The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**This is evidenced in the State of Georgia Consolidated Plan in the following Strategic Plan Priority:**

**To increase the number of Georgia’s low and moderate-income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.**

**The use of the term “low and moderate income households” in the referenced Strategic Plan Priority includes all households at or below 80 percent of median income. This category includes low-income, very low-income, and extremely low-income households. These are the households that the Housing Authority of the City of Roberta targets and serves for housing assistance.**

**This year we again expect to continue to utilize the funds we receive for our existing programs to house people and to focus on modernization. #### **Executive Summary**

The Housing Authority of the City of Roberta promotes affordable housing, economic opportunity, and a suitable living environment for the families that we serve. The Housing Authority continues to meet established industry standards in the areas of management, maintenance, and fiscal responsibility.

The continual decrease in federal funds creates obstacles that have made it difficult to conduct and implement comprehensive stock assessment of an aging housing stock. In the face of these cutbacks, the Housing Authority will strive to improve our existing physical inventory, programs and service delivery. A primary goal is to assure that the housing needs of the City of Roberta's low-income residents will continue to be addressed.

We made the following changes to our policies and/or programs based on changes in statutes and/or HUD regulations that have occurred in the past year.

#### ***PUBLIC HOUSING ADMISSIONS AND CONTINUED OCCUPANCY POLICY:***

- Screening and Termination language related to the Violence Against Women Act
- ***PUBLIC HOUSING LEASE:***
  - Termination language related to the Violence Against Women Act
