**WALLA WALLA HOUSING AUTHORITY  
DECONCENTRATION POLICY**

The Walla Walla Housing Authority will devote appropriate attention to the following guiding principles when establishing admissions policy that encourages deconcentration of poverty and income-mixing.

1. Determine and compare the relative tenant incomes of each development and the incomes of the census tracts in which the developments are located.
2. Consider what policies, measures or incentives are necessary to bring higher income families into lower income developments and lower-income families into higher income developments.
3. Take into account current tenant populations, applicant populations and housing resources.
4. Affirmatively further fair housing.

Dated this 18<sup>th</sup> day of June 1999.

Walla Walla Housing Authority Board Resolution #289
