OMB No. 2577-0226
(exp. 08/31/2009)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

SECTION XVIX

CONTINUED OCCUPANCY AND COMMUNITY SERVICE

Effective 7/1/03 

Revision effective 9/11/06

General

In order to be eligible for continued occupancy, each adult family member must either: (1) contribute **twenty (20) hours per month** of community service (not including political activities) within the community in which the public housing development is located; (2) participate in an economic self-sufficiency program; or (3) spend eight hours participating in a combination of self-sufficiency and community service activities unless they are exempt from this requirement.

Exemptions

1. Family members who are 62 or older
2. Family members who are blind or disabled as defined under 216(l)(1) or 1614 of the Social Security Act (42 USC 416(l)(1)) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
3. Family members who are engaged in work activities as specified below:
 - a. Unsubsidized employment;
 - b. Subsidized private- sector employment;
 - c. Subsidized public-sector employment;
 - d. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
 - e. On the job training;
 - f. Job search and job readiness assistance;
 - g. Community service programs;
 - h. Vocational educational training (not to exceed 12 months with respect to any individual);
 - i. Job skills training directly related to employment;
 - j. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificated of high school equivalency;
 - k. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence;
 - l. The provision of childcare services to an individual who is participating in a community service program.

Notification of the Requirement

Prior to implementation of the Community Service requirement, the Housing Authority will notify all residents of the requirement and its proposed implementation.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after [policy implementation date]. It will inform residents of the exemptions from the requirements and the methods for establishing an exemption. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

Volunteer Opportunities

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

The Process

At the time of initial implementation the Housing Authority shall identify all family members who are apparently subject to this requirement. The authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority shall verify such claims. For families paying the flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place.

At the first annual reexamination on or after 7/1/03 and each annual reexamination thereafter, the Housing Authority will do the following:

1. Provide a list of volunteer opportunities to the family members.
2. Provide information about obtaining suitable volunteer positions.
3. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
4. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

Notification of Non-compliance with Community Service Requirement

The Housing Authority will notify any family found to be in noncompliance of the following:

1. That one or more family member(s) has been determined to be in noncompliance;
2. That this determination is subject to the grievance procedure; and
3. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated.

Opportunity for cure

The Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to participate in an economic self-sufficiency program or agrees to perform community service activities for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns are applied to the current commitment until the current year's commitment is complete.

If any non-compliant family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community, the Housing Authority shall take action to terminate the lease.

PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the community service requirement, the Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.
