The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Attachment F: Comments of Resident Advisory Board Meetings

Section 8 Meeting (3-5-07 4:30 P.M.)

No participants came to the Section 8 Housing Choice Voucher program meeting. The following are telephone conversation inquiries from those who could not come to the meeting.

- Q. The program should pay more of the homeownership house payment. Could the net income be used and not the gross income when calculating rent?
- A. Section 8 Housing Choice Voucher Program regulations dictate what income must be used in calculating rents. At this time, that is gross income.
- Q. Would there be some way that there could be less paperwork for participants? There is way too much.
- A. The HA has to verify all income, assets and medical expenses (if applies). HUD also requires certain documents signed to comply with program regulations.

Public Housing Family Units Meeting (3-5-07 4:00 P.M.)

No participants came to the Family Unit Meeting. There were no telephone inquiries.

Broadway Haus RAB (3-7-07 9:30 A.M.)

- Q. Will we be getting new windows for the Broadway Haus?
- A. When the Energy Audit was completed, it indicated that the energy savings payback time on new windows is 80 some years. We are in the process of retaining an Architect Firm to make suggestions on the windows and other upcoming projects. If new windows are not installed, we will be looking at a window reconditioning project based on the architect's recommendations.
- Q. The Broadway Haus sign on the front of the building does not have the address listed. Would it be appropriate to have a sign with the address of the building?
- A. The sign does indicate the Broadway Haus 300 N Broadway address.
- Q. The new hall painting, lighting and window treatment are wonderful. Could pictures be added to the walls?
- A. This would be an appropriate undertaking which staff will follow-up on with resident input.

Q. When the hall walls were painted, the garbage rooms were not painted and they do not look nice. When could this be done?

A. This item has been added as a Capital Fund Program improvement for the near future, along with painting of the stairwells and office.

Q. If a resident removes their apartment window to wash it and accidentally drops and breaks it, who is responsible?

A. Don't know. It would seem that this would be a renters' policy issue. Staff will research this question.

Q. In the past, it was discussed having fans at the ends of the hallways to circulate air. Is this still something that may be considered?

A. Staff has not come to any conclusion on placement of fans. We will have to look at this again on the next round of improvements.
