CARBON MONOXIDE DETECTOR ACT

Illinois has passed a state law that requires carbon monoxide detectors be installed in every dwelling unit that uses natural gas.

The Housing Authority is required to supply and install all required C/O detectors. These detectors will be installed with the smoke alarms during annual inspections.

It is the requirement of the resident to notify the Housing Authority if the C/O detector is not working properly. Tampering with, removing, destroying, disconnecting, or removing the batteries from any installed carbon monoxide alarm, except in the course of inspections, maintenance, or replacement of the alarm, is a Class A misdemeanor.

CERTIFICATION

I have received a copy of this notice entitled Carbon Monoxide Alarm Detector Act.
