This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

### **The provision of safe, accessible and affordable housing**

#### **The Housing Authority of the City of Eastman will continue to:**

- **Maintain its public housing units in a decent, safe and sanitary condition**
  - **Renovate its public housing units utilizing Capital Fund Program funds provided by HUD**
  - **Meet the special needs of families with disabilities by providing reasonable accommodation and accessible housing in the public housing program**

**While none of the activities outlined in the State of Georgia's Consolidated Plan target funds to public housing programs, the activities do parallel the mission, goals, and objectives of the Housing Authority of the City of Eastman. Further, the State of Georgia believes it has a vested interest in the federal government's commitment to continue to provide resources for the operations, maintenance and preservation of public housing.**

**This is evidenced in the State of Georgia Consolidated Plan in the following Strategic Plan Priority:**

**To increase the number of Georgia’s low and moderate-income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.**

**The use of the term “low and moderate income households” in the referenced Strategic Plan Priority includes all households at or below 80 percent of median income. This category includes low-income, very low-income, and extremely low-income households. These are the households that the Housing Authority of the City of Eastman targets and serves for housing assistance.**

**This year we again expect to continue to utilize the funds we receive for our existing programs to house people and to focus on modernization. HUD priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may change over the coming year if there are program changes beyond our control.**
