## ***ATTACHMENT “C”: PET POLICY***

Common household pet means a domesticated cat, dog, bird, gerbil hamster, Guinea pig and fish in an aquarium. Reptiles of any kind, with the exception of small turtles or lizards in a terrarium, as well as mice and rats are prohibited. These definitions do not include any wild animal, bird of prey, dangerous fish, snakes, spiders or other insects, or any farm animals.

Each household shall have only one pet (except fish or birds). The limit for birds is two (2).

The pet owner shall have only a small cat or dog. The animal’s weight shall not exceed twenty (20) *pounds*. The animal’s height shall not exceed *fifteen (15) inches*. Such limitations do not apply to a ***service animal*** used to assist a disabled resident.

Pet owners shall license their pets (if required by state or local law) yearly with the City of Edna, Texas or as required. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually. The PHA may require the pet owner carry renter’s liability or other form of liability insurance which covers household pets. Such insurance shall be in force at all times, with proof of same provided at each recertification or at such other times as the PHA may request.

No pet owner shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.

The pet owner shall have his or her cat or dog spayed or neutered and shall pay the cost thereof. A veterinarian shall verify that the spaying or neutering has been accomplished.

All cats shall be declawed. Proof of compliance shall be furnished to management.

The pet owner shall house the pet inside the pet owner’s dwelling unit. The pet owner shall keep a cat or a dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owner shall allow his or her pet to be unleashed or loose outside the pet owner’s dwelling unit.

No pet shall be permitted in any common area except as necessary to directly enter and exit the building. This restriction is not applicable to service animals.

No pet (other than birds or fish) shall be permitted to remain in an apartment overnight while the resident is away.

Management shall furnish to the household a pet sticker if the pet is a dog or cat which must be displayed on the front entrance door of the unit.

Resident shall provide the PHA a color photograph of the pet(s).

All dogs and cats shall wear a collar at all times. Attached to the collar shall be an ID tag listing the pet owner’s name and address.

Any resident having a dog or cat shall obtain some type of “scooper” to clean up after the pet outdoors. The resident is responsible for placing all waste in sealed plastic bags and disposing of such material in a trash container.

Resident is required to take whatever action necessary to insure that their pet does not bring any fleas or ticks into the building. This may include, but is not limited to, the use of flea collars and flea powder. The resident is responsible for the cost of flea/tick extermination.

No resident shall keep, raise, train, breed or maintain any pet of any kind at any location, wither inside or outside the dwelling unit, for any commercial purpose.

No pet owner shall keep a vicious or intimidating pet on the premises (i.e. pit bulls or any other vicious or intimidating breeds). Any animal identified in local or State law or ordinance as dangerous or vicious will be prohibited. If the pet owner declines, delays or refuses to re move such a pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.

No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner’s neighbors or other residents. The terms “disturb, interfere or diminish” shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.

The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. The pet owner shall not permit refuse from the litter box to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.

The owner of a dog shall feed the animal at least once per day; take the animal for a walk at least twice per day; remove the animals droppings at least twice per day; and take the animal to a veterinarian at least once per year. The pet owner shall not permit dog droppings to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in plastic tie sack in a designated trash container outside the building where the pet owner lives.

The pet owner shall take the precautions and measures necessary to eliminate odors within and around the dwelling unit, and shall maintain the dwelling unit sanitary condition at all times, as determined by the PHA.

The pet owner shall keep the pet, dwelling unit, and surrounds areas free of fleas, ticks and/or other vermin.

No pet owner shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.

Resident agrees that the PHA shall have the right to remove any pet should the pet become vicious, display symptoms of severe illness or demonstrate other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole. If the PHA requests that the resident remove the pet from the premises and resident refuses to do so, or if the PHA is unable to contact the resident to make the request, the PHA may take such actions as deemed necessary, e.g. placing the pet in a facility that will provide the pet with care and shelter at the expense of the pet owner for a period not to exceed thirty (30) days. PHA staff shall enter a dwelling unit where a pet has been left untended for twenty-four (24) hours, remove the pet and transfer it to the

proper local authorities subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.

Each pet owner shall pay a non-refundable pet fee of \$50.00 and a refundable pet deposit of \$200.00. There is no pet deposit for birds, gerbils, hamsters, guinea pigs or turtles. The pet fee/deposit is not part of the rent payable by the pet owner, and is in addition to any other financial obligation generally imposed on residents of the development where the pet owner lives. The PHA shall use the non-refundable pet fee only to pay reasonable expenses directly attributable to the presence of the pet in the development, including but not limited to the cost of repairs and replacements to and the fumigation of the pet owners dwelling unit. The refundable deposit will be used if appropriate to correct damages directly attributable to the presence of the pet.

The refundable pet deposit will be placed in an escrow account and the PHA will refund the unused portion to the resident within thirty (30) days after the pet owner moves from the dwelling unit or no longer owns or keeps a pet in the dwelling unit.

Should State or local law require that the pet deposit be placed in an interest bearing account, the PHA will provide for such deposit and will account for all interest individually by pet owner family. Should the State or local law not specifically address the issue of pet deposit interest, the PHA shall determine payment of non-payment of interest based on State or local law with respect to rental security deposit requirements.

All residents are prohibited from feeding, housing or caring for stray animals or birds. Such action shall constitute having a pet without permission of the PHA.

Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill or absent from the dwelling unit and unable to care for his or her pet, the alternate custodian shall assume responsibility for the care and keeping of the pet including, if necessary, the removal of the pet from PHA premises.

Should any pet housed in the PHA's facilities give birth to a litter, the resident shall remove from the premises all of said pets except one as soon as the babies are able to survive on their own (a maximum of 6 weeks).

Pet Violations Procedures: Resident agrees to comply with the following:

- a. Notice of Pet Rule Violation: If the PHA determines on the bases of objective facts, supported by written statements, that a pet owner has violated a rule governing the keeping of pets, the PHA will serve a notice to the owner of pet rule violation. - b. **Pet Rule Violation Meeting:** If the pet owner makes a request, within five (5) days of the notice of pet rule violation, for a meeting to discuss the alleged violation, the PHA will establish a mutually agreeable time and place for the meeting within fifteen (15) days from the effective date of service of the notice of pet rule violation. At the pet rule violation meeting, the pet owner and PHA shall discuss any alleged pet rule violation and attempt to correct it. The PHA, may as a result of the meeting, give the pet owner additional time to correct the violation
  
- c. **Notice for Pet Removal:** If the PHA determines that the pet owner has failed to correct the pet rule violation within the time permitted by Paragraph b. of this section (including any additional time permitted by the PHA), or if the parties are unable to resolve the problem, the PHA may serve a notice to the pet owner requiring the pet owner to remove the pet. The notice will be in writing and will:
  - 1) *Contain a brief statement of the factual basis for the determination and the pet rule or rules that has been violated*
  - 2) *State that the pet owner must remove the pet within ten (10) days of the effective date of the notice of pet removal (or the meeting, if notice is served at the meeting).*
  - 3) *State that failure to remove the pet may result in initiation of the procedures to have the pet removed or terminate the pet owner's lease or both.*
  
- d. The procedure does not apply in cases where the pet in question presents an immediate threat to the health or safety of others or if the pet is being treated in an inhumane manner.

The PHA will not be responsible for any pet which gets out of a unit when maintenance employees enter for the purpose of making repairs. The family is responsible for removing the pet when maintenance is scheduled or assuring that a responsible family member is present to control the pet.

If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.

## **Required Attachment J: Community Service Requirements**

*In order to comply with Section 12 (c) of the Act enacted on October 12, 1998, as Section 512 of the Quality Housing and Work Responsibility Act of 1998, the Edna Housing Authority sent a notice to residents on June 26, 2003 alerting the tenants of the requirement, whether or not they are exempt and what must be done in order to comply. The housing authority assured all affected residents were performing their community service or self-sufficiency requirement by the deadline of October 31, 2003.*

*In 2003, a log of Community Service Compliance Certification and Community Service Exemption Certificate were signed by residents eligible for the exemption from the Community Service requirement. There were residents required to perform community service who failed to comply and have since left the program.*

*Our Quality Control staff person has updated documentation for April 1, 2006 to March 31, 2007 (FY 2007). The housing authority has two (2) residents who owe 88 hours and are required to perform community service for FY 2007, but one is leaving on March 23, 2007. These residents have been advised and will be allowed an additional year to complete the hours owed while maintaining the current community service requirements.*

*Public Housing staff has been advised that 50058's submission reflect the exemption or non-compliance on residents. The PHA lease on January 19, 2004 adopted the Community Service requirement and penalty for failure to comply.*

*While there was some confusion on our part, with the on, off and on again Community Service Policy, Mauritz Village residents have a signed Community Service Compliance Certification or a Community Service Exemption Certificate on file.*

*The Edna Housing Authority is tracking for community service requirement and is in compliance as indicated in the 2007 Annual Plan.*
