ADMISSIONS POLICY FOR DECONCENTRATION

10.4 DECONCENTRATION POLICY

It is Valdosta Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Valdosta Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 Deconcentration Incentives

The Valdosta Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and

associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

PETS owned by Elderly or Handicapped residents

Those residents who qualify under Section 227 of the Housing and Urban Renewal Recovery Act of 1983, specifically elderly and handicapped residents, may own and keep common household pets in Valdosta Housing Authority housing. Provided that the resident maintains the pet in accordance with this pet policy. Common household pet means a domesticated dog, cat or bird. The weight of the dog, cat or bird may not exceed twenty-five (25) pounds. Elderly or handicapped means an elderly or handicapped person or family as defined in 24 CFR 912.2. 24 CFR 912.2 defines Elderly Family as a family whose head or spouse or whose sole member is at least sixty-two years of age, or a Disabled Person as defined below or a Handicapped Person as defined below and may include two or more Elderly, Disabled or Handicapped Persons living together, or one or more such persons living with another person who is determined to be essential to his or her care and well being. 24 CFR 912.2 defines a Disabled Person as a person who is under a disability as defined in section 223 of the Social Security Act (42 U.S.C. 423) or in section 102 (b) (5) of the Developmental Disabilities Services and Facilities Construction Amendments of 1970 (42 U.S.C. 6001 (7)). 24 CFR 912.2 defines a Handicapped Person as a person having a physical or mental impairment which (1) is expected to be of long, continued and indefinite duration, and (2) is of such a nature that such ability could be improved by more suitable housing conditions.

Approval

Prior to bringing any pet onto the premises governed by Section 227 of the Housing and Urban Renewal Recovery Act of 1983, the resident must register the pet with the Valdosta Housing Authority and pay the applicable pet deposit. The resident must update the registration at least annually to coincide with the annual reexamination of the tenant income. The application for registration of the pet must include:

1. A certificate signed by a licensed veterinarian or a State or local authority empowered to inoculate animals (or a designated agent of such an authority) stating that the pet has received all inoculations required by applicable State and local law and that pet has been spayed or neutered;
2. A completed pet information form that is sufficient to identify the pet and to demonstrate that it is a common household pet as defined in this policy;
3. The name, address, and phone number or two responsible parties who agree to care for the pet if the resident dies, is incapacitated, or is otherwise unable to care for the pet;
4. Payment of the applicable pet deposit as defined below; and
5. A signed statement indicating that the resident has read the pet rules and agrees to comply with them.

Types and Number of Pets

The Valdosta Housing Authority will allow only domesticated dogs, cats, birds in units. All dogs and cats must be neutered.

Only one (1) pet per unit allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed twenty-five (25) pounds in weight.

Inoculations

In order to be registered, pets must be appropriately inoculated against rabies and other conditions prescribed by local ordinances.

Pet Deposit

A pet deposit of \$75 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear.

Financial Obligation of Residents

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Valdosta Housing Authority reserves the right to exterminate and charge the resident.

Nuisance or Threat to Health or Safety

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas. The resident must provide a litter box for cat waste, which must be kept in the dwelling unit. Residents shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Litter boxes must be changed at least twice a week.

Repeated substantiated complaints by neighbors or Valdosta Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, barking, howling, chirping, biting, scratching, or other nuisance will result in the owner having to remove the pet or move him/herself.

Designation of Pet areas

Pets must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages may be constructed). Birds must be confined to a cage at all times. Pets will be allowed only in designated areas on the grounds of the projects. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

Visiting Pets

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without Valdosta Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

REMOVAL OF PETS

The Valdosta Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located. If pets are left unattended for a period of twenty-four (24) hours or more, the Valdosta Housing Authority may enter the dwelling unit, remove the pet and transfer it to the proper authorities. The Valdosta Housing Authority accepts n responsibility for the animal under such circumstances.

Statement of Progress of 5-Year Plan

The Valdosta Housing Authority is continually striving to improve its service to the residents of the Housing Authority and the community. Through the management of the housing authority, several goals have been met under the current five-year plan.

The Housing Authority is also currently renovating units within its inventory, as well as air-conditioned 97% of its units. Customer service training is also being provided for Valdosta Housing Authority staff, in order to better serve our clients.

Maintenance operations have continued to answer routine work orders within three days, thus providing rapid customer service to the residents.

Under the Equal Opportunity Clause, the housing authority continues to promote income and racial mixing in all of its developments.

The housing authority currently has sufficient operating reserves and has converted to GAAP accounting.

The image of the Valdosta Housing Authority is promoted each year by positive articles in the newspaper, which highlight activities in the developments. These stories highlight residents as well as activities provided for the residents.

The housing authority has a supportive program on line for the residents, which involves a partnership with the local University in computer skills training. We also provide a kid's café for the children each evening during the week, in which they are provided a hot meal at the community centers. During the summer months these meals are served at lunch time.

VAWA Policy

The Housing Authority will promote and abide by the **VIOLENCE AGAINST WOMEN ACT** (VAWA) that was signed by President Bush on January 5, 2006. The Housing Authority will support or assist victims of domestic violence, dating violence, sexual assault stalking and/or others as required by the law to prevent them from losing their HUD-assisted housing as a consequence of the abuse of which they were the victim. The Housing Authority will adhere to HUD requirements regarding the VAWA pertaining to Public Housing.

The Housing Authority will take action to protect the safety and welfare of all our residents when repeated offenses occur. In the event the victim being protected shows a willingness to continue relationships with such abusers, continues to have them as guests in their home and incidents continue to occur, the victim could be evicted in order to protect our other residents.
