1) Improve the Quality of Assisted Living

a) Public Housing Management (PHAS) score - 89

The PHA’s PHAS score dropped from 92 to 89 for the FYE 3/31/06. The decline in scoring was caused by a decrease in the financial management score. The HRA has identified the deficiencies and is working to improve the financial score.

b) Voucher Management (SEMAP Score)

The HRA was not required to submit a SEMAP certification this fiscal year.

c) Renovate of Modernize Public Housing Units

The PHA has completed renovation of 44 units at Maplewood Townhomes, and anticipates renovating 8 more units during the coming year. 4) Continued Occupancy and Community Service

General

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

Exemptions

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity.
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

Notification of the Requirement

The Winona HRA shall identify all adult family members who are apparently not exempt from the community service requirement. The Winona HRA shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Winona HRA shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual re-examination on or after April

1, 2001. For families paying a flat rent, the obligation begins on the date their annual re-examination would have been effective had an annual re-examination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual re-examination.

Volunteer Opportunities

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Winona HRA will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Winona HRA may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

The Process

At the first annual re-examination on or after April 1, 2001, and each annual re-examination thereafter, the Winona HRA will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.

- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Winona HRA whether each applicable adult family member is in compliance with the community service requirement.

Notification of Non-compliance with Community Service Requirement

The Winona HRA will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

Opportunity for cure

The Winona HRA will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made. The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis. If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Winona HRA shall take action to terminate the lease.

Prohibition against replacement of agency employees

In implementing the service requirement, the Winona HRA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

PET POLICY

EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive or service animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

Pets Public Housing

The Winona HRA allows for pet ownership in its developments with the written pre-approval of the Housing Authority.

Residents must maintain their pets responsibly and in compliance with applicable state and local public health, animal control, and animal cruelty laws and regulations.

Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Winona HRA harmless from any claims caused by an action or inaction of the pet.

Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

FINANCIAL OBLIGATION OR RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet, including the cost of repairs and replacement in

the apartment. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner, and the Winona HRA reserves the right to exterminate and charge the resident.

NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Winona HRA personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

DESIGNATION OF PET AREAS

- H) A pet owner shall physically control or confine his/her pet during such times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.
- I) If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.
- J) A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.
