1.0 FAIR HOUSING

It is the policy of the Bird City Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of age race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Bird City Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Bird City Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Bird City Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Bird City Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Bird City Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 Reasonable Accommodation

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Bird City Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Bird City Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Bird City Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

PET POLICY
HOUSING AUTHORITY
OF THE CITY OF BIRD CITY

In compliance with Federal Register, Vol. 65, No 132 of 2000, the Housing Authority of the City of Bird City shall permit pet ownership for families living in units in Federally assisted rental housing. Also in compliance with Section 227 of the Housing and Urban-Rural Recovery Act of 1983, provides for pet ownership for residents in housing for the elderly, disabled, and handicapped under the following conditions and subject to the following restrictions.

I. INTRODUCTION

The pet rules for the project is incorporated into this policy. The rules adopted by Management are reasonably related to the legitimate interest of the Housing Authority including:

The Housing Authority's interest in providing a decent, safe and sanitary living environment for existing and prospective residents;

Protecting and preserving the physical condition of the project;

The Housing Authority's financial interest in the project.

II. DEMONSTRATION OF ACCEPTABILITY

A. MANAGEMENT APPROVAL

1. All pets must be registered on a pet registration form provided by the Authority **BEFORE** the pet is brought on the premises. The Resident/Pet Owner and the Authority must enter into a "PET AGREEMENT".
2. In Addition to executing the Agreement, the Resident/Pet Owner must provide the Authority with documented proof of the proposed pet's health, suitability, and acceptability in accordance with the provisions outlined in paragraph B. STANDARDS.
3. A pet must be registered with the Authority **BEFORE** it is brought on the project premises and annually thereafter.
4. Registration includes:

- a. A certificate signed by a licensed veterinarian stating that the pet has received all inoculations required by applicable State and local laws.
- b. The veterinarian shall provide verification of the following procedure. If the pet is a cat or dog, it must be spayed or neutered; therefore, the pet must be at the age that such a procedure may be performed.
- c. Information sufficient to identify the pet, including a photograph, and to demonstrate that it is a common household pet and will not exceed this Policy's size/weight limits at maturity.
- d. The name, address, and phone number of one or more responsible parties, in addition to the veterinarian, who will care for the pet if the pet owner dies, is incapacitated or is otherwise unable to care for the pet.
- e. Payment in full of the Pet Deposit (see Section IV, Item A) and a **NON-REFUNDABLE** fumigation and/or steam cleaning fee for any pet other than fish or turtles as follows:

1 Bedroom	\$100.00
2 Bedrooms	\$150.00
3 Bedrooms	\$200.00

- 5. The Authority shall refuse to register a pet if:
 - a. The pet is not a common household pet identified more specifically in this policy;
 - b. Keeping a pet would violate any applicable House Pet Rules.
 - c. Pet Owner fails to provide complete pet registration information or fails annually to update the registration;
 - d. The Authority reasonably determines, based on the pet owner's habits and practices, that the pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament may be considered as a factor in determining the prospective pet owner's ability to comply with the pet rules and other lease obligations.

The Authority is required to notify the pet owner if the Authority refuses to register a pet. The notice shall state the basis for the Authority's action and shall be served in accordance with the HUD notice requirements. The notice of refusal to register a pet may be combined with a notice of pet violation.

The requirements may not conflict with State or Local law. A Resident who cares for another Resident's pet must notify the Authority and must agree to abide by all the pet rules in writing.

B. STANDARDS

 - 2. Fumigation of Resident's dwelling unit.

3. If the responsible party or parties are unwilling or unable to care for the pet, or the Housing Authority, despite reasonable efforts, has been unable to contact the responsible party or parties, the Housing Authority may contact the appropriate State or Local authority and request the removal of the pet. The cost of an animal care facility provided under this section shall be charged to and become the responsibility of the pet owner.
