**The three family developments are all in condition and neighborhood quality. There is no significant tendency for applicants to prefer one development to another. Thus conditions do not exist which would tend to concentrate poverty in one location.**

**All developments are considered to have a good balance of incomes within the range of income eligibility requirements.**

**At this time the Authority is including Notice: PIH 2006-23 issued June 23, 2006 “Implementation of the Violence Against Women and Justice Department Reauthorization Act 2005.”**

**1. Purpose.** This Notice informs Public Housing Agencies (PHAs) of the passage of the Violence Against Women Act and Department of Justice Reauthorization Act of 2005 (VAWA). Among many other things of significance to PHAs, VAWA prohibits the eviction of, and removal of assistance from, certain persons living in public or Section 8-assisted housing if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in Section 3 of the United States Housing Act of 1937 as amended by VAWA (42 U.S.C. 13925).

**2. Applicability.** PHAs administering the Public Housing, Section 8 Voucher programs, including the HCV program and all owners participating in the Section 8 voucher and project-based programs must comply with this law. Accordingly, PHAs should make tenants participating in all public housing and voucher programs as well as owners participating in the Section 8 voucher programs aware of the requirements of VAWA as soon as possible.

**The Authority will monitor income distribution on a periodic basis.**
