DECONCENTRATION POLICY

It is the policy of the Crowley Housing Authority (PHA) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the PHA is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing developments. To insure that the PHA does not concentrate families with higher income levels, it is the goal of the PHA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The PHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the PHA.

To accomplish the deconcentration goals the PHA will take the following actions:

- A. At the beginning of each fiscal year, the PHA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the PHA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

Required Attachment G: **Progress in Meeting the 5-Year Plan Mission and Goals**

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2007 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA has reinstated its Community Service program and it has been discussed with residents and each adult member of every household.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2007.

Required Attachment H: Component 3, (6) Deconcentration and Income Mixing

- a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

PET POLICY FOR FAMILY DEVELOPMENTS

In compliance with Section 526 of The Quality Housing and Work Responsibility Act of 1998, PHA residents shall be permitted to own and keep common household pets. Animals that are an auxiliary for persons with a disability are excluded from this policy. The ownership of common household pets is subject to the following rules and limitations:

1. Common household pets shall be defined as “domesticated animals such as a dog, cat, bird, rodent, fish or turtle”. Common household pets are defined as follows:

Bird	Includes Canary, Parakeet, Finch and other species that are normally kept caged; birds of prey are not permitted.
Fish	In tanks or aquariums, not to exceed twenty (20) gallons in capacity; poisonous or dangerous fish are not permitted.
Dogs	Not to exceed twenty-five pounds (25 lbs.) weight, or fifteen (15) inches in height at full growth. Dogs must be spayed or neutered. Veterinarian’s recommended /suggested types of dogs are as follows: a. Chihuahua b. Pekingese c. Poodle d. Schnauzer e. Cocker Spaniel f. Dachshund g. Terriers

NO PIT BULLS OR ROTTWEILERS WILL BE PERMITTED

- | | |
|-------------|---|
| Cats | Cats must be spayed or neutered and be de-clawed or have scratching post, and should not exceed fifteen pounds (15 lbs.). |
| Rodents | Rodents other than hamsters, gerbils, white rats or mice are not considered common household pets. These animals must be kept in appropriate cages. |
| Reptiles | Reptiles other than turtles or small lizards such as chameleons are not considered common household pets. |
| Exotic Pets | At no time will the PHA approve of exotic pets, such as snakes, monkeys, game pets, etc. |
2. No more than one (1) dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of twenty (20) gallons shall be permitted. A Resident with a dog or cat may also have other categories of “common household pets” as defined above.
 3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner’s housing unit for the purpose of handling, but shall not generally be unrestrained.
 4. Only one (1) dog or cat is allowed per household. **NO PIT BULLS OR ROTTWEILERS WILL BE PERMITTED.** All dogs and cats will need to be on a leash, tied up, or otherwise restrained at all times when they are outside. Neither dogs nor cats shall be permitted to run loose.
 5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, PHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.

Attachment J: PHA's Policy on Pet Ownership in Public Housing Family Developments

6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.
7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).
8. Visiting pets are not allowed.
9. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community. Registration shall consist of providing:
 - a. Basic information about the pet (type, age, description, name, etc.);
 - b. Proof of inoculation and licensing;
 - c. Proof of neutering or spaying. All female dogs over the age of six (6) months and female cats over the age of five (5) months must be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to become or continue to be a Resident of the community;
 - d. Payment of a pet deposit of \$100.00 to defray the cost of potential damage done by the pet to the unit or to common areas of the community. There shall be no pet deposit for pets other than dogs or cats. The pet deposit shall not preclude charges to a Resident for repair of damages done on an ongoing basis by a pet. The Resident is responsible for all damages caused by the pet and will reimburse the Authority for all costs it incurs in repairing such damages. This deposit is refundable if no damage is identified at the move-out inspection; and
 - e. If a Resident cannot care for their pet due to an illness, absence, or death, and no other person can be found to care for the pet, after twenty-four (24) hours have elapsed, the Resident hereby gives permission for the pet to be released to the Humane Society/Animal Control, in accordance with their procedures. In no case shall PHA incur any costs or liability for the care of a pet placed in the care of another individual or agency under this procedure. The PHA strongly advises Resident to obtain liability insurance.

Provide the name, address and phone number of one or more persons who will care for the pet if you are unable to do so. This information will be updated annually.
10. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the PHA from all claims, causes of action damages or expenses, including attorney's fees, resulting from the action or the activities of his or her pet. The PHA accepts **NO RESPONSIBILITY** for the pet under any circumstance. The PHA strongly advises resident to obtain liability insurance.

PART III: DENIAL OF ADMISSION

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied admission.

In addition, HUD requires or permits the PHA to deny admission based on certain types of current or past behaviors of family members as discussed in this part. The PHA's authority in this area is limited by the Violence against Women Reauthorization Act of 2005 (VAWA), which expressly prohibits the denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been the victim of domestic violence, dating violence, or stalking.

This part covers the following topics:

- Required denial of admission
- Other permitted reasons for denial of admission
- Screening
- Criteria for deciding to deny admission
- Prohibition against denial of admission to victims of domestic violence, dating violence, or stalking
- Notice of eligibility or denial

3-III.B. REQUIRED DENIAL OF ADMISSION [24 CFR 960.204]

PHAs are required to establish standards that prohibit admission of an applicant to the public housing program if they have engaged in certain criminal activity or if the PHA has reasonable cause to believe that a household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

Where the statute requires that the PHA prohibit admission for a prescribed period of time after some disqualifying behavior or event, the PHA may choose to continue that prohibition for a longer period of time [24 CFR 960.203(c)(3)(ii)].

3-III.F. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING [Pub.L. 109-162]

The Violence against Women Reauthorization Act of 2005 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Specifically, Section 607(2) of VAWA adds the following provision to Section 6 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the public housing program:

Every contract for contributions shall provide that . . . the public housing agency shall not deny admission to the project to any applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

Definitions

As used in VAWA:

- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship
- The term *stalking* means:
 - To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
 - To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and
 - In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

- The term *immediate family member* means, with respect to a person –
 - A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
 - Any other person living in the household of that person and related to that person by blood and marriage.

Notification and Victim Documentation

PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the PHA's policies. Therefore, if the PHA makes a determination to deny admission to an applicant family on the basis of an unfavorable history, the PHA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

A police or court record documenting the actual or threatened abuse

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal hearing (see section 14-I.B) or must request an extension in writing at that time. If the applicant so requests, the PHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal hearing until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the PHA determines the family is eligible for assistance, no informal hearing will be scheduled and the PHA will proceed with admission of the applicant family.

Perpetrator Removal or Documentation of Rehabilitation

PHA Policy

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the PHA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the public housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

PHA Confidentiality Requirements

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.
