The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Elk City Housing Authority
Elk City, OK (OK015)**

The Elk City Housing Authority had previously established a preference for victims of domestic violence and stalking. In light of the reauthorization of the Violence Against Women's Act, the Housing Authority has implemented additional information in its Admissions and Continued Occupancy to further explain these items and to address the tenants' rights as pertains to the Act. The amended policy was made available for the appropriate 45-day comment period and a public hearing was held.
