A RESOLUTION AMENDING THE HOUSING AUTHORITY OF THE CITY OF BRUNSWICK, GEORGIA'S ADMISSION AND CONTINUED OCCUPANCY POLICIES TO PROVIDE FOR DECONCENTRATION OF POVERTY AND INCOME MIXING IN ITS PUBLIC HOUSING DEVELOPMENTS.

WHEREAS, the Quality Housing and Work Responsibility Act of 1998 requires public housing agencies to submit with their annual public housing agency plan an admission policy designed to provide for deconcentration of poverty and income mixing, by bringing higher income residents into lower income public housing communities and bringing lower income residents into higher income public housing communities.

NOW, THEREFORE BE IT RESOLVED: The Admission and Continued Occupancy Policies shall be amended as follows:

The Authority encourages deconcentration of poverty and income mixing in its public housing communities by encouraging higher income residents to move into lower income public housing communities and encouraging lower income residents to move into higher income communities.

- (a) The Authority will compare the family incomes of each public housing community with the family incomes of census tracts in which each public housing development is located.
- (b) In order to achieve the Authority's goals of deconcentration of poverty and income mixing the Authority will from time to time skip certain families on the waiting list to reach families with a higher or lower income as needed to further these goals. Such skipping will be applied uniformly.
- (c) The Authority will make an offer to the next eligible family with the appropriate income needed to further the deconcentration of poverty and income mixing goals in accordance with the Applicant Selection and Assignment Plan.

COMMUNITY SERVICE

[24 CFR Part 960 Subpart F and 24 CFR 903.7(1)] **INTRODUCTION**

IMPORTANT NOTICE

The community service requirement was suspended for the Federal Fiscal year 2002, for all developments except HOPE VI developments (Department of Veteran Affairs and Housing and Urban Development, and Independent Agencies Appropriation Act, 2002, at Section 432). The requirement has been reinstated for Federal fiscal year 2003.

A. REQUIREMENT

Each adult resident of the PHA shall:

Contribute **8** hours per month of community service (not including political activities) within the community in which that adult resides: or.

Participate in an economic self-sufficiency program (defined below) for 8 hours per month; or

Perform 8 hours per month of combined activities (community service and economic self-sufficiency program)

B. EXEMPTIONS

The PHA shall provide an exemption from the community service requirement for any individual who:

Is 62 years of age or older;

Is a blind or disabled individual, as defined under section 216[i][1] or 1614 of the Social Security Act, and who is unable to comply with this section, or is primary caretaker of such individual;

Is age 18 years of age or older and has full-time student status;

Is age 18 years of age or older and participating in a Family Self Sufficiency program;

Is engaged in a work activity as defined in section 407[d] of the Social Security Act;

Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State in which the public housing agency is located including a State-administered welfare-to-work program; or

Is in a family receiving assistance under a State program funded under Part A of title IV of the Social Security Act, or under any other welfare program of the State in which the public housing agency is located, including a State-administered welfare-to-work program, and has not been found by the State or other administering entity to be in noncompliance with such program.

The PHA will re-verify exemption status annually except in the case of an individual who is 62

12/14105 ACOI

years of age or older.

The PHA will permit residents to change exemption status during the year if status changes.

C. DEFINITION OF ECONOMIC SELF-SUFFICIENCY PROGRAM

For purposes of satisfying the community service requirement, participating in an economic self-sufficiency program is defined, in addition to the exemption definitions described above, by HUD as: Any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families,

These economic self-sufficiency programs can include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The PHA will give residents the greatest choice possible in identifying community service opportunities.

The PHA will consider a broad range of self-sufficiency opportunities

D. ANNUAL DETERMINATIONS

For each public housing resident subject to *the* requirement of community service, the PHA shall, 30 days before the expiration of each lease term, review and determine the compliance of the resident with the community service requirement.

Such determination shall be made in accordance with the principles of due process and on a nondiscriminatory basis.

The PHA will verify compliance annually. If qualifying activities are administered by an organization other than the PHA, the PHA will obtain verification of family compliance from such third parties.

Family members will not be permitted to self-certify that they have complied with community service requirements.

E. NONCOMPLIANCE

If the PHA determines that a resident subject to the community service requirement has not complied with the requirement, the PHA shall notify the resident of such noncompliance, and that:

The determination of noncompliance is subject to the administrative grievance procedure under the PHA's Grievance Procedures; and

Unless the resident enters into an agreement to comply with the community service requirement, the resident's lease will not be renewed, and

The PHA may not renew or extend the resident's lease upon expiration of the lease term and shall take such action as is necessary to terminate the tenancy of the household, unless the PHA enters into an agreement, before the expiration of the lease term, with the resident providing for the resident to cure any noncompliance with the community service requirement, by participating in an economic self-sufficiency program for or contributing to community service as many additional hours as the resident needs to comply in the aggregate with such requirement over the 12-month term of the lease.

The head of household and the noncompliant adult must sign the agreement to cure.

Ineligibility for Occupancy for Noncompliance

The PHA shall not renew or extend any lease, or provide any new lease, for a dwelling unit for any household that includes an adult member who was subject to the community service requirement and failed to comply with the requirement.

Agency Plan
Resident Survey Follow-Up Plan
July 2007

Communication

- Meetings will be held with Resident Associations and the Resident Advisory Board regarding their concerns and perceptions on this issue.
- We will communicate with residents in their spoken language.
- We will identify all methods of communicating with residents, such as flyers/letters placed in mailboxes and bulletin boards located in the central office.

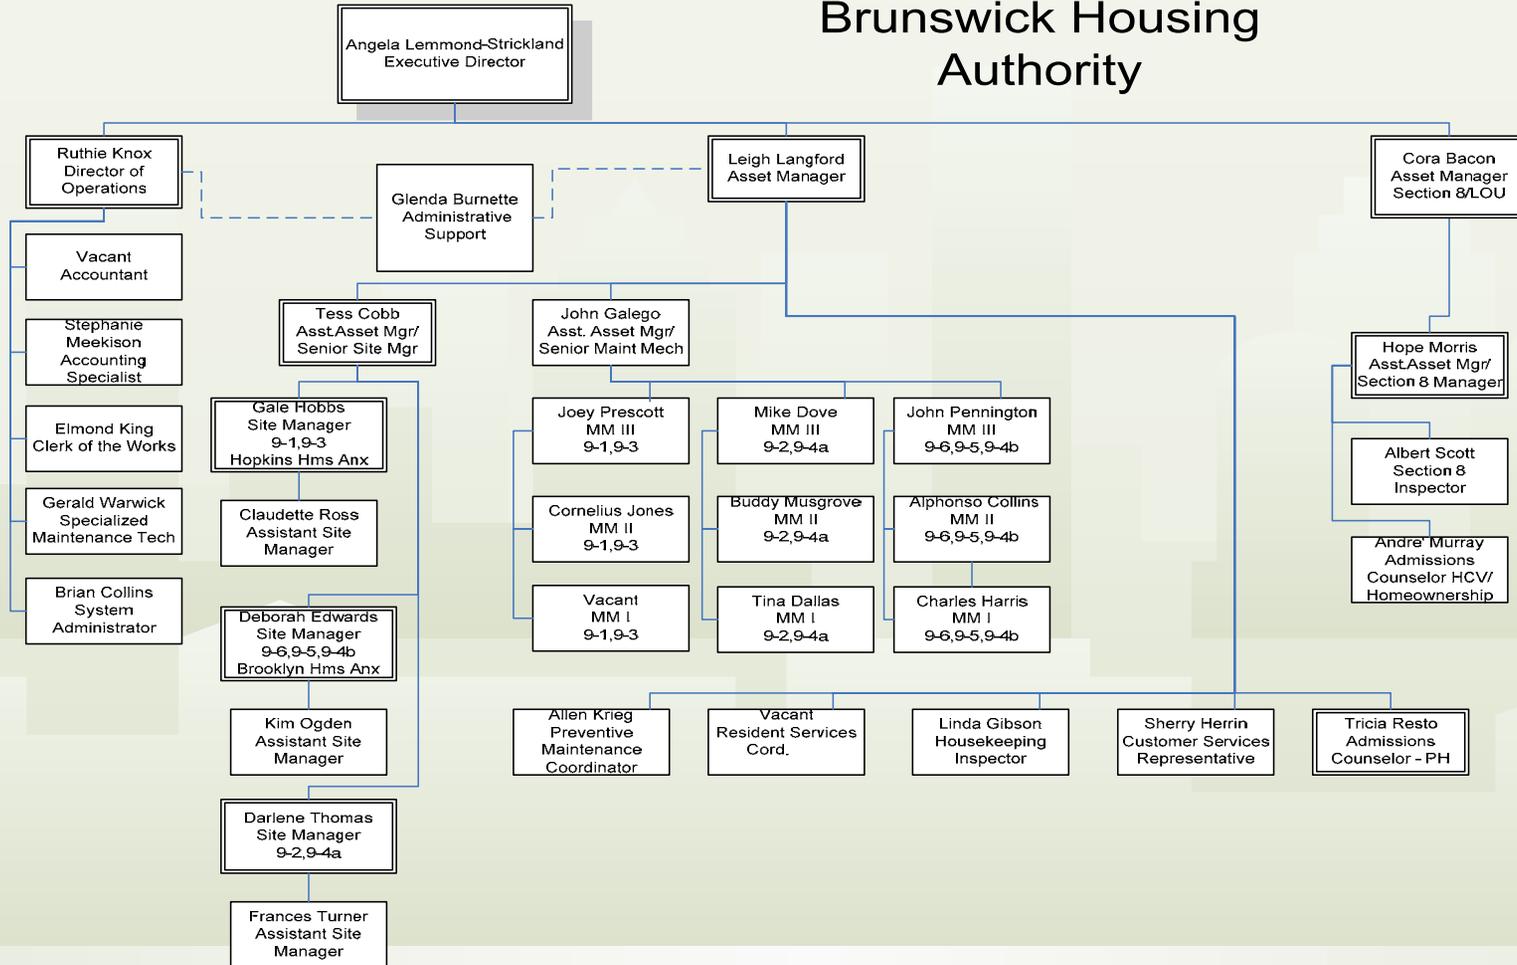

Neighborhood Appearance

- A renewed effort will be made to keep all developments free and clear of trash and other debris.
- Discussions concerning litter will be held with residents at regularly scheduled resident meetings to encourage their assistance in keeping the developments free of litter.
- Extermination of pest will be done on a regular basis.
- A renewed effort to eliminate graffiti within 24 hours of report will be made.
- New roofs are being added at all of the properties and these new roofs improve both the appearance of the properties and protect residents from the elements.

Safety

- Assessment of outdoor lighting is planned in the upcoming year to determine if additional lighting is necessary.
- Additional CPAC officers were added to increase the safety of the properties.
