The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Snyder County Housing Authority

Annual Plan

Fiscal Year 07/01/2007 – 06/30/2008

Executive Summary

The Snyder County Housing Authority promotes affordable housing, economic opportunity, and a suitable living environment for the families that we serve. A major initiative is to continue the assessment and renovation of our housing stock and be responsive to housing needs of the jurisdiction.

This year the Housing Authority has made changes to policies related to occupancy in our housing programs. The discretionary changes will serve two purposes. One, screening criteria will be more uniform within each program, and two, the changes will help generate an increase in the applicant waiting list.

The Housing Authority has made the following changes to our policies and/or programs based on changes in statutes and/or HUD regulations that have occurred in the past year.

Public Housing Admissions and Continued Occupancy Policy

- Verification requirements for the Medicare Prescription Drug Program
- Services for persons with Limited English Proficiency (LEP)
- Protections under the Violence Against Women Act (VAWA)

Section 8 Program Administrative Plan

- Verification requirements for the Medicare Prescription Drug Program
- Services for persons with Limited English Proficiency (LEP)
- Protections under the Violence Against Women Act (VAWA)

The Housing Authority proposed various discretionary changes to our policies and/or programs. The Board of Commissioners adopted the policy changes on April 10, 2007, and per communications with our HUD office, will be effective April 10, 2007. The changes are as follows:

Public Housing Admissions and Continued Occupancy Policy

Changes have been made to the “Grounds for Denial” section (Section 5.3). Essentially, the number of years for the ineligibility period following an “act or failure to act” has been more explicitly described and the denial period changed.

Changes to the “Selection from the Waiting List” section (Section 10.5):

When the Snyder County Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit and in accordance with the income-targeting goal. When an applicant has been selected from the waiting list, determined to be eligible, and the screening determinations on the applicant family have been completed by the Housing Authority, the applicant will be considered qualified. The Housing Authority will then offer the applicant an appropriate unit.

Section 8 Program Administrative Plan

Changes have been made to the “Grounds for Denial” section (Section 4.7). Essentially, the number of years for the ineligibility period following an “act or failure to act” has been more explicitly described and the denial period changed.

Changes to the “Selection from the Waiting List” section (Section 5.3):

When the Snyder County Housing Authority discovers that voucher authority will become available, we will contact the first family on the waiting list who has the highest priority and in accordance with the income-targeting goal. When an applicant has been selected from the waiting list, determined to be eligible, and the screening determinations on the applicant family have been completed by the Housing Authority, the applicant will be considered qualified. The Housing Authority will then offer the applicant a housing choice voucher.

A preference has been added for Juniata County residents as a category 3 preference.
