## ATTACHMENT E: SUBSTANTIAL DEVIATION POLICY

Policy Defining A Substantial Deviation (as Change) in the Agency Plan

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, the Board of Commissioners and the U. S. Department of Housing and Urban Development of any "substantial deviation" or "significant amendment" in the Agency's Annual Plan and in the 3-Year Plan proposed modernization and capital improvement activities that have been previously approved and reported to HUD.

The Housing Authority recognizes that it has a duty and responsibility to the residents to the Resident Advisory Board, to the Commissioners and to the public to advise them of any substantial deviation or substantial change in the overall Plan and any preplanned modernization work items.

Therefore, the Housing Authority hereby defines a "substantial deviation" as any deletion or addition of any modernization work item that is greater than \$25,000; the addition or deletion of any new or old program or activity; any changes with regard to demolition, disposition, or designation of housing units; any homeownership programs or conversion activities; and any changes to rent or admission policies (except changes made to reflect changes in HUD regulatory requirements). A "significant amendment" would be changes in the use of replacement reserves under the Capital Funds program or the addition of non-emergency work items not included in the current Annual Plan that is greater than \$25,000.

The Executive Director is assigned the responsibility of making the required notifications to all interested and affected parties as described above of any "substantial deviation" or "significant amendment" to the Annual and Five-Year Plans as well as notification to the public of any material change that is not defined above, that, in his or her opinion, should be made known to the public as good business practice.

Adopted this 12<sup>th</sup> day of October, 2001.

**ATTACHMENT F: IMPLEMENTATION OF PUBLIC HOUSING  
RESIDENT COMMUNITY SERVICE REQUIREMENTS**

The Corinth Housing Authority has suspended its enforcement of the 8-hour community service requirement after a 30-day notice on 5/30/02. The Housing Authority will not enforce this provision of our Admissions and Continued Occupancy Policy as long as Congress provides for the option to not enforce it.

Congress reinstated the Community Service Requirements for public housing residents in 2003. The PHA notified the residents that were affected and re-adopted the Community Service Policy that has previously been suspended. The Policy was re-instated as of October 1, 2003.

## **ATTACHMENT G: PET POLICY**

The Housing Authority, after reviewing the changes that were needed to comply with the final rule of July 10, 2000, adopted the appropriate policy in the year 2000 to comply.

The Pet Policy is currently an addendum to the dwelling lease, and the PHA will be soon incorporating its provisions into the Admissions and Continued Occupancy Policy when it is updated.

The reasonable requirements include:

- Limitation on the number of pets,
- Evidence that the pet is neutered or spayed,
- Evidence of inoculation
- Under the control of an adult member of the household when outside the dwelling unit,

### VOLUNTARY CONVERSION INITIAL ASSESSMENT

#### PUBLIC NOTIFICATION

The PHA Housing Authority has made an initial assessment on "Voluntary Conversion of Developments from Public Housing Stock: Required Initial Assessments" as required by the final rule (Federal Register 66 FR 4776) published by the U. S. Department of Housing and Urban Development on June 22, 2001.

Based upon our consideration of such factors as modernization needs, operating costs, ability to occupy the developments, Fair Market Rent levels, availability of local rental housing that meets Housing Quality Standards, the waiting list of applicants for public housing units, and the costs of providing tenant-based vouchers versus costs of providing dwelling units, the Housing Authority has concluded that:

- 1) conversion would be more expensive than continuing to operate the developments as public housing;
- 2) conversion would not principally benefit residents of the public housing developments to be converted and the community; and
- 3) conversion would adversely affect the availability of affordable housing in the community.

*We made a common sense review of relevant factors for each covered development taking into account such factors as modernization needs, operating costs, ability to occupy the developments, Fair Market Rent levels and workability of vouchers in the community (including the availability of rental housing in the community that meets Housing Quality Standards).*

### **ADDENDUM TO ADMISSIONS POLICY**

#### **INCOME-TARGETING, INCOME-MIXING AND DE-CONCENTRATION OF POVERTY IN PUBLIC HOUSING**

In support of HUD's policy to bring higher income families into the PHA's developments to achieve the de-concentration of poverty and the income mixing policy, the PHA reserves its authority to skip over families on the waiting list and to select applicants based on income to specifically reach another family with a lower or higher income to achieve income-mixing and de-concentration. Such skipping shall be uniformly applied, whenever necessary, to effectively meet the statutes' requirements. The PHA will apply the policy on a non-discriminatory basis at each of its phasedevelopments for both tenants and applicants, to achieve greater housing choice and opportunity. Annually, the PHA will conduct an analysis to satisfy the elements of the civil rights certifications.

No exact quotas will be used to secure de-concentration levels. However, the PHA acknowledges its legal responsibility under Section 16 of the ISHP with respect to income targeting which directs the PHA to admit at least 40% of new admissions annually into public housing whose income does not exceed 30% of the area median income. Other admissions must be at or below 80% of the area median income.

In addition to the above, the PHA shall retain its preference for working families and, in addition, shall take appropriate affirmative marketing efforts to further the goal of de-concentration.

The changes made by this policy addendum have considered current resident population, applicant populations, and PHA resources. In implementing these changes, the PHA acknowledges its duty to ensure compliance with all applicable non-discrimination requirements such as the Fair Housing Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act and to affirmatively further fair housing.

## APPENDUM TO ADMISSIONS POLICY INCOME-TARGETING, INCOME-MIXING AND DE-CONCENTRATION OF POVERTY IN PUBLIC HOUSING

Pursuant to an in conformity with Section 513 of the Quality Housing and Work Responsibility Act of 1998 which amends Section 16 of the United States Housing Act of 1937 (42 U.S.C. 1437), the Corinth Housing Authority hereby amends its Admission Policy for Public Housing. This policy change reflects the requirements of the U.S. Department of Housing and Urban Development "new income-mixing and de-concentration provisions by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. This will attempt to avoid concentrating very low-income families in certain public housing developments.

Presently, the Corinth Housing Authority (hereinafter referred to as the PHA (public housing authority)) has six (6) public housing developments. It is the policy of the PHA to house applicants/families in such a manner that will prevent a concentration of very low-income (poverty) residents/families in any one development. A site based waiting list for housing applicants is not an issue at these times, which is consistent with all civil rights and fair housing laws.

The PHA has analyzed that annual income of the existing residents at its development and has compared these results to statistics obtained from HUD and the 1990 Bureau of the Census Tract information. Project MS 673, 001, 002, 004, 005, 006, & 008 residents have a median income of \$6,774, \$6,120, \$6,600, \$6,241, \$7,272, and \$7,986 respectively. The local median income for the City of Corinth is \$32,800. Based upon the stated statistics, there is a significant disparity of income between the residents/families and the local area income which requires a higher income mix of households to bring these complexes/developments closer to the median income levels of the surrounding area and neighborhoods in which the public housing developments are located.

**ATTACHMENT I: UNITS NOT UNDER LEASE TO RESIDENTS**

The Corinth Housing Authority has taken three (3) units off line from the inventory of rental units. These units have been designated for 2 City of Corinth Police Officers and 1 maintenance person of the Corinth Housing Authority.
