The Housing Authority of Elgin is a medium PHMAP Standard-Performer agency located in Elgin, Illinois. The HAE manages 255 units of public housing in three developments.

The mission of the HAE is:

To provide residents with a decent, safe and sanitary environment, living space that will allow and promote the opportunity for self-sufficiency.

The HAE will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.
- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To return vacated units with new residents in 20 days.
- H. To continue to enforce our "One Strike" policies for residents and applicants.
- I. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The HAE's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The HAE has assessed the housing needs of Elgin and surrounding Kane County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium sized agency. The HAE has approved a Deconcentration

Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The HAE has determined that its housing strategy complies with the City of Elgin's Consolidated Plan

The HAE has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The HAE has established a minimum rent of \$50.00. New market value flat rents were implemented October 1, 2002, to replace previous flat/ceiling rents and were updated in 2004.

The HAE has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

In response to HUD email regarding the Carbon Monoxide Alarm Detector Act, the HAE has purchased carbon monoxide detectors and will complete installation in all units by December 21, 2006.

The HAE has no plans to demolish or dispose of any of its properties. The HAE has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The HAE has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The HAE has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the HAE has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of HAE's Agency Plan to HUD on January 16, 2007.

Because the HAE is a PHMAP Standard-Performer, it has responded to the following Annual Plan components.

8. All pets must be registered with the Management Office immediately or no longer than five (5) days following their introduction to the community.
9. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. **DECONCENTRATION POLICY**

It is the policy of the Housing Authority of Elgin (HAE) to house families in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the HAE is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing developments. Also the HAE would like to take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the HAE does not concentrate families with higher income levels, it is the goal of the HAE not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The HAE will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the HAE.

To accomplish this goal the HAE will take the following actions:

1. At the beginning of each fiscal year, the HAE will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
2. To accomplish the goals of:
  - a. Housing not less than 40% of its inventory on an annual basis with families that have income at or below 30% of the median, and
  - b. Not housing families with incomes that exceed 30% of the area median incomes in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median incomes, the HAE's Tenant Selection and Assignment Plan, which is a part of this policy, provides for utilization of local preferences with regards to applicant selection from its waiting list.

## Attachment D: Summary of Policy and Program Changes

The EHA has not made nor intends to make any major policy or program changes in 2007. Local preferences were established and will not change, rent policies remain the same, community service policy parameters were included in our lease and ACOP, and our family development pet policy has already been implemented. In addition, community service requirement was re-instituted in October, 2003 per HUD notification.

## **The Elgin Housing Authority's (EHA)**

### **Criteria for Substantial Deviation and Significant Amendments**

#### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

Additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and  
Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

#### **B. Significant Amendment or Modification to the Annual Plan:**

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

Additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and  
Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

C. The term of appointment is (include the date term expires):

2. A. If the PHA governing board does not have at least one member who is directly assisted by the PHA, why not?

- the PHA is located in a State that requires the members of a governing board to be salaried and serve on a full time basis
- the PHA has less than 300 public housing units, has provided reasonable notice to the resident advisory board of the opportunity to serve on the governing board, and has not been notified by any resident of their interest to participate in the Board.
- Other (explain):

B. Date of next term expiration of a governing board member:

C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position):

Mr. Ed Shock, Mayor of Elgin

## **Progress in meeting the 5-Year Plan Mission and Goals**

The EHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address all vacancies very aggressively and our PHAS and SEMAP scores indicate that other operational issues are being satisfactorily addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2007 application will continue that effort, plus in response to HUD email regarding the Carbon Monoxide Alarm Detector Act, the HAE has purchased carbon monoxide detectors and will complete installation in all units by December 21, 2006.

PHA has implemented local preferences to improve the living environment by deconcentration, promoting income mixing, and improving security throughout our developments.

The EHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities.

The Community Service program has been re-instated per HUD notification and each adult member of every household has been notified as to their status. New market value flat rents are being updated, to replace the original market value flat rents.

We are confident that the EHA will be able to continue to meet and accommodate all our goals and objectives for FY 2007.

## Attachment I: Implementation of Public Housing Resident Community Service Requirement

The Elgin Housing Authority's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer its program; to identify PHA and/or third party certification opportunities available to eligible adult family members; and to assure resident compliance with identified work activities with fair and equitable actions.

### **A. PHA Responsibilities**

#### (1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the guidelines of 24CFR, Part 960.6.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

#### (2) Work Activity Opportunities

The Elgin Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

##### a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

##### b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

##### c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

## Attachment I: Implementation of Public Housing Resident Community Service Requirement

### d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

Briefly, describe the noncompliance (inadequate number of hours).

State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

### e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

### f. The Elgin Housing Authority has developed the following list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

The Authority has identified the following PHA certifiable activities, which are available to meet the requirements:

Neighborhood Watch  
Daily Phone Monitor for elderly  
Daily Phone Monitor for disabled  
Welcome Wagon Attendant  
Playground Monitor  
Or other certifiable activities

Third party entities that have entered into an agreement with the Authority to provide activities available to satisfy the Community Service activities will be listed by Entity, work activity and contact person. If an adult individual elected to utilize a third party entity, they must notify the EHA.
