Note: NJ 22-1 and 22-2 are contiguous sites and are operated as one development (See Notice PIH 2001-4, section II.A.6.) Since these sites may be considered to be one development, they are excluded from the deconcentration requirements according to 24 CFR 903.2 (b)(2)(iii). C. List of Resident Advisory Board Members

George Berry and Yvonne Weeks

D. Resident Board Member

The City Council of the City of New Brunswick appointed George Berry, a resident, as a commissioner. He will serve from June 2006 to May 2011.

E. Community Service – Description of Implementation

The New Brunswick Housing Authority (NBHA) will implement a community service program for non-exempt individuals in public housing using the following guidelines:

- Non-exempt individuals will be identified and briefed in writing on their community service responsibilities prior to October 1, 2001.
- The local TANF agency fully cooperates with the NBHA in the exchange of information regarding mutual clients.
- The NBHA will administer its own community service program through its cooperative relationships with other community agencies.
- Fulfillment of the individual's responsibility will be verified at the time of re-examination. Non-compliant individuals will be required to enter into an agreement to make-up all time not spent in fulfillment of service during the next twelve-month period following re-examination.

In all other respects, the NBHA's community service policy will operate in accordance with 24 CFR 960.600. The community service program began on October 1, 2001.

F. Information on Pet Policy

Residents of the New Brunswick Housing Authority (NBHA) have the right to own common household pets subject to the reasonable requirements of the NBHA. Among those reasonable requirements are that the pet be licensed and registered with the City of New Brunswick. Evidence of licensing and registration must be presented to the NBHA and pet ownership must be approved in advance by the NBHA. Approval is evidenced by the signing of a pet agreement.

The Pet Policy limits the kind of pet, the number and weight of the pet(s) and mandates a pet deposit. The policy also limits the behavior of the pet and describes the conditions for the removal of the pet from the premises of the NBHA.

G. Section 8 Homeownership Capacity Statement

The NBHA has demonstrated its capacity to administer the program by requiring that financing for purchase of a home under its Section 8 homeownership program will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards.

H. Description of Homeownership Programs

The NBHA operates a Section 8 Homeownership program limited to 25 participating families. Families are determined eligible, receive counseling and are assisted in purchasing a home. Section 8 funds are used by the family to cover homeownership expenses.

I. FY 2007 Capital Fund Five-Year Action Plan

(See below.)

J. Compliance with VAWA

HUD has asked housing authorities to amend their annual plans to include a statement about compliance with the Violence Against Women Act of 2005 (VAWA). HUD has yet to issue regulations implementing the act so this attachment is a brief statement of the NBHA's willingness to comply with the provisions of the act and implementing regulations when published.

- The NBHA does not presently provide a preference for tenant selection to its public housing or Section 8 voucher programs for victims of domestic violence but it will look into the advisability of doing so.
- In case of an action to evict from public housing or to terminate Section 8 assistance, domestic violence will be used as a mitigating factor in the consideration to pursue the action.
- The NBHA will not discriminate against victims of domestic violence in tenant selection decisions for its assisted housing programs.
- The present policies of the NBHA do not prohibit or limit a resident's right to summon police or other emergency assistance in response to domestic violence.
- The NBHA is ready to assist victims of domestic violence with referrals to appropriate agencies.
- The operating policies and procedures of the NBHA will be amended to reflect the above.

K. Conversion to Asset Management

The NBHA is converting to an asset management mode of managing its public housing properties to be effective October 15, 2007. As mandated by Federal regulation, the asset management approach will involve project-based accounting and project-based management by means of which individual public housing developments will be managed as separate entities with revenues and costs accounted for

individually. The performance of each development will be monitored separately and corrective action plans developed when performance is found wanting.

It is hoped that asset management will enable the NBHA to respond more quickly to problem areas and thereby allow a more meaningful response to those areas.
