This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

3. Section 8 Tenant Based Assistance--Section 8(y) Homeownership Program

(if applicable) [24 CFR Part 903.12(c), 903.7(k)(1)(i)]

1. Yes No: Does the PHA plan to administer a Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A. of 1937, as implemented by 24 CFR part 982 ? (If “No”, skip to the next component; if “yes”, complete each program description below (copy and complete questions for each program identified.)

2. Program Description:

a. Size of Program

Yes No: Will the PHA limit the number of families participating in the Section 8 homeownership option?

b. PHA-established eligibility criteria

Yes No: Will the PHA’s program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria?

c. What actions will the PHA undertake to implement the program this year (list)?

The PHA has implemented the homeownership program. The homeownership option is discussed with all applicants at the time of the initial briefing and issuance of a voucher. The option is subsequently discussed with each voucher holder at recertification. The assignment of the vouchers to The Village of Walton (NY541) will not have a bearing on the implementation of this plan.

3. Capacity of the PHA to Administer a Section 8 Homeownership Program:

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- Establishing a minimum homeowner down payment requirement of at least 3 percent of purchase price and requiring that at least 1 percent of the purchase price comes from the family's resources.
- Requiring that financing for purchase of a home under its Section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards.
- Partnering with a qualified agency or agencies to administer the program (list name(s) and years of experience below):

The PHA intends to have the Village of Walton (NY541) assume responsibility for administering the assistance in the Town of Davenport; however, the Village of Walton utilizes the services of Delaware Opportunities as the administering agent, just as is currently the case in the Town of Davenport. Delaware Opportunities is a HUD approved housing counseling agency. The agency has operated Community Development Block Grant homeownership programs in conjunction with local financial institutions and the housing choice vouchers program. Currently the agency has a county-wide HOME homeownership program which will be available to provide additional assistance in the Town of Davenport for coupling with the housing voucher program.

- Demonstrating that it has other relevant experience (list experience below):

4. Use of the Project-Based Voucher Program

Intent to Use Project-Based Assistance

Yes No: Does the PHA plan to “project-base” any tenant-based Section 8 vouchers in the coming year? If the answer is “no,” go to the next component. If yes, answer the following questions.

5. PHA Statement of Consistency with the Consolidated Plan

1. Consolidated Plan jurisdiction: New York State

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families on its waiting lists on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

The PHA obtained a letter from the New York State Division of Housing and Community Renewal indicating that the 5 year and annual plan were consistent with the New York State Consolidated Plan. This letter was dated in December of 2005 and the New York State Consolidated Plan is essentially the same as it relates to the goals and objectives of the housing choice voucher program.

It is anticipated that there were be no changes in the operation in the program during the next fiscal year with the exception that the PHA intends to transfer the administration of its housing voucher choice program to the Village of Walton, NY541. The administrative plans for both communities are currently exactly the same and are expected to remain so. The availability of housing choice vouchers for this PHA will continue and will be administered by Delaware Opportunities as in the past. The consolidation of resources from 10 small PHAs is expected to streamline the administration of the program and to make financial management of a single large program more in line with the current program regulations and guidelines.

- Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: See 5 year plan
