Annual PHA Plan
PHA Fiscal Year 2007

Standard Plan

Troubled Agency Plan

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Quality Housing and Work Responsibility Act of 1998 (QHWRA) makes several changes in the way public housing is administered. QHWRA now requires public housing authorities to engage in short and long term planning in an effort to improve operations and make authorities more efficient. The agency's Annual and Five Year Plan incorporate goals and policies to insure an efficient and cost effective operation.

Following is a summary of each component of the Annual Plan:

Housing Needs

This section is a statement of the housing needs of the extremely low (below 30%), very-low (30-50%) and low-income (50-80% of median income) residents of the City of Altoona. We administer 536 Public Housing apartments, 5 home ownership units, 57 Enhanced Section 8 Vouchers and 917 Section 8 Vouchers and Mod Rehab units.

An examination of current occupancy levels and waiting list information shows a majority of families with incomes below 30% of median income. This illustrates a need to maintain quality affordable housing choices for these families.

Financial Resources

Currently, we have sufficient financial resources to maintain the operation of the Housing Authority. We have been able to adjust to the fluctuations in HUD funding regulations and maintain a consistent level of operation. As occupancy levels have increased in the Section 8 program we have become concerned that HUD funding levels are not sufficient to maintain the level of certificates and vouchers previously awarded. Staff will closely monitor this situation in the future.

Policies Governing Eligibility, Selection, Admissions

This section outlines our policies for 1) eligibility of applicants for Public Housing and Section 8 rental assistance; 2) selection process and waiting list maintenance for Public Housing and Section 8 participants, and 3) continued occupancy of Public Housing and Section 8 apartments.

Although the regulations allow the development of site-based waiting lists, the Authority would not benefit from site based waiting lists. The Authority will maintain two waiting lists which will include one for the family development and one for the elderly/disabled development.

Rent Determination

Public Housing residents are now able to choose between income based or flat rate rents, we have determined that ceiling rents are not necessary at this time. The flat rent option should help with our occupancy issues by making our apartments less expensive than comparable subsidized apartments in the community. Our minimum rent will be maintained at the current \$50.

Operations and Management

This section addresses relevant rules, standards and policies governing maintenance and management of the housing owned, assisted or operated by the Authority.

Grievance Procedures

This section outlines the grievance procedures available to residents and applicants. Our grievance procedure has been reviewed and updated.

Capital Improvements

The Altoona Housing Authority has been diligent in maintaining a high standard of quality for all of the properties it owns and manages. This section includes a copy of our Capital Fund Grant Application for 2007. Our funding for 2006 was \$615,314.00. The Capital Fund replaces the Comprehensive Grant Program. The Annual Statement HUD-52837 and 5 year action plan are included.

Demolition and/or Disposition

We are not proposing the demolition or disposition of any of our existing public housing apartments nor will we be applying for Hope VI funding.

Designation of Public Housing

The Green Avenue Tower has been designated as "Elderly Only". This designation has helped to stabilize the resident population in the Green Avenue Tower and we are proposing the continuation of this designation.

Conversion of Public Housing

Analysis of housing stock does not indicate need to convert additional public housing units beyond those units currently approved for conversion from efficiency to one bedroom apartments in the Green Avenue Tower.

Homeownership

The Altoona Housing Authority has been successful in developing home ownership opportunities for our residents through a Section 5(h) Homeownership Plan. Seventy-two houses were developed for home ownership for low-income families. Sales proceeds will be utilized to develop additional housing opportunities. There are five homes remaining to be sold.

Community Service and Self Sufficiency

This section outlines our coordination efforts with the Department of Public Welfare and other agencies providing services and assistance to residents to gain self-sufficiency.

Safety and Crime Prevention

This section outlines our strategy for safety and crime prevention to ensure the safety of our residents.

We are planning to continue our relationship with the Altoona Police Department to expand the police presence in the community and provide prevention activities for the children of the community.

Ownership of Pets in Public Housing

The Altoona Housing Authority has developed a Pet Policy in accordance with the regulations and guidelines proved by HUD. All public housing residents may now own pets, as defined by the policy.

Civil Rights Certification

This section of the plan contains the necessary Civil Rights Certifications indicating that we will carry out our Plan in compliance with all applicable civil rights requirements and that we will affirmatively further fair housing.

Most Recent Fiscal Year Audit

This section of our Plan contains a copy of our most recent fiscal year audit. We received an unqualified opinion for this year's audit.

Asset Management

The Authority previously established policies to effectively manage the Authority's assets.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required

- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

The AHA continues to monitor the high number of vacancies at the Green Avenue Tower and the Eleventh Street Tower. The majority of vacancies are due to residents moving to personal care home or death. The AHA works closely with the Office on Aging for assistance for residents to continue to live independently.

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available

The AHA has an Allocation Plan.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Resident Membership of the PHA Governing Board

The Altoona City Council has appointed a resident of the Altoona Housing Authority to the Board of Directors. Mr. Howard A. Ermin, Jr., Apartment 610 of the Eleventh Street Tower has been appointed. His current term will expire on the first Monday of January 2008.

**Altoona Housing Authority
FY 2007 Annual Plan**

Attachment 7

Voluntary Conversion Initial Assessment

As required in Notice PIH 2001-26, the Altoona Housing Authority completed an assessment to determine the viability of voluntarily converting some, or all, of its public housing developments.

The conversion requirement is applicable to the following developments:

PA031-001 Fairview Hills – 96 Units

PA031-005 Fairview Hills – 30 Units, East Maple Avenue

PA031-006 Scattered Sites – 20 Units

PA031-016 Fairview Hills – 24 Units

The conversion requirement is not applicable to the following developments:

PA031-002 Green Avenue Tower – 206 Units

PA031-003 Eleventh Street Tower – 160 Units

These developments are elderly and or disabled developments and not general occupancy.

The results of the assessments indicated that it would not be appropriate at this time to convert any of the general occupancy developments to Section 8 based assistance. The assessment showed that Section 8 assistance was more expensive and the loss of rental units would adversely effect the low-income residents of the community.

**Altoona Housing Authority
FY 2007 Annual Plan**

Attachment 8

Deconcentration and Income Mixing

All of the general occupancy development of the Altoona Housing Authority are less than 100 units in total; therefore, the requirements of Deconcentration of Poverty and Income Mixing in Public Housing as described in PIH Notice 2001-4 are not applicable.

Attachment 4

Section 8 Homeownership Capacity Statement

The Altoona Housing Authority has successfully implemented several homeownership programs in the City of Altoona. Currently, we are implementing a Section 5(h) program that included 60 existing homes that were rehabilitated and 12 new construction homes. Sixty-seven of these homes have been sold to participating families. Our successful implementation of the 5(h) program indicates that we have the capacity to implement homeownership programs to benefit the community.

The Section 8 Homeownership Program; Final Rule issued September 12, 2000 provides another avenue for low-income families to utilize to purchase their home. Our goal is to develop a small Section 8 Homeownership Program in compliance with the September 12 Final Rule.

**Altoona Housing Authority
FY 2007 Annual Plan**

Attachment 9

Project Based Section 8

The Altoona Housing Authority desires to project base a small percentage of Section 8 Vouchers to maintain the affordability of rental properties and to provide rental assistance outside concentrated low-income areas. The project basing of assistance will allow residents of those apartments to receive assistance more quickly and the assistance will be maintained in those areas if the resident chooses to move. If tenant based assistance were utilized, there would be no way to insure that the rental assistance would stay in these under served areas. Our goal is to project base five percent of our available vouchers with the following priorities: 1) development or building providing family housing, 2) development or building located in a census tract with average income greater than 80 percent of area median income, 3) development or building larger than 10 units and 4) development or building located in census tract with average income less than 80 percent of area median income.

ALTOONA HOUSING AUTHORITY

COMMUNITY SERVICE POLICY

Revisions to Community Service Policy are underlined.

I. GENERAL

The Quality Housing and Work Responsibility Act of 1998 requires that all public housing residents who are age 18 to 61 are required to perform community service activities or self-sufficiency work activities unless they are exempt from the requirement.

The community service and self-sufficiency requirement is intended to assist adult public housing residents in improving their own economic and social well-being and give these residents a greater stake in their communities. The community service and self-sufficiency requirement allows residents an opportunity to “give something back” to their communities and facilitates upward mobility.

II. SERVICE REQUIREMENT

Each adult resident of public housing, who is not exempt from this requirement, must contribute 8 hours of community service each month or participate in an economic self-sufficiency program for 8 hours each month or a total of 96 hours per year in order to be in compliance with the Community Service Policy.

III. EXEMPTIONS

The following adult residents of public housing are exempt from this requirement if any of the following apply:

1. Individual is 62 years or older;
2. (1) Individual is a blind or disabled individual as defined under 216(i)(1) or 1614 of the Social Security Act (42 USC 416(i)(1); 1382c), and who certifies that because of this disability she or he is unable to comply with the service provisions of this subpart, or
(2) Individual is a primary caretaker of such individual;

3. Individual is engaged in work activities as defined in section 407 (d) of the Social Security Act (42 U.S.C. 607(d)), specified below:
 - Unsubsidized employment;
 - Subsidized private-sector employment;
 - Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
 - On-the job-training program;
 - Job-search and job-readiness assistance;
 - Community service programs;
 - Vocational educational training (not to exceed 12 months with respect to any individual);
 - Job-skills training directly related to employment;
 - Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
 - Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
 - The provision of childcare services to an individual who is participating in a community service program.
4. Individual meets the requirements of being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 USC 601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program;
5. Individual is a member of a family receiving assistance, benefits or services under a State program funded under part A of title IV of the Social Security Act (42 USC 601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State administered welfare-to-work program, economic self sufficiency program and has not been found by the State or other administering entity to be in noncompliance with such a program.
 - A. An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work.

IV. NOTIFICATION OF THE REQUIREMENT

The Altoona Housing Authority shall provide to all residents written notice about the reinstatement of the community service and self-sufficiency requirement as outlined in 24 CFR 960.605. This notification must alert residents of this requirement, whether or not they are exempt, and what they need to do in order to comply.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after September 1, 2003. For families paying a flat rent, the obligation begins on their lease renewal date. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

V. VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the community that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self responsibility of the resident.

The Altoona Housing Authority will coordinate with social service agencies, local schools and the Department of Public Welfare in identifying a list of volunteer community service positions in order that non exempt residents comply with this act.

VI. THE PROCESS

At the first annual reexamination, on or after September 1, 2003 and each annual reexamination thereafter, the Altoona Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide a volunteer time sheet and instructions for completing the time sheet to the family members.
- C. Assign family members to our Family Service Coordinator, who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The Family Service Coordinator will track the family member's progress monthly and will meet with the family member as needed to encourage compliance.
- D. Ninety (90) days before the family's next lease anniversary date, the Family Service Coordinator will advise the Altoona Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

VII. NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

A resident who was delinquent in community service hours under the lease in effect at the time of suspension will still be obligated to fulfill his/her community service and self-sufficiency requirements for fiscal year 2001, provided that the resident was given notice of noncompliance prior to the expiration of the lease in effect at that time.

In order to obtain a lease renewal on the expiration of the current lease, residents must be in compliance both with any delinquent community service requirements and current requirements.

The Altoona Housing Authority will notify any family found to be in noncompliance of the community service policy. The Altoona Housing Authority must offer the resident the opportunity to enter into written agreement to cure the noncompliance with the community service and self-sufficiency requirements either under the current or delinquent lease. This agreement should include:

- The additional number of hours of community service or self-sufficiency work activities needed to make up the required number of hours under the current lease.
- Assurance that all members of the family who are subject to these requirements are in compliance with the requirements.
- Written assurances satisfactory to the Altoona Housing Authority that any noncompliant resident no longer resides in the unit.

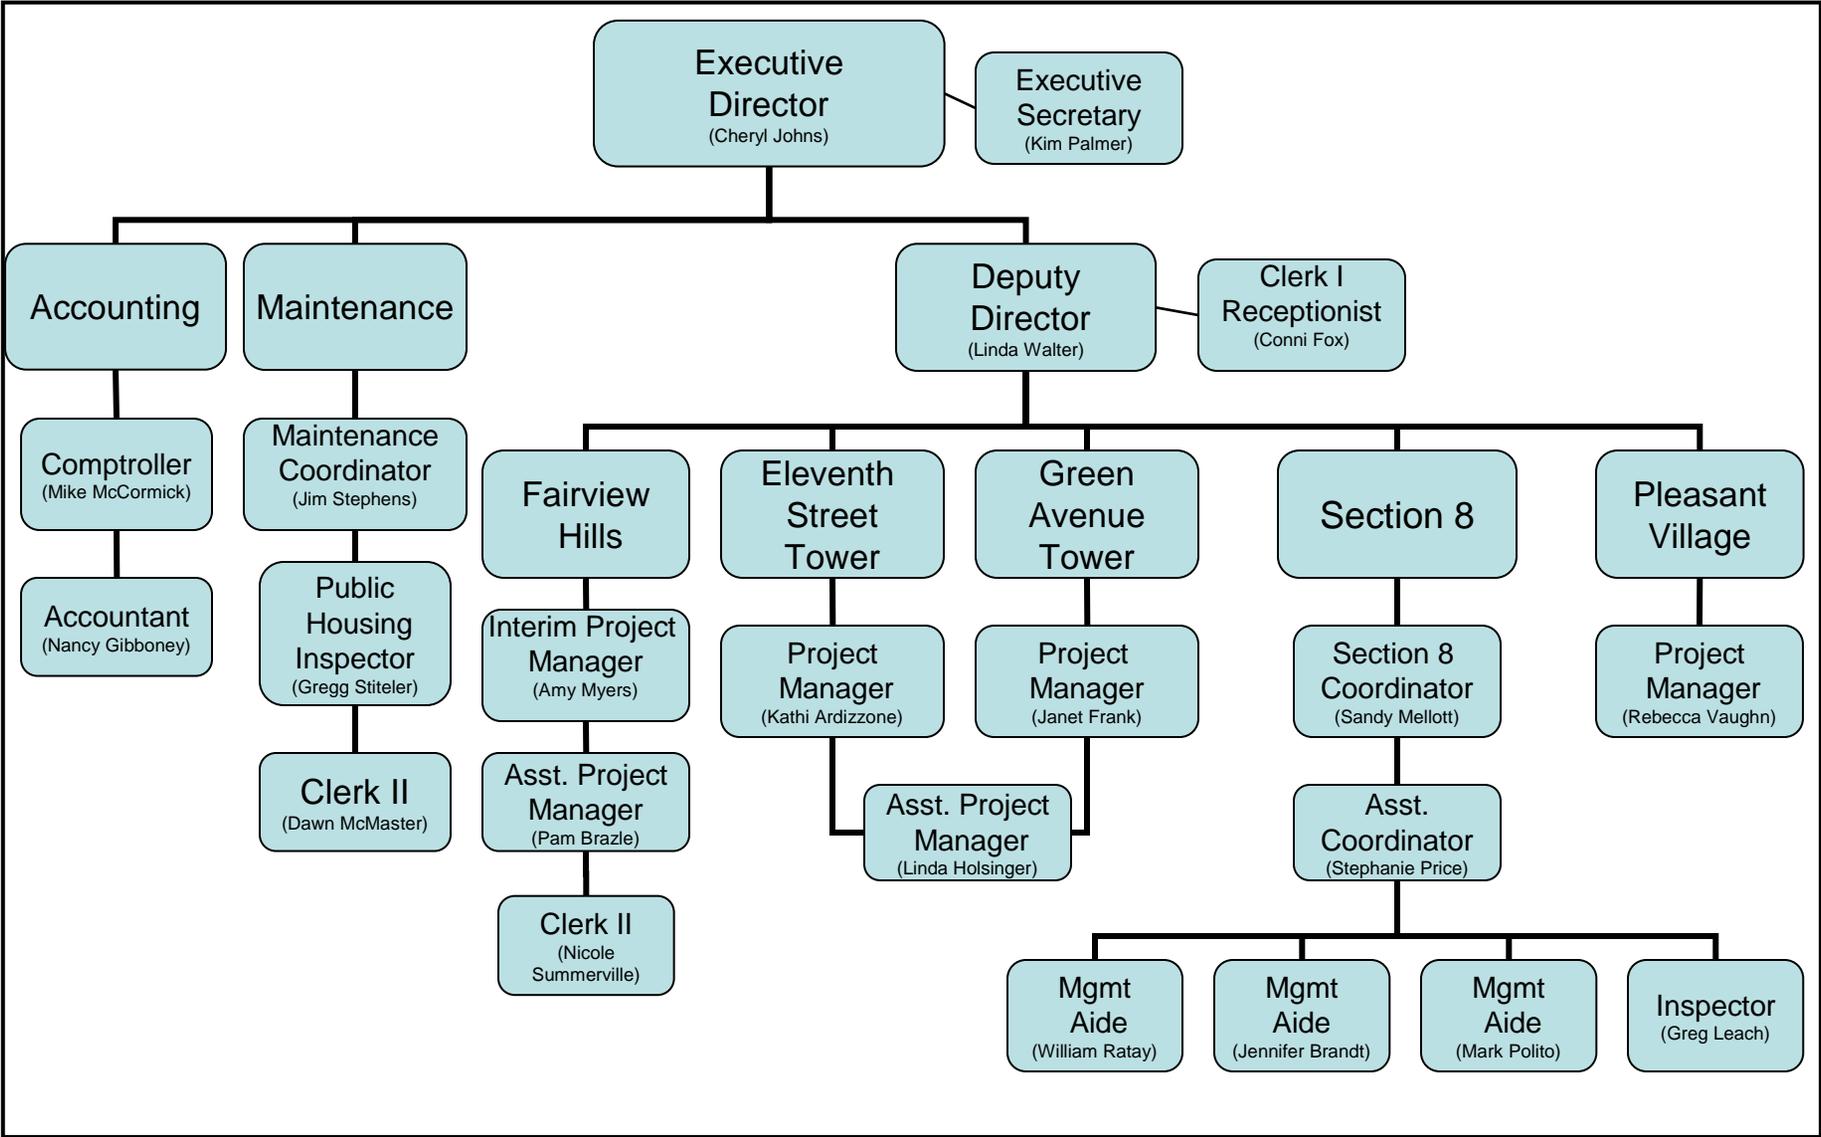

The Altoona Housing Authority must inform residents that they may request a grievance hearing on the determination of noncompliance in accordance with Part 966, subpart B and that residents may exercise any available judicial remedy to seek redress from the PHA's non-renewal of the lease because of such determination.

VIII. OPPORTUNITY FOR CURE

The Altoona Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12 month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self sufficiency program or falls behind in their obligation under the agreement to perform community service, the Authority shall take action to terminate the lease.

Altoona Housing Authority Administrative Staff Organizational Structure

E. VOUCHER PORTABILITY

General Portability Policies of the Altoona Housing Authority

1. Initial housing of a family will be within the jurisdiction of the Altoona Housing Authority (AHA) for a twelve (12) month period beginning when the family is first admitted to the program. After that initial twelve (12) month period, the AHA **may**, provided funding is available or the receiving housing authority will absorb the family under their funding, allow the family to begin the portability process to another entity operating a tenant-based Housing Choice Voucher Program. Depending upon available funding, allowing families to relocate to another housing authority will be the sole discretion of the AHA. Families will not be allowed to move to another jurisdiction during that initial twelve (12) month period.
2. A family must be income eligible within the guidelines of the AHA and the Housing Choice Voucher Program when initially issued a voucher from the AHA waiting list. If a portable family is already a participant of another housing authority's Housing Choice Voucher Program, income eligibility is not redetermined.

Portability Procedures/Initial Housing Authority

1. The AHA will brief the family on the process that must take place to exercise portability. The family will be required to attend a mover's briefing with a Section 8 caseworker.
2. The AHA will, within ten (10) calendar days, mail or fax the receiving housing authority a completed Part I of HUD Form 52665, the most recent HUD Form 50058, income information, and related family information.

Portability Procedures/Receiving Housing Authority

1. When a portable family enters the jurisdiction of the AHA, the AHA will, within fifteen (15) calendar days of the HAP contract execution (not the effective date), inform the initial housing authority that it will either absorb the family into its own program or that it will bill the initial housing authority for assistance on behalf of the portable family. Billing will take place within the time limit set forth in Part I of HUD Form 52665 and a completed Part II of HUD Form 52665 will be mailed to the initial housing authority along with a new HUD Form 50058.
2. The AHA will issue a voucher to the family within fifteen (15) calendar days as long as the initial voucher has not expired. If it has expired, the family will be referred back to the initial housing authority. The expiration date of the voucher, through the AHA, will be the original expiration date determined by the initial housing authority. The family must submit a Request for Tenancy Approval through the AHA before the expiration of the voucher and within the time frame set forth for billing on Part I of HUD Form 52665.

3. The AHA will determine the family unit size for the portable family. The family unit size is determined in accordance with the AHA's subsidy standards.
4. The AHA will notify the initial housing authority if the family has or has not leased an eligible unit under the program before the deadline expiration of the HUD Form 52665 and if the AHA intends to absorb the family or bill the initial housing authority.
5. In order to provide tenant-based assistance for portable families, the AHA will perform all program functions, such as reexaminations of family income and composition. At any time, either the initial housing authority or the AHA may make a determination to deny or terminate assistance to the family under the CFR 24 guidelines. If assistance is denied or terminated, the family shall have the right to an informal hearing.
6. The AHA will send the initial housing authority an updated HUD Form 50058 at each annual reexamination. An updated HUD Form 52665 and HUD Form 50058 will be sent to report any changes in the billing amount or to notify the initial housing authority that the family has been absorbed and the effective date to terminate the billing arrangement.
7. Should the family decide to move to yet another jurisdiction, the initial housing authority will be notified to send a new HUD Form 52665 and supporting documentation to the new receiving housing authority. The AHA will no longer be required to provide assistance for the family.

Absorption by the Altoona Housing Authority

If funding is available under the consolidated ACC for the AHA's Housing Choice Voucher Program when the portable family is received, the family may be absorbed. The decision to absorb or not will be made on a case by case basis and will solely be the decision of the AHA.

Portability Billing

1. The AHA, as the receiving housing authority, may choose to bill the initial housing authority for housing assistance payments and administrative fees as long as all HUD required deadlines have been met.
2. The AHA **may** deny a family the right to exercise a portability move on the basis of CFR 24 guidelines if, in fact, there is insufficient funding for continued assistance. The AHA must be able to demonstrate that it will actually lack the funding to cover the housing assistance payments for the family should the family move to a higher cost area.

Adopted 7/13/05 (Resolution 05-39)

The AHA will contact the receiving housing authority and confirm that they will not absorb the family but will bill the AHA. If the receiving housing authority is willing to absorb the family, there are no grounds to deny the move.

The portability move will also be approved if the family chooses to move to a lower cost area.

Attachment 12

Residency Preference:

Any applicant family who qualifies as a resident of the City of Altoona. A resident is defined as a family or single person who lives in or previously resided in the City of Altoona, or whose head of household or spouse works in, or has been given a bona fide offer of employment in Altoona. Third-party written verification of this preference will be utilized. At the option of the Altoona Housing Authority, leases, utility bills, employer records, school records, driver's licenses, voter registration records or credit reports also may be used to verify residency.

There is no minimum amount of time that the family must have resided in the City of Altoona to qualify for a residency preference. The use of the residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based upon the race, color, ethnic origin, gender, religion, disability or age of any member of the applicant's family.

POLICY FOR SCREENING OF SECTION 8 LANDLORDS

PURPOSE:

The Altoona Housing Authority (“AHA”) has consistently applied the regulations promulgated by the Housing and Urban Development (“HUD”) in order to meet its mandated purpose of providing decent, affordable, safe, and secure housing for persons of limited means. In order to meet this obligation, the Authority has entered into Housing Assistance Program contracts with various individuals owning properties within the City of Altoona in order to provide housing meeting the above-mentioned standards.

The Housing Authority has, as well, evaluated tenants for these properties consistent with the HUD regulations promulgated relative to criminal activity and suitability to provide safety and security within the neighborhoods in which these properties are located. The staff and management of the Authority has determined that it is prudent and responsible to evaluate landlords in similar fashion to ascertain that landlords meet a demanding criteria to ensure that they provide a safe, secure and appropriate environment for clients of the AHA.

Therefore, the Authority establishes the following procedures and criteria in order to evaluate landlords in order to permit them to enter into a Housing Assistance Program (“HAP”) contract with the Housing Authority in regard to the Section 8 Program and in order to do so, have established the following screening criteria to which the landlord will be suspended in order for consideration of their entry into the HAP Program. The landlords will be subjected to a background check in order to establish and verify:

1. That the owner/landlord has not violated any previous obligations under any other HAP contract with the Altoona Housing Authority or any other public housing agency.
2. That the owner/landlord has not committed fraud or bribery or any like crime in connection with any Federal Housing Program.
3. That the owner/landlord has not been and is presently not engaged in any drug-related or criminal activity or any other violent criminal activity, whether it be conducted on or about the premises the subject of the HAP request, or elsewhere.

4. That the owner/landlord has not had a prior history of failing to terminate tenancy of tenants within their premises under terms and conditions as are prescribed for in the Code of Federal Regulations, HUD regulations and regulations of the AHA.
5. That the owner/landlord has not had a history or consistent practice of renting units that persistently fail to meet state or local housing codes or those housing codes established by the AHA.
6. That the owner/landlord has consistently paid state and/or local real estate taxes, fines or assessments, and have complied with all code enforcement rules and regulations appertaining to the premises the subject of the proposed HAP contract.
7. That the owner/landlord has not manifested a history or conduct such as to be detrimental to the health, safety, welfare and well being of proposed tenants.

CRIMINAL SCREENING CRITERIA:

The Altoona Housing Authority will complete effective criminal background checks on potential Section 8 Landlords and parties entering into a HAP contract with the AHA in order to ensure the quality of programs and safety of the tenants and the community. These background checks may include, but are not limited to, the following:

- NCIC Interstate Identification Index through the Altoona Police Department;
- Pennsylvania State Police Record Checks; and/or
- Submission of fingerprinting for conclusive background checks as may be required by any local, state or federal law enforcement agency.

The AHA will review the information received in the background checks or such other investigation as the Housing Authority may determine and any criminal activity of any type or nature committed within the past three (3) years will preclude the entry of a HAP contract. The Housing Authority will, however, exercise its discretion as to any conduct committed beyond three years prior to the date of application and individually consider the seriousness of the information received, the possible detrimental effects to the community and the tenants and the affect or impact it may have upon the AHA Program generally. The Housing Authority's discretion shall be sole and absolute in these particular matters.

The AHA will automatically deny an owner/landlord admission into the Program if the report provides criminal activity of the following nature as to any owner/landlord:

1. Drug related criminal activity (ex: manufacture/sale/use or distribution).
2. Violent criminal activity (ex: crimes involving use, attempted use/threatened use of physical force against persons or property).
3. Any other criminal activity which, in the sole discretion of AHA, would affect the health, safety or peaceful enjoyment of the premises the subject of the HAP Contract.
4. Criminal activity resulting in the arrest, prosecution, or conviction of manufacturing or producing methamphetamine (speed) by the owner/landlord or any of them.
5. The arrest, prosecution, or conviction of any sexual offense existing under the Crimes Code of the Commonwealth of Pennsylvania or the Crimes Code of any other state in the United States or the United States Code.

OTHER CONSIDERATIONS:

1. The AHA will permanently terminate any HAP contract heretofore entered into should the owner/landlord be found to have been convicted of manufacturing or producing methamphetamine on the premises of the assisted housing. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds.
2. The AHA will permanently terminate any HAP contract heretofore entered into should the owner/landlord be found to have been arrested, prosecuted or convicted for sexual offenses as hereinbefore described.
3. The AHA may deny admission if a potential owner has pending criminal charges based upon criminal reports received by the AHA involving any type of criminal activity hereinbefore referred to or such activity as may, in the discretion of the AHA, be detrimental to the health, safety and welfare of the Program.

Owners/Landlords desiring to enter into HAP contracts in connection with the Section 8 Voucher Program will be considered and evaluated on a case-by-case basis focusing on the seriousness and timeliness of the criminal activity and/or unfavorable conduct manifested through the AHA's investigation. The foregoing are general

parameters and not designed to be exclusive in nature, but are merely set forth to apprise a potential owner/landlord of the evaluation process done by the AHA in matters appertaining to its Section 8 Voucher Program and advising that the landlord would be required to execute an authorization to allow a criminal background check and/or credit check to be done in connection with their HAP application.

Violence Against Women Act (VAWA) Policy

The Altoona Housing Authority, in accordance with the Violence Against Women Act, has established this policy to provide protection in housing against domestic violence, dating violence, sexual assault and stalking victims. While the title of the Act is Violence Against Women, the Act describes a victim as male or female and protects both sexes.

The purpose of this policy is to reduce domestic violence, dating violence, sexual assault, and stalking; prevent homelessness of the victims of such acts; protect victims who reside in Public Housing and Section 8; and ensure victims have access to the criminal justice system without jeopardizing their housing.

Domestic violence can be a felony or misdemeanor crime of violence committed by a current or former spouse of the victim, or a person similarly situated to a spouse of the victim, or a person with whom the victim shares a child in common.

Dating violence is committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim based on the length of the relationship, the type of relationship and/or the frequency of the interaction between the persons.

Sexual assault includes both assaults committed by strangers or offenders who are known or related by blood or marriage to the victim.

Stalking means to pursue, place under surveillance, or repeatedly commit acts with intent to kill, injure, harass, or intimidate and/or to place a person in reasonable fear of death, serious bodily injury, or emotional harm to that person, their immediate family member(s), or spouse or intimate partner.

The Altoona Housing Authority will evaluate each alleged act of violence on a case by case basis. Any resident alleging they are a victim of any listed form of domestic violence, dating violence, sexual assault or stalking ***must*** provide documentation that substantiates that claim. This documentation must include bona fide incidents of actual or threatened abuse which includes the name of the perpetrator and must be provided within fourteen (14) days of the alleged act of violence.

The documentation provided by the victim of the act of violence may be any of the following:

- A local police or court record
- Documentation signed by a victim service provider, an attorney, or a medical professional that attests under penalty of perjury that the abuse is a bona fide incident and that the victim has approved the documentation.

Any information provided to the Altoona Housing Authority shall be retained in the strictest confidence. It will not be entered into any shared database or provided to any related entity unless the victim consents or requests such sharing, unless it is required for use in an eviction proceeding or unless otherwise required by law.

Once this documentation is provided to the Altoona Housing Authority, the perpetrator of the act of violence will be banned from being on Altoona Housing Authority property or the residential unit of a Section 8 Voucher holder. Should the resident who is the victim of such violence willingly or intentionally violate this banning order, the protection offered under this Act and policy shall become null and void and termination proceedings will begin.

If the Altoona Housing Authority is able to demonstrate there is an actual and imminent threat to other tenants, employees or others providing services to the property, the protection offered under this Act and policy are also null and void and termination proceedings will begin.

All resident will be provided equal opportunities for informal and formal hearings as already defined in all termination procedures through the Altoona Housing Authority.

Pet Policy - Lease

Section 1: Definition of Pet and Number Per Unit

A common household pet is defined as a domesticated animal, such as a dog, cat, bird, rodent, fish or turtle, which is traditionally kept in the home for pleasure rather than for commercial purposes. A common household pet does not include reptiles-(except for turtles) or snakes. Any other type of pet will be refused registration. Aquariums may not be larger than 20 gallons. Dogs may not weigh more than 45 pounds. No dangerous or intimidating pets, i.e., pit-bull dogs, rottweilers or doberman pinchers will be permitted. If a dog grows to weigh more than the allowable weight, it must be removed from the household immediately or the entire household will face the possibility of eviction.

Only one four-legged, warm-blooded pet or one aquarium or one bird cage will be permitted in a unit.

Section 2: Pre-Registration Required Prior to Admission

Tenant must deliver a completed Pet Registration Form to the Landlord no less than ten (10) days before a pet is brought into a unit. The registration form must show the type of pet, a recent picture, the name and age of the pet, and if applicable, the license number and current inoculation information for the pet. It must also include the name and address of pet's veterinarian. A Pet Responsibility Form must be completed and submitted along with the Pet Registration Form. The Pet Responsibility Form will be signed by three (3) persons who agree to be responsible for the removal and/or care of the pet in the event of the Tenant's illness or death. Pet registrations must be updated annually.

If a tenant fails to provide complete pet registration information or fails to update the pet registration annually by the designated renewal date, the pet will not be permitted on the Premises. Furthermore, if the Landlord reasonably determines that a person will be unable to fully comply with all of the Pet Regulations, based on a the pet application or the Tenant's housekeeping habits and practices, or the Tenant's health, the pet will be denied registration admission. A notice in accordance with Section 10 will be sent to the Tenant stating the basis for the Landlord's determination.

Section 3: Required Update of Registration

Each pet's registration must be updated once each year at the time of the annual re-certification. Updated annual registrations will include:

- a. Verification that the pet's license is in effect and has been renewed for the current year;
- b. The Dog or Cat must be brought to the management office each year to be photographed;
- c. Proof of any inoculations that are required for such pet, that all shots are current; and
- d. Proof of annual veterinary care.
- e. The Pet Responsibility Form will be reviewed to make sure all information is current.

Section 4: Pet Responsibility Form

Prior to pet admission, the Tenant must complete and sign the Pet Responsibility Form. This form includes the name, address, and phone number of three (3) local persons who agree to care for the pet in the event of the Tenant's illness, vacation, or death. The pet must be removed from the tenant's unit during this time. The responsibility form must be reviewed and updated annually.

Section 5: Security Deposit

Unless otherwise proscribed by the U.S. Department of Housing and Urban Development, a Pet Security Deposit will be required of dog and catowners in the amount of \$100.00 payable as follows: \$100.00 on or before the date when the pet is brought onto the Premises. The Landlord will refund any unused portion of the Pet Security Deposit within a reasonable time after the Tenant moves from the building provided that the Tenant leaves a forwarding address in writing or no longer owns or keeps a pet at the Premises. The tenant must provide written proof that the pet is no longer in the household.

Section 6: Pets – General Conditions

The Tenant must agree to comply with the following rules. Any violation of these rules shall be grounds for removal of the pet or termination of the Tenant's occupancy, or both.

- A. Only **one (1)** pet is allowed in the elevator at a time. If one pet is already in the elevator car when it stops at a floor, the second pet owner must wait for a car to stop without another pet in it.
- B. Pet owners must use the nearest accessible exit when taking their pet outside.
- C. No pet may be left unattended, whether tied or tethered, outside of the Tenant's unit or building.
- D. No pet is permitted to be taken to a floor other than **the first floor** or their own apartment floor.
- E. Pets are not to be taken into **any other tenant's** apartment for any reason.
- F. Pets are **not** permitted in the building's public rooms such as the offices, laundry room, lounges, or community rooms, **unless an appointment has been made for the annual photograph.**
- G. Tenants shall not alter their unit, porch, balcony or hallway in any way as to create an enclosure for their pet.
- H. Apartments, patios, balconies and hallways must be kept clean and free of hair, feathers, seeds, droppings, urine, feces and odors at all times.
- I. Cost of extermination from fleas, ticks, or other animal related pests caused by a tenant's pet will be the responsibility of such tenant.
- J. Tenants shall not permit any disturbance by their pet which would interfere with other tenants' quiet enjoyment of their accommodations. This includes disturbances such as loud barking, howling, scratching, whining, loud chirping, yowling, screeching, or other such activities **or noises.**
- K. Pet owner removing pet from apartment

Whenever a pet is out of the apartment or house for any reason, such pet will be confined in some way so that it does not become loose in the building. Recapture of a loose pet is the sole responsibility of the Tenant. The Landlord will not be involved or take responsibility for such recapture.

Section 7: Visiting Pets

Visiting pets are not permitted without specific written permission from the Landlord, unless they are dogs aiding the handicapped, i.e., seeing eye dogs. If such written permission is granted, all provisions of **the Pet Policy** will apply to the visiting pet while on the Landlord's premises.

Section 8: Protection of the Pet

If the health or the safety of a pet is threatened by the death or incapacity of the Tenant or by other factors that render the Tenant unable to care for the pet, the Landlord will contact one of the three persons listed on the Pet Responsibility **Form**. If none of the three **designated persons** are willing or able to care for the pet, or after **a** reasonable efforts, the Landlord has been unable to contact one of the three persons, the Landlord will contact the appropriate state or local agency and request removal of such pet. If there is no state or local agency authorized to remove a pet under these circumstances, the Landlord or its designee will enter the Tenant's unit, remove the pet, and place it in the Blair County Humane Society for permanent disposition.

Section 9: Owner's Absence

If the Tenant ~~is~~ **will be** temporarily absent, such as in the hospital or on vacation, the **tenant must tell the** Landlord the name of the person who will take total responsibility to regularly care for the pet until the Tenant's return. **Pet must be removed from tenant's unit during this absence.**

Section 10: Pet Violations

1. **Loose Pets** - If a pet gets **s** loose and **away from** the Tenant's premises, the Tenant, and not the Landlord is responsible for damages and **the** recapture **of the pet**. The Tenant will immediately clean up any waste and pay the cost of any damages incurred within 30 days of presentation of the bill from the Landlord or another tenant if they or their property is involved.
2. **Notice of Pet Rule Violation** – If the Landlord determines on the basis of objective facts, supported by written statements, that the Tenant has violated a rule governing the keeping of **a** pet~~s~~, the Landlord will serve a notice to the Tenant of **a** pet rule violation. The notice of **a** pet rule violation will be in writing and will:
 - a. Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated;

- b. State that the Tenant has 10 days from the effective date of **the service** of the notice, to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a grievance hearing to discuss the violation with the Landlord.
- c. State that the Tenant's failure to correct the violation, ~~or~~ to request a grievance, or to appear at the grievance hearing shall result in initiation of such procedures to have the pet removed or to terminate the Tenant's tenancy, or both.

Section 11: Pet Removal

If a pet becomes vicious or displays symptoms of severe illness or other behavior that constitutes an immediate threat to the health or safety of the pet or other tenants as a whole, the Landlord or an authorized agency will be permitted to enter the Tenant's unit, remove the pet, and take such action with respect to the pet as may be permissible under state and local law. The Landlord is permitted to enter the Premises in such cases as above if any one of **the following** four situations apply:

- a. The Tenant has refused to remove the pet or if the Landlord is unable to contact the Tenant to make the removal request.
 - b. If **The Tenant is willing to remove the pet**, but **is** unable due to accident or illness.
 - c. Should the Tenant decide for any reason they no longer want the pet, it is the Tenant's responsibility to remove it and find somewhere to take it themselves at their expense.
 - d. Landlord reasonably believes the pet is being abused or neglected.
1. **Notice for Pet Removal** – If the Landlord determines that the Tenant has failed to correct the pet rule violation, the Landlord may serve a notice to the Tenant requiring the Tenant to remove the pet. The notice will be in writing and will;
- a. Contain a brief statement of the factual basis for the determination and the pet rule that has been violated;
 - b. State that the Tenant must remove the pet; and

- c. State that failure to remove the pet shall result in initiation of procedures to have the pet removed or terminate the Tenant's tenancy, or both.

Section 12: Death of Pet

Should a pet die on the Landlord's property, it is the responsibility of the Tenant to dispose of the pet immediately. If this is not done within one day and the Landlord must dispose of such pet, the Tenant will be responsible for all costs incurred by the Landlord. The pet may not be disposed of on the Landlord's property or in a dumpster located thereon.

Section 13: Unit Inspection

The Landlord's personnel will not be permitted to enter a Premises that houses a dog or cat unless the Tenant is at home and has placed the pet on a leash or has the pet under control at all times while the personnel are in the unit. Any problems noticed at an inspection, such as damages to the premises or odors, will be reported to the Landlord who will make the necessary repairs or extermination at the Tenant's expense. The charges are considered to be the same as rent due and owing and must be paid within thirty (30) days of invoice.

Section 14A: Dogs

In addition to the other sections of these rules, the following apply:

- Dogs must be no less than six (6) months old and completely housebroken.
- Proof that the dog is already neutered or spayed must be furnished.
- Each dog must be licensed by the appropriate local government agency and proof of license renewal is required each year by the Landlord. Dogs must wear a flea collar at all times and must also have a collar that shows a current license, owner's name, and address.
- Annually the Tenant must show proof that the dog has had the proper Parvo shots for distemper and rabies. This proof must be signed by a veterinarian.
- A dog cannot be over 18 inches tall at the top of the shoulder, or weight over 45 pounds at maturity. In the case of a 6 month old dog, a statement

from a veterinarian will be required verifying that normally **this** type of dog will not be over the size requirements as listed.

- A dog must be on a leash at all times when outside of the Tenant's Premises unless it is in an approved locked pet carrier. Small dogs should be held and carried through the building even if on a leash.
- In the case that a pet deposits waste on the Landlord's property, the Tenant must remove such waste immediately. Waste must be placed in a plastic bag, sealed tightly, and put inside an outside dumpster.
- It is the Tenant's responsibility to clean the stairwell if there is any deposit of hair, mud, snow, or animal waste from their pet. Also, **if** the pet tracks snow, rain and/or mud into an elevator, stairwell or hallway, this must be cleaned up by the Tenant immediately.
- Dogs should be brushed on a regular basis so that their hair does not shed during their trips in and out of the building.
- No dog may stay alone in a unit overnight. It is the responsibility of the tenant if they have to leave suddenly and be away overnight to take the pet elsewhere until they return. If a pet is found alone, it will be removed and disposed of.
- Whenever **the** Landlord's employees or contractors need to enter the Unit, the Tenant must be present and the dog must be under control.

Section 14B: Cats

In addition to the other sections of these rules, the following apply:

- Cats must be no less than six (6) months old and must be litter box trained before admission. Proof that the cat has been de-clawed and spayed or neutered must be shown before admission approval.
- Cats must wear a **flea**collar at all times **in addition to a collar** showing **the** owner's name and address.
- **Annually the Tenant must show proof** that **the** cat has had the proper FVR-CP and rabies and distemper shots. This proof must be signed by a veterinarian.
- Cats must be on a leash at all times and carried when outside the Tenant's apartment or carried in an approved locked pet carrier.

- The cat must use a cat litter box and waste must be cleaned daily from the litter box. **The waste must be** placed in a tightly fastened plastic bag, and placed in the outside dumpster, by the cat owner. Litter must be disposed of a minimum of twice a week and replaced with new, clean litter. Soiled litter must be placed in **a** tightly sealed plastic bag and placed in the outside dumpster. Cat waste and litter are never to be disposed of in the building.
- No cat may stay alone in an apartment overnight. It is the responsibility of the Tenant if they have to leave suddenly and be away overnight to take the pet elsewhere until they return. If a pet is found alone, it will be disposed of.
- In the case that a cat deposits waste on the Landlord's property, the Tenant must immediately remove such waste. The waste must then be placed in a plastic bag, sealed tightly and put in an outside dumpster.
- Whenever **the** Landlord's employees or contractors need to enter the unit, the Tenant must be present and the cat must be under control at all times.
- In the event **that** the cat deposits hair, mud, snow, water, or animal waste in the building, in the hall, stairwell, or elevator, this must be cleaned up by the tenant.
