ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Agency Plan is a comprehensive guide to the McDonough Housing Authority's policies, programs, operations and strategies for meeting local housing needs and goals. There are two parts to the Plan: the Five-Year Plan, which the Authority submits to the Department of Housing and Urban Development (HUD) once every fifth fiscal year, and the Annual Plan, which is submitted to HUD every year. This document represents the Authority's FY2008 Agency Plan Annual Update.

Since the Agency Plan serves as the annual application for the Capital Fund Program (CFP), the Authority has submitted an Annual Statement and Five-Year Plan for the FY2008 CFP based on FY2007 funding amount.

Policy Violence Against Women Act (VAWA): The PHA shall not deny admission to any applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission. This language has been incorporated into the ACOP.

14. RESERVED FOR PET POLICY

Pet Policy

In accordance with Section 526 of the Quality Housing and Work Responsibility Act, the McDonough Housing Authority will permit all residents of public housing to own and keep common household pets in their apartment. This policy sets forth the conditions and guidelines under which pets will be permitted in the MHA's units. The purpose of the policy is to ensure that pet ownership will not be injurious to persons or property, or violate the rights of all tenants to clean, quiet, and safe surroundings. A full policy is available at the Housing Authority's main office.

The policy defines which type of pets are allowed.

Every pet must be registered with the Housing Authority's management prior to moving into the building and updated annually thereafter at the time of reexamination. The pet owner must be a member of the resident's household. The policy contains a list of items that the resident must obtain prior to housing a pet.

The policy contains a limit for the number of pets one family may own.

No visitor or guest will be allowed to bring pets on the premises at anytime. Residents will not be allowed to Pet Sit or House a Pet without fully complying with this policy.

Feeding or caring for stray animals is prohibited and will be considered keeping a pet without permission.

The policy contains a description of how pets must be restrained when outdoors and how owners will properly dispose of pet waste.

At no time will pets be allowed in any public area such as community buildings, laundry rooms, sitting rooms, etc. Pets should only be in the lobby when entering or leaving the building.

There are stipulations in the policy that discuss the removal of registered pets from the Housing Authority property if violations of rules occur.

Pet owners shall assume full responsibility for any vicious or destructive act by the pet.

Management and tenant agree to utilize the Grievance Procedure described in the Lease Agreement to resolve any dispute between tenant and management regarding a pet.

Owners of dogs and cats shall be required to pay a \$250.00 Pet Security Deposit. A portion of this deposit, \$100, is non-refundable. At move-out, the remaining Pet Security Deposit will be refunded to the resident, provided no damage has been done to the apartment by the pet, in which case the damage charges will be subtracted from the amount to be refunded. No prior application or deposit will be required for birds, fish, turtles, gerbils, hamsters, or guinea pigs; however, all provisions of the dwelling lease and remaining provisions of these Pet Rules will apply.

No pet shall be raised, bred, kept, or trained for any commercial purpose.

The Pet Policy does not apply to animals that are used to assist persons with disabilities. This exclusion applies to animals that reside in the development exclusively for the elderly or persons with disabilities, as well as animals used to assist persons with disabilities that visit the development. Pets used for the purpose of aiding residents with disabilities must have appropriate certification. The Authority shall maintain a list of agencies which provide and/or train animals to give assistance to individuals with disabilities.

Community Service and Self Sufficiency Policy

The Quality Housing and Work Responsibility Act of 1998 (QHWRA) requires that all non-exempt public housing residents 18 years of age or older complete eight (8) hours per month of community service or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self-sufficiency and economic independence.

The Housing Authority has implemented a policy to make sure all non-exempt residents meet the community service requirement. The complete policy is on file at the Authority. All residents have been made aware of the policy and are expected to comply with the policy.

Progress in meeting the 5-Year Plan Mission and Goals

The Authority has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our properties and our FY 2008 application will continue that effort.

The Authority continues to follow HUD established guidelines in the admission to and occupancy of public housing.

We are confident that the Authority will be able to continue to meet and accommodate all our goals and objectives for FY 2008.

Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

A "Substantial Deviation" from the 5-Year Plan is an overall change in the direction of the Authority pertaining to the Authority's Goals and Objectives. This includes changing the Authority's Goals and Objectives.

b. Significant Amendment or Modification to the Annual Plan

The Authority's Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- Changes to rent or admissions policies or organization of the waiting list.
- Additions of non-emergency work items over \$30,000 (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Deconcentration Policy

It is the policy of the Housing Authority of McDonough (MHA) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the MHA is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the MHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the MHA does not concentrate families with higher income levels, it is the goal of the MHA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The MHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the MHA.

To accomplish the deconcentration goals the MHA will take the following actions:

- A. At the beginning of each fiscal year, the MHA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 - 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 - 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the MHA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.
