Washington County Department of Housing Services
Public Housing Resident Community Services Requirement

INTRODUCTION

The Quality Housing and Work Responsibility Act of 1998 mandates PHAs to require that adults living in public housing comply with community service requirements. On March 29, 2000, the Changes to Admission and Occupancy Requirements in the Public Housing and Section 8 Housing Assistance Program Final Rule were published in the Federal Register. Community Service requirements are effective October 1, 2000 for PHAs with fiscal years that start on or after 10/1/00.]

A. REQUIREMENT

Each adult resident of the PHA shall:

Contribute 8 hours per month of community service (not including political activities) within the community in which that adult resides; or

Participate in an economic self-sufficiency program (defined below) for 8 hours per month; or

Perform 8 hours per month of combined activities (community service and economic self-sufficiency program)

B. EXEMPTIONS

The PHA shall provide an exemption from the community service requirement for any individual who:

Is 62 years of age or older;

Is a blind or disabled individual, as defined under section 216[i][I] or 1614 of the Social Security Act, and who is unable to comply with this section, or is a primary caretaker of such individual;

Is engaged in a work activity as defined in section 407[d] of the Social Security Act;

Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State in which the public housing agency is located, including a State-administered welfare-to-work program; or

Is in a family receiving assistance under a State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State in which the public housing agency is located, including a State-administered welfare-to-work program, and has not been found by the State or other administering entity to be in noncompliance with such program.

The PHA will re-verify exemption status annually except in the case of an individual who is 62 years of age or older.

The PHA will permit residents to change exemption status during the year if status changes.

C. DEFINITION OF ECONOMIC SELF-SUFFICIENCY PROGRAM

For purposes of satisfying the community service requirement, participating in an economic self-sufficiency program is defined, in addition to the exemption definitions described above, by HUD as: Any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families.

These economic self-sufficiency programs can include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

In addition to the HUD definition above, the PHA definition includes any of the following:

Participating in the Family Self-Sufficiency Program and being current in the steps outlined in the Individual Training and Services Plan.

Participating in the Family Self-Sufficiency Program and attending at least TWO (2) FSS events annually.

Other activities as approved by the PHA on a case-by-case basis.

The PHA will give residents the greatest choice possible in identifying community service opportunities.

The PHA will consider a broad range of self-sufficiency opportunities.

D. ANNUAL DETERMINATIONS

For each public housing resident subject to the requirement of community service, the PHA shall, at least 30 days before the expiration of each lease term, review and determine the compliance of the resident with the community service requirement.

Such determination shall be made in accordance with the principles of due process and on a non-discriminatory basis.

The PHA will verify compliance annually. If qualifying activities are administered by an organization other than the PHA, the PHA will obtain verification of family compliance from such third parties.

Family members will not be permitted to self-certify that they have complied with community service requirements.

E. NONCOMPLIANCE

If the PHA determines that a resident subject to the community service requirement has not complied with the requirement, the PHA shall notify the resident of such noncompliance, and that:

- The determination of noncompliance is subject to the administrative grievance procedure under the PHA's Grievance Procedures; and
- Unless the resident enters into an agreement to comply with the community service requirement, the resident's lease will not be renewed, and

The PHA may not renew or extend the resident's lease upon expiration of the lease term and shall take such action as is necessary to terminate the tenancy of the household, unless the PHA enters into an agreement, before the expiration of the lease term, with the resident providing for the resident to cure any noncompliance with the community service requirement, by participating in an economic self-sufficiency program for or contributing to community service as many additional hours as the resident needs to comply in the aggregate with such requirement over the 12-month term of the lease.

The head of household and the non-compliant adult must sign the agreement to cure.

Ineligibility for Occupancy for Noncompliance

The PHA shall not renew or extend any lease, or provide any new lease, for a dwelling unit for any household that includes an adult member who was subject to the community service requirement and failed to comply with the requirement.

F. PHA RESPONSIBILITY

The PHA will ensure that all community service programs are accessible for persons with disabilities.

The PHA will ensure that:

The conditions under which the work is to be performed are not hazardous;

The work is not labor that would be performed by the PHA's employees responsible for essential maintenance and property services; or

The work is not otherwise unacceptable.

The following is the Pet Policy for Public and Affordable Housing units owned and managed by the Washington County Department of Housing Services.

Introduction

The Pet Rules and Policies for the Department of Housing Services (DHS) are developed in accordance with the HUD regulations published in the Federal Register on March 8, 1996, with an effective date of April 8, 1996, (24 CFR 942 "Consolidated Pet Ownership Requirements for the Elderly and Persons with Disabilities") and the HUD regulations published in the Federal Register on July 10, 2000, with an effective date of August 9, 2000, " Pet Ownership in Public Housing" (24 CFR 960). The Pet Rules and Policies have been developed for Public & Assisted Housing.

Definitions

Service/Assistance Animals

Animals that have been trained to assist persons with a specific disability and that do, in fact, assist the person with the disability. Service/assistance animals include animals trained to assist a physically impaired person with walking, hearing, balance, self-care, communication, transportation and similar things. A Seeing Eye dog or a dog trained to assist a hearing impaired person would be examples of service or assistance animals. Both Federal and Oregon state law prohibits discrimination against a person with a physical disability using a service or assistance animal. Service or assistance animals are considered auxiliary aids, and are not subject to additional requirements beyond those contained in the DHS Lease Agreement. Persons with disabilities may not be required to pay for costs associated with reasonable accommodations; therefore, DHS will not charge a pet deposit or any other associated fees for a service/assistance animal kept in a development or building owned and managed by DHS.

Companion Animals

Animals that do not have specific disability-related training but are necessary in coping with a disability (for instance, if the animal provides emotional support to a person with disabilities). Requests to keep such an animal will be considered under the Department's standard Reasonable Accommodation procedure. DHS will not charge a pet deposit or any other associated fees for a companion animal kept in a development or building owned and managed by DHS.

Pets

"Common household pets" as that phrase is commonly understood and as defined in these Pet Rules and Policies, other than Service/Assistance and Companion Animals, as defined above.

The pet rules are reasonably related to the legitimate interest of DHS in providing decent, safe and sanitary living environments for existing and prospective residents; protecting and preserving the physical condition of the project and the Department's financial interest in the project.

Dangerous or Exotic Animals

Any animals, which are of a wild or predatory nature and which because of their size, vicious nature, or other characteristics, would constitute an unreasonable danger to human life or property. A dangerous or exotic animal shall include any of the following:

- (a) Any large felid from the genus Panthera, including lion, tiger, leopard, snow leopard, puma, cougar, mountain lion, clouded leopard, and cheetah.
- (b) Any monkey, ape, gorilla, hybrid thereof, or other non-human primate.
- (c) Any bear.
- (d) Any venomous or poisonous animal(s) or insect(s).
- (e) Any reptile of the order Crocodylia (crocodiles, alligators, caimans) or any snake of the family Pythonidae or Boinae capable of obtaining eight feet or more in length.

Dangerous and/or exotic animals are not considered "common household pets" and are not permissible pets under this policy.

Types of Pets

For the purpose of this policy, there are two categories of pets allowed:

Category I: Dog (a.) or Cat (b.)

Category II: Bird (c.), Fish (d.), Rodents (e.), and Reptiles/Insects (f)

Residents may not keep wild or feral animals, farm animals, primates, and ferrets, pot-bellied pigs or animals used for breeding or to produce offspring for sale.

Category I Pets

NO two Category II pet types can be the same. Example: A Resident may NOT have 2 rodents, or 2 aquariums, or 4 birds.

Any service/assistance or companion animal allowed as a reasonable accommodation is not considered to be a pet. Therefore, a resident with a service/assistance or companion animal may also be permitted to keep animals as described above in addition to his/her service/assistance or companion animal. For example, a resident with a service dog may also have a cat (Category I) and 1 rodent (Category II).

4. If an approved animal gives birth to a litter, the Resident shall remove all animals resulting from that birth within 8 weeks, leaving ONLY the originally approved animal in the household. 5. Failure to properly register and provide the specified proof of the proposed pet's acceptability prior to a pet being brought into the Resident's unit may result in the initiation of an action to require the Resident to remove the pet and/or to evict the Resident.

Management Approval

1. Prior to a pet being allowed to reside in a unit, the proposed pet owner must contact the Department of Housing Services (DHS) and request consideration to have a pet.
2. In addition, the Resident/Pet Owner must provide to the Housing Authority documented acceptability in accordance with the provisions outlined in "Standards" below.
3. Pets must be registered with DHS before the pet is brought onto the premises and the registration may be reviewed/updated by the Housing Authority on an as needed basis.

- 15) A refundable deposit of \$200.00 for Public Housing Residents, and \$200.00 for Affordable Housing Residents, must be paid by the resident as an additional security deposit. This amount will be added to any security deposit and will secure all of resident's obligations under the pet agreement.

- 17) By signing the Pet Agreement, the Resident agrees to keep stated insurance current and will provide a copy of the Declaration Page at each re-issuance/re-exam.

Membership of the Resident Advisory Board

Every two years, the Housing Authority of Washington County invites all public housing residents and tenant-based section 8 recipients to apply for a position on the Resident Advisory Board (RAB). From this pool of applicants an eight-member RAB is selected with participants from both programs. Each member serves for a two-year term, which can be renewed. When able, alternates are selected to ensure a quorum (4) is met.

As RAB members, beneficiaries of Washington County's public housing and section 8 programs:

- receive notices of public meetings and hearings specifically called to formulate or discuss the PHA plan;
- are notified of the availability of proposed plan documents; and
- are provided an opportunity to comment on the PHA plan and other PHA policies and procedures, and submit additional written comments to the housing authority

The housing authority considers all resident comments when drafting the final plan and also includes any comments provided by its residents when submitting its plan to HUD for approval.

Follow Up Plan to Resident Satisfaction Subsystem (RASS)

As required by the 2006 Public Housing Assessment System (PHAS), the PHA includes this Follow-up Plan in its Annual Plan for any section of the Resident Survey that is marked REQUIRED.

The required sections are:

- Maintenance and Repair
- Communication

The Follow up Plan is a supplement to the Annual Plan. It will be retained in the PHA office for three years and available for review by HUD auditors or representatives of a duly constituted resident organization.

Maintenance and Repair

The PHA will make every effort to ensure that maintenance and repairs are completed in a timely and professional manner. This may include:

- Professional communications and customer service training for individuals who speak to program participants and residents, particularly those individuals who take requests for repairs from residents.
- Surveys of residents to assure that their expectations of customer service, professionalism, and information are being met during the process of making repairs or maintenance to residents' units.
- Clarification of the importance of completing emergency work orders within 24 hours. Staff will be trained to respond in a specific and timely manner to emergency maintenance needs; staff will also relate to residents whether or not their maintenance needs meet the Department's definition of an "emergency" repair item. Emergency repairs requiring correction within 24 hours include the following:
 - Any condition that jeopardizes the security of the unit
 - Major plumbing leaks or flooding
 - Waterlogged ceiling or floor in imminent danger of falling
 - Leak or fumes of any natural gas, bottle gas (i.e. propane) or fuel oil
 - Any electrical problem or condition that could result in shock or fire
 - Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit.
 - Utilities not in service, including no running hot water
 - Conditions that present the imminent possibility of injury
 - Obstacles that prevent safe entrance or exit from the unit
 - Absence of a functioning toilet in the unit that all household members can access
 - Inoperable smoke detectors
 - Any condition that has been documented by a medical professional as posing an immediate health risk to the family.

Communication

The PHA will make every effort to ensure that communication with its program participants and residents is professional, courteous, and informative. This may include:

- Professional communications and customer service training for individuals who speak to program participants and residents.
- Surveys of participants and residents to assure that their expectations of customer service, professionalism, and information are being met. This survey would be provided to residents and participants at their annual re-examination for eligibility and can be returned anonymously.
- Provision of a comment card for participant/resident use to report their level of satisfaction with the PHA, PHA staff, and customer service received. The card will allow for anonymous reporting and will be made available in the PHA lobby, as well as by mail, and from the PHA website.

Additionally, the PHA will continue to make efforts to form resident organizations, including, but not limited to:

- Making announcements of resident meetings in the PHA's resident/participant newsletter.
- Continuing to offer residents and participants the opportunity to participate in Resident Advisory Board activities. The PHA considers all of its program participants to be its Resident Advisory Board.
- Supporting any efforts resident/participant groups make to form resident organizations by recognizing the organization(s), providing PHA staff to meet with the organization(s) when necessary, and providing any available assistance to the resident organization(s) in their efforts.

The PHA will continue to provide information to its residents about maintenance and repair, such as the location of water shut-off valves, boiler shut downs, etc. The PHA will also continue to notify its residents about modernization activities.

Finally, the PHA will make every effort to take action when resident/participant surveys or comments indicate that an area of resident satisfaction is lacking. These items will be dealt with on a case by case basis, as they occur, to ensure that the PHA continues to meet its goal of providing quality customer service.

Admissions Policy for Deconcentration

Excerpt from Admissions and Continued Occupancy Policy for the Public Housing Program

Section L. DECONCENTRATION OF POVERTY AND INCOME MIXING

The PHA's admission policy is designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.

Nothing in the deconcentration policy relieves the PHA of the obligation to meet the income-targeting requirement.

Deconcentration and Income Mixing Goals

The PHA's deconcentration and income mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low-income families", will be to admit families above the PHA's Established Income Range (EIR) to developments below the EIR, and families below the PHA's EIR to developments above the EIR.

Deconcentration applies to transfer families as well as applicant families.

Deconcentration Applicability

The PHA has covered developments (general occupancy, family developments) subject to the deconcentration requirement. These covered developments are described in the PHA Plan.

Project Designation Methodology

Annually, the PHA will determine on an annual basis the average income of all families residing in general occupancy developments.

The PHA will then determine the average income of all families residing in each general occupancy development.

The PHA will then determine whether each general occupancy development falls above, within or below the Established Income Range (EIR).

The EIR is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the PHA-wide average income for general occupancy developments.

The PHA will then determine whether or not developments outside the EIR are consistent with local goals and strategies in the PHA Plan.

The PHA may explain or justify the income profile for these developments as being consistent with and furthering two set goals:

1. Goals of deconcentration of poverty and income mixing (bringing higher income families into lower income developments and vice versa); and
2. Local goals and strategies contained the PHA Plan.

Deconcentration Policy

If, at annual review, there are found to be development(s) with average income above or below the EIR, and where the income profile for a general occupancy development above or below the EIR is not explained or justified in the PHA Plan, the PHA shall list these covered developments in the PHA Annual Plan.

The PHA shall adhere to the following policies for deconcentration of poverty and income mixing in applicable developments:

Skipping a family on the waiting list [or transfer list] to reach another family in an effort to further the goals of the PHA's deconcentration policy:

If a unit becomes available at a development below the EIR, first eligible family on the waiting list [or transfer list] with income above EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list [or transfer list] with income above the EIR will be offered the unit. The process will continue in this order. For the available unit at the development below the EIR, if there is no family on the waiting list [or transfer list] with income above the EIR, or no family with income above the EIR accepts the offer, then the unit will be offered to the first eligible family on the waiting list [or transfer list] in preference order regardless of income.

If a unit becomes available at a development above the EIR, the first eligible family on the waiting list [or transfer list] with income below the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list [or transfer list] with income below the EIR will be offered the unit. The process will continue in this order. For the available unit at the development above the EIR, if there is no family on the waiting list [or transfer list] with income below the EIR, or no family with income below the EIR accepts the offer, then the unit will be offered to the first eligible family on the waiting list [or transfer list] in preference order regardless of income.

Skipping of families for deconcentration purposes will be applied uniformly to all families.

A family has the sole discretion whether to accept an offer of a unit under the PHA's deconcentration policy. The PHA shall not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the PHA's deconcentration policy. However, the PHA shall uniformly limit the number of offers received by applicants [and transfer families], described in this Chapter.

Deconcentration Compliance

If, at annual review, the average income at all general occupancy developments are within the Established Income Range, the PHA will be considered to be in compliance with the deconcentration requirement.

Department of Housing Services (DHS)
VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY

I. Purpose and Applicability

The purpose of this policy (herein called "Policy") is to implement the applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) and more generally to set forth DHS's policies and procedures regarding domestic violence, dating violence, and stalking, as hereinafter defined.

This Policy shall be applicable to the administration by DHS of all federally subsidized public housing and Section 8 rental assistance under the United States Housing Act of 1937 (42 U.S.C. §1437 *et seq.*). Notwithstanding its title, this policy is gender-neutral, and its protections are available to males who are victims of domestic violence, dating violence, or stalking as well as female victims of such violence.

II. Goals and Objectives

This Policy has the following principal goals and objectives:

- Maintaining compliance with all applicable legal requirements imposed by VAWA;
- Promoting the physical safety of victims of actual or threatened domestic violence, dating violence, or stalking who are assisted by DHS;
- Providing and maintaining housing opportunities for victims of domestic violence dating violence, or stalking;
- Creating and maintaining collaborative arrangements between DHS, law enforcement authorities, victim service providers, and others to promote the safety and well-being of victims of actual and threatened domestic violence, dating violence and stalking, who are assisted by DHS; and
- Taking appropriate action in response to an incident or incidents of domestic violence, dating violence, or stalking, affecting individuals assisted by DHS.

III. Other DHS Policies and Procedures

This Policy shall be referenced in and attached to DHS's Five-Year Public Housing Agency (PHA) Plan and shall be incorporated in and made a part of DHS's Admissions and Continued Occupancy Policy and Section 8 Housing Choice Voucher Administrative Plan. DHS's annual PHA Plan shall also contain information concerning DHS's activities, services or programs relating to domestic violence, dating violence, and stalking.

To the extent any provision of this policy shall vary or contradict any previously adopted policy or procedure of DHS, the provisions of this Policy shall prevail.

IV. Definitions

As used in this Policy:

A. *Domestic Violence*: The term 'domestic violence' includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction."

B. *Dating Violence* means violence committed by a person:

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - (i) The length of the relationship.
 - (ii) The type of relationship.
 - (iii) The frequency of interaction between the persons involved in the relationship.

C. *Stalking* means:

- (A) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and

- (B) in the course of, or as a result of, such following, pursuit, surveillance or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to
 - (i) that person;
 - (ii) a member of the immediate family of that person; or
 - (iii) the spouse or intimate partner of that person;
- D. *Immediate Family Member* means a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or any other person living in the household of that person and related to that person by blood or marriage.
- E. *Perpetrator* means person who commits an act of domestic violence, dating violence or stalking against a victim.

V. **Admissions and Screening**

- A. *Non-Denial of Assistance*. DHS will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.
- B. *Admissions Preference*. DHS has an established waiting list preference for victims of domestic violence. The definition of “domestic violence” used for this admissions preference is “actual or threatened physical violence directed against one or more members of the applicant family by a spouse or other member of the applicant's household”. Each time applicant names are pulled from the waiting list for screening, at least 17.5% of all applicants will be from this preference category.
- C. *Mitigation of Disqualifying Information*. When so requested in writing by an applicant for assistance whose history includes incidents in which the applicant was a victim of domestic violence, DHS, may, but shall not be obligated to, take such information into account in mitigation of potentially disqualifying information, such as poor credit history or previous damage to a dwelling. If requested by an applicant to take such mitigating information into account, DHS shall be entitled to conduct such inquiries as are reasonably necessary to verify the claimed history of domestic violence and its probable relevance to the potentially disqualifying information. DHS will not disregard or mitigate potentially disqualifying information if the applicant household includes a perpetrator of a previous incident or incidents of domestic violence.

VI. Termination of Tenancy or Assistance

A. *VAWA Protections.* Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by DHS:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a “serious or repeated” violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.
2. In addition to the foregoing, tenancy or assistance will not be terminated by DHS as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant’s control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:
 - a) Nothing contained in this paragraph shall limit any otherwise available authority of DHS’ or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant’s household. However, in taking any such action, neither DHS nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence dating violence or stalking than that applied to other tenants.
 - b) Nothing contained in this paragraph shall be construed to limit the authority of DHS or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or DHS, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

B. *Removal of Perpetrator.* Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, DHS or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a

household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by DHS.

VII. Verification of Domestic Violence, Dating Violence or Stalking

- A. *Requirement for Verification.* The law allows, but does not require, DHS or a section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII. C., DHS shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by DHS. Section 8 owners or managers receiving rental assistance administered by DHS may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. *HUD-approved form* - by providing to DHS or to the requesting Section 8 owner or manager a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
2. *Other documentation* - by providing to DHS or to the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the

effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.

3. *Police or court record* – by providing to DHS or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.
- B. *Time allowed to provide verification/ failure to provide.* An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by DHS, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (*i.e.*, 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action; however, DHS or the Section 8 owner or manager, may extend the 14-day deadline at their discretion.
- C. *Waiver of verification requirement.* The Executive Director (or his/her designee) of DHS, or a Section 8 owner or manager, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director (or his/her designee), owner or manager. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

VIII. Confidentiality

- A. *Right of confidentiality.* All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to DHS or to a Section 8 owner or manager in connection with a verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:

- i. requested or consented to by the individual in writing, or
- ii. required for use in a public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted in VAWA, or
- iii. otherwise required by applicable law.

B. *Notification of rights.* All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by DHS shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

IX. Transfer to New Residence

- A. *Application for transfer.* In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, DHS may, if an approved unit size is available at a location that may reduce the risk of harm, approve transfer by a public housing or Section 8 tenant to a different unit in order to reduce the level of risk to the individual. A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.
- B. *Action on requests for transfers.* DHS will act upon such request within 14 business days.
- C. *No right to transfer.* DHS will make every effort to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action. However, except with respect to portability of Section 8 assistance as provided in paragraph IX. E. below the decision to grant or refuse to grant a transfer shall lie within the sole discretion of DHS, and this policy does not create any right on the part of any applicant to be granted a transfer.
- D. *Family rent obligations for Public Housing tenants.* If a family occupying DHS public housing moves before the expiration of the lease term in order to protect the health or safety of a household member, the family will remain liable for the rent during the remainder of the lease term unless released by DHS. In cases where DHS determines that the family's decision to move was reasonable under the circumstances, DHS may wholly or partially waive rent

payments and any rent owed shall be reduced by the amounts of rent collected for the remaining lease term from a tenant subsequently occupying the unit.

- E. *Portability.* Notwithstanding the foregoing, a Section 8-assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect a health or safety of an individual member of the household who is or has been the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

X. Court Orders/Family Break-Up

- A. *Court orders.* It is DHS's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by DHS and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.
- B. *Family break-up.* Other DHS policies regarding family break-up are contained in DHS's Public Housing Admissions and Continuing Occupancy Plan (ACOP) and its Section 8 Administrative Plan.

XI. Relationships with Service Providers

It is the policy of DHS to cooperate with organizations and entities, both private and governmental, which provide shelter and/or services to victims of domestic violence. If a DHS staff member becomes aware that an individual assisted by DHS is a victim of domestic violence, dating violence or stalking, DHS will refer the victim to such providers of shelter or services as appropriate.

Notwithstanding the foregoing, this Policy does not create any legal obligation requiring DHS either to maintain a relationship with any particular provider of shelter or services to victims or domestic violence or to make a referral in any particular case.

Notification

DHS shall provide written notification to applicants, tenants, and Section 8 owners and managers, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

XII. Relationship with Other Applicable Laws

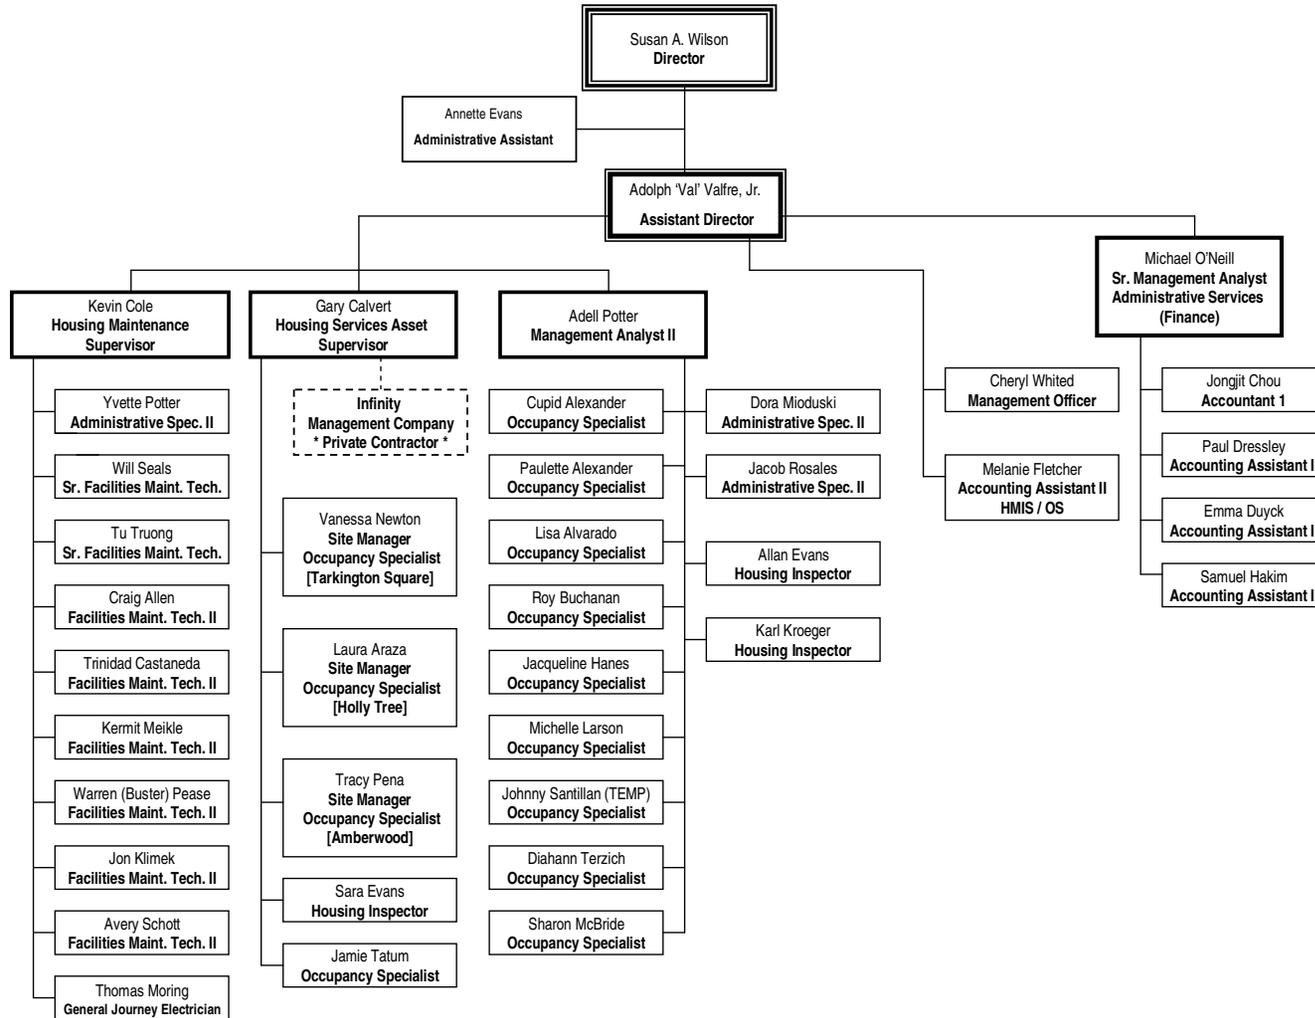

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

XIII. Amendment

This policy may be amended from time to time by DHS as approved by the Washington County Housing Authority Board of Directors.
