Progress Statements

The Housing Authority of the County of McLean continues to strive and work toward meeting the mission and goals of the agency's 5-Year Plan. The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives.

The Section 8 rental assistance programs are federally funded and administered for Bloomington/McLean County by the Housing Authority of the City of Bloomington and the McLean County Housing Authority through its Section 8 office. The mission statement for the McLean County Housing Authority was revised to more accurately reflect the operation of the agency. The mission of the Housing Authority is to provide quality, affordable housing and self-sufficiency opportunities to low and moderate income citizens of McLean County. We were able to accomplish many of the goals from the previous 5-Year Plan established in 1999 that has helped establish bench marks for future progress.

Areas of accomplishments for FY 2006 include, but are not limited to, the establishment of the Housing Choice Voucher Homeownership Program. The Department of Housing and Urban Development approved the Housing Choice Voucher Homeownership Administrative Plan in 2006. Partners that will provide support to the participants in the homeownership program were identified and the Program Coordinator has met monthly with the Partners to develop the plan and provide support in the implementation of the homeownership program. The Program Coordinator has held many orientation meetings with Family Self Sufficiency participants to market the program. Orientation meetings will continue while families are working toward becoming a homeowner through this program. It is the goal of the Homeownership Program to have one (1) family purchase a home during this plan year.

The Housing Authority has partnered with the Department of the Treasury Internal Revenue Service Volunteer Income Tax Assistance Program to offer free tax preparation services on site of the Housing Authority office for participants of the program and low-income individuals and families in the community.

Other successful programs the Housing Authority is involved with is the Business Essentials Program and the Information Technology Program with Heartland Community College. The Business Essential Program was developed through a collaborate effort with HCC and classes were held on site of a Housing Authority property. The program has become so successful the 16 credit hour college level certificate program is now taught on campus in a close classroom setting. Housing Choice Voucher participants that complete the program receive an accredited Illinois Community College Board certificate and the benefits of a program of learning designed to overcome educational, social and economic barriers to sustainable employment. The Information Technology Program is also a comprehensive 16 credit hour college level certificate program that reinforces the technology skills most desired by employers. Housing Choice Vouchers participants

enrolled in this program will learn PC hardware maintenance and repair, workstation operating systems, information science, technical mathematics and workforce preparation. Both programs provide graduates with job placement assistance and continued supportive services to help families and individuals move closer toward self-sufficiency.

The Housing Authority was again designated by HUD as a high performing agency last year.

The plans, statements, budget summary and policies all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach to otherwise provide high-quality housing to eligible participants in a cost-effective manner that also promotes self-sufficiency.

Violence Against Women Act Statement

The federal Violence Against Women Act of 2005 requires that housing authorities set forth in our Annual Plan a description of any activities, services, or programs provided or offered by our public housing agency that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing.

The Housing Authority of the County of McLean operates a Section 8 Housing Choice Voucher Program. The goals, objectives, policies, or programs have been revised to enable the housing authority to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking. We have decided to set the following policies for the Section 8 Housing Choice Voucher Program.

1. An applicant or participant/tenant who has been a victim of domestic violence, dating violence, sexual assault or stalking will not be denied program assistance or denial of admission if the victim is an otherwise qualified applicant or participant.
2. A victim of domestic violence will not be terminated due to criminal activity directly relating to domestic violence, dating violence, sexual assault or stalking. This will also include members of the participant/tenant's immediate family.
3. A victim of domestic violence must provide written proof or certification of the violence. Acceptable verification includes:
 - a. Court record
 - b. Police (law enforcement) record
 - c. Statement from a victim service provider, medical professional or lawyer containing:
 - i. Statement the individual helped the tenant address the violence;
 - ii. Name of the perpetrator;
 - iii. Statement under penalty of perjury that the provider believes the incident or incidents are bona fide incidents of abuse;
 - iv. Participant/tenant must also sign or attest to the provider's statement.
4. Participant/tenant has a minimum of fourteen (14) business days to provide the requested proof.
5. The Housing Authority will refer the victim to Mid Central Community Action, a local agency that assists victims of domestic violence.
6. All Section 8 Housing Choice Voucher participants shall receive notification of their rights under the VAWA.
7. All applicants for the Housing Authority operated housing programs shall receive notification of their rights under VAWA.
