability to obtain them;
- B. Be able to comply with the required or proposed delivery or performance schedule, taking into consideration all the bidder's/offeror's existing commercial and governmental business commitments;
- C. Have a satisfactory performance record;
- D. Have a satisfactory record of integrity and business ethics;
- E. Have the necessary organization, experience, accounting and operational controls, and technical skills, or the ability to obtain them;
- F. Have the necessary production, construction, and technical equipment and facilities, or the ability to obtain them; and,
- G. Be otherwise qualified and eligible to receive an award under applicable laws and regulations, including not be suspended, debarred or under a HUD-imposed LDP.

If a prospective contractor is found to be non-responsible, a written determination of non-responsibility shall be prepared and included in the official contract file, and the prospective contractor shall be advised of the reasons for the determination.

Suspension and Debarment

Contracts shall not be awarded to debarred, suspended, or ineligible contractors. Contractors may be suspended, debarred, or determined to be ineligible by HUD in accordance with HUD regulations (**24 CFR Part 24**) or by other Federal agencies, e.g., Dept of Labor for violation of labor regulations, when necessary to protect housing authorities in their business dealings.

Vendor Lists

All interested businesses shall be given the opportunity to be included on vendor mailing lists. Any lists of persons, firms, or products which are used in the purchase of supplies and services (including construction) shall be kept current and include enough sources to ensure competition.

CONTRACT PRICING ARRANGEMENTS

Contract Types

Any type of contract which is appropriate to the procurement and which will promote the best interests of the GCHA may be used, **provided the cost -plus-a-percentage-of-cost and percentage-of-construction-cost methods are not used**. All solicitations and contracts shall include the clauses and provisions necessary to define the rights and responsibilities of both the contractor and GCHA.

For all cost reimbursement contracts, GCHA must include a written determination as to why no other contract type is suitable. Further, the contract must include a ceiling price that the contractor exceeds at its own risk.

Options

Options for additional quantities or performance periods may be included in contracts, provided that:

- A. The option is contained in the solicitation;
- B. The option is a unilateral right of the Authority;
- C. The contract states a limit on the additional quantities and the overall term of the contract;
- D. The options are evaluated as part of the initial competition;
- E. The contract states the period within which the options may be exercised;
- F. The options may be exercised only at the price specified in or reasonably determinable from the contract; and
- G. The options may be exercised only if determined to be more advantageous to GCHA than conducting a new procurement.

CONTRACT CLAUSES

All contracts should identify the contract pricing arrangement as well as other pertinent terms and conditions, as determined by the GCHA.

Additionally, the forms HUD-5369, 5369-A, 5369-B, 5369, 5370, 5370-C, and 51915-A , which contain all HUD-required clauses and certifications for contracts of more than \$100,000, as well as any forms/clauses as required by HUD for small purchases, shall be used in all corresponding solicitations and contracts issued by this Authority.

CONTRACT ADMINISTRATION

The GCHA shall maintain a system of contract administration designed to ensure that contractors perform in accordance with their contracts. These systems shall provide for inspection of supplies, services, or construction, as well as monitoring contractor performance, status reporting on major projects including construction contracts, and similar matters. For cost-reimbursement contracts, costs are allowable only to the extent that they are consistent with the cost principles in HUD Handbook 2210.18.

SPECIFICATIONS

General

All specifications shall be drafted so as to promote overall economy for the purpose intended and to encourage competition in satisfying GCHA needs. Specifications shall be reviewed prior to issuing any solicitation to ensure that they are not unduly restrictive or represent unnecessary or duplicative items. Function or performance specifications are preferred. Detailed product specifications shall be avoided whenever possible. Consideration shall be given to consolidating or breaking out procurements to obtain a more economical purchase. For equipment purchases, a lease versus purchase analysis should be performed to determine the most economical form of procurement.

Limitation

The following types of specifications shall be avoided:

- A. geographic restrictions not mandated or encouraged by applicable Federal law (except for A/E contracts, which may include geographic location as a selection factor if adequate competition is available);
- B. brand name specifications (unless the specifications list the minimum essential characteristics and standards to which the item must conform to satisfy its intended use).

Nothing in this procurement policy shall preempt any State licensing laws. Specifications shall be reviewed to ensure that organizational conflicts of interest do not occur.

APPEALS AND REMEDIES

General

It is GCHA policy to resolve all contractual issues informally and without litigation. Disputes will not be referred to HUD unless all administrative remedies have been exhausted. When appropriate, a mediator may be used to help resolve differences.

Informal Appeals Procedure

The GCHA has an informal bid protest/appeal procedure for contracts under \$25,000. Under these procedures, the bidder/contractor may request to meet with the appropriate Contract Officer and try to resolve the dispute.

Formal Appeals Procedure

A formal appeals procedure is hereby established for solicitations/contracts in excess of \$25,000.

- A. **Bid Protest.** Any actual or prospective contractor may protest the solicitation or award of a contract for serious violations of the principles of this Policy. Any protest against a solicitation must be received before the due date for the receipt of bids or proposals, and any protest against the award of a contract must be received within ten (10) calendar days after the potential contractor receives notice of the contract award, or the protest will not be considered. All bid protests shall be in writing, submitted to the Contracting Officer or designee, who shall issue a written decision on the matter. The Contracting Officer may, at his/her discretion, suspend the procurement pending resolution of the protest if the facts presented so warrant.

- B. **Contractor Claims.** All claims by a contractor relating to performance of a contract shall be submitted in writing to the Contracting Officer for a written decision. The contractor may request a conference on the claim. The Contracting Officer's decision shall inform the contractor of its appeal rights to the next higher level of authority in GCHA. Contractor claims shall be governed by the Changes clause in the form HUD-5370.

ASSISTANCE TO SMALL AND OTHER BUSINESSES

Required Efforts

Consistent with Presidential Executive Orders 11625, 12138, and 12432, and Section 3 of the HUD Act of 1968, all feasible efforts shall be made to ensure that small and minority-owned businesses, women's business enterprises, and other individuals or firms located in or owned in substantial part by persons residing in the area of the GCHA project are used when possible. Such efforts shall include, but shall not be limited to:

- A. Including such firms, when qualified, on solicitation mailing lists;
- B. Encouraging their participation through direct solicitation of bids or proposals whenever they are potential sources;
- C. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by such firms;
- D. Establishing delivery schedules, where the requirement permits, which encourage participation by such firms;
- E. Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce;
- F. Including in contracts, to the greatest extent feasible, a clause requiring contractors, to provide opportunities for training and employment for lower income residents of the project area and to award subcontracts for work in connection with the project to business concerns which provide opportunities to low-income residents, as described in **24 CFR Part 135** (so-called Section 3 businesses); and
- G. Requiring prime contractors, when subcontracting is anticipated, to take the positive steps listed above.

Goals shall be established periodically for participation by small businesses, minority-owned businesses, women-owned business enterprises, labor surplus area businesses, and Section 3 business concerns in GCHA prime contracts and subcontracting opportunities.

BOARD APPROVAL OF PROCUREMENT ACTIONS

Other than approval of this Procurement Policy, approval by the Board of Commissioners is not required for any procurement action, as permitted under State and local law. Rather, it is the responsibility of the C.E.O. to make sure that all procurement actions are conducted in accordance with the policies contained herein.

DELEGATION OF CONTRACTING AUTHORITY

While the C.E.O. is responsible for ensuring that the GCHA's procurements comply with this Policy, the C.E.O. may delegate all procurement authority as is necessary and appropriate to conduct the business of the Agency.

Further, and in accordance with this delegation of authority, the C.E.O. shall, where necessary, establish operational procedures (such as a procurement manual or standard operating procedures) to implement this Policy. The C.E.O. shall also establish a system of sanctions for violations of the ethical standards described in Section III below, consistent with Federal, State, or local law.

DOCUMENTATION

The GCHA must maintain records sufficient to detail the significant history of each procurement action. These records **shall** include, but **shall not** necessarily be limited to, the following:

- A. Rationale for the method of procurement (if not self-evident);
- B. Rationale of contract pricing arrangement (also if not self-evident);
- C. Reason for accepting or rejecting the bids or offers;
- D. Basis for the contract price (as prescribed in this handbook);

- E. A copy of the contract documents awarded or issued and signed by the Contracting Officer;

The level of documentation should be commensurate with the value of the procurement.

Records are to be retained for a period of three years after final payment and all matters pertaining to the contact are closed.

DISPOSITION OF SURPLUS PROPERTY

Property no longer necessary for the GCHA's purposes (non-real property) shall be transferred, sold, or disposed of in accordance with applicable Federal, state, and local laws and regulations.

FUNDING AVAILABILITY

Before initiating any contract, the GCHA shall ensure that there are sufficient funds available to cover the anticipated cost of the contract or modification.

SELF-CERTIFICATION

The GCHA self-certifies that this Procurement Policy, and the GCHA's procurement system, complies with all applicable Federal regulations and, as such, the GCHA is exempt from prior HUD review and approval of individual procurement action.

Grundy County Housing Authority Carbon Monoxide Detector Policy

Every dwelling unit shall be equipped with at least one approved carbon monoxide alarm in an operating condition within 15 feet of every room used for sleeping purposes. The carbon monoxide alarm may be combined with smoke detecting devices provided that the combined unit complies with the respective provisions of the administrative code, reference standards, and departmental rules relating to both smoke detecting devices and carbon monoxide alarms and provided that the combined unit emits an alarm in a manner that clearly differentiates the hazard.

Every structure that contains more than one dwelling unit shall contain at least one approved carbon monoxide alarm in operating condition within 15 feet of every room used for sleeping purposes.

It is the responsibility of the owner of a structure to supply and install all required alarms. It is the responsibility of a tenant to test and to provide general maintenance for the alarms within the tenant's dwelling unit or rooming unit, and to notify the owner or the authorized agent of the owner in writing of any deficiencies that the tenant cannot correct. The owner is responsible for providing one tenant per dwelling unit with written information regarding alarm testing and maintenance.

The tenant is responsible for replacement of any required batteries in the carbon monoxide alarms in the tenant's dwelling unit, except that the owner shall ensure that the batteries are in operating condition at the time the tenant takes possession of the dwelling unit. The tenant shall provide the owner or the authorized agent of the owner with access to the dwelling unit to correct any deficiencies in the carbon monoxide alarm that have been reported in writing to the owner or the authorized agent of the owner.

The carbon monoxide alarms may be either battery powered, plug-in with battery back-up, or wired into the structure's AC power line with secondary battery back-up.
