## HARRIMAN HOUSING AUTHORITY DECONCENTRATION POLICY

The Harriman Housing Authority's policy to provide for deconcentration of poverty will consist of the following:

- A. Targeting: The income levels of families on the waiting list will be analyzed so that not less than 40% of admissions in any fiscal year will be families whose income does not exceed 30% of median income for the area.
- B. Income Mixing: Prior to the beginning of each fiscal year the HHA will analyze the income levels of families residing in each development to bring higher income families into lower income developments and lower income families into higher income developments.

The HHA will strive to insure that no individual development has a concentration of higher or lower income families. The HHA may skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

The HHA will affirmatively market public housing to all eligible income groups. If necessary, the HHA will determine the level of additional marketing strategies and deconcentration incentives to implement the objective of this policy.

## **IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY SERVICE REQUIREMENTS**

### **HARRIMAN HOUSING AUTHORITY**

The Harriman Housing Authority has established guidelines for implementing the Community Service Requirement. Below is an abbreviated list. A complete Community Service Policy is available upon request, at the Main Office of Harriman Housing Authority.

1. Notification

A notice is sent to all residents explaining the Community Service Requirement and the exemptions. It is then up to the resident to either submit a form stating they are exempt and why or, if the resident is not exempt, they are given a list of Community Service options.

2. Community Service Options

Residents are given a list of options or they may choose to do something else.

3. Community Service Reporting

The Resident Activities Coordinator gives resident a list of Community Service Options that meet the requirement. Resident is responsible for selecting an activity and fulfilling their eight (8) hour per month requirement. Resident is given a form to be filled out monthly and turned back in to the Resident Activities Coordinator.

4. Failure to Comply

If Resident fails to comply, they are given three opportunities to come into compliance with this requirement. If no attempt has been made to fulfill this requirement, the Resident is in violation of their lease and the lease will not be eligible for renewal.
