ATTACHMENT I: Deconcentration Policy

Component 3, (6) Deconcentration and Income Mixing

- a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next section.
- b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

Deconcentration Policy for Covered Developments

Development Name	Number of Units	Explanation (if any) [see step 4 at 903.2(c)(1)(iv)]	Deconcentration Policy (if no explanation) [see step 5 at 903.2(c)(1)(b)]
------------------	-----------------	--	---

DECONCENTRATION POLICY

It is the Housing Authority of the City of Hoboken's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting lists to reach other families with lower or high income. We will accomplish this in a uniform and non-discriminatory manner.

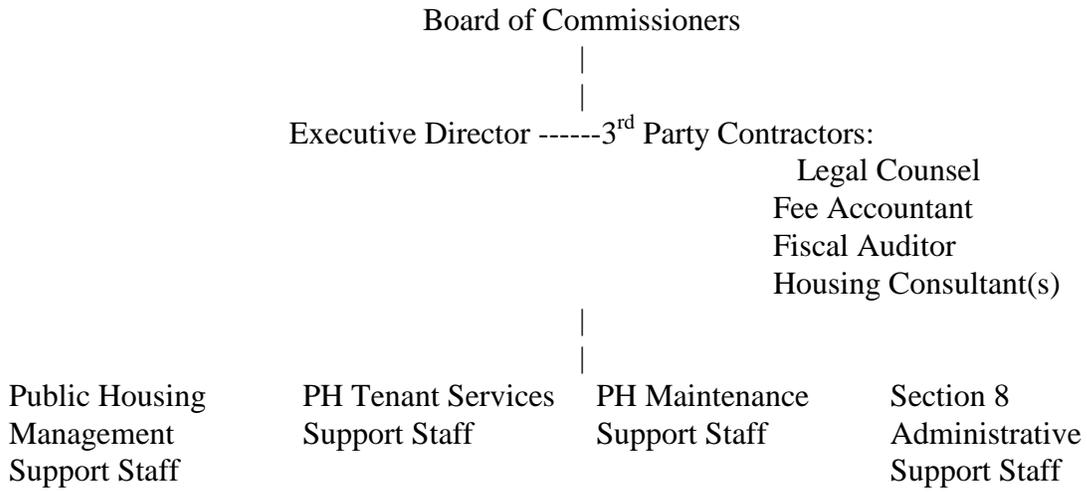

The Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income residents will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of families on the applicable waiting list(s). Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to be implemented.

DECONCENTRATION INCENTIVES

The Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet deconcentration goals of a particular development. Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and non-discriminatory manner.

ATTACHMENT J: Organizational Chart

ATTACHMENT K: Consistency With Consolidated Plan

The Housing Authority of the City of Hoboken's Agency Plan is consistent with Hudson County's Consolidated Plan in that:

- A. The Authority has made efforts to attract potential landlords to participate in Section 8 Program in order to broaden the selection of housing options.
- B. The Authority seeks to maintain public housing vacancies at below one percent via effective maintenance and management policy in order to minimize the number of off-line units and maximize housing choices.
- C. The Authority seeks to continue extensive renovations to public housing sites in order to provide suitable housing to residents.

ATTACHMENT L: PHA Criteria For Amendments To Plan

Pursuant to applicable HUD regulations, a PHA may change or modify its Annual and Five-Year Plans and the policies described therein. However, any “significant amendment or modification” to the Annual Plan and any “substantial deviations” from the Five-Year Plan would require that the PHA submit a revised Plan that has met full public process requirements, including Resident Advisory Board review.

The Housing Authority of the City of Hoboken will consider the following to be “significant amendments or modifications”:

- A. Changes to rent or admissions policies or organization of the waiting list;
- B. Changes to Operations and Management Policies
- C. Changes to Grievance Procedures;
- D. Additions of non-emergency work items (items not included in the current Annual Statement or 5-year Action Plan) or change in use of replacement reserve funds under the Capital Fund
- E. Any change with regard to Demolition or Disposition, Designation, Homeownership programs or Conversion activities

The Authority will consider the following to constitute a “substantial deviation” from the Five-Year Plan:

- A. Any modification to the PHA’s Mission Statement or any substantial modification to the PHA’s goals and/or objectives.

An exception to these definitions will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered substantial deviations or significant amendments by the Authority.

ATTACHMENT M: Information on Pet Policy

In accordance with the HUD regulations pertaining to pets, the PHA has adopted a formal Pet Policy permitting public housing residents in general occupancy developments to own pets. As expressed in the said Pet Policy, pet ownership is subject to the following “reasonable requirements”:

- A. Limitations on the size of the pet and the number of pets permitted in a given unit
- B. Issuance of Pet Permit and payment of fee
- C. Procurement of Insurance policy for liability and property damage
- D. Registration of pet with municipality
- E. Posting of security deposit for damage done by pet to apartment
- F. Inspection of apartment, upon notice, to ensure compliance

ATTACHMENT N: Community Service Description of Implementation

Pursuant to Section 12(c) of the U.S. Housing Act of 1937, each adult resident of public housing must participate in eight (8) hours of community service and/or economic self-sufficiency activities per month, unless they meet the criteria for an exemption. In response to the implementation of Section 12(c) Housing Authority of the City of Hoboken has taken the following actions:

1. Developed and included under its Admissions and Continued Occupancy Policy a comprehensive community service requirement policy;
2. Identifies all adult family members who are apparently not exempt from the community service requirement and notifies them of their responsibility to perform community service;
3. Coordinates with social service agencies, local schools, and human resources officers in identifying and preparing a list of volunteer community service programs;
4. Advises eligible community service family members on same;
5. Assigns family members to a volunteer coordinator who assists the family members in identifying appropriate volunteer positions and in meeting their community service responsibilities;
6. Tracks the family member's progress monthly and meets with the family members as needed to encourage continued compliance with their community service requirements.
