Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The Kansas Department of Commerce and Housing is the State Agency that develops and administers the Consolidated Plan for the non-entitlement areas of the State. The 2004-2008 Consolidated Plan encompasses the continuing objectives of national housing policy, including: ensure that all residents have access to decent shelter; increase the supply of affordable housing; make neighborhoods safe and livable; expand opportunities for home ownership; provide a reliable supply of mortgage finance; and reduce generational poverty in assisted housing.

The Consolidated Plan acknowledges there is a vast shortage of affordable housing in the State. There are approximately 28,600 assisted housing units in the State (LIHTC, Section 8 Vouchers, Public Housing and Rural Development). Meanwhile there are approximately 197,000 low-income households in the State.

One of the priorities in the 2004-2008 Consolidated Plan is to “Replace, repair and expand the rental housing stock”. The shortage of affordable housing is a priority issue for the low-income and very low-income in the following population groups:

- **Small, Related Households**
- **Large, Related Households**
- **Elderly Households**
- **All Other Households**

The use of the term “low and very-low income households” includes all households at or below 50 percent of median income. This category includes low-income, very low-income, and extremely low-income households. These are the households that the Housing Authority of the City of Russell serves for housing assistance.

In summary, the Kansas State Consolidated Plan strategies are consistent with and support the goals and objectives of the Housing Authority of the City of Russell.
