### **Admissions Policy for Deconcentration and Deconcentration Analysis**

The Housing Commission of Anne Arundel County will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Commission's public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the HCAAC.

The Housing Commission of Anne Arundel County performed a review of all covered developments to determine if there are any that would be covered by the De-concentration Rule. All developments except the two listed below are elderly only sites and therefore are exempt from the de-concentration analysis. The results are as follows:

<b>Development</b>	<b>Average Income</b>	<b>Authority Average Income</b>	<b>Percentage</b>
MD018-002	\$14,323	\$13,547	94.6%
MD018-004	\$14,323	\$15,333	107.1%

The De-concentration Rule states that all covered developments average income should fall between 85% and 115% of the Authority-wide average income. The table above shows that the Housing Commission of Anne Arundel County is compliant with the De-concentration Rule.

### **Criteria for Substantial Deviations or Modifications and Significant Amendments from the Agency Plan**

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans; Final Rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency Plan. Part 903 Section 7 (r) (2) states that a PHA must identify the basic criteria the PHA will use for determining:

- a substantial deviation from its Five-Year Plan; and
- a significant amendment or modification to its Five-Year Plan and Annual Plan.

Notice PIH 99-51 states that PHAs must define the terms “Substantial Deviation and “Significant Amendment or Modification” by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board review.

HUD considers the following actions to be Significant Amendments or Modifications:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items (items not included in the current Annual Statement or Five-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- Additions of new activities not included in the current PHDEP Plan; and
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five-Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

**An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.**

### **Resident Assessment and Satisfaction Survey Follow-Up Plan**

#### **Overview**

Each year the Department of Housing and Urban Development (HUD) sends a survey to a sample of residents at each of the Commission's public housing developments. The survey asks the resident to answer questions about the Commission in areas such as maintenance, communications, safety, services and neighborhood appearance. The surveys are sent directly to the tenants who after completing the surveys mail them directly back to HUD. HUD then scores the Commission based on the results.

The Housing Commission of Anne Arundel County received the following scores on the Resident Assessment Survey for FY2006.

SURVEY SECTION	SCORE
Maintenance and Repair	82.9%
Communication	72.7%
Safety	80.3%
Services	92.2%
Neighborhood Appearance	78.0%

The Department of Housing and Urban Development requires a Follow-Up Plan be developed for all sections of the survey, which fell below 75%. The Follow-Up Plan should include strategies that the PHA will implement in the upcoming year to increase resident satisfaction in those areas. Based on the results of the survey, the Housing Commission has developed a Follow-Up Plan to address communication.

#### **Communication**

The Housing Commission of Anne Arundel County proposes to release copies of the official Resident Assessment and Satisfaction Subsystem (RASS) Survey to the Resident Advisory Board that details the responses for each respective community. Each member of the Resident Advisory Board will be responsible for bringing back to the Housing Commission valid suggestions, made by the respective Resident Councils. These suggestions will be reviewed, evaluated and implemented where possible and necessary.

The Housing Commission of Anne Arundel County started will continue to use the resident newsletter to communicate important information to residents.

The on-site Management Staff at each community will be required to visit Resident Council meetings monthly to communicate information directly to the resident body. Resident Council presidents will be encouraged to place Housing Commission staff member comments on their monthly meeting agendas.

### **Changes to the Dwelling Lease, Admissions and Continued Occupancy Policy (ACOP), and Housing Choice Voucher Administrative Plan**

All changes to the Dwelling Lease, Admissions and Continued Occupancy Policy, and Section 8 Administrative Plan are related to the passage of the Violence Against Women Act (VAWA) by Congress. A summary of the changes is listed below.

- No applicant who has been a victim of domestic violence, dating violence, or stalking can be denied admission to either program if they are otherwise qualified.
- The assistance to a person who committed an act of domestic violence, dating violence, or stalking can be terminated without terminating the assistance or evicting victimized lawful occupants.

All documents have been revised as needed to follow the guidelines of the Act and will be available for review with the Agency Plan.

### **AMENDMENT TO TRANSERS IN THE ACOP**

In response to the agency survey completed in 2006 by HUD's Office of Fair Housing and Equal Opportunities (FHEO), the following language was requested to be included in the plan.

#### **Section V, Page 23**

#### **J. RESIDENT SELECTION PROCEDURE & ASSIGNMENT PLAN**

5. The Housing Commission will take action to ensure that qualified individuals with disabilities benefit from housing, assistance, benefits and services that are provided by the Commission.

In the event an accessible unit becomes vacant, before offering such unit to a non-disabled applicant, the Housing Commission shall:

- i. Offer such unit to an occupied disabled client of the same property, or comparable property, having disabilities that require accessibility features of the vacant unit, or, if no such occupant exists;
- ii. Offer such unit to qualified disabled client on the waiting list requiring the features of the available unit who meets the requirements of Section IV and Section V herein.

## **Attachment G**

Housing Choice Voucher Administrative Plan will be amended to include a streamlined version of the Family Self-Sufficiency Action Plan.

The FSS Action Plan is being streamlined after 10 years. The program has been effective, however some of the components are cumbersome and exceed federal requirements. After a thorough review of the program and recommendations offered by HUD OIG staff, a streamlined version will be incorporated into the Administrative Plan. Please see attached streamlined plan.

### **Violence Against Women Act Information**

The Housing Commission of Anne Arundel County intends to fully comply with all requirements of the Violence Against Women Act (VAWA). As shown in the previous attachment, the Commission has amended various policies to include guidelines established in the Act.

Also, the Housing Commission has implemented an admissions preference for victims of domestic violence. This preference means that a person who has been a victim of domestic violence will be placed ahead of other applicants on the waitlist who do not have a preference.

The Housing Commission notifies all applicants of the Violence Against Women Act during the application process. Information regarding the Act is issued to each applicant during the application process.

### Community Service Policy

*In accordance with the Quality Housing and Work Responsibility Act of 1998, the Housing Commission of Anne Arundel County has implemented the following Community Service Provision for those families who meet the eligibility requirements mandated in the Dwelling Lease and final rule published by Housing and Urban Development:*

#### **Effective 10/1/2000**

- Eligible family members must complete 8 hours of community service monthly in accordance with the final rule and dwelling lease.
- Only family members at Meade Village and Freetown Village are required to complete the community service requirements.
- Staff members will review monthly those who are required to complete community service and place them on a tracking chart.
- Required family members must secure and self-certify 8 hours of acceptable training, work, community service or volunteer program in effort to meet the requirements of the rule.
- Required family members may contact on-site staff members for assistance with locating possible areas of community service.
- Required family members must complete the self-certification “community service ticket” and have it signed by a representative of the agency in which the service was performed.
- Service tickets are to be placed in the client file for certification at annual review.
- Staff members may send “warning” letters to clients who are in jeopardy of losing their continued assistance.
- Required family members who fail to complete community service during a specific month may “catch-up” during the proceeding month, however a consistent pattern of this type of activity may warrant lease non-renewal. **The Federal “Cure” period applies to all situations.**
- Families may only receive notice for lease non-renewal at the time of annual review and re-certification. The rule clearly mandates that continued occupancy might only be terminated at the time of annual re-certification.
- Required family members who gain earned income, meet requirements of local welfare agencies, secure Social Security benefits or meet other requirements that would exempt them from community service; will be notified in writing of the change in status.

***If at any time the Community Service rule is changed or terminated by legislation or final rule, this policy will be amended or discontinued.***

XII. **Grievance**

Management and resident agree to utilize the Grievance Procedure described in the Lease Agreement to resolve any dispute between resident and management regarding a pet.

XIII. **Damage Fee**

There is a mandatory non-refundable pet fee in the amount of \$100.00 for a dog or cat, one-half of which must be paid at the time of the execution of the Addendum of the Dwelling Lease allowing the pet to be present. The balance of the pet fee must be paid in monthly amounts of no less than \$25.00 per month, exclusive of the rent or other charges, until the full \$100.00 pet fee is paid.

The pet fee may be used by the Commission in its discretion to pay for reasonable expenses directly attributed to the presence of the dog or cat on the property, including, but not limited to, the cost of repairs and replacements to, and fumigation of, the resident's dwelling unit, as well as damage to any public or common areas caused by the pet. In the event that the pet fee or any part of it is used by the HCAAC to pay for such reasonable expenses, the HCAAC will notify the resident and the resident will be required to replenish the initial fee by monthly payments in accordance with the preceding paragraph.

XIV. **Monthly Fee**

A monthly fee of \$15.00 will be assessed to each family approved for pet ownership in the family developments. This monthly fee **will not** apply to residents of elderly and disabled communities.

## Comments from the Resident Advisory Board

**Date:** January 30, 2007  
**Time:** 1:30 – 3:00 PM  
**Attendees:** Angela Weddle, Bob Rottman, Ellen Blakely, Martha Zimmerman, Gerald Blalock, Angelique Harper, June Edwards, Etter Washington, Nancy Taylor

### Comments

Martha Zimmerman and Gerald Blalock were very supportive of the VAWA initiatives – however remain concerned about residents not reporting that they are victims. Staff proposed that part of making certain the VAWA works properly involves all stakeholders taking serious interest in the well being of residents.

Etter Washington feels that there are situations that already exist, and feels that neighbors need to be more proactive in reporting these situations to management.

All of the attendees expressed pleasure with recent renovations at all of the sites, and encouraged the Housing Commission to continue to find additional funds to tackle the remaining “needs” identified to bring the communities into a competitive framework.

Ellen Blakely stated that she was quite pleased that the Housing Commission was completing an Energy Savings Contract with WESCO. She expressed her interest in knowing what the savings will truly look like in a few years.

**INTRODUCTION**

**The Housing Commission of Anne Arundel County (HCAAC) serves as the Public Housing Agency (PHA) for all of Anne Arundel County with the exclusion of the City of Annapolis; which administers a separate Public Housing and Section 8 Program for that area. HCAAC currently owns and manages 1,026 units of conventional housing.**

**The purpose of the Admissions and Occupancy Policy is to establish the fundamental criteria and procedures for admission to, and the continued occupancy of, the Commission's conventionally owned public housing units assisted by the Department of Housing and Urban Development (HUD).**

**The policy is designed to achieve the Commission's statutory objective of developing and operating socially and financially sound low-income housing developments that provide decent homes and suitable living environments and foster economic and social diversity in the tenant body as a whole.**

**The Public Housing program is designed to achieve the following major goals:**

- 1. To avoid concentrations of the most economically and socially deprived families in any one or more developments.**
- 2. To preclude admission of applicants whose habits and practices reasonably may be expected to have a detrimental effect on other tenants or the development;**
- 3. To maintain a tenant body in each development composed of families with a broad range of incomes of low-income families in the Commission's area of operation.**
- 4. To protect the financial stability of the Commission's developments and programs.**
- 5. To assure the impartial, responsible and predictable administration of the Commission's programs.**
- 6. To protect the privacy of applicants and tenants.**
- 7. To provide for efficient and orderly administrative processing and procedures.**
- 8. To provide housing opportunities to eligible local residents consistent with the purposes and requirements of applicable state and federal laws.**

**Although the policy clearly states objective standards and systematic procedures to be followed in the admissions and continued occupancy of public housing residents, implementation may require individualized interpretation and judgment periodically. In the exercise of that judgment, the Commission shall, to the greatest extent feasible, strive for fairness, reasonableness, impartiality, consistency and conformity to the written principles and objectives.**

## SECTION I - GENERAL REQUIREMENTS

### A. APPLICABILITY

This policy shall apply to applications for and to the continued occupancy of all units of housing owned by the Commission and assisted by HUD under its conventional housing program.

### B. FAIR HOUSING POLICY

It is the policy of HCAAC to comply fully with all Federal, State and local non-discrimination laws and to operate in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

Specifically, HCAAC shall not on account of race, color, sex, religion, creed, national ethnic origin, age, family or marital status, handicap or disability, deny any family or individual the opportunity to apply for or receive assistance under the Public Housing Program within the requirements of the HUD regulations.

To further its commitment to full compliance with the Civil Rights laws, HCAAC will provide Federal, State and local information to program participants regarding "discrimination" and any recourse available to them should they feel that they have been a victim of discrimination. Such information will be made available during the briefing session and all applicable Fair Housing information and Discrimination Complaint Forms will be made a part of the briefing packet.

### C. DEFINITIONS

APPENDIX I is a list of defined words and phrases, which when capitalized and used in this policy, shall have the meanings indicated.

### D. EFFECTIVE DATE

This policy shall be effective upon written approval by HUD following adoption by the Commission, acting through its duly constituted Board of Commissioners. All prior policy statements of the Commission on the same subject matter shall, on the effective date, be superseded by this policy. Upon the effective date, this policy shall apply to all pending applications and existing leases.

### E. AMENDMENT

This policy may be amended by the Commission by resolution duly adopted by its Board of Commissioners at a regular or special meeting. The written agenda for such meeting shall indicate consideration of amending the policy. Any such amendment shall be subject to approval by HUD and shall be made only in accordance with applicable HUD regulations.

**F. USE OF THE ADMISSIONS AND OCCUPANCY POLICY**

The Housing Commission of Anne Arundel County has full responsibility for the satisfactory completion of all contractual obligations with the Department of Housing and Urban Development (HUD) and for complying with all subsequent changes in regulation when implementing the Admissions and Occupancy Policy. If such changes conflict with the Policy, HUD regulations will have precedence. The administrative burden for implementation and compliance with the Federal regulations rests with the HCAAC.

The guidelines set forth in this policy incorporates requirements of the U. S. Department of Housing and Urban Development (HUD), in the Public Housing Occupancy Handbook 7465.1 Rev-2 dated August, 1987. All issues not addressed in this document related to tenants and participants, are governed by changes in Federal regulations via HUD notices and memoranda as well as Board approved policies.

**G. ADMINISTRATION OF PROGRAM FUNCTIONS**

The administration of this Admission and Occupancy Policy is the responsibility of the Rental Services and Housing Management Divisions of the Housing Commission of Anne Arundel County.

**SECTION II - PRE-APPLICATION AND DETERMINATION OF ELIGIBILITY**

**A. FILING OF APPLICATION**

The Commission shall accept and process applications for admissions to its conventional Public Housing program according to the following procedures:

1. Any Adult member of the Applicant Family who is the Head of Household or Spouse must first file a preliminary application with the HCAAC Admissions and Occupancy Department. The pre-application shall provide information reasonably required by the Commission in determining eligibility, priority, selection, assignment, and rent.
2. The family member shall, by signing the pre-application attest to the accuracy of the recorded information, and acknowledge the Commissions right to verify the information by third-party verification.
3. The date of receipt will be stamped on the pre-application by the Admissions staff.

**B. DETERMINATION OF ELIGIBILITY**

If an applicant is determined to be eligible, said applicant is notified in writing that he/she has been placed on the waiting list. If an applicant is initially determined to be ineligible because of income or family composition, said applicant is notified in writing and advised that he/she may ask for an informal review to discuss the decision.

1. Applicants owing debts from previous assistance on the Section 8 Program and/or Public Housing Occupancy will be notified in writing of the amount owed, and will be given ten (10) days to enter into a repayment agreement. If, after entering into the repayment agreement, the applicant defaults, the pre-application will be withdrawn from the waiting list.

If at the time the applicant's name reaches the top of the waiting list, the debt is still outstanding, the applicant will be required to pay the debt in full before receiving assistance. Failure to do so will result in the applicant being removed from the waiting list, with the opportunity for an informal review. In either case, the applicant will be given the opportunity to an informal review.

2. HCAAC reserves the right to deny housing assistance to a family or single applicant if a family member has engaged in or been evicted from assisted housing due to drug-related or violent criminal activity in the past three years.

HCAAC is not required to list the family on the waitlist or to admit the family off the waitlist. A waiver, however, may be granted for an individual who clearly did not participate in or have knowledge of drug related or criminal activity or if the circumstances leading to eviction no longer exist.

#### **C. NOTIFICATION OF INELIGIBILITY**

If an applicant is initially determined to be ineligible because of income or family composition, and that determination is concurred by the Commission's Applicant Screening Committee, the Commission shall mail to the applicant a notification of ineligibility stating the reason or reasons for the determination and a short summary of the evidence relied upon in making the determination. The summary need not identify specific sources of that evidence.

The Commission will also advise that the Family may seek reversal of the determination at an informal, non-adversary, fact-finding review before the Commission's Hearing Officer if requested by the applicant in writing within ten (10) working days of the date of notification of ineligibility.

#### **D. INELIGIBILITY REVIEW**

If the Applicant is entitled to review of an ineligibility determination, the review shall be scheduled and held as soon as possible. The applicant shall be given reasonable written notice of the time and place of the informal review and shall be entitled to be present, to have a representative of his/her choice, and to offer additional information to the extent deemed relevant by the Commission's Hearing Officer.

The Commission's Hearing Officer shall within a reasonable time after the close of the hearing render written decision and describe the information upon which the hearing officer relied. The decision need not contain an extensive opinion or formal finding of fact or conclusions of law. The decision of the Commission's Hearing Officer shall be based on the record (consisting of the application file, information presented at the review and any information obtained after the hearing pursuant to agreement of the parties made at the review) and shall be final.

### **SECTION III - MAINTENANCE OF THE WAITING LIST**

#### **A. ESTABLISHMENT OF A CENTRAL FILING SYSTEM**

The Applications of persons making application for admissions to the Public Housing Program shall be suitably filed in the following manner:

1. "Active" files - The applications of all apparently eligible Applicants shall be alphabetized and filed together with a copy of any notification of apparent eligibility and any supporting and verification documents, and indexed in a central file maintained for "active" Applications.
2. "Ineligible" files - The applications of persons determined to be ineligible shall be suitably filed, together with a copy of the notification of ineligibility and any subsequent review notations, and indexed in a central file maintained for "ineligible" Applications.
3. "Withdrawn" files - Applications that have been withdrawn, for any of the reasons set forth below, shall be suitably filed, with related documents, and indexed in a central file maintained for "withdrawn" or "inactive" applications.  
An Application will be withdrawn if:
  - a. the Applicant requests withdrawal;
  - b. the Applicant fails to confirm continued interest in a Unit in response to the annual purge of the waiting list;
  - c. the Applicant fails to furnish information or verification, or authorization to obtain information or verification necessary to process the Application under Section IV-F of this policy.

#### **B. MAINTENANCE OF THE WAITING LIST**

The Commission shall computerize each written application and applicants will be assigned a position on the waiting list according to date and time of application, preference points, and suitable type or size of unit.

A list of interested families will be maintained when immediate assistance is not available. This waiting list will be maintained according to the applicant preference and ranking status, date and time of the family's application and suitable type or size of unit. All Applicants must report in writing to the Admissions office any change in address, family composition, income, or factors affecting preference points when

changes occur. An applicant's waitlist status is maintained on an automated voice mail system and can be retrieved via the telephone on a 24-hour basis. The waitlist is updated daily.

Should applicant not respond to the request for updated information or to selection for the program for any reason, prior to the established deadline, the applicant will be deleted from the waiting list. Reasons for non-response, resulting in deletion from the list, include (but are not limited to) negligence in returning the form in a timely manner; relocation resulting in a return of the blank form to the Commission with no forwarding address.

The waitlist will remain open for acceptance of applications until a determination is made by the Executive Director to close the waitlist and at such time a notice will be posted in the legal section of the local newspapers.

#### **SECTION IV - ELIGIBILITY CRITERIA FOR ADMISSIONS**

The Commission will admit, as tenants, only applicant families who, at the time of admission, satisfy the following economic and non-economic criteria:

##### **A. ECONOMIC CRITERIA**

Each Applicant Family shall satisfy the following maximum income and assets requirements:

1. **Income.** Adjusted family income does not exceed the applicable low income limits established by HUD for occupancy in developments constructed prior to October 1, 1981 or the "very low" income limits established for occupancy in developments constructed after October 1, 1981.
- 2) **Assets.** Net Family Assets do not exceed the applicable Maximum Asset Limits as set by HUD.

##### **B. NON-ECONOMIC CRITERIA**

Each Applicant Family shall satisfy the following non-economic requirements. Compliance shall be determined from information obtained from the application process. The non-economic requirements are:

##### **Family Applicant**

The applicant must qualify as a family which is defined as two or more persons who will live together regularly in the dwelling unit and are:

- related by blood
- married or co-habitants (as defined in the glossary)
- adopted

All Family member who will be assisted through the Section 8 program must be listed an verified as household members at the time of acceptance on the

**Program. Additions to the household will only be permitted if they meet the criteria listed above.**

**If addition to the family is a minor, then he/she must be placed in the household through adoption, court order or proof of legal custody.**

### **Single Applicant**

**A single applicant may also constitute a Family, but only if he or she is:**

- Elderly (62 or older)**
- Pregnant female**
- In the process of obtaining legal custody of a dependent under 18 years**
- Handicapped or disabled**
- Single with none of the above criteria, but who meet the income and preference requirements for the program.**

### **Independence**

**The definition of a Family includes at least one Adult who is capable of meeting his or her obligations under the lease and do not pose a danger to their own health and safety or to other residents of the community or HCAAC employees.**

**Accordingly, the Commission's attempts to provide sound housing units in a decent environment and requires that its Families provide for themselves their other essential living requirements, without becoming an unacceptable burden upon neighboring residents or the Commission's staff; such as housekeeping, nursing and health care, personal counseling, and financial management.**

**The Commission also requires that at least one responsible member of each Family be capable of understanding and discharging the obligations imposed upon Family by the Commission's lease, including obligations for the payment of rent and other charges and for the maintenance, cleanliness and safety of the leased premises.**

**In special circumstances, with the approval of the Department Supervisor, these requirements may be satisfied by a formalized arrangement between the Applicant Family and a relative, chore worker, nurse, or other suitable person who has agreed to provide and is capable of providing the necessary assistance and care. The continued providing of that third-person assistance and care shall become a special condition of the lease. The person providing such assistance shall not assume the status of a remaining member of a Tenant Family in the event the Tenant vacates the premises for any reason.**

### **Financial Responsibility**

**The Family's past performance and present conditions must indicate a reasonable probability that the Family will meet its future financial obligations to the Commission. The prospective ability and willingness of the Family to meet their limited financial**

obligations to the Commission will be determined by Applicants who owe no rent or other amounts to the Housing Commission or to another PHA as a result of participation in the Public Housing or Section 8 programs.

Applicants owing debts from previous assistance on the Section 8 Program and/or Public Housing Occupancy will be notified in writing of the amount owed, and will be given ten (10) days to enter into a repayment agreement. If, after entering into the repayment agreement, the applicant defaults, the pre-application will be withdrawn from the waiting list.

If at the time the applicant's name reaches the top of the waiting list, the debt is still outstanding, the applicant will be required to pay the debt in full before receiving assistance. Failure to do so will result in the applicant being removed from the waiting list, with the opportunity for an informal review. In either case, the applicant will be given the opportunity to an informal review.

Previous eviction for failure to pay rent shall not automatically disqualify an Applicant Family, but may be the basis for further inquiry and ineligibility.

### **Conduct**

The Family's past performance in present and prior housing should indicate a reasonable probability that the Family:

- 1) Will refrain from habits, practices and conduct, including criminal activity, that would likely disturb neighbors, damage property, or adversely affect the health, safety or welfare of the Commission's tenants or employees.
- 2) Has not committed fraud in connection with any Federal housing assistance program.
- 3) Has no record of being an unsatisfactory Public Housing resident prior to the date of admission.
- 4) Has no record of criminal activity involving acts of physical violence to persons or property, or other criminal or drug related acts which would adversely affect the health, safety, or welfare of other Residents, or the Applicant himself.

HCAAC reserves the right to deny housing assistance to a family or single applicant if a family member has engaged in or been evicted from Assisted Housing due to drug-related or violent criminal activity in the past three years.

In this case, is not required to list the family on the waitlist or to admit the family off the waitlist. A waiver, however, may be granted for an individual who clearly did not participate in or have knowledge of drug related or criminal activity or if the circumstances leading to eviction no longer exist.

**SECTION V - RESIDENT SELECTION AND ASSIGNMENT**

**A. FACTORS IN THE SELECTION PROCESS FOR ADMISSIONS TO PUBLIC HOUSING**

The procedures used for selection of Residents shall be designed to attain a Resident body in each community composed of families with a broad range of incomes and rent paying ability. The selection process or placement of an applicant in Public Housing is based upon the following factors:

- Preference points and ranking status
- Application date and time
- Bedroom size
- Elderly and non-elderly status
- Eligibility criteria

1. Preference points will only be awarded upon written verification of the applicant's preference status at the time of the eligibility interview. An applicant who does not submit verification of their preference status will not be awarded preference points. This requirement is reflected on the application for housing.

2. **Application Date and Time**

An applicant's position on the waiting list will be maintained in order of date and time of application and within required bedroom sizes. The date and time of receipt of each application received will be stamped on the application by the Admissions office.

3. **Bedroom Size**

The following occupancy standards will be used to determine the number of bedrooms required to accommodate a family at leasing (except that such standards could be waived at the discretion of the Executive Director or designee when necessary to achieve or maintain full occupancy or when extraordinary family situations or circumstances exist):

**OCCUPANCY STANDARDS**

<b><u>BEDROOM</u></b>	<b><u>MINIMUM # PERSONS IN HOUSEHOLD</u></b>	<b><u>MAXIMUM # PERSONS IN HOUSEHOLD</u></b>
0 BR	1	1
1 BR	1	2
2 BR	2	4
3 BR	3	6
4 BR	4	8
5-6 BR	6	10-12

- a. Dwellings will be assigned so that except in the case of infants or very young children, it will not be necessary for persons of the opposite sex, other than husband and wife, to occupy the same bedroom.
- b. Children who have reached the age of three (3) years will be given a separate bedroom from that single parent when a vacancy occurs and a transfer is feasible.
- c. Children of opposite sex will not be required to share a bedroom after reaching the age of five (5) years when a vacancy occurs and a transfer is feasible.

The preceding categories of occupancy standards are guidelines only. A family may elect to occupy a smaller unit than these guidelines would dictate if they so choose.

#### **4. Elderly and Non-Elderly Status**

Elderly and disabled or handicapped families are given preference in admission to communities for the elderly. Non-Elderly families are restricted to admission to family communities only. Management retains the right, however, to house a single handicapped or disabled person in a one bedroom "accessible" family unit.

#### **5. Income Requirements**

Families will be assigned in accordance with the income targeting requirements established based upon waitlist demographics. Targeting requirements will be evaluated semi-annually in January and July of each year and modifications will be made as an internal communication as amendment to this policy.

The policy will reflect waitlist demographics as indication of the demand required upon the program. The Housing Commission will continue to adhere to the Federal Requirements as they are updated.

The targeting requirements will also be set with emphasis on insuring that each community can meet its financial requirements and a minimum rent roll threshold will be established for each respective community.

### **B. PREFERENCE IN SELECTION OF TENANTS**

All applicants with the following Primary Preference will receive assistance before any other applicant who is not so qualified. An applicant qualifies for a preference if they meet any of the following conditions:

1. **Substandard Housing: A unit is substandard if it:**
  - a. **Has been declared unfit for habitation by a government agency.**
  - b. **Is dilapidated (does not provide safe, adequate shelter; has one or more critical defects or a combination of defects requiring considerable repair, endangers the health, safety, and well-being of family).**
  - c. **Does not have operable indoor plumbing.**
  - d. **Does not have a usable flush toilet in the unit for the exclusive family use.**
  - e. **Does not have usable bathtub or shower in the unit for exclusive family use.**
  - f. **Does not have adequate, safe electrical services.**
  - g. **Does not have an adequate, safe source of heat.**
  - h. **Should, but does not, have a kitchen.**

**An Applicant who is a "Homeless Family" is considered to be living in substandard housing if they:**

- a. **Lack a fixed, regular, adequate nighttime residence.**
  - b. **Have a primary nighttime residence that is a supervised public/private shelter providing temporary accommodations, or an institution providing temporary residence for individuals, intended to be institutionalized, or a public/private place not ordinarily used as a sleeping accommodation for human beings. ("Homeless Family" does not include any individual imprisoned/detained pursuant to State Law or an Act of Congress.)**
2. **Involuntary Displacement: Involuntary displaced applicants are applicants who have vacated or will (within no more than six months from date of verification) vacate housing as a result of:**
    - a. **Federal, State, or local government action related to code enforcement, or public improvement/development.**
    - b. **A disaster such as a fire or flood that results in the uninhabitability of an applicant's unit.**

- c. **Action by a housing owner, which is beyond an applicant's ability to control and occurs despite the applicant having met all previous conditions of occupancy and is other than a rent increase.**
  - d. **"Victims of Domestic Violence" who have to vacate due to actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member. This violence must have occurred recently or be of a continuing nature.**
  - e. **Displacement to avoid reprisals (witness relocation), displacement by hate crimes, displacement by inaccessibility of unit (e.g., a family member with a mobility impairment cannot use critical elements of the unit), and displacement because of HUD disposition of a multifamily project.**
3. **Paying in Excess of 50% of Income for Rent: The definition of this preference involves definition of two terms: "Family Income" and "Rent".**

**For purposes of the Preference Rule, "Family Income" is monthly income, as defined in 24CFR 913.102. "Rent" is defined as:**

- a. **The actual amount due, under a lease or occupancy agreement (calculated on a monthly basis), between a family and the Public Housing Commission.**
- b. **In the case of utilities purchased directly by tenants from utility providers:**
  - 1) **The PHA's reasonable estimate of the cost of such utilities, or**
  - 2) **The average monthly payments family actually made for these utilities in the most recent 12-month period, or shorter period if appropriate.**
- c. **Any amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the otherwise applicable "Rent" amount, to the extent that these amounts are not included in Family Income.**

**The Housing Commission has adopted Secondary Preferences (also known as Ranking or Local Preferences):**

- 1. **Living or Working in Anne Arundel County:**

**F. METHODS OF VERIFYING NECESSARY INFORMATION**

1. **Third Party (Independent) Verification:** This should be used whenever possible as it provides the most reliable results. If other methods are used, the file should contain documentation to explain the reason.

Third party verification refers to written or oral verification from employers, public agencies, physicians, etc. If oral, the file must be documented with the date and name of HCAAC staff member receiving the information.

**Internal Revenue Service Data:** This source can be used for income purposes and is especially useful when self-employment is involved. The information must be from the most recent year filed.

2. **Review of Documents:** When documents are reviewed they must be photocopied unless prohibited by law. When photocopies cannot be made, information must be recorded, dated, and signed.

Notarized Statement or Signed Affidavits may be accepted from applicants when all other sources have been exhausted. They should not be accepted in lieu of other possible methods.

Verifications, such as income or expenses, must be updated if older than 60 days, for the purpose of certification or re-certification.

**G. INELIGIBLE DETERMINATION AT TIME OF VERIFICATION**

Families may be determined ineligible if their income exceeds the very low income standards prescribed by HUD.

Families may be determined ineligible when their income is such that the Total Tenant Payment is equal to or exceeds the highest rent standard for the unit size for which the family would be eligible.

Families may be determined ineligible if it is discovered they submitted fraudulent information.

## **H. NOTICE OF DECISION AND INFORMAL REVIEW PROCESS**

All ineligible applicants must be advised of such in writing and of their right to informal review and given 10 days to request an informal review.

The informal review will provide the applicant with an opportunity to present new information or to refute existing information. The Hearing Officer may declare an applicant eligible, continue the findings of ineligibility, or reopen the case for further

- A question and answer period; and
- Distribution of related materials.

At the briefings, pertinent information is discussed on all programs. Especially emphasized are all tenant responsibilities.

## **J. RESIDENT SELECTION PROCEDURE & ASSIGNMENT PLAN**

The following plan for selection of applicants and assignment of dwelling units are consistent with the objective of Title VI of the Civil Rights Act of 1964 and HUD regulations and requirements to assure equal opportunity and non-discrimination on grounds of race, color, or national origin.

### **1. Elderly, Disabled & Handicapped Applicants**

When a vacancy occurs in an elderly housing community, one (1) offer of an appropriate size unit will be made to the applicant based on type and size of the unit available and date and time the application was received at the property where the greatest number of vacancies.

If the applicant refuses the offer of a unit for a reason other than the approved valid reasons for health hardship, the applicant will be placed at the bottom of the waiting list at the date and time of refusal of the offer.

### **2. Family Applicants**

When a vacancy occurs in a family housing community, one (1) offer of an appropriate size unit will be made to the applicant based on type and size of unit available and date and time the application was received at the property where the greatest number of vacancies exist.

If the applicant refuses the offer of a unit for a reason other than the approved valid reasons for health hardship, the applicant will be placed at the bottom of the waiting list at the date and time of refusal of the offer.

### **3. If the applicant is willing to accept the unit offered but is unable to move at the time of the offer and presents clear evidence of his inability to move, refusal of the offer shall not count as one of the number of allowable refusals permitted the applicant before placing his name at the bottom of the eligible applicant list.**

4. If the applicant presents clear evidence that acceptance of a given offer of a suitable vacancy will result in undue hardship or handicap not related to considerations of race, color, or national origin, such as inaccessibility to source of employment, medical services, children's day care and the like, refusal of such an offer shall not be counted as one of the number of allowable refusals permitted an applicant before placing his name at the bottom of the eligible applicant list.
5. **The Housing Commission will take action to ensure that qualified individuals with disabilities benefit from housing assistance and services that are provided by the Commission.**

**In the event an accessible unit becomes vacant, before offering such unit to a non-disabled applicant, the Housing Commission shall:**

- i. Offer such unit to a disabled resident of the same property, or comparable property, having disabilities that require accessibility features of the vacant unit, or, if no such occupant exists;
- ii. Offer such unit to qualified disabled client on the waiting list requiring the features of the available unit who meets the requirements of Eligibility and Resident Selection described herein.

#### **K. STANDARDS FOR RESIDENT SELECTION**

The Commission shall use information that may provide a basis for denial of housing based on the past conduct of the applicant or members of his/her family. To obtain such information, all families are subject to the following:

1. Credit report from a local credit bureau;
2. A rental history from a current or previous landlord;
3. Information from social workers, police departments, parole officers and other relevant reports.
4. Other selection criteria that may be regulated by Statute.

#### **L. ASSIGNMENT PROCESS**

1. Applicants are selected from the top of the Public Housing list based on date and time of application, preference points, and suitable type or size of unit with consideration given to elderly and/or handicapped status and factors which could adversely affect the health, safety, or welfare of other residents.

If an applicant has signed a long-term lease by the time he/she is contacted, the applicant may elect to delay the eligibility process.

2. Eligible applicants are assigned by the Occupancy Department to the appropriate site based on current and anticipated vacancies.

**M. HARDSHIP CRITERIA FOR APPLICANTS AND RESIDENTS OF PHA**

There are two (2) basis for hardship requests relative to the offering of a unit to new applicants:

1. **Health - The physical unit itself is not appropriate because of applicant's incapacities; its location precludes home-bound support or mitigates against access to required long-term medical care or**
2. **Economic Hardship - The unit's location would cause loss of job, severe economic hardship including inadequate access to appropriate day care and/ or preclude fair access to transportation when public transportation is reasonably required.**

**Applicants must inform site-based staff of their decision to accept or reject an offered unit within 48 hours of the offer.**

**N. REFUSAL AND DENIALS OF APPLICANTS**

1. **The Commission will deny an applicant housing for the following reasons:**
  - a. **History of:**
    - 1) **disturbing neighbors;**
    - 2) **destroying property;**
    - 3) **living or housekeeping habits which would adversely affect the health, safety or welfare of other residents; or**
    - 4) **criminal activity, especially involving violence. However no applicant who has been a victim of domestic violence, dating violence, or stalking can be denied admission if they are otherwise qualified.**
  - b. **Non-payment of rent**
  - c. **Poor credit history**
  - d. **Health or safety problems**
  - e. **Owing money to a public agency in connection with the public housing or Section 8 programs**
  - f. **Committing fraud in connection with any federal housing assistance program.**
  - g. **Indication that the use of alcohol and/or drugs would likely result in conduct that would adversely affect the property environment.**
  - h. **Families may be determined ineligible due to specified criminal activity, or an action or failure to act by a household member as defined and**

detailed by Federal Statute. The Housing Commission must prohibit admission to the program of an applicant for three years from the date of eviction if a household member has been evicted from federally assisted housing for drug related criminal activity. However, the Housing Commission may admit the household if the Commission determines: (1) that the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation approved by the Commission; or (2) that the circumstances leading to the eviction no longer exist.

The Housing Commission must establish standards that prohibit admission if: (1) the Commission determines that any household member is currently engaging in illegal use of a drug, and (2) the Commission determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents, and (3) any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

The Housing Commission must establish standards that prohibit admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program.

2. The Commission will:
  - a. Review with client any information that may adversely affect the possibility of housing and then inform the applicant in writing why housing is being denied and of their right to an informal review and given 10 days to request an informal review.
  - b. Refer the applicant to appropriate counseling services.

The informal review will provide the applicant with an opportunity to present new information or to refute existing information. The Hearing Officer may declare an applicant eligible, continue the findings of ineligibility, or reopen the case for further evaluation. The applicant shall be notified in writing of the results of the informal review.

#### SECTION VI - DWELLING LEASES

The Dwelling Lease is the basic contract between the Housing Commission and the Tenant and Tenant's Family (see Appendix IV). It is consistent with the state and local laws governing tenant-landlord relations as well as the requirements of HUD regulations. It governs the relationship between the Commission and its Tenants and consequently, is one of the single

most important policy documents of the Commission. More importantly, it is the major policy document governing continuing occupancy promulgated by the Commission.

The Dwelling Lease governs such aspects of Tenant-Commission relations as who is permitted to live in the Unit leased by Tenant; the amount and manner of payment of rent, security deposits, and sundry charges; the conditions under which Commission personnel may enter the Unit; and the procedures for re-determination of rent. It sets forth both the Commission's obligations to the Tenant and the Tenant's obligations to the Commission.

The Lease also prescribes the procedures for the transfer of the Tenant Family to larger or smaller units based on family size as well as for the termination of the Lease for the serious or repeated violation of the terms of the Lease. The Lease also makes reference to procedures for resolving disputes over the application of the rules and regulations set forth in the terms of the Lease and other such rules as are posted in development offices as well as over the omissions of the Commission.

No Applicant Family or Tenant Family may occupy a Unit in any Development managed by the Commission without a written Lease for such Unit which has been signed by the Head of Household or Spouse. The Lease shall be implemented for each Tenant at admission for new Tenants and at the time of transfer for any Tenant moving from one Unit in a development to any other Unit in a development.

#### **A. LEASE REQUIREMENTS**

The Lease which is entered into between the Commission and each Tenant of a Unit contains the following major provisions:

1. Identification of parties and premises;
2. Payments due under the Lease;
3. Rent and Unit size determinations;
4. Tenant's right to use and occupancy;
5. The Commission's obligations;
6. Tenant's obligations;
7. Defects hazardous to life, health, or safety;
8. Pre-occupancy and pre-termination inspections;
9. Entry of premises during residency;
10. Notice procedures;
11. Termination of the Lease;
12. Grievance procedures;
13. Provisions for modifications; and
14. Signature clauses.

#### **B. IDENTIFICATION OF PARTIES AND PREMISES**

Each Lease shall identify the premises leased and the parties to the lease including:

1. The date of the commencement of the Lease;
2. The term of the Lease; and

3. The members of the household and their relationship to the Head of Household who shall reside in the unit as approved by the Commission.

Dwelling Leases are for a period not to exceed one month. The Lease is automatically renewed for successive terms of one month each, unless terminated upon lease violations as specified in Section XIII.

## C. PAYMENTS DUE UNDER THE LEASE

Five types of payments are due under the provisions of the Lease:

### 1. RENT

The amount of rent charged the Tenant at the date of occupancy (or the making of the current lease) is fixed in the lease. This amount may be adjusted upward or downward during the term of the lease to reflect changes in the Total Family Income as specified in Section E below. All rents are due in advance on the first day of each month or at the time of initial occupancy.

#### a. MONTHLY RENT

In accordance with Section 402(a) and (2) of the continuing resolution, assisted families may pay a monthly minimum rent as set by the Housing Commission by internal procedure. The minimum rent may not exceed \$50.00 per month, and is currently set at \$0, but may be changed at any time due to market conditions. The total tenant payment of these families must be the greatest of:

- 30% of family monthly adjusted income
- 10% of family monthly gross income, or
- any minimum set by the Commission
- the flat rent established for the unit (public housing only), so long as the flat rent does not exceed the 3 previous categories.

### 2. LATE PAYMENT OF RENT AND COURT COSTS

A penalty of 5% (not to exceed \$10) shall be assessed for each instance of a tenant's failure to pay all monthly rent at the expiration of a 14-day notice of overdue rent and the Commission's initiation of legal proceedings to recover such delinquent rent. The Tenant shall also be charged the cost of court and any other assessments associated with legal proceedings regarding the non-payment of rent. The Tenant shall also be charged the cost of court whenever legal proceedings are initiated for the collection of unpaid sundry and other charges.

### 3. EXCESS UTILITIES

The Commission furnishes, without additional charge, the Utilities specified for the development on the Schedule of Utilities adopted by the Commission. copies of the Schedule of Utilities will be posted in each development office and will be furnished to the Tenant upon request. The Tenant will be charged for any

utility consumption in excess of the amount allotted for Units of similar size and construction. Charges for Excess Utilities are due and payable on the first day of the second month following the month in which the Excess Utility charge was incurred.

**4. REPAIR CHARGES**

The Tenant shall be charged for any repairs to the dwelling and/or the equipment furnished which are not due to normal wear and tear. The Head of Household shall be responsible for any and all damages caused by a member of the Tenant Household or their guests to the Unit, buildings, facilities, or common areas under the control of the Commission. The repair charges, where possible, shall be determined by reference to a uniform schedule of charges for repairs and materials as approved by the Commission after consultation with the Resident's Councils and posted in the development offices. Repair charges are due and payable on the first day of the second month following the month in which the charge is incurred and all charges shall indicate the nature of the repair.

**5. SECURITY DEPOSITS**

Tenants shall deposit with the Commission an amount equal to the greatest of \$50 or one month's Total Tenant Payment as security for the performance of Tenant's obligations under the Lease. The security deposit may be paid either as a lump sum on the date of occupancy of the Unit or billed in reasonable installments at the execution of the Lease and thereafter until the amount is paid in full. The security deposit may not be used to pay rent or other charges while the Tenant occupies the Unit and may be used only upon termination of the Lease to cover unpaid rent and other charges or damages due the Commission.

**D. REPAYMENT AGREEMENTS**

When a participant owes money to HCAAC, assistance must not be terminated simply because the family has an outstanding debt. When an applicant owes money to HCAAC (or another PHA or another federal housing program), placement on the waiting list must not be denied solely because of a previous debt. A Promissory Note, in the form of a Repayment Agreement, may be executed by the participant or applicant with the HCAAC to permit payback of a debt over a period of time.

Repayment Agreements may be executed for, but are not limited to, the following circumstances:

- failure to report changes in income or family size that results in overpayment of assistance
- repayment to HCAAC for claims paid on the participant's behalf due to unpaid rent, damages or a vacancy loss

Participants owing money must be notified of their liability and informed that they are not required to enter into a Repayment Agreement as a condition of continued assistance. However, in the absence of a Repayment Agreement or default of a Repayment Agreement, the HCAAC may deny issuance of a new Certificate or Voucher when the participant wants to move.

There is no dollar limit on the amount of the Repayment Agreement. Payment amounts should be affordable for the participant or applicant and for a specified term not to exceed 12 months.

If an applicant or participant has signed a Repayment Agreement with HCAAC (or any other PHA or federally assisted housing program) and they breach the agreement, HCAAC may deny or terminate assistance.

## **E. RENT AND UNIT SIZE REDETERMINATION**

Section VI-C of the Lease provides for the re-determination of rent, eligibility and dwelling size and represents the foundation of the continuing occupancy policies. The eligibility of a family to remain in occupancy, the amount of rent, and the appropriateness of the size of the Unit assigned based on Family composition are each determined as a result of the periodic reexamination of Tenant Families.

### **1. ANNUAL REEXAMINATION**

The Commission shall reexamine the incomes and Family composition of Families living in its developments at least once in each twelve (12) month period. The reexamination dates for a specific Tenant shall be consistent with the anniversary date of the Lease. Sixty to ninety days prior to the anniversary date of the Lease, the Head of Household shall furnish a signed statement setting forth the facts as to Family income, assets, employment, and family composition.

The Commission shall verify all information submitted by the Tenant in accord with V-F of this policy. To assist in the verification process, the Head of Household and any working adult members of the Tenant's Family shall sign release of information forms necessary to accurately verify the source, amount, and permanence of income. Copies of enrollment forms and transcripts may be required to document the status of full-time students for persons 18 years and older.

If, as a result of the Annual Reexamination, the Commission determines that Tenant's rent should be adjusted, the Commission will give Tenant 30-day Notice of Proposed Rent Adjustment. The adjustment shall become effective on the date stated in the Notice unless the tenant requests a grievance hearing on the proposed adjustment based on the manner in which the rent was determined.

The rent established at admission or the last reexamination date shall remain in effect between regular rent determination dates unless modified through an interim adjustment.

## 2. INTERIM ADJUSTMENTS

In general, the Tenant shall report any changes in Family composition, employment status, or income to the Commission with ten (10) days after the change has occurred. However, rent shall also be adjusted if the Commission obtains independent verification of income for a Family member, which has not been previously reported.

### a. Temporary Rent

If the reported change involves a change in employment status and income upon which rent is determined, the Commission shall calculate a temporary rent, which reflects the reported changes. The Commission shall attempt to verify the reported changes through its normal verification procedures within ten (10) days of the application. However, should there be difficulty in immediately verifying the information, the Temporary Rent shall remain in effect until the changes are verified or for a period not to exceed sixty (60) days, whichever is shorter.

### b. Hardship Rent

If the Tenant reports and adequately demonstrates to the Commission a change in his or her circumstances, which with the continued payment of rent at the then current rate, creates a hardship, the Commission shall reduce the rent during the continued existence of the hardship and for a period of sixty (60) days thereafter. The previous rental rate shall automatically be restored at the end of the sixty (60) days unless the tenant again demonstrates to the Commission that the hardship continues to exist. The Tenant must demonstrate efforts to the Commission that the hardship continues to exist. The tenant must demonstrate efforts to remedy the condition bringing about the hardship rent in order to have successive applications for hardship rent approved.

### c. Retroactive Rent

If the Commission determines that the Tenant has misrepresented to the Commission the facts upon which his rent is based, resulting in the underpayment of rent, the Commission may, in addition to or in lieu of its other rights and remedies, including termination, charge and collect rent at the correct rent applied retroactively.

### d. Verification of Information

Where feasible, third-party written verification or direct document review shall be the preferred method of verifying Tenant information, including Income, value of Assets, Medical Expenses, Child Care Expenses, Family composition, age, Disability, Handicap, Student Status,

and displacement status. Third-party oral verification may be used if the tenant file is documented according to identification of all parties, the date, and the content of the information. All information must be verified as a condition of continued occupancy and the Head of Household and all other members of the Tenant Family must sign HUD-approved release forms and consent authorizing private and public agencies to furnish and release required information to the Commission.

### **3. UNIT SIZE DETERMINATION**

Assignments to Units are based on Family size and composition as discussed in Section V-A(3) of this Policy. If the Commission determines that the size of the Unit is no longer appropriate based on the Family composition, the Commission shall amend the lease and transfer the Tenant to a dwelling of appropriate size designated by the Commission, by written notice to the Tenant and allowing a reasonable time within which to move. Transfers due to changes in family composition shall take priority over the housing of persons from the applicant pool.

### **4. MISREPRESENTATION OF INFORMATION**

If the Commission determines that the Tenant has knowingly misrepresented the facts upon which his or her rent or unit assignment is based, the Commission may, in addition to its right to charge retroactive rent or to refuse to adjust the Family composition and Unit size, terminate the lease and take possession of the Unit upon a thirty (30) day notice to Tenant unless the Tenant requests a grievance hearing on the proposed termination, in which case the grievance decision will determine the action or remedy.

## **F. TENANT'S RIGHT TO USE AND OCCUPANCY**

As long as the lease is in effect, the Tenant shall have the right to the exclusive use and possession of the Unit as long as the dwelling is not used, or the Tenant does not permit it to be used, in violation of the terms and conditions of the lease. This restriction on the use and occupancy of the lease shall imply that neither Tenant nor members of the Tenant Family may sublease the dwelling to anyone else or permit persons not listed on the lease to occupy the dwelling in return for composition. It shall also imply that Tenant may not conduct a business from the premises or engage in any other activities which are in violation of building or housing codes as well as civil and criminal laws.

## **G. THE COMMISSION'S OBLIGATIONS**

The Commission is specifically obligated by the lease to:

- 1. maintain the dwelling and the project in a decent, safe, and sanitary condition;**

2. **comply with requirements of applicable building codes, housing codes, and HUD regulations materially affecting health and safety;**
3. **make necessary repairs to the dwelling Unit;**
4. **keep project buildings, facilities, and common areas, not otherwise assigned to Tenant for maintenance and upkeep in a clean and safe condition;**

**CONSOLIDATED ANNUAL CONTRIBUTIONS CONTRACT (Consolidated ACC)**

**(a) NATURE OF ACC**

- (1) An annual contributions contract (ACC) is a written contract between HUD and an HA. Under the ACC, HUD agrees to make payments to the HA, over a specified term, for housing assistance payments to owners and for the HA administrative fee. The ACC specifies the maximum annual payment by HUD, and the maximum payment over the ACC term. The HA agrees to administer the program in accordance with HUD regulations and requirements.**
- (2) HUD's commitment to make payments for each funding increment in the HA program constitutes a separate ACC. However, commitments for all the funding increments in an HA program are listed in one consolidated contractual document called the consolidated annual contributions contract (consolidated ACC). A single consolidated ACC covers funding for the HA certificate program and voucher program.**

**(b) BUDGET AUTHORITY AND CONTRACT AUTHORITY**

- (1) Budget authority is the maximum amount that may be paid by HUD to an HA over the ACC term of a funding increment. Contract authority is the maximum annual payment for the funding increment. Budget authority for a funding increment is equal to contract authority times the number of years in the increment term. Before adding a funding increment to the consolidated ACC for an HA program, HUD reserves budget authority from amounts authorized and appropriated by the Congress for the program.**
- (2) For each funding increment, the ACC specifies the initial term over which HUD will make payments for the HA program, and the contract authority and budget authority for the funding increment. For a given HA fiscal year, the amount of HUD's maximum annual payment for the HA program equals the sum of the contract authority for all of the funding increments under the consolidated ACC. However, this maximum amount does not include contract authority for an expired funding increment. If the term of a funding increment expires during the HA fiscal year, this maximum amount only includes the pro-rata portion of contract authority for the portion of the HA fiscal year prior to expiration. (Additional payments may be made from the ACC reserve account described in 24 CFR 982.154.) However, the amount to be paid must be approved by HUD, and may be less than the maximum payment.**

## **I. STATEMENT OF OVERALL APPROACH, POLICIES AND OBJECTIVES**

**The Housing Choice Voucher Program was created by the Housing and Community Development Act of 1974 and amended by the Housing and Community Development Acts when applicable.**

**The Housing Commission of Anne Arundel County (HCAAC) serves as the Public Housing Agency (PHA) for all of Anne Arundel County. HCAAC applies for and receives allocations of Housing Choice Voucher Annual Contributions Contracts (ACC), which gives authority to operate this program as required by regulation, throughout the County by direct administration. The Housing Commission may utilize components of the program, such as Group Home, Shared Housing and Single Room Occupancy subsidies as economic conditions warrant. It is anticipated that project based vouchers will be utilized as a potential component as needed. HCAAC will also seek to apply for additional funding and resources to expand and enhance the program, and will complete any changes to the program as required by Federal Regulation.**

### **A. PURPOSE OF THE PLAN**

**The Housing Choice Voucher Programs are designed to achieve five major goals:**

- 1. To assist very low income and low-income families with rent payments.**
- 2. To enable Housing Choice Voucher participants to have a greater choice in housing types and locations.**
- 3. To provide decent, safe, and sanitary housing for eligible participants.**
- 4. To provide incentives to private property owners to rent to low income families by offering timely assistance payments.**
- 5. To help facilitate a transition from housing assistance to self-sufficiency through implementation of the Family Self-Sufficiency (FSS) Program.**

### **B. USE OF THE ADMINISTRATIVE PLAN**

**The Housing Commission of Anne Arundel County has full responsibility for the satisfactory completion of all contractual obligations with the Department of Housing and Urban Development (HUD) and for complying with all subsequent changes pertaining to these Programs. If such changes conflict with the Plan, HUD regulations will have precedence. The administrative burden for implementation and compliance with the Federal regulations rests with the HCAAC. The Plan covers both admission and continued participation policies for the Program. Policies are the same for all programs, unless otherwise noted. Changes to the Plan will be approved by the HCAAC Board of Commissioners and HUD.**

All issues not addressed in this document related to tenants and participants, including owners, are governed by the HUD Handbook 7420.7, Federal regulations, HUD or PHA notices, memorandums, and guidelines.

Where the word "may" appears throughout the text, HCAAC has discretion in the implementation of the policy described.

Wherever the word "must" appears throughout the text, HCAAC will implement the policy as stated.

### **C. FAIR HOUSING POLICY**

It is the policy of HCAAC to comply fully with all Federal, State and local non-discrimination laws and to operate in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

Specifically, HCAAC shall not on account of race, color, sex, religion, creed, national ethnic origin, age, family or marital status, handicap or disability, deny any family or individual the opportunity to apply for or receive assistance under HUD's Housing Choice Voucher Programs, within the requirements of the HUD regulations.

To further its commitment to full compliance with the Civil Rights laws, HCAAC will provide Federal, State and local information to Voucher holders regarding "discrimination" and any recourse available to them should they feel that they have been a victim of discrimination. Such information will be made available during the family briefing session and all applicable Fair Housing information and Discrimination Complaint Forms will be made a part of the Voucher holder packets.

### **D. ADMINISTRATION OF PROGRAM FUNCTIONS**

#### **Outreach to Families:**

The following outreach steps will be taken by HCAAC to maximize compliance with the ACC allocations:

- 1. HCAAC will announce the program to the local newspaper, minority media, and other appropriate media channels. In addition, recognizing that there are persons who do not, or cannot read the newspapers; HCAAC will distribute fact sheets to the broadcasting media.**
- 2. An announcement will be posted at the HCAAC Administrative Offices.**
- 3. Public meetings will be with community organizations to inform residents of the Program when warranted.**

## **Outreach to Owners:**

**Orientations for owners will be conducted as needed to make dwelling units available for leasing by eligible families. Owners of units located outside of areas with a high, low-income or minority concentration will be encouraged to participate. On a continuing basis, HCAAC will welcome the participation of owners of decent, safe and sanitary housing units.**

**A list of interested landlords and their properties available for the Housing Choice Voucher Program is maintained by HCAAC. This list is updated on an ongoing basis and is made available to prospective tenants upon request.**

## **I. COMPLETION OF APPLICATIONS, DETERMINATION OF ELIGIBILITY AND SELECTION OF FAMILIES**

### **A. FILING OF APPLICATION**

**All persons who wish to apply for participation on the Housing Choice Voucher Program must first file a preliminary application with the HCAAC Admissions and Occupancy Department. The application must be made by the head of household, or his/her designee.**

### **B. DETERMINATION OF ELIGIBILITY**

**If an applicant is determined to be eligible, said applicant is notified in writing that he/she has been placed on the waiting list. If an applicant is initially determined to be ineligible because of income or family composition, said applicant is notified in writing and advised that he/she may ask for an informal review to discuss the decision.**

**1. Applicants owing debts from previous assistance on the Housing Choice Voucher Program and/or Public Housing Occupancy will be notified in writing of the amount owed, and will be given ten (10) days to enter into a repayment agreement. If, after entering into the repayment agreement, the applicant defaults, the pre-application will be withdrawn from the waiting list.**

**2. If at the time the applicant's name reaches the top of the waiting list, the debt is still outstanding, the applicant will be required to pay the debt in full before receiving assistance. Failure to do so will result in the applicant being removed from the waiting list, with the opportunity for an informal review. In either case, the applicant will be given the opportunity to an informal review.**

**3. HCAAC reserves the right to deny housing assistance to a family or single applicant if a family member has engaged in or been evicted from assisted housing due to drug-related or violent criminal activity in the past three years. HCAAC is not required to list the family on the waitlist or to admit the family off the waitlist. A waiver, however, may be granted for an individual who clearly did not participate in**

or have knowledge of drug related or criminal activity or if the circumstances leading to eviction no longer exist.

To be eligible for assistance, an applicant must meet the following criteria:

- Applicant's gross family income must not exceed the income limits established for Housing Choice Vouchers.

- Family Applicant

The applicant must qualify as a family which is defined as two or more persons who will live together regularly in the dwelling unit and are:

- related by blood
- married or co-habitants (as defined in the glossary)
- adopted

All Family members who will be assisted through the Housing Choice Voucher program must be listed and verified as household members at the time of acceptance on the Program. Additions to the household will only be permitted if they meet the criteria listed above.

If the addition to the family is a minor, then he/she must be placed in the household through adoption, court order or proof of legal custody.

- Single Applicant

The single applicant must meet one of the following criteria:

- Be elderly (62 or older)
- Pregnant female
- In the process of obtaining legal custody of dependent under 18 years
- Handicapped or disabled
- Single with none of the above criteria, but who meet the income and preference requirements for the program.

### C. PREFERENCE IN SELECTION OF TENANTS

Applicants who qualify under 24CFR 982.207 for Selection Preference are given priority on the waiting list. All applicants with the following Primary Preferences will receive assistance "before" any other applicant who is not so qualified. An applicant qualifies for a preference if they meet any of the following conditions.

1. Substandard Housing: A unit is substandard if it:
  - a. Has been declared unfit for habitation by a government agency.

- b. Is dilapidated (does not provide safe, adequate shelter; has one or more critical defects requiring considerable repair, endangers the health, safety, and well-being of family).
- c. Does not have operable indoor plumbing.
- d. Does not have a usable flush toilet in the unit for the exclusive family use. Does not have usable bathtub or shower in the unit for exclusive family use.
- f. Does not have a adequate, safe electrical services.
- g. Does not have an adequate, safe source of heat.
- h. Should, but not, have a kitchen.

**An Applicant who is a "Homeless Family" is considered to be living in substandard housing if they:**

- a. Lack a fixed, regular, adequate nigh time residence.
- b. Have a primary nighttime residence that is supervised public/private shelter providing temporary accommodations, or an institution providing temporary residence for individuals, intended to be institutionalized, or a public/private place not ordinarily used as a sleeping accommodation for human beings. ("Homeless Family" does not include any individual imprisoned/detained pursuant to State Law or an Act of Congress.)

**2. Involuntary Displacement: Involuntary displaced applicants are applicants who have vacated or will (within no more than six months from date of verification) vacate housing as a result of:**

- a. Federal, State, or local government action related to code enforcement, or public improvement/development.
- b. A disaster such as a fire or flood that results in the un-inhabitability of an applicants' unit.
- c. Action by a housing owner which is beyond an applicant's ability to control, occurs despite the applicant having met all previous conditions of occupancy, and is other than a rent increase.
- d. **Victims of domestic violence, as defined by the Violence Against Women Act**, who have to vacate due to actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member. This violence must have occurred recently or be of a continuing nature.

- e. **Displacement to avoid reprisals (witness relocation), displacement by hate crimes, displacement by inaccessibility of unit (e.g., a family member with a mobility impairment cannot use critical elements of the unit), and displacement because of HUD disposition of a multifamily project.**
3. **Paying in Excess of 50% of Income for Rent: The definition of this preference involves definition of two terms: "Family Income" and "Rent".**

**For purposes of the Preference Rule, "Family Income" is monthly income, as defined in 24CFR 5.609. "Rent" is defined as:**

- a. **The actual amount due under a lease or occupancy agreement (calculated on a monthly basis), plus the monthly amount of tenant-supplied utilities, which can be either:
  - i. **The PHA's reasonable estimate of the cost of such utilities, or**
  - ii. **The average monthly payments family actually made for these utilities in the most recent 12 month period, or shorter period if appropriate.****
- b. **Any amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the otherwise applicable "Rent" amount, to the extent that these amounts are not included in Family Income.**
- c. **Applicants whose rents will be increased 50% or more of their income after completion of Rental Rehabilitation.**

**The Commission has also established Ranking Preferences for housing eligibility to include:**

4. **Living or Working in Anne Arundel County:**
- a. **Anne Arundel County mailing address (which does not include a Post Office Box number).**
  - b. **Application for or possession of driver's license or vehicle registration indicating a Anne Arundel County mailing address.**
  - c. **Statements of residence on other identification.**
  - d. **Registration of children in local schools.**
  - e. **Head, Spouse or other Family member either working or hired to work in Anne Arundel County.**

**5. Working Family**

**Working Family which is defined as:**

**Applicant households whose head, spouse, or sole member is age 62 or older or is receiving social security disability, supplemental security income disability benefits, or any other payments based on the individual's inability to work; or those who are in or have completed educational or training programs designed to prepare people for the job market. It may also be narrowed to require that either the head or spouse be employed for at least six months and that the employment income must be countable under HUD's definition of "annual income."**

**6. Income Requirements**

**Families will be assigned in accordance with the income targeting requirements established based upon waitlist demographics. Targeting requirements will be evaluated annually in January of each year and modifications will be made as an internal communication as amendment to this policy.**

**The policy will reflect waitlist demographics as indication of the demand required upon the program. The Housing Commission will continue to adhere to the Federal Requirements as they are updated.**

**The targeting requirements will also be set with emphasis on insuring that the program can be well utilized by the recipients and that families of all income ranges can benefit from the program.**

**The selection preferences and priorities established in this section will be administered in a manner that is consistent with HUD's Fair Housing policy.**

**D. WEIGHTING OF THE PREFERENCES**

**Regardless of the number of Preferences as applicant may qualify for, only a maximum of three Preferences shall be assigned to the applicant for a total of five (5) points.**

**An applicant shall be placed on the waitlist in the chronological order in which they apply, and the number of preference points assigned.**

<u>PREFERENCES</u>	<u>POINTS</u>
Substandard Housing	3
Involuntary Displacement	3
50% of Income	3
Living in A.A. Co.	1
Working Families	1

1. HCAAC anticipates that tenants maybe affected by rehabilitation of their units and may encounter increased rent burdens, which reach a level that may qualify the family for a preference.

2. **Omni House, ARC, SHD, Pumphrey House,** and other types of group homes which provide sheltered housing for individuals who are either elderly, physically or mentally disabled or handicapped. The group home residents are issued vouchers for the unit size required. The units are filled with applicants from the Housing Choice Voucher waiting list who are participants of their shelter programs. The tenants are selected, however, by the representatives of the group home agency. A head of household is designated and other eligible applicants are considered as household members.

Re-certifications are conducted in accordance with the procedures established in this plan. When a tenant is removed from the group home, he/she will be replaced with an eligible shelter program participant on our active Housing Choice Voucher waiting list.

The Housing Commission sets aside vouchers for use under the two preceding circumstances.

3. The Executive Director may assign temporary preferences as necessary in accordance with market conditions; or agreements with local developers and/or management entities; **including the Housing Commission and Housing Corporation.**

Applicants who do not meet the criteria for any preferences as discussed in this Plan will remain on the waiting list according to the date and time of the application.

**E. MAINTAINING THE WAITING LIST**

A list of interested families will be maintained when immediate assistance is not available. This waiting list will be maintained according to the applicant preference and ranking status, date and time of the family's application. All Applicants must report in writing to the Admissions office any change in address, family composition,

income, or factors affecting preference points when changes occur. An applicant's waitlist status is maintained on an automated voice mail system and can be retrieved via the telephone on a 24-hour basis. The waitlist is updated daily.

Should applicant not respond to the request for updated information or to selection for the program for any reason, prior to the established deadline, the applicant will be deleted from the waiting list. Reasons for non-response, resulting in deletion from the list, include (but are not limited to) negligence in returning the form in a timely manner; relocation resulting in a return of the blank form to the Commission with no forwarding address.

The waitlist will remain open for acceptance of applications until a determination is made by the Executive Director to close the waitlist and at such time a notice will be posted in the legal section of the local newspapers.

### III. OCCUPANCY GUIDELINES

HCAAC, in accordance with HUD guidelines, has established standards for the assignment of Vouchers (number of bedrooms) appropriate for the applicant family.

The basic standards for determining the appropriate Voucher size for an eligible family are as follows:

- A minimum of one bedroom or living/sleeping room of appropriate size for each two persons in the household.
- Separate bedrooms shall be assigned to persons of the opposite sex, except for:
  - a) husband and wife;
  - b) male/female cohabitants (as defined in the Glossary); and
  - c) children age 5 and under
- Dependents of the same sex, regardless of age, shall be assigned one bedroom for each two persons.
- The unborn child of a pregnant head of household or spouse shall be considered a dependent under the age of 5.

The family may select a larger dwelling than that listed on the Voucher.

Two criteria are considered for the Voucher Program:

- **Payment Standards:** The Payment Standard for the Voucher size approved for the family or the unit size actually selected by the family, whichever is less, must be applied to the unit.

- **Exceed three percent of Annual Income; and**
- **Do not exceed the earned income of the household member(s).**

**"Auxiliary apparatus" are items such as wheelchairs, ramps, adaptations to vehicles, special equipment to enable a blind person to read or type, etc. if directly related to permitting the physically challenged person or other family member to work.**

#### **5. Medical Expenses**

**The medical expense deduction is permitted only for households in which the head or spouse is at least 62 years of age, handicapped or disabled.**

**If the household is eligible for a medical expense deduction, the medical expenses of all family members are counted.**

**They may include:**

- **Services of health care facilities.**
- **Medical insurance premiums.**
- **Prescription/non-prescription medicines.**
- **Transportation to treatment.**
- **Dental expenses, eyeglasses, hearing aids, batteries.**
- **Live-in or periodic medical assistance.**
- **Monthly payment on accumulated medical bills.**

**Allowable Medical Expense is that portion of total medical expenses that is in excess of three percent of annual income.**

**G. SPECIAL CALCULATION FOR HOUSEHOLD WHO ARE ELIGIBLE FOR DISABILITY ASSISTANCE AND MEDICAL EXPENSES**

If a family has both medical expenses and disability assistance expenses, a special calculation is required.

Three percent of annual income must first be deducted from the handicap assistance expenses. Any remainder is then deducted from total medical expenses.

**H. METHODS OF VERIFYING NECESSARY INFORMATION**

- 1. Third Party (Independent) Verification:** This should be used whenever possible as it provides the most reliable results. If other methods are used, the file should contain documentation to explain the reason.

Third party verification refers to written or oral verification from employers, public agencies, physicians, etc. If oral, the file must be documented with the date and name of HCAAC staff member receiving the information.

**Internal Revenue Service Data:** This source can be used for income purposes and is especially useful when self-employment is involved. The information must be from the most recent year filed.

- 2. Review of Documents:** When documents are reviewed they must be photocopied unless prohibited by law. When photocopies cannot be made, information must be recorded, dated, and signed.

Notarized Statement or Signed Affidavits may be accepted from applicants when all other sources have been exhausted. They should not be accepted in lieu of other possible methods.

Verifications for income or expenses must be updated if older than 60 days, for the purpose of certification.

**I. INELIGIBLE DETERMINATION AT TIME OF VERIFICATION**

Families may be determined ineligible if their income exceeds the very low income standards prescribed by HUD. Families requesting to transfer their housing assistance from another jurisdiction must meet the HUD established income limits for the Commission's area.

Families may be determined ineligible when their income is such that the Total Tenant Payment is equal to or exceeds the highest rent standard for the unit size for which the family would be eligible.

Families may be determined ineligible if it is discovered that a household member submitted fraudulent information, participated in bribery or any other corrupt or criminal act. Families may be determined ineligible if it is discovered that the use of

**alcohol/drugs would likely result in conduct that would adversely affect the property environment.**

**Families may be determined ineligible due to specified criminal activity, or an action or failure to act by a household member as defined and detailed by Federal Statute. The Housing Commission must prohibit admission to the program of an applicant for three years from the date of eviction if a household member has been evicted from federally assisted housing for drug related criminal activity. However, the Housing Commission may admit the household if the Commission determines: (1) that the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation approved by the Commission; or (2) that the circumstances leading to the eviction no longer exist.**

**The Housing Commission must establish standards that prohibit admission if: (1) the Commission determines that any household member is currently engaging in illegal use of a drug, and (2) the Commission determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents, and (3) any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.**

**The Housing Commission must establish standards that prohibit admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program.**

## **J. NOTICE OF DECISION AND INFORMAL REVIEW PROCESS**

**All ineligible applicants must be advised of such in writing of their family obligations under the program and the grounds on which the Commission may terminate assistance, and of their right to informal review and given 10 days to request an informal review.**

**The informal review will provide the applicant with an opportunity to present new information or to refute existing information. The Hearing Officer may declare an applicant eligible, continue the findings of ineligibility, or reopen the case for further evaluation. The applicant shall be notified in writing of the results of the informal review.**

## **V. BRIEFING OF FAMILIES AND ISSUANCE OF VOUCHERS**

Every effort is made to thoroughly brief potential tenants on all Housing Choice Voucher Programs. This effort includes both individual and group briefings. At the individual briefings, the tenant can ask questions specific to his/her own circumstances. At the group briefing, the following tools may be used:

- An audio-visual presentation;
- An oral presentation;
- A question and answer period; and
- Distribution of related materials.

At the briefings, pertinent information is discussed on all programs. Especially stressed are all tenant responsibilities.

In an effort to aid families in housing selections, a listing of available units is maintained by the Housing Commission. These properties are not pre-screened, and this is so stated to the families. When possible, additional assistance is provided by the Housing Choice Voucher Coordinator for families having difficulty finding housing.

Prior to issuance of a Voucher all income verification must be current with in (60) days.

Once issued, a family is given 60 days to locate suitable housing in the locale of its choice. Two additional 30-day extensions can be given upon the family's request by the Department Supervisor(s), provided that the family is able to justify the need for an extension.

If the Voucher expires at the end of the initial 60 day term without an extension or if it expires after any additional term requested and approved, the family may reapply for the program if they so desire, if the waiting list is open, and be placed back on the waiting list according to the date of their reapplication. HCAAC may not determine the family to be ineligible for the program on the grounds that it was not able to utilize a previously issued Voucher. Any expired Vouchers should be reissued to the next eligible applicants on the waiting list as soon as possible.

### **A. HOUSING QUALITY STANDARDS (HQS) AND INSPECTIONS**

The HCAAC will use the HUD acceptability criteria in the program regulations and the HUD Inspection booklet (HUD 52580) for all inspections of dwelling units and adheres to the following additions:

- All units must have at least one smoke detector for each living level in the unit.
- At the discretion of HCAAC, subject to HUD approval, landlords will be required to scrape and repaint all surfaces cited for peeling paint with two

coats of non-lead paint or otherwise suitable cover where there is a child under seven years of age residing or expected to reside in the unit.

In addition to ongoing inspections, periodic, random review of completed inspections will be performed by supervisory personnel at a minimum of 5% sampling of inspections to ensure quality control.

If the annual inspection reveals that the unit is not in decent, safe and sanitary condition as required by the HQS criteria, HCAAC will immediately notify the owner *and tenant* of the deficiencies and require that the conditions be corrected within 30 days.

If there are serious deficiencies that present an immediate danger to the health and safety of the family, HCAAC will require a correction of those deficiencies within 24 hours. (The owner however, is not responsible for HQS violations caused by the family. Such violations include damage to the unit by the family or guest beyond normal wear and tear and verification of the absence of tenant paid utilities.)

If the owner does not take the required action to correct the deficiencies deemed as his/her responsibility, within the required time period, HCAAC will abate the housing assistance payments until such time as the owner corrects the deficiencies. The housing assistance payments will be resumed once the deficiencies are fully corrected by the owner, but HCAAC will not make payments for the period the unit was not in compliance. Tenants who do not correct the deficiencies in a timely manner will have their assistance terminated.

If the violation(s) are not corrected within an additional thirty days, the Housing Assistance payments will be terminated.

#### **B. LEASE APPROVAL AND HOUSING ASSISTANCE PAYMENTS CONTRACTS EXECUTION**

In the execution of the Lease Agreement and Addendum to the Lease, both parties (tenant and owner) will be made aware of required and prohibited lease provisions. Both parties will receive a copy of pertinent contract documents. Upon receipt of a Request for Tenancy Approval, signed by tenant and owner, HCAAC will insure that the contract rent:

- Is within the applicable Payment Standard and,
- Is reasonable in relation to rents currently being charged for comparable units in the private, unassisted market, also

HCAAC will also ensure:

That the owner of the unit is not subject to certain federal actions such as debarment, suspension or denial of participation under 24 CFR 982.306.

**That the owner has not engaged in drug trafficking.**

**That the owner does not have a history or practice or violating Housing Choice Voucher HQS or applicable Housing Standards.**

**Upon approval of the Request for Tenancy Approval the voucher becomes suspended, i.e., the expiration date of the voucher is stopped pending the outcome of the unit inspection.**

#### **Release of Information**

**HCAAC is required upon request to provide the following information to owner regarding tenants who wish to lease their dwelling unit in accordance with Section 982.307(b).**

- **The Family's current address as shown in our records.**
- **The name and address of the Landlord at the Family's current and prior address (if known).**

#### **C. PAYMENT STANDARD RENT LIMITATIONS**

**The Gross Rent for a Voucher Program unit shall not exceed the standards of rent reasonableness according to local market conditions that are applicable for such unit on the date of Lease approval. Federal Statute may impose other limitations that shall become effective to maintain compliance.**

#### **D. SEPARATE AGREEMENTS**

**Owners and tenants may execute agreements for services, appliances (other than for range and refrigerator) and other items outside those which are provided under the lease if the agreement is in writing and approved by HCAAC.**

**In order for there to be a separate agreement, the tenant must have the option of not utilizing the service, appliance or other item.**

**HCAAC is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.**

## **VI. ANNUAL ACTIVITIES**

### **A. REVIEW OF FAMILY CIRCUMSTANCES, RENT, UTILITIES, AND HOUSING QUALITY**

All families (includes all adult members) will be scheduled for recertification interviews to provide information on income, assets, allowances, deductions and family composition at least annually and in accordance with Section 982.516 of the Federal Regulations. (See Verification Procedures)

This annual reexamination of family circumstances is coordinated with the anniversary date and inspection of the premises for continued compliance with Housing Quality Standards (HQS). Annual reexaminations are started 90 days prior to the anniversary date to assure sufficient time to conclude this process.

Participants will be allowed two appointments for re-certification interviews. Should the participant fail to keep the first appointment, a second appointment will be scheduled and the tenant will be notified that failure to attend may result in termination of assistance for failure to comply with the obligations of their voucher. A thirty (30) day notice of termination of assistance will be sent by Certified Mail if they fail to appear for the second date.

### **B. INTERIM ADJUSTMENTS OF RENT**

Interim adjustments will be conducted, in case where the tenant's rent will decrease due to the adjustment. An interim will also be conducted in cases where the household income increases from a reported amount equaling zero. Such changes in Family circumstances would include:

- Receipt or discontinuance of Public Assistance.
- Changes in family composition.
- Employment or loss of.
- Receipt of a deferred payment in a lump sum that represents the delayed start of a periodic payment such as Unemployment Compensation and other compensation.

### **C. TIMELY REPORTING STANDARDS**

Participants must report changes within 10 days of the occurrence in order for the report to be "in a timely manner". Changes may be initially reported verbally by the participant, but must be followed immediately by third party verification.

**Decrease in tenant rent will be effective the first of the month following the reported decrease.**

**Increases in tenant rent will be effective anniversary date of the contract following the change in family circumstances.**

**If the Housing Commission of Anne Arundel County determines that the tenant has misrepresented the facts, which would result in an increase in tenant rent, at the time of re-certification it shall be computed retroactively to the anniversary date. Depending on the circumstances, the tenant may, at the discretion of the Commission, be allowed to enter into a repayment agreement for a maximum period of one (1) year to repay the program for any over assistance.**

**D. CONTRACT RENT INCREASES BY OWNER**

**Rent increases are determined in accordance with annual adjustment factors and other provisions of the Regulations as following:**

**The amount of the monthly rent payable by the Family to the Owner is determined by the provisions of the Lease between the Owner and the Family. The amount of the monthly rent under the Lease may not be increased during the first year of the term of such Lease. The Lease may provide for increase in such monthly rent after the first year of the term, if the Owner gives at least sixty days written notice to the Family and the family agrees to the increase in rent. The family portion of the rent must remain affordable and feasible.**

**Owners may not request rent increases prior to the expiration of the first term of lease. As of the first anniversary date of the lease, rent increases may be effective with a 60 days notice to the family and a copy to HCAAC.**

**Landlords must submit a written request for rent increase to HCAAC.**

**E. UTILITIES**

**Utilities include water, electricity, gas, heating, refrigeration, and cooking fuels, trash collection and sewage services.**

**Allowances for tenant furnished utilities are reviewed in connection with annual reexaminations. When revisions are made, they are implemented at the time of annual rent adjustments and TTP determinations.**

**F. MINIMUM RENT**

**In accordance with Section 402(a)(1) and (2) of the Continuing Resolution, assisted families may pay a minimum rent as set by the Housing Commission by internal procedure. The minimum rent may not exceed \$50.00 per month. The minimum rent is currently \$0, however may be changed by procedure to accommodate market conditions.**

## VII. TERMINATIONS AND SECURITY DEPOSITS

HCAAC may deny or terminate assistance if an applicant or participant:

- Violated any of the "Family Obligations" under the Voucher Program.
- Serious violation of the Lease. **Provisions under the Violence Against Women Act will be utilized should the family seek protection under the law and rule.**
- Committed any fraud or misrepresentation in connection with any Federal Housing Assistance Program.
- Defaulted on a repayment agreement.
- If the participant's TTP is sufficient to pay full gross rent and six (6) months of zero assistance has elapsed since the last HAP was made.

### A. INFORMAL HEARINGS

If the PHA refuses to reissue a Voucher, the tenant must be notified in writing and offered an opportunity for an informal hearing and hold the hearing, if requested, prior to the denial or termination of the assistance, except in cases where the tenant has the ability to pay full contract rent and has completed a six month period with no assistance.

Informal hearings will also be conducted if requested by the participant regarding disputed rent calculations, the appropriate utility allowance and required unit size. The results of the hearing will be forwarded to HCAAC & the participant.

Participants may review all pertinent records held by HCAAC; the Commission also has the right to review all pertinent records held by the participant prior to the hearing.

### B. OWNER FRAUD, MISREPRESENTATION, OR BREACH OF CONTRACT

If the landlord has committed fraud, misrepresentation or other breach of the Housing Assistance Payments Contract or Voucher Contract in connection with the Housing Choice Voucher Program, HCAAC will terminate the Contract and review the circumstances and family's involvement to determine if the family is eligible for re-certification to relocate to another unit with continuation of assistance.

### C. FAMILY MOVES

Participants who are in compliance with all regulations and who wish to move to another unit must put their request in writing prior to issuance of a new Voucher. This notice must be forwarded to the Landlord and the Commission.

**If the family moves to another area, the notice must specify where the family wants to move.**

**Participants, who rescind their action to move with the Landlord's Agreement, may continue leasing where they are currently living, and the Housing Assistance Payment will continue to be paid to the landlord.**

**Participants who execute the move-out are advised that issuance of a new Voucher for move-out does not preclude them from being responsible for unpaid rent and for damages.**

**Both assisted households and the Landlord must be notified when the family must move due to a change in the family's composition that changes the subsidy for which they qualify.**

#### **D. FAMILY BREAK-UP**

**Upon break-up of the family, HCAAC will determine which family member (s) will retain the Housing Choice Voucher assistance. The factors which will be considered in making this decision are:**

- **The household member(s) remaining in the assisted unit.**
- **The interest of minor children or of ill, elderly or disabled family members.**
- **Whether family members were forced to leave the unit as a result of actual or threatened physical violence against those family members.**
- **Court determination of which family member(s) will retain housing assistance in cases of divorce or separation.**

#### **E. EVICTIONS**

**The owner may evict in accordance with Federal Regulations or may institute court action, using the grounds for eviction available through Maryland State Law, or the owner may obtain a signed mutual termination agreement. The housing assistance payment is terminated when the lease is terminated by the owner.**

**Notice of the eviction must be given to the Commission either by the family or the owner.**

#### **F. ABSENCES FROM UNIT**

**Participants may be absent from the unit for a consecutive period of time not to exceed two (2) weeks, without having their Housing assistance interrupted or terminated.**

## **G. CONTRACT TERMINATIONS**

The Landlord may terminate the HAP contract for business or economic reasons with a ninety (90) day notice to the Commission, HUD and the assisted family.

## **H. SECURITY DEPOSITS**

All owners entering into a HAP contract on or after October 2, 1995 may collect a Security Deposit in accordance with CFR Section 982.313 (a). It must be placed in an account that complies with Maryland State Law. The Housing Commission will not impose any limit on the owner Security Deposit providing that the deposit amount does not exceed the private market practices or security deposits collected for the owner's unassisted units.

If a family vacates its unit, the owner, subject to State and local law, may use the Security Deposit as reimbursement for any unpaid family contribution or other amounts owed under the lease.

## **VIII. REPAYMENT AGREEMENTS**

### **A. USE OF REPAYMENT AGREEMENTS**

When a participant owes money to HCAAC, assistance must not be terminated simply because the family has an outstanding debt. When an applicant owes money to HCAAC (or another PHA) placement on the waiting list must not be denied solely because of a previous debt. A Promissory Note in the form of a Repayment Agreement may be executed by the participant or applicant with the HCAAC to permit payback of a debt over a period of time.

Repayment Agreements may be executed for, but are not limited to, the following circumstances:

- failure to report changes in income or family size that results in overpayment of assistance

Participants owing money must be notified of their liability and informed that they are not required to enter into a Repayment Agreement as a condition of continued assistance. However, in the absence of a Repayment Agreement or default of a Repayment Agreement, the HCAAC may deny issuance of a new Voucher when the participant wants to move.

There is no dollar limit on the amount of the Repayment Agreement. Payment amounts should however, be affordable for the participant or applicant and for a specified term not to exceed 12 months unless extended by the Department Supervisor.

If an applicant or participant has signed a Repayment Agreement with HCAAC (or any other PHA) and they breach the agreement, HCAAC may deny or terminate assistance.

## **IX. FINANCIAL MANAGEMENT/REPORTING REQUIREMENTS**

### **A. THE HOUSING ASSISTANCE PAYMENT (HAP) REGISTER**

HCAAC will keep a HAP register for each tenant by each project with the required information as attached.

The HAP Register will be kept up-to-date with all initial payments and subsequent changes entered.

### **B. MONITORING PROGRAM PERFORMANCE**

To ensure quality control the HCAAC Department Supervisor conducts monthly monitoring review of all Housing Choice Voucher Programs, activities, which may include the following:

1. Review of Waiting List
2. Audit of Files
3. File Count
4. Bi-Weekly Review of HAP Register
5. Review of Financial Records
6. Review of Monthly Utilization Reports
7. Sample Review of Housing Quality Standards

The Comptroller the HCAAC will closely monitor the Operating Reserve to ascertain that ongoing administrative fees are sufficient to cover ongoing administrative expenses. Proposed expenditures not in accordance with the approved budget require prior approval for a budget amendment by the HCAAC's Executive Director and Board of Commissioners.

### **C. HUD REGULATORY AMENDMENTS**

Revisions to existing program regulations will be automatically incorporated in this plan subsequent to its effective date. Special rules for use of available funds will be followed when HUD provides funding for a special purpose.

### **D. PAYMENT STANDARD**

The PHA determines the amount of subsidy a family will receive but does not limit the rent charged by the owner.

The maximum subsidy calculation is done at the time a family is issued a Housing Voucher.

**Establishing the maximum subsidy enables the family to “shop” for housing.**

**The actual PHA subsidy can be calculated only after the family has selected a specific unit and the gross rent for the unit is known.**

**The family may pay more or less than 30% of monthly adjusted income for rent and utilities.**

**The standards will be reviewed annually.  
Adjustments to the payment standards will be made when required due to economic reasons and/or due to an adjustment in the areas Fair Market Rents.  
The payment standards will not exceed the Fair Market Rents for the area.**

**The payment standard used for a family at regular reexamination will not be less than the applicable standard previously used unless the family's size or composition increases or decreases in accordance with HCAAC occupancy standards.**

**X. FAMILY SELF-SUFFICIENCY PROGRAM (FSS)**

**The FSS Revised Action Plan is now an appendix to the Housing Choice Voucher Administrative Plan and has been incorporated with the HCAAC policies and procedures effective April 16, 2007. The original Plan was submitted on August 3, 1994. The Administrative Plan will be amended to address any revisions to the FSS Comprehensive Strategy as needed.**

**APPLICANT (Applicant Family) -** A family that has applied for admission to a program, but is not yet a participant in the program.

**BUDGET AUTHORITY -** An amount authorized and appropriated by the Congress for payment to HA's under the program. For each funding increment in an HA program, budget Authority is the maximum amount that may be paid by HUD to the HA over the ACC term of the funding increment.

**CO-HABITANTS -** Two (2) or more persons of the opposite sex who, at the time of application, have been living together as a family in a stable relationship.

**CONSOLIDATED ANNUAL CONTRIBUTIONS CONTRACT (Consolidated ACC)**

**(a) NATURE OF ACC**

- (1) An annual contributions contract (ACC) is a written contract between HUD and an HA. Under the ACC, HUD agrees to make payments to the HA, over a specified term, for housing assistance payments to owners and for the HA administrative fee. The ACC specifies the maximum annual payment by HUD, and the maximum payment over the ACC term. The HA agrees to administer the program in accordance with HUD regulations and requirements.
- (2) HUD's commitment to make payments for each funding increment in the HA program constitutes a separate ACC. However, commitments for all the funding increments in an HA program are listed in one consolidated contractual document called the consolidated annual contributions contract (consolidated ACC). A single consolidated ACC covers funding for the HA voucher program.

**(b) BUDGET AUTHORITY AND CONTRACT AUTHORITY**

- (1) Budget authority is the maximum amount that may be paid by HUD to an HA over the ACC term of a funding increment. Contract authority is the maximum annual payment for the funding increment. Budget authority for a funding

increment is equal to contract authority times the number of years in the increment term. Before adding a funding increment to the consolidated ACC for an HA program, HUD reserves budget authority from amounts authorized and appropriated by the Congress for the program.

- (2) For each funding increment, the ACC specifies the initial term over which HUD will make payments for the HA program, and the contract authority and budget authority for the funding increment. For a given HA fiscal year, the amount of HUD's maximum annual payment for the HA program equals the sum of the contract Authority for all of the funding increments under the consolidated ACC. However, this maximum amount does not include contract authority for an expired funding increment. If the term of a funding increment expires during the HA fiscal year, this maximum amount only includes the pro-rata portion of contract authority for the portion of the HA fiscal year prior to expiration. (Additional payments may be made from the ACC reserve account described in 982.154.) However, the amount to be paid must be approved by HUD, and may be less than the maximum payment.

**CONTIGUOUS MSA** - In portability, an MSA that shares a common boundary with the MSA in which the jurisdiction of the initial HA is located.

**CONTINUOUSLY ASSISTED** - An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance under any 1937 Housing Act Program when the family is admitted to the voucher program.

**CONTRACT AUTHORITY** - The maximum annual payment by HUD to an HA for a funding increment.

**DISABLED PERSON** - A person who is under a disability as defined in section 223 of the Social Security Act (42 U.S.C. 423), or who has a developmental disability as defined in section 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7)).

**DISPLACED PERSON** - A person or family displaced by government action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws, defined as follows:

- (a) A definite and final order requiring demolition, closing or improvement and allowing no alternative must have been issued by the appropriate authority.
- (b) The person or family must live in the dwelling at the time of the order is entered or at the time of damage or disaster. In the event a unit becomes occupied subsequent to its having been vacated by a person or by a family entitled to preference, such new occupant shall not also be entitled to preference, even though it may become necessary to serve him with an official notice to vacate.

- (2) The HA determines whether the family is income-eligible by comparing the family's annual income (gross income) with the HUD-established very low-income limit or low-income limit for the area. The applicable income limit for issuance of a voucher when a family is selected for the program is the highest income limit (for the family unit size) for areas in the HA jurisdiction. The applicable income limit for admission to the program is the income limit for the area where the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.

## **INTRODUCTION**

In accordance with Section 23 of the U.S. Housing Act of 1937 and amended by Section 106 of the Housing and Community Development Act of 1992, the Housing Commission of Anne Arundel County (HCAAC) established a Family Self-Sufficiency Program as a result of increased Housing Choice Voucher funding in fiscal year 1994.

The goal of the FSS Program is to assist very low-income families in becoming economically and socially self-sufficient. The US Department of Housing and Urban Development will determine the minimum FSS Program size.

A service plan and FSS contract will be developed and maintained for each qualified participating family member. The program will be available to families in both the Housing Choice Voucher and Public Housing Programs.

This revised and updated FSS Action Plan is hereby made a part of the HCAAC Administrative Plan. The Action Plan describes how HCAAC will administer the FSS Program.

## NUMBER OF FSS PROGRAM PARTICIPANTS

The program will consist of the minimum number of HCV families as required by HUD, but will also be open to public housing families wishing to expand economic opportunities. HUD honored the HCAAC waiver request to reduce the required program size to 75 in 2003. Ongoing mandatory program size shall be reduced by one slot for each program graduate completed after October 21, 1998. (24 CFR 984.105(b)(3)).

All of the required FSS slots will be filled with current HCV participants who have volunteered for the program. Up to 25 additional slots will be offered to residents of public housing (PH).

## SUPPORTIVE SERVICES NEEDS OF FAMILY

It is anticipated that in order to reach the goals of the FSS Program, participants will continue to need the following supportive services:

- Childcare
- Remedial education
- Vocational assessment
- Career development
- Household management skills
- Financial/money management
- Family counseling
- Case management
- Job training/placement
- Job search assistance
- Resume/job interview skills
- Job retention training
- Secondary education
- Parenting skills
- Homeownership counseling
- Transportation
- Rehabilitation/substance abuse counseling

The above supportive services are available in the Anne Arundel County. FSS participants will be referred to the applicable community service provider as stipulated in their individual service plan.

## **ESTIMATE OF PARTICIPATING FAMILIES**

Families are recruited to fill all FSS Federally mandated slots. It is anticipated that 100% of the FSS participants will be recipients of various types of supportive services. The type of supportive services received will depend on the family's individual goals and objectives listed in their service plan. The quantity and quality of supportive services received will depend on the resources available in the community and the availability of federal, state, county and private funding.

## **FSS FAMILY SELECTION PROCEDURES OUTREACH AND RECRUITMENT**

Current HCV and PH participants will be informed of the FSS program during briefings, by mail, brochures/ announcements provided in the office lobby, and referral by HCAAC employees. Families will be notified that the FSS program is a volunteer program and that their housing assistance will not be withheld for non-participation or non-completion of program requirements.

Families will be asked to submit an FSS Application. Both minority and non-minority groups currently receiving housing assistance will be targeted for participation in the FSS program.

Families who meet FSS program eligibility requirements will be selected to participate in the FSS program. Families will be selected without regard to race, color, religion, sex, handicap, familial status, or national origin.

When all FSS slots are filled, the remaining eligible FSS applicants and subsequent new applicants will be placed on an FSS waiting list. Families will be placed on the FSS waiting list according to the date and time in which their FSS interest form was received. Port-in FSS participants will be given preference.

FSS program eligibility requirements include, but are not limited to, the following:

1. Family must be currently participating in HCV or public housing
2. Family must attend a mandatory FSS orientation/briefing session
3. Family must have an overall goal to obtain self-sufficiency and be off public assistance as required by the FSS contract.
4. Head of household must be willing to improve their education, seek and/or maintain employment, or work towards homeownership during the FSS contract period.

5. Families must be willing to sign a FSS Service Contract and receive case management as part of their supportive services.

### **FSS PARTICIPANT INCENTIVE PLAN**

As required by HUD, HCAAC will provide incentives for families who participate in the FSS program. The two main incentives that will be provided are the FSS escrow account, and for those who qualify, home ownership opportunities.

#### **FSS ESCROW ACCOUNT**

Each FSS participant will have their own Escrow Account established in accordance with HUD Regulations. A database will be maintained to record escrow deposits for each family. FSS escrow funds held by HCAAC will be invested in HUD-approved investments in accordance with HUD Handbook 7475.1, revised Section 4-8. Investment income (interest) will be credited at least annually to each participating family's FSS escrow account. A statement of escrow balance, credits, interest, and payments will be mailed to each family quarterly. Forfeited FSS escrow funds will revert to HCAAC and will be used in accordance with regulations.

The Department Director and Finance Director must also approve disbursement. Escrow funds will be disbursed when the following occurs:

1. The FSS family completes the requirements of the contract of participation on or before the expiration of the contract, or
2. When an HCV family experiences 180 days with a zero HAP payment.

The accrued escrow funds, minus any debts owed to HCAAC, will be disbursed to the designated head of household. HCAAC may consider requests for an interim disbursement of a portion of the FSS escrow, and:

1. The request must be submitted in writing and meet requirements for interim disbursement as stated in the FSS contract. The family will show that the purpose is goal-related and the family has attempted other resources.
2. The FSS Coordinator will make a determination on a case-by-case basis for the early escrow release and the interim goals that must be completed prior to an early escrow disbursement. The Department Director and Finance Director must also approve disbursement.

3. One or more interim withdrawals from escrow may be allowed.
4. Amount of interim withdrawal from escrow may not exceed 50% of participant's current escrow balance.
5. Any interim disbursement will be deducted from the escrow balance.

### FORFEITURE OF FSS ESCROW

The FSS families will automatically forfeit their FSS escrow when any of the following conditions apply:

1. The family fails to complete the goals listed on their contract of participation.
2. The family voluntarily withdraws from the program.
3. The family moves to another Housing Authority's jurisdiction, which does not have an FSS program or is not accepted into the receiving FSS program.
4. The family moves to another Housing Authority's jurisdiction but voucher is not absorbed
5. The family is removed from the HCV or PH program for non-compliance of lease agreement and/or HCV or PH policy and rules.
6. The family continues to receive public assistance (welfare) at the end of the FSS contract term. (This does not include Medicaid, childcare assistance, food stamps or housing subsidies.)

### HOMEOWNERSHIP

The FSS program coordinates homeownership workshops and seeks additional homeownership assistance opportunities. Attention is focused on long-term and short-term homeownership preparation and readiness. HCAAC offers a HCV Homeownership program, which requires participation in the FSS program with homeownership goals.

FSS participants may apply to use HCAAC's HCV homeownership option (for which FSS participants are given selection preference) and must be placed upon the HCV Homeownership waitlist.

### **FSS ACTIVITIES AND SUPPORTIVE SERVICES**

The activities and supportive services which will be provided by both private and public resources to FSS families include, but are not limited to, the following: child care, remedial/secondary education, career development, job development and placement, parenting skills, household

management skills, homeownership counseling, money management, transportation, family counseling, and case management.

HCAAC has formed partnerships with community social service agencies, many of which are invited to participate on the FSS Program Coordinating Committee. ## **METHOD FOR IDENTIFICATION OF FAMILY SUPPORT NEEDS**

The FSS Coordinator will assess the individual family needs via an interview of all families participating in the FSS program. From the information gathered from the family, the case manager will develop a service plan for all family participants. The service plan will contain the family's goals, objectives, tasks, and resources that enable them to accomplish their goal of becoming economically self-sufficient. The case manager and the family will together determine the supportive services that the family will need to accomplish their goals. The FSS participant has the ultimate responsibility of pursuing all community resources available.

## **PORTABILITY**

If the family requests portability to another jurisdiction's FSS program, it will be approved if:

1. The receiving agency absorbs the voucher.
2. The family signs an FSS Contract of Participation with the receiving agency's FSS program within 30 days after they lease in the receiving jurisdiction (or within receiving agency's deadline if less than 30 days).
3. The receiving jurisdiction requests transfer of escrow account, if any.

The family's FSS Contract of Participation will be terminated if the receiving agency does not allow the family to participate in its FSS program. The family will forfeit escrow.

The family's FSS Contract of Participation will be terminated if the receiving agency does not absorb the family's voucher. The family will forfeit escrow.

If the family wishes to go portable to another jurisdiction, but does not plan to continue in the FSS Program at the receiving agency, the family's FSS Contract of Participation will be terminated and the family will forfeit any funds in the escrow account.

## **FSS PROGRAM TERMINATION**

The FSS family will be terminated from the FSS Program if the family does not fulfill the requirements of the Contract of Participation and/or violates the HCV or PH regulations. FSS families will be thoroughly briefed prior to signing the Contract of Participation, of the conditions under which the family will be terminated from the FSS Program.

The family will not be allowed to participate in the FSS Program once terminated by HCAAC. However, the family's housing assistance will not terminate for non-compliance with the requirements of the FSS Contract of Participation. Failure of the family to comply with the FSS Contract of Participation or housing program regulations will lead to forfeiture of any FSS escrow money earned.

### GRIEVANCE AND REVIEW PROCEDURES

For action of FSS denial or termination not involving termination of housing assistance, HCAAC will give FSS applicants and participants an opportunity for an informal review by the Department Director.

### **ASSURANCE OF NON-INTERFERENCE**

HCAAC assures the participant during the briefing session that a family's election not to participate in the FSS Program will not affect the family's admission to either program or the family's right to occupy in accordance with its lease.

All FSS families volunteer to participate in the program. Families must be current HCV or PH recipients and submit an FSS Application to HCAAC to be selected for the program. HCAAC will select participants who voluntarily commit to the program.

### **TIMETABLE FOR PROGRAM IMPLEMENTATION**

The HCAAC implemented the FSS Program in 1994, and used the previous Action Plan for implementation and start-up of the program. Since that time, the program has been successful and has seen a number of graduates into gainful employment and homeownership. This revised plan is now necessary to maintain and streamline the program and will become effective upon approval of the Agency Plan in 2007.

## **CERTIFICATION OF COORDINATION**

The HCAAC certifies that the services and activities have been coordinated with the approval of HUD. HCAAC is committed to providing quality supportive services to FSS participants.
