3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

One of the strategic objectives in the New York State Consolidated Plan that relates to programs administered by the City of Batavia Housing Authority:

Preserve and increase the supply of decent, safe and affordable housing available to all low and moderate-income households, and help identify and develop available resources to assist in the development of housing.

While not specifically targeting funds in the Consolidated Plan for such programs, New York State believes it has a vested interest in the federal government's commitment to continue to provide resources for the operations, maintenance and preservation of Section 8 and public housing. The Consolidate Plan states, in part,

“The preservation of this irreplaceable low-income housing asset should remain a federal priority. Specifically, the federal government should maintain its commitment to rental assistance, preservation of housing eligible for mortgage prepayment and funding for operations, repairs, maintenance and modernization of public housing.”

The use of the term “low and moderate income households” includes all households at or below 80 percent of median income. This category includes low-income, very low-income, and extremely low-income households. These are the households that the City of Batavia Housing Authority targets and serves for housing assistance.

In summary, the New York State Consolidated Plan strategies are consistent with and support the goals and objectives of the City of Batavia Housing Authority.

Through cooperation and understanding with the local domestic violence agency and City of Batavia Police Department, any cases of violence as described are referred for assistance. The local agency provider is the Y.W.C.A., and that organization has identified violence against women as a priority. In addition to counseling and support service, the program maintains a "safe house" for use by victims. The program is fully staffed and funded, and has the cooperation of local law enforcement agencies and court officials. The Housing Authority has a very close connection with City Police, and values our working relationship. Any referrals provided to police are given serious consideration because of our mutual respect and trust.

The City of Batavia Housing Authority provides or offers the following activities, services, or programs that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing.

The Y.W.C.A. domestic violence program staff is fully aware of our housing program and frequently makes referrals to our office. The Housing Authority has received several applications from that program's clientele, and has housed a number of these. For persons already living in a Housing Authority unit who become victims as described, these are immediately referred to police and the Y.W.C.A. program for assistance. If the management becomes aware of any violator who may be restricted through an order of protection, that person is prohibited from the premises and is considered a trespasser subject to arrest and removal. The Police Department is cooperative and supportive in cases such as this, and willingly responds and enforces the protective orders.

The City of Batavia Housing Authority provides or offers the following activities, services, or programs to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

The same methods as described herein, making referrals to Y.W.C.A. for counseling and support services and attempting to enforce orders of protection with the cooperation of Police Department personnel, are used. Resident safety has been identified as a priority by the Batavia Housing Authority.

The City of Batavia Housing Authority promotes quality and affordable housing, economic opportunity, and a suitable living environment for the families that we serve, without discrimination. The Housing Authority's mission is:

THE CITY OF BATAVIA HOUSING AUTHORITY WILL PROVIDE QUALITY HOUSING, BOTH AT AN APPROPRIATE COST AND TO AS WIDE A GROUP OF PERSONS AS POSSIBLE. WE WILL CREATE AN ENVIRONMENT WHERE RESIDENTS CAN COMFORTABLY EXPRESS THEIR NEEDS AND WHERE SOLUTION-ORIENTED RESPONSES ARE RESPECTFULLY AND EXPEDITIOUSLY PROVIDED. WE WILL CONTINUALLY STRIVE TO MAKE OUR PROPERTIES THE BENCHMARK FOR CLEAN, COMFORTABLE, SAFE AND AFFORDABLE HOUSING IN BATAVIA. TO THESE ENDS WE WILL PROVIDE A POSITIVE WORK ENVIRONMENT FOR OUR EMPLOYEES WHICH ENCOURAGES THEM TO REALIZE BOTH THEIR PROFESSIONAL POTENTIAL AND THEIR IMPORTANCE TO THE QUALITY OF LIFE IN OUR COMMUNITY

The continual decrease in federal funds creates obstacles where it has become difficult for any real strategic planning for innovative programming. In the face of these cutbacks, the Housing Authority will strive to improve our existing programs and service delivery. A primary goal is to assure that the housing needs of the City of Batavia's low-income residents will continue to be addressed.
