This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Violence Against Women Act Report

The Fayetteville Metropolitan Housing Authority provides or offers the following activities, services, or programs, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking.

Through cooperation with the local domestic violence agencies and the Fayetteville Police Department, any cases of violence as described are referred for assistance. The local domestic violence agencies are:

The Care Center – Department of Social Services

The Care Center Transitional Housing Program – The Salvation Army

The Fayetteville Metropolitan Housing Authority provides or offers the following activities, services, or programs that help child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing.

The above listed agencies' program staff is aware of our housing programs and makes client referrals to our office. Apparently eligible clients are placed on our waiting list.

For persons already living in a Housing Authority unit who become victims as described, these are referred to police and the local domestic violence agencies for assistance. If the management becomes aware of any violator who may be restricted through an order of protection, that person is prohibited from the premises and is considered a trespasser subject to arrest and removal. The Police Department is cooperative and supportive in cases such as this, and willingly responds and enforces the protective orders.

Fayetteville Metropolitan Housing Authority

Annual Plan

Fiscal Year 10/01/2007 – 09/30/2008

Executive Summary

The Fayetteville Metropolitan Housing Authority offers affordable housing, economic opportunity, and a safe living environment for the families that we serve, without discrimination.

A major initiative is to continue the assessment and renovation of our housing stock. We must continue to provide housing that is decent, safe, sanitary and in good repair but is also responsive to needs of the jurisdiction. Along these same lines, we need to be competitive with housing demands in the local market.

Over the course of the upcoming fiscal year, the Housing Authority will begin to process the appropriate paperwork for an application to HUD for a HOPE VI Revitalization grant. The public housing developments to be included in the grant application are NC 009-02, Delona Gardens and NC 009-04, Campbell Terrace. These activities are consistent with initiatives contained in the City of Fayetteville Consolidated Plan, two of which include:

- **Replace dilapidated or obsolete existing housing stock**
- **Develop additional rental and homeownership housing that is affordable to low-income families**

This will continue to make our units marketable, competitive with, and responsive to local housing needs.

Following are a few additional components of our Annual Plan that are either not mentioned elsewhere in the Plan Template or that warrant further reference:

SUMMARY OF POLICY CHANGES

We have made the following changes to our policies based on changes in statutes and/or HUD regulations that have occurred in the past year.

- ***ADMISSIONS AND CONTINUED OCCUPANCY POLICY:***
 - Updates to the Upfront Income Verification/Earned Income Verification sections
 - Services for persons with Limited English Proficiency (LEP)
 - Special Verification for Adult Students
 - Screening and Termination language related to the Violence Against Women Act

- ***SECTION 8 ADMINISTRATIVE PLAN:***

- Updates to the Upfront Income Verification/Earned Income Verification sections
- Services for persons with Limited English Proficiency (LEP)
- Special Verification for Adult Students
- Screening and Termination language related to the Violence Against Women Act

The Housing Authority proposes the following discretionary changes to our policies and/or programs:

- ***ADMISSIONS AND CONTINUED OCCUPANCY POLICY:***

- Fayetteville Metropolitan Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in one or more public housing development(s). Such occupancy will only be implemented if needed to increase security for public housing residents. The officers will pay only the established PHA minimum rent as an incentive for living in a public housing development. Officers will not be charged a security deposit, but will have to pay other charges, such as late charges, work order charges, court costs, excess utilities, etc. in addition to rent.
- The Housing Authority proposes to revise the number of employment hours to eight per month for residents to be exempt from Community Service.
- Under mandatory deductions from income, the Housing Authority will eliminate the cap on eligible child care costs
