This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

The State of Georgia Consolidated Plan supports Tri-City Housing Authority's Agency Plan with the following Strategic Plan Priority:

To increase the number of Georgia's low and moderate-income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.

Our agency is part of the entire effort undertaken by Talbot County and the State of Georgia to address our jurisdiction's affordable housing needs. While not specifically targeting funds in the Consolidated Plan for public housing programs, the State of Georgia believes it has a vested interest in the federal government's commitment to continue to provide resources for the operations, maintenance and preservation of public housing.

The use of the term "low and moderate income households" in the referenced Strategic Plan Priority includes all households at or below 80 percent of median income. This category includes low-income, very low-income, and extremely low-income households. These are the households that the Tri-City Housing Authority targets and serves for housing assistance.

In summary, the State of Georgia's Consolidated Plan strategies are consistent with and support the goals and objectives of the Tri-City Housing Authority.

A goal of the Tri-City Housing Authority to fully comply with the Violence Against Women Act (VAWA). It is our objective to work with others to prevent offenses covered by VAWA to the degree we can.

Tri-City Housing Authority provides or offers the following activities, services, or programs, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking.

Through cooperation with the local domestic violence agencies and Talbot County's Sheriff's Department, any cases of violence as described are referred for assistance. The local domestic violence agencies are:

**Children's Emergency Shelter of Columbus
United Way of Chattahoochee Valley, Inc.
New Horizons – 24 hour Emergency Crisis Service**

Tri-City Housing Authority provides or offers the following activities, services, or programs that help child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing.

The above listed agencies' program staff is aware of our housing program and makes client referrals to our office. Apparently eligible clients are placed on our waiting list.

For persons already living in a Housing Authority unit who become victims as described, these are referred to police and the listed agencies for assistance. If the management becomes aware of any violator who may be restricted through an order of protection, that person is prohibited from the premises and is considered a trespasser subject to arrest and removal. The Sheriff's Department is cooperative and supportive in cases such as this, and willingly responds and enforces the protective orders.

Tri-City Housing Authority provides or offers the following activities, services, or programs to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

The same methods as described herein are used, making referrals to the listed agencies for counseling and support services, and attempting to enforce orders of protection with the cooperation of Sheriff's Department personnel.

Tri-City Housing Authority has the following procedure in place to assure applicants and residents are aware of their rights under the Violence Against Women Act:

All residents have been notified of their rights and responsibilities under the Violence Against Women Act.

The orientation for new residents includes information on their rights and responsibilities under the Violence Against Women Act.

The Admissions & Continued Occupancy Policy (ACOP) and the Public Housing Dwelling Lease have been revised to include screening and termination language related to the Violence Against Women Act

Annual Plan

Fiscal Year 10/01/2008 – 9/30/2009

Executive Summary

Tri-City Housing Authority promotes affordable housing, economic opportunity, and a suitable living environment for the families that we serve.

In the face of continual funding cutbacks, the Housing Authority will strive to improve our existing physical inventory, programs and service delivery. A primary goal is to assure that the housing needs of our jurisdiction's low-income residents will continue to be addressed.

Consolidated Housing Authority of Talbot County (October 1 fiscal year) has merged with the Housing Authority of the City of Woodbury (July 1 fiscal year). This consolidated agency is called Tri-City Housing Authority, and will have a fiscal year of October 1 – September 30. During the upcoming fiscal year, we will continue to diligently follow HUD's guidance in merging the programs and budgets of these two agencies that had operated under two different fiscal years.

We made the following changes to our policies and/or programs based on changes in statutes and/or HUD regulations that have occurred in the past year.

Public Housing Admissions and Continued Occupancy Policy and the Public Housing Lease:

- Protections under the Violence Against Women Act (VAWA)
