This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Progress in Five-Year Plan Goals (2007 Plan)

THDA set the following goals for the past five year time period:

- Expand the supply of assisted housing
 - Apply for additional vouchers
- Improve the quality of assisted housing
 - Improve Voucher Management
 - Increase customer satisfaction
 - Improve specific management functions
 - Provide replacement vouchers
- Increase assisted housing choices
 - Provide voucher mobility counseling
 - Conduct landlord outreach
 - Implement Homeownership Voucher Program
- Promote self-sufficiency and asset development of families and individuals
 - Increase the number of employed persons
 - Provide or attract supportive services to increase independence for the elderly or families with disabilities
- Ensure equal opportunity and further fair housing
 - Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:
 - Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:
 - Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:

THDA made significant progress on each of these goals including:

- THDA provided assistance through the Mainstream Program for 50 disabled individuals in the West Tennessee region.
- THDA continued our progress as a high performer under SEMAP.
- THDA continued client service goals by providing mailings to tenants of upcoming significant policy changes; a comprehensive complaint and hearing process; and a tenant survey currently in process.
- THDA continued our focus on improving specific management functions by attending a variety of housing courses provided by HUD, Nan McKay and Quadel Consulting. In-house training was also provided to all staff on a quarterly basis.
- THDA provided replacement vouchers for project-based opt-outs each time HUD requested THDA's participation.
- THDA conducted a number of outreach efforts to participating landlords, including a bi-annual newsletter to our landlords. Unfortunately, our regional landlord meetings yielded poor attendance and results. Mailings and Internet resources have proved much more valuable in communicating with new and prospective landlords.

Attachment B

- THDA adopted a Homeownership Voucher Program in fiscal year 2002-2003. Currently, 45 families have closed loans through the program, and another 200 are involved in counseling efforts to become mortgage ready.
- THDA is assisting more than 232 families in our Family Self Sufficiency Program. The program has been extremely successful with 102 currently earning escrow. The program has helped a number of individuals in the previous five years with educational, employment and other life skills goals.
- THDA has exhibited a commitment to equal opportunity and fair housing over the past five years by distributing HUD's housing discrimination complaint form to all participants at admission and annual recertification; accommodating special needs such as requests for voucher extensions for disabled persons in need of a reasonable accommodation; annual training to all staff in the area of fair housing; and participating in a fair housing survey with the West Tennessee Legal Aid Society.
