ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Los Fresnos has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules, and requirements related to the operations, programs, and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Continued Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display. These important documents cover the public housing tenant selection and assignment plan, outreach services, PHA's responsibility to Section 8 owners/landlords, grievance procedures, etc.

The most important challenges to be met by the Housing Authority of the City of Los Fresnos each during FY 2007 include:

- *Identify and correct areas requiring improvement in order to return the PHA to Standard Performance Status.*
- *Preserve and improve the public housing stock through the Capital Funds activities.*

- *Involve the public housing residents and the Section 8 participants through the Annual Plan Resident Advisory Board.*
- *Train staff and commissioners to fully understand and take advantage of opportunities in the new law and regulations to better serve our residents and the community; and*
- *Identify, develop and leverage services to enable low-income families to become self-sufficient.*
- *Identification of management needs to enable PHA staff to prepare for major upcoming changes in the Operating Fund rule. (i.e. Project-Based Accounting, Asset Management, Cost Allocation Planning, and software upgrades.)*

In closing, this Annual PHA Plan exemplifies the commitment of the Housing Authority of the City of Los Fresnos to meet the housing needs of the full range of low-income residents. The Housing Authority of the City of Los Fresnos, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the “higher quality of life” destination for the City of Los Fresnos and the County of Cameron.

COMMUNITY SERVICE DESCRIPTION OF IMPLEMENTATION

Description of the Community Service Plan

The Housing Authority of the City of Los Fresnos Community Service Plan is simple and definitive of Section 512 of the Quality and Work Responsibility Act of 1998. The Housing Authority of the City of Los Fresnos believes that the community service requirement should not be received by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents and opportunity to contribute to the communities that support them while gaining work experience. The requirement is easy and rewarding and the Housing Authority provides the residents with the name of agencies, the agencies point of contact and all required paper work necessary to accomplish the monthly service.

The Community Service Plan allows the PHA to identify those residents required to participate in the community service requirement. Participants will be required to contribute 8 hours of community service each month or to participate in a self-sufficiency program for 8 hours each month. Identified residents are responsible to determine the appropriateness of the voluntary service within guidelines provide in the policy. Allowed activities that may be included are listed in the policy. Voluntary political activities are prohibited from being considered to meet the Community Service requirement. Participation in self-sufficiency activities that may be included are listed in the policy. A list of exemptions that may be claimed from the requirement is provided in the policy. Family obligations and PHA obligations are addressed in detail. Lease requirements and documentation and non-compliance are all clearly addressed.

Administrative Steps Taken To Implement The Requirement

The following administrative steps were taken in implementing the PHA Community Service Plan. A written notification was sent to all residents regarding requirements on exempt status of each adult family member. Informed all residents that the program would be administered by the PHA, however; they are required to have their hours documented and signed by the agencies where they volunteered. Finally that the volunteer sheet required for filing would be provided by the PHA.

Programmatic Aspects Of The Requirements

Activities that the residents can participate in and receive community service credit are assisting at Public Library, assisting with after school programs at the Boys and Girls Club, and performing yard work for the Housing Authority. The following agencies assist the residents in accomplishing their community service, Los Fresnos Housing Authority, Public Library, and the Boys & Girls Club.

For non-compliance with the Community Service Plan the PHA informed residents again of the requirements, then inform them of the consequences for non-compliance, i.e., grounds for eviction.
