This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

9. VAWA Policy

THE HOUSING AUTHORITY OF THE CITY OF FITZGERALD, GEORGIA

Lynn Sanford, Executive Director
223 S. Grant Street
Fitzgerald, Georgia 31750
Telephone: (229) 423-3755

Violence Against Women Act (VAWA) Policy

The Housing Authority of the City of Fitzgerald, Georgia (PHA) does not deny program assistance or admission to qualified persons who are victims of domestic violence, dating violence, sexual assault or stalking pursuant to the provisions of Title VI Violence Against Women and Department of Justice Reauthorization Act of 2005. Pursuant to VAWA, this policy is hereby implemented retroactively as of January 1, 2006.

The PHA may request the participant certify his or her status as a victim of domestic violence, dating violence, sexual assault or stalking. The information provided to the PHA by the victim shall be confidential and not entered into any shared database nor provided to any related entity unless where written consent is given by the victim, required for use in eviction proceedings or otherwise required by law.

Where the victim is a participant or a member of the participant's immediate family, an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking shall not be considered a serious or repeated violation of the lease by the victim or threatened victim nor will it be cause for termination of assistance, tenancy or occupancy rights for the victims of such violence.

Further, no criminal activity related to domestic violence, dating violence, sexual assault or stalking engaged in by a member of participant's household or guest or any other person will be cause for termination of assistance, tenancy or occupancy rights where the participant or an immediate member of the participant's family is the victim of such violence.

However, the PHA may bifurcate (or divide) the lease to terminate assistance and/or remove a lawful occupant or tenant who engages in criminal acts of violence (such as domestic violence, dating violence, sexual assault or stalking) toward family members or others without evicting victimized lawful occupants.

The PHA will honor court orders regarding rights of access or control of the property.

Nothing limits the ability of the PHA to evict or terminate assistance for good cause unrelated to domestic violence, dating violence, sexual assault or stalking nor prohibits termination or eviction if the PHA can demonstrate an actual and imminent threat to other tenants or PHA employees.

Nothing in this policy supersedes any provision of any Federal, State or Local law that provides greater protection than this section for victims of domestic violence, dating violence or stalking.

*The rights of the tenants will be addressed with each participant/head of household and such notation will be placed in each file.
