A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan See Attachment “G”

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

Policy Defining A Substantial Deviation and Change in the Agency Plan

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, the Board of Commissioners and the U.S. Department of Housing and Urban Development of any “substantial deviation” or “significant amendment” in the Agency’s Annual Plan and in the 5-Year Plan proposed modernization and capital improvement activities that have been previously approved and reported to HUD.

The Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Board, to the Commissioners and to the public to advise them of any substantial deviation or substantial change in the overall Plan and any preplanned modernization work items.

Therefore, the Housing Authority hereby defines a “substantial deviation” as any deletion or addition of any modernization work item that is greater than \$25,000; the addition or deletion of any new or old program or activity; any changes with regard to demolition, disposition, or designation of housing units; any homeownership programs or conversion activities; and any changes to rent or admission policies (except changes made to reflect changes in HUD regulatory requirements). A “significant amendment” would be changes in the use of replacement reserves under the Capital Funds program or the addition of non-emergency work items not included in the current Annual Plan that is greater than \$25,000.

The Executive Director is assigned the responsibility of making the required notifications to all interested and affected parties as described above or of any “substantial deviation” or “significant amendment” to the Annual and Five-Year Plans as well as notification to the public of any

material change, that is not defined above, that in his or her opinion, should be made known to the public as good business practice.

THE HOUSING AUTHORITY OF THE CITY OF HALEYVILLE, ALABAMA

ATTACHMENT A

DECONCENTRATION POLICY

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.
2. Actions: To accomplish the deconcentration goals, the housing authority will take the following actions:
 - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
 - B. To accomplish the goals of:
 - (1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 - (2) Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is part of this policy, provides for skipping families on the waiting list to accomplish these goals.

This policy became effective immediately upon adoption by the Board of Commissioners of the Housing Authority of the Haleyville, Alabama.

**CERTIFICATION
“INITIAL ASSESSMENT”
VOLUNTARY CONVERSION OF DEVELOPMENT FROM PUBLIC
HOUSING STOCK**

This is to certify that The Housing Authority of the City of Haleyville, Alabama has reviewed each development operating as public housing; considered the implications of converting the public housing to tenant-based assistance ; and concluded that conversion may be inappropriate because removal of the developments would not meet the necessary conditions for voluntary conversion.

That the initial assessment indicated that 1) cost would be a factor; 2) the ability to occupy the developments; 3) cost and/ or workability of vouchers in the community and 4) other relevant factors that voluntary conversion may be inappropriate.

Component 10 (B) Voluntary Conversion Initial Assessments

- a. How many of the PHA’s developments are subject to the Required Initial Assessments? 5
- b. How many of the PHA’s developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? 3
- c. How many Assessments were conducted for the PHA’s covered developments? 5
- d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments:

Development Name	Number of Units
NONE	

- e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments. Completed

THEREFORE, the Housing Authority has determined that our developments are not appropriate for conversion based on the following reasons:

1. Conversion **would be** more expensive than continuing to operate the developments (or a portion of it) as public housing;
2. Conversion **would not** principally benefit residents of the public housing development to be converted and the community; and
3. Conversion **would** adversely affect the availability of affordable housing in the community.

The Housing Authority does not plan to demolish or dispose of any public housing units;

Public Housing developments accounts for a large percentage of the housing stock in the community and would effect the availability of affordable housing in the community; and

Conversion would not benefit the residents due to the limited housing stock in the community and the current programs/services being offered by the housing authority. Additionally, our public housing developments are equal to or above existing housing stock in the community;

V. Admissions and Screening

A. *Non-Denial of Assistance*. HHA will not deny admission to public housing to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

VI. Termination of Tenancy or Assistance

A. *VAWA Protections.* Under VAWA, public housing residents have the following specific protections, which will be observed by HHA:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a “serious or repeated” violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.

2. In addition to the foregoing, tenancy or assistance will not be terminated by HHA as a Result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant’s control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

- (a) Nothing contained in this paragraph shall limit any otherwise available authority of HHA to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant’s household. However, in taking any such action, HHA may apply a more demanding standard to the victim of domestic violence, dating violence or stalking applied to other tenants.
- (b) Nothing contained in this paragraph shall be construed to limit the authority of HHA to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or HHA, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

B. *Removal of Perpetrator.* Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, HHA as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a resident or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the resident or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by HHA. Leases used for all public housing operated by HHA, shall contain provisions setting forth the substance of this paragraph.

VII. Verification of Domestic Violence, Dating Violence or Stalking

A. *Requirement for Verification.* The law allows, but does not require, HHA to verify an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the

applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII.C., HHA shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by HHA.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. *HUD-approved form* - by providing to HHA a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
2. *Other documentation* - by providing to HHA documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. *Police or court record* – by providing to HHA a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

B. *Time allowed to provide verification/ failure to provide.* An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by HHA, to provide verification, must provide such verification within 14 business days (*i.e.*, 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

C. *Waiver of verification requirement.* The Executive Director of HHA, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

VIII. Confidentiality
