B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- a. Substantial Deviation from the 5-Year Plan
- b. Significant Amendment or Modification to the Annual Plan

The Morrilton Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

1. Any alteration of the PHA's Mission Statement.
2. Any change or amendment to a stated Strategic Goal.
3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met.
4. Any introduction of a new Strategic Goal or a new Strategic Objective.
5. Any alteration in the Capital Fund Program (CFP) that affects expenditure greater than twenty percent (20%) of the CFP Annual Budget for that year.

In defining the above, the Morrilton Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan.
