9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2007 - 2011.)

STATEMENT OF PROGRESS IN MEETING 5-YEAR PLAN MISSION AND GOALS

The White River Regional Housing Authority's mission is the same as that of the Department of Housing and Urban Development: to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. Progress in meeting this mission has been accomplished by continuing to house residents in low-income public housing units; providing and improving the conditions of those units; and maintaining high lease-up rates in the Section 8 Housing Choice Voucher program.

The PHA's goals of increasing the availability of decent, safe, and affordable housing; improving community quality of life and economic vitality; promoting self-sufficiency and asset development of families and individuals; and ensuring equal opportunity in housing for all have been accomplished in many ways. Those include applying for the maximum number of fair-share and mainstream vouchers available; reducing public housing vacancies to the

extent possible; creating additional housing opportunities with the HOME tenant-based rental assistance program; maintaining voucher payment standards at a level that will ensure maximum lease-up rates within HUD-allocated funding; using Capital Fund Grant funds to the maximum extent possible to improve quality of life in public housing developments; ensuring compliance with HUD's housing quality standards (HQS), applying for and receiving elderly housing project under HUD Section 202 program and administering the Voucher Homeownership Program.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

Definition of “Substantial Deviation” and “Significant Amendment or Modification” {903.7(r)}

The White River Regional Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

1. Any alteration of the PHA's Mission Statement.
2. Any change or amendment to a stated Strategic Goal.
3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met.
4. Any introduction of a new Strategic Goal or a new Strategic Objective.

In defining the above, the White River Regional Housing Authority intends by “Strategic Goal” and “Strategic Objective” specifically those items in its Five Year Plan and any change in the above items will be considered a “substantial deviation” from the plan.

Furthermore, the White River Regional Housing Authority considers the following changes to require a public process before amending said changes and that these items are “significant amendments or modifications” to the Agency Plan:

5. Changes to rent or admissions policies or organization of the waiting list.
6. Additions of non-emergency work items (items not included in the Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
7. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
