## B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

### (1) Strategies

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

## **9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

The Housing Authority (HA) has completed comprehensive modernization programs on many of our housing units during 2006. The Housing Authority scored 97% overall on PHAS and 90% on the Resident Service and Satisfaction Assessment. During 2006 the Housing Authority maintained a vacancy rate for Public Housing of less than (3) percent. This would indicate that the Housing Authority is meeting or exceeding the HUD goal of increasing the availability of decent, safe, affordable housing in good repair. The Housing Authority also scored 100 out of 100 on our latest SEMAP review.

This Housing Authority is striving to improve the community quality of life and economic suitability by recruiting a tenant body composed of families with a broad range of incomes to avoid concentration of the most economically deprived families. The HA has used a local preference system to select from applicants on the waiting list who have family incomes within adopted income ranges. This HA will also continue to implement security patrol as needed in our developments and enforce the Screening and Eviction Policy (Formerly "One Strike"). This HA has a HUD approved Elderly designated development.

This HA has met the HUD goal of Promoting self-sufficiency of families and individuals by enrolling 123% of its mandatory FSS family slots with 44% of the FSS participants with escrow account balances.

### **B. Criteria for Substantial Deviations and Significant Amendments**

##### a. Substantial Deviation from the 5-Year Plan

**"Substantial Deviation" of the Annual Plan from the 5-Year Plan is defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.**

##### b. Significant Amendment or Modification to the Annual Plan

**"Significant Amendment or Modification" of the Annual Plan or 5-Year Plan is:**

- i. Changes to rent or admissions policies or organization of the waiting list; or**

- ii. **Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.**

### Resident Advisory Board Comments Received on TVRHA's Agency Plan

The following is a list of comments received during the resident meetings and TVRHA's responses regarding the Agency Plan.

Pinecrest Residents requested that their units be insulated in the crawl spaces to help with the high cost of gas bills.

**(TVRHA cannot insulate the crawl spaces at this time because it increases the chance for mold, mildew, and moisture damage. The Tennessee Valley Authority has also advised that insulating crawl spaces does not translate into cost savings for this area of the country.)**

Beasley residents requested that capital funding be spent to purchase an incinerator to burn their leaves. The residents stated that they rake their leaves and bag them, but that the City of Sherman will not pick them up. They stated that they were advised by the City of Sherman to burn them. **(This is not a capital expenditure.)**

### **Project Based Management and Accounting**

On July 1, 2006 Tennessee Valley Regional Housing Authority implemented project based management and accounting. We have grouped approximately 30 scattered sites into 10 project groupings and 1 central office. These groupings were determined based on physical proximity, size, tenancy, building type, and management needs. Each property grouping has a project manager, along with an appropriate number of maintenance and support staff, depending on the size and management needs.

All revenues and expenses are tracked according to the project groupings. Each project has a separate budget. Each project also pays a property management, bookkeeping/IT, and asset management fees to the central office.

### **Violence Against Women Act**

Tennessee Valley Regional Housing Authority (TVHRA) has implemented policies in both the Admission to and Continued Occupancy Plan (ACOP) and the Section 8 Administrative Plan (AP) in order to be in compliance with the Violence Against Women Act and better serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.

First, TVRHA implemented policies in both the ACOP and AP which prohibits the denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Definitions for domestic violence, dating violence, stalking, and immediate family members have also been added to both the ACOP and AP. Notification and victim documentation, perpetrator removal or documentation of rehabilitation policies, and PHA documentation requirements have been adopted for both the ACOP and AP as well.

Second, TVRHA has implemented policies in both the ACOP and AP which allow the resident to move or transfer to avoid domestic violence, dating violence, or stalking.

Third, TVHRA has implemented policies in both the ACOP and AP concerning the termination of assistance for victims of domestic violence, dating violence, or stalking. These policies outline victim documentation, terminating or evicting a perpetrator of domestic violence, and PHA confidentiality requirements.

Finally, TVRHA has implemented policies in both the ACOP and AP concerning notification to applicants and tenants regarding protections under the Violence Against Women Act. Tenants, applicants, and owners have all been notified of these changes in policy. Compliance with the Violence Against Women Act has also been added as an owner responsibility in the Section 8 Administrative Plan.
