This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

The Authority will not, on account of race, color, religion or creed, disability, familial status or national origin deny families or individuals the opportunity to lease dwellings, suitable for their need, if eligible. The following goals and objectives have been adopted:

- To assist 75% of extremely low income families before serving 25% of very low income families with rent subsidy.
- To upgrade the quality of housing choices available to eligible families.
- To enable Housing Choice Voucher participants to have a greater choice of housing location than their income would normally permit.
- To exercise the Housing Authority's right to verify that all landlords who participate in the Housing Choice Voucher program are current on their property taxes.
- To exercise the Housing Authority's right to adopt the following local preferences:
 - **Residency** – A applicant who lives in Johnson County. Additionally applicants who work or have been hired to work in a residence preference area will be treated as residents of the preference area. **As stated in 24 CFR 982.207, the residency preference must not be based on how long an applicant has resided or worked in the residency preference area. - **Victims of Domestic Violence** – Domestic violence means actual or threatened violence by a member of a household directed at him/herself or another member of his/her household. The domestic violence should have occurred recently or be of a continuing nature. An applicant who qualifies for this preference should certify that the person who engaged in the violence will not reside with the applicant family unless the PHA gives advance written approval.
